Q: Why did I receive a one-page notice in the mail regarding Internet availability of proxy materials instead of a paper copy of proxy materials?

A: The SEC has adopted rules to allow proxy materials to be posted on the Internet and to provide only a Notice of Internet Availability of Proxy Materials to shareholders. We have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the "Notice") to our shareholders of record and beneficial owners. All shareholders receiving the Notice will have the ability to access the proxy materials over the Internet and ask to receive a paper copy of the proxy materials by mail. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. In addition, the Notice contains instructions on how you may request access to proxy materials in printed form by mail or electronically on an ongoing basis. The Notice also instructs you how to submit your proxy electronically over the Internet or by mail.

Q: How can I get electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

- View the proxy materials for the annual general meeting on the Internet; and
- Instruct us to send future proxy materials to you by email.

Our proxy materials are also available on our website at the investor relations page of our website at www.marvell.com or by going to www.marvellproxy.com. None of the materials on our website other than the proxy materials is part of this proxy statement or is incorporated by reