(2) No forward-looking statement (within the meaning of Section 27A of the Act and Section 21E of the Exchange Act) or presentation of market-related or statistical data contained in any of the Registration Statement, the Disclosure Package and the Prospectus has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

Amendments have been executed and delivered in connection with the sale of the Securities within the periods after the Closing Date specified in

Trustee on behalf of the holders of the Securities, valid and enforceable security interests in the rights of the Company and each Subsidiary
Guarantor in the property in which a security interest is purported to be granted under the Security Documents and upon, or as a result of, the

provided in the Security Documents and will be subject only to Permitted Liens.
(ee) The Company and the Guarantors collectively own, have rights in or have the power to transfer rights in the Collateral (as defined in the Security Documents), free and clear of any Liens (as defined under the caption “Description of the Notes” in the Disclosure Package and the Prospectus) other than (i) the security interests granted pursuant to the Security Documents, (ii) the security documents relating to the Credit Facilities and (iii) Liens expressly permitted to exist on the Collateral under the First Lien and Second Lien Indentures.

(ff) All of the capital stock of any corporation to be pledged under the Security Documents is certificated and exists as of the date hereof.

(gg) The Company is not an ineligible issuer, and the Parent Guarantor is a well-known seasoned issuer, in each case as defined in Rule 405 of the Act, in each case, at the times specified in the Act in connection with the offering of the Securities.

Any certificate signed by any officer of the Company, the Guarantors or their respective subsidiaries and delivered to the Representatives or counsel for the Underwriters in connection with the offering of the Securities and, when issued, the Guarantees, shall be deemed a joint and several representation and warranty by each of the Company, the Guarantors and their respective subsidiaries, as to matters covered thereby, to each Underwriter.

4. **Offering by Underwriters.** Each Underwriter acknowledges that:

(a) it has not used and will not use, authorize use of, refer to, or participate in the planning for use of, any “free writing prospectus” as defined under Rule 405 of the Act (which term includes use of any written information furnished to the Commission by the Company and not incorporated by reference into the Registration Statement and any press release issued by the Company), other than (i) a free writing prospectus that, solely as a result of use by such Underwriter, would not trigger an obligation to file such free writing prospectus with the Commission pursuant to Rule 433 under the Act, (ii) any Issuer Free Writing Prospectus listed in Annex B or prepared pursuant to Section 1(c) above or Section 5(d) below (including any electronic road show), or (iii) any free writing prospectus prepared by such Underwriter and approved by the Company in advance in writing. Notwithstanding the foregoing, the Underwriters may use a Pricing Term Sheet substantially in the form of Annex A hereto; and

(b) it is not subject to any proceeding under Section 8A of the Act with respect to the offering (and will promptly notify the Company if any such proceeding against it is initiated during the Prospectus Delivery Period (as defined below)).

5. **Agreements.** The Company and the Guarantors jointly and severally agree, in each case with each Underwriter as follows:

(a) The Company will file the final Prospectus with the Commission within the time periods specified by Rule 424(b) and Rule 430A, 430B or 430C under the Act, will file any Issuer Free Writing Prospectus (including the Pricing Term Sheet in the form of Annex A hereto) to the extent required by Rule 433 under the Act; and will file all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus and for so long as a prospectus relating to the Securities is (or, but for the exception afforded by Rule 172, would be) required to be delivered under the Act (such period, the “Prospectus Delivery Period”); and the Company will furnish copies of the Prospectus and each Issuer Free Writing Prospectus (to the extent not previously delivered, electronically or otherwise) to the Underwriters in New York City on the second Business Day succeeding the date of this Agreement in such quantities as the Representatives may reasonably request. The Company will pay the registration fees for this offering within the time period required by Rule 456(b)(1)(i) under the Act (without giving effect to the proviso therein) and in any event prior to the Closing Date.

(b) (i) The Company has furnished or will deliver to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement as originally filed and each amendment thereto (including exhibits filed therewith) and signed copies of all consents and certificates of experts, and will also deliver to the Representatives, without charge, a conformed copy of the Registration Statement as originally filed and each amendment thereto (without exhibits) for each of the Underwriters. The Company has delivered to each Underwriter, without charge, as many copies of each Preliminary Prospectus as such Underwriter reasonably requested, and the
Company hereby consents to the use of such copies for purposes permitted by the Act and (ii) the Company will furnish to each Underwriter, without charge, during the Prospectus Delivery Period, such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request. The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(c) Prior to the later of the Closing Date or the end of the Prospectus Delivery Period, before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement (other than an amendment or supplement filed in connection with the registration of additional classes of securities of the Parent Guarantor, the Company and their subsidiaries) or the Prospectus, the Company will furnish to BofA Securities, Inc. and counsel for the Underwriters a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus required to be filed or file any such proposed amendment or supplement to which BofA Securities, Inc. reasonably objects.

(d) The Company will advise the Representatives promptly, and confirm such advice in writing, (i) when any amendment to the Registration Statement has been filed (other than an amendment or supplement filed in connection with the registration of additional classes of securities of the Parent Guarantor, the Company and their subsidiaries); (ii) when any supplement to the Prospectus or any amendment to the Prospectus or any Issuer Free Writing Prospectus has been filed; (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or the receipt of any comments from the Commission relating to the Registration Statement or any other request by the Commission for any additional information; (iv) of the issuance by the Commission of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus or the Prospectus or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Act; (v) of the occurrence of any event within the Prospectus Delivery Period as a result of which any Issuer Free Writing Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances existing when any such Issuer Free Writing Prospectus is delivered to a purchaser, not misleading; (vi) of the receipt by the Company of any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act; and (vii) of the receipt by the Company of any notice with respect to any suspension of the qualification of the Securities for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and the Company will use every reasonable effort to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus or the Prospectus or suspending any such qualification of the Securities and, if any such order is issued, will obtain as soon as possible the withdrawal thereof as may be necessary to permit offers and sales of the Securities by the Underwriters.
(e) If at any time prior to the Closing Date (i) any event shall occur or condition shall exist as a result of which, in the opinion of counsel for the Underwriters or the Company, the Disclosure Package as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances, not misleading or (ii) it is necessary to amend or supplement the Disclosure Package to comply with law, the Company will promptly notify BofA Securities, Inc. on behalf of the Representatives thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission (to the extent required) and furnish to the Underwriters and to such dealers as the Representatives may designate, such amendments or supplements to the Disclosure Package as may be necessary so that the statements in the Disclosure Package as so amended or supplemented will not, in the light of the circumstances, be misleading or so that the Disclosure Package will comply with law.

(f) If during the Prospectus Delivery Period (i) any event shall occur or condition shall exist as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Prospectus to comply with law, the Company will promptly notify BofA Securities, Inc. on behalf of the Representatives thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission and furnish to the Underwriters and to such dealers as the Representatives may designate, such amendments or supplements to the Prospectus as may be necessary so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with law.

(g) The Company will use reasonable best efforts to assist the Underwriters in arranging, if necessary, for the qualification of the Securities for sale by the Underwriters under the applicable securities laws of such jurisdictions in the United States as the Representatives may designate and will maintain such qualifications in effect so long as required for the sale of the Securities; provided that in no event shall the Company or any of the Guarantors be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would reasonably be expected to subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject or to subject themselves to taxation in excess of a nominal amount in respect of doing business in any jurisdiction. The Company will promptly advise BofA Securities, Inc., on behalf of the Representatives, of the receipt by it of any notification with respect to the suspension of the qualification of the Securities or the Guarantees for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose.

(h) The Company will cooperate with the Representatives and use its commercially reasonable efforts to permit the Securities to be eligible for clearance and settlement through DTC.
(i) The Company will not, for a period following the date of the Prospectus until the Closing Date, without the prior written consent of BoA Securities, Inc., offer, sell or contract to sell, pledge or otherwise dispose of (or enter into any transaction that is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company, any of the Guarantors or any of their respective Affiliates or any person in privity with the Company, any of the Guarantors or any of their respective Affiliates), directly or indirectly, or announce the offering of, any capital markets debt securities issued or guaranteed by the Company or any of the Guarantors (other than the Securities and the Guarantees).

(j) The Company and the Guarantors jointly and severally agree to pay the costs and expenses incident to the following matters: (i) the fees of the Trustee (and its counsel); (ii) the preparation, printing (or reproduction), delivery (including postage, air freight charges and charges for counting and packaging) and filing under the Act, of such copies of the Registration Statement, the Disclosure Package, and Issuer Free Writing Prospectus and the Prospectus, and all amendments or supplements to either of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities; (iii) any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (iv) the printing (or reproduction) and delivery of any blue sky memorandum to investors in connection with the offering of the Securities; (v) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states and any other jurisdictions specified pursuant to Section 5(g) (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such registration and qualification); (vi) the approval of the Securities for book-entry transfer by DTC; (vii) the transportation and other expenses incurred by or on behalf of representatives of the Company in connection with presentations to prospective purchasers of the Securities; (viii) the fees and expenses of the Company’s and the Parent Guarantor’s accountants and the fees and expenses of counsel (including local and special counsel) to the Company; (ix) the rating of the Securities by rating agencies; (x) all filing costs, fees and expenses relating to the perfection of the security interests in the Collateral, as set forth in the Security Documents; and (xi) all other costs and expenses incident to the performance by the Company of their obligations hereunder; provided, however, that except as specifically provided in this paragraph (j), in Section 8 and in Section 9, the Underwriters shall pay their own costs and expenses in connection with presentations for prospective purchasers of the Securities.

(k) The Company will use the proceeds from the sale of the Securities in the manner described in each of the Registration Statement, the Disclosure Package and the Prospectus under the caption “Use of Proceeds.”

(l) The Company and the Guarantors jointly and severally acknowledge and agree that the Underwriters are acting solely in the capacity of an arm’s length contractual counterparty to the Company and the Guarantors with respect to the offering of Securities contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company, any of the Guarantors or any other person. Additionally, no Underwriter is advising the Company, any of the Guarantors or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company and the Guarantors shall consult with their own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and the Underwriters shall have no responsibility or liability to the Company or
any of the Guarantors with respect thereto. Any review by the Underwriters of the Company and the Guarantors, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Company or any of the Guarantors.

(m) The Company and each Subsidiary Guarantor shall cause the Securities to be secured by liens on the Collateral to the extent and in the manner provided for in the Indentures and the Security Documents and as described in each of the Registration Statement, the Disclosure Package and the Prospectus.

(n) The Company will, pursuant to reasonable procedures developed in good faith, retain copies of each Issuer Free Writing Prospectus that is not filed with the Commission in accordance with Rule 433 under the Act.

(ii) since the date of the most recent financial statements included or incorporated by reference in each of the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto), there has been no material adverse change in the condition (financial or otherwise), business or results of operations of the Company and its subsidiaries, taken as a whole, except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto).

(e) At the Applicable Time and at the Closing Date, the Company shall have requested and caused Ernst & Young LLP to furnish to the Underwriters a “comfort” letter, dated as of the Applicable Time, and a bring-down “comfort letter,” dated as of the Closing Date, respectively, in form and substance reasonably satisfactory to the Representatives, confirming that they are independent registered public accountants within the meaning of the Exchange Act and within the meaning of the rules of the Public Company Accounting Oversight Board and confirming certain matters with respect to the audited and unaudited financial statements and other financial and accounting information contained in the Registration Statement, the Disclosure Package and the Prospectus, including any amendment or supplement thereto at the date of the applicable letter.
(f) Subsequent to the Applicable Time or, if earlier, the dates as of which information is given in the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto), there shall not have been any change or development in the condition (financial or otherwise), business or results of operations of the Parent Guarantor and its subsidiaries, taken as a whole, and after giving effect to the Transaction, except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto), the effect of which is, or would reasonably be expected to become, in the judgment of BoA Securities, Inc., so material and adverse as to make it impractical or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated in the Registration Statement, the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto).

(g) At the Closing Date, the Company, the Guarantors and the Trustee shall have entered into the applicable Indenture, and the Representatives shall have received counterparts, conformed as executed, thereof.

(h) Subsequent to the Applicable Time, there shall not have been any decrease in the rating of the Securities by any “nationally recognized statistical rating organization,” as such term is defined in Section 3(a)(62) of the Exchange Act, or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(i) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request, as set forth in the closing memorandum relating to the offering of the Securities.

(j) Prior to the Closing Date, the Company shall have taken all action reasonably required to be taken by it to have the Securities declared eligible for clearance and settlement through DTC.

(k) At the Closing Date, the Underwriters, the Trustee and the First Lien Collateral Agent shall have received the Additional First Lien Secured Party Consent, the Additional Receivables Intercreditor Agreement and each other document or instrument (for the avoidance of doubt, other than the documents indicated in Schedule III hereto) required to cause the Securities to be secured by liens on the Collateral to the extent and in the manner provided for in the Indentures and the Security Documents and as described in the Registration Statement, the Disclosure Package and the Prospectus, in each case executed by the parties thereto.

All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to the Representatives and counsel for the Underwriters.

The documents required to be delivered by this Section 6 will be available for inspection at the office of Cleary Gottlieb Steen & Hamilton LLP, at One Liberty Plaza, New York, New York 10006, on the Business Day prior to the Closing Date.
7. Post-Closing Actions Relating to Collateral. Notwithstanding anything to the contrary contained in this Agreement, the Indenture, the Security Documents or the Mortgages, the Company and the Subsidiary Guarantors acknowledge and agree that the Company and its subsidiaries shall be required to take the actions specified in Schedule III as promptly as reasonably practicable, and in any event within the periods after the Closing Date specified in said Schedule III. The provisions of said Schedule III shall be deemed incorporated by reference herein as fully as if set forth herein in their entirety.

All conditions precedent, representations and covenants contained in this Agreement, the Indenture, the Security Documents and the Mortgages shall be deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above within the time periods required above, rather than as elsewhere provided in any of the above-referenced agreements), provided that (x) to the extent any representation and warranty would not be true because the foregoing actions were not taken on the Closing Date, the respective representation and warranty shall be required to be true and correct in all material respects at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of Section 7, and (y) all representations and warranties relating to the Security Documents and the Mortgages shall be required to be true immediately after the actions required to be taken by Section 7 have been taken (or were required to be taken).

8. Reimbursement of Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 11 hereof or because of any refusal, inability or failure on the part of the Company or the Guarantors to perform any agreement herein or to comply with any provision hereof other than by reason of a default by any of the Underwriters, including as described in Section 10 hereof, the Company and the Guarantors, jointly and severally, will reimburse the Underwriters through the Representatives on behalf of the Underwriters on demand for all reasonable expenses (including reasonable fees and disbursements of Cahill Gordon & Reindel LLP) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

(a) The Company and the Guarantors jointly and severally agree to indemnify and hold harmless each Underwriter, the directors, officers, employees, agents and Affiliates of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other U.S. federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment or supplement thereto, the Disclosure Package, any Issuer Free Writing Prospectus or any written communication that constitutes an offer to sell or a solicitation of any offer to buy the Securities used by the Company or the Guarantors in violation of the provisions of this Agreement, or the omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and agree (subject
to the limitations set forth in the proviso to this sentence) to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company and the Guarantors will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Prospectus (or any amendment or supplement thereto), the Disclosure Package or any Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company or the Guarantors by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability that the Company and the Guarantors may otherwise have. Each indemnifying party shall not be liable under this Section 9 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by such indemnifying party, which consent shall not be unreasonably withheld.

(b) Each Underwriter severally, and not jointly, agrees to indemnify and hold harmless (i) the Company and the Guarantors, (ii) each person, if any, who controls (within the meaning of either the Act or the Exchange Act) the Company or any of the Guarantors, and (iii) the directors and officers of the Company and the Guarantors, to the same extent as the foregoing indemnity from the Company and the Guarantors, to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company or the Guarantors by or on behalf of such Underwriter through the Representatives specifically for inclusion in the Registration Statement, the Prospectus (or any amendment or supplement thereto), the Disclosure Package or any Issuer Free Writing Prospectus. This indemnity agreement will be in addition to any liability that any Underwriter may otherwise have. The Company and the Guarantors acknowledge that the fifth, tenth and eleventh paragraphs and the second sentence of the seventh paragraph under the heading “Underwriting” in the Disclosure Package and the Prospectus constitute the only information furnished in writing by or on behalf of the Underwriters for inclusion in the Registration Statement, the Prospectus (or any amendment or supplement thereto), the Disclosure Package or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights or defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above, except as provided in paragraph (d) below. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party’s choice at the indemnifying party’s expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the
indemnifying party’s election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest (based on the advice of counsel to the indemnified person); (ii) such action includes both the indemnified party and the indemnifying party, and the indemnifying party shall have reasonably concluded (based on the advice of counsel to the indemnified person) that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactorily to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. It is understood and agreed that the indemnifying person shall not, in connection with any pending or threatened claim, action, suit or proceeding in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm (in addition to any local counsel) for all indemnified persons. Any such separate firm for any Underwriter, its Affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by BofA Securities, Inc., and any such separate firm for the Company or any of the Guarantors and any control persons, officers or directors of the Company or any of the Guarantors shall be designated in writing by the Company or such Guarantor, as the case may be. In the event that any Underwriter, its Affiliates, directors and officers or any control persons of such Underwriter are Indemnified Persons collectively entitled, in connection with a proceeding in a single jurisdiction, to the payment of fees and expenses of a single separate firm under this Section 9(c), and any such Underwriter, its Affiliates, directors and officers or any control persons of such Underwriter cannot agree to a mutually acceptable separate firm to act as counsel therefor, then such separate firm for all such Indemnified Persons shall be designated in writing by BofA Securities, Inc. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim, action, suit or proceeding) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to, or any admission of, fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 9 is unavailable to or insufficient to hold harmless an indemnified party for any reason (other than by virtue of the failure of an indemnified party to notify the indemnifying party of its right to indemnification pursuant to subsection (a) or (b) above, where such failure materially prejudices the indemnifying party (through the forfeiture of substantial rights or defenses)), the Company and the Guarantors, on the one hand, and the Underwriters, on the other hand, severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending any loss, claim, damage, liability or action) (collectively “Losses”) to which the Company or any Guarantor and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and by the Underwriters, on the other hand, from the offering of the Securities. If the allocation provided by the immediately preceding sentence is unavailable for any reason or not permitted by applicable law, the Company and the Guarantors, on the one hand, and the Underwriters, on the other hand,
severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and the Guarantors, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. Benefits received by the Company and the Guarantors shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by them, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions received by them. Relative fault shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company or any Guarantor, on the one hand, or the Underwriters, on the other hand, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission and any other equitable considerations appropriate in the circumstances. The Company and the Guarantors and the Underwriters agree that it would not be just and equitable if the amount of such contribution were determined by pro rata allocation or any other method of allocation that does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Notwithstanding the provisions of this Section 9, in no event under this Section 9(d) shall any Underwriter be responsible for any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the offering of the Securities exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact. The Underwriters’ obligations to contribute pursuant to this Section 9 are several in proportion to their respective purchase obligations hereunder and not joint. For purposes of this Section 9, each person, if any, who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee, Affiliate and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company or any Guarantor within the meaning of either the Act or the Exchange Act and the respective officers and directors of the Company and the Guarantors shall have the same rights to contribution as the Company and the Guarantors, subject in each case to the applicable terms and conditions of this paragraph (d).

10. Default by an Underwriter. (x) If any one or more Underwriters shall fail to purchase and pay for the Securities agreed to be purchased by such Underwriter hereunder, and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions that the principal amount of the Securities set forth opposite their names in Schedule I hereto bear to the aggregate principal amount of the Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase exceeds 10% of the principal amount of Securities set forth in Schedule I hereto, the Company shall be entitled to a period of 36 hours within which to procure another party or parties reasonably satisfactory to the non-defaulting Underwriters, as the case may be, to purchase no less than the amount of such unpurchased Securities that exceeds 10% of the principal amount thereof upon such terms herein set forth. If, however, the Company shall not have completed such arrangements within 72 hours after such default and the principal amount of unpurchased Securities exceeds 10% of the principal amount of such Securities to be purchased on
such date, then this Agreement will terminate without liability to any non-defaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 10, the Closing Date shall be postponed for such period, not exceeding five Business Days, to effect any changes that in the opinion of counsel for the Company or counsel for the Representatives are necessary in the Registration Statement and the Prospectus or in any other documents or arrangements. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company or any nondefaulting Underwriter for damages occasioned by its default hereunder.

(y) Recognition of the U.S. Special Resolution Regimes

(i) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(ii) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

12. **Representations and Indemnities to Survive.** The respective agreements, representations, warranties, indemnities and other statements of the Company and the Guarantors or their respective officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Underwriters or the Company and the Guarantors, or any of the indemnified persons referred to in Section 9 hereof, and will survive delivery of and payment for the Securities. Within 90 days after the Closing Date, the First Lien Collateral Agent shall have received:

1. fully executed counterparts of an amendment to each of the Mortgages (the “Mortgage Amendments,” each a “Mortgage Amendment”), as appropriate, in form and substance reasonably satisfactory to the Underwriters, which Mortgage Amendments shall cover the Mortgaged Properties (as defined in Annex D) owned by the Company or the Subsidiary Guarantors as are designated on Annex D hereto, together with evidence that counterparts of said Mortgage Amendments have been delivered to the title insurance company insuring the Lien (as defined in the Indentures) of the Mortgages for recording in all places where such Mortgages are recorded, which Mortgage Amendments shall effectively create in favor of the First Lien Collateral Agent for the benefit of the New First Lien Secured Parties (as defined in the Prospectus), including the First Lien Collateral Agent and the Trustee on behalf of the holders of the Securities, a first-priority mortgage Lien on each Mortgaged Property, subject only to (i) those Liens created by the Security Documents and the Mortgage Amendments, (ii) those Liens, encumbrances, hypothecs and other matters affecting title to such Mortgaged Property as may have been found reasonably acceptable by the lenders or the administrative agent (as applicable) under the Credit Facilities in connection with the mortgages provided pursuant thereto, (iii) as to any particular real property at any time, such easements, encroachments, covenants, rights of way, minor defects, irregularities or encumbrances on title which could not reasonably be expected to materially impair such Mortgaged Property for the purpose for which it is held by the mortgagor or grantor thereof, (iv) zoning and other municipal ordinances which are not violated in any material respect by the existing improvements and the present use made by the mortgagor or grantor thereof of the premises, (v) general real estate taxes and assessments not yet delinquent, (vi) such other similar items as may have been consented to by the lenders or the administrative agent (as applicable) under the Credit Facilities in connection with the mortgages provided pursuant thereto, (vii) Enforceability Limitations, (viii) Permitted Exceptions and (ix) Permitted Liens (as defined in the Prospectus) and the Liens securing the obligations under the Indentures;

2. with respect to each Mortgage Amendment intended to encumber a Mortgaged Property, (i) a title search of the relevant Mortgaged Property (except for Mortgaged Properties located in Texas) confirming that there are no Liens of record in violation of the provisions of the applicable Mortgage and (ii) for Mortgaged Properties located in Texas, a date-down or modification endorsement to the policy or policies of title insurance insuring the Lien of each Mortgage, insuring that such Mortgage, as amended by such Mortgage Amendment is a valid and enforceable first priority lien on such Mortgaged Property in favor of the First Lien Collateral Agent for the benefit of the New First Lien Secured Parties; and

3. the opinions, addressed to the Underwriters and the First Lien Collateral Agent, of (1) outside counsel or in-house counsel, as to the due authorization, execution and delivery of the Mortgage Amendments by the Company, any Subsidiary Guarantor or any of their respective subsidiaries, as applicable, and (2) local counsel in each jurisdiction where Mortgaged Property is located, each in form and substance substantially similar to those provided in connection with the Credit Facilities.
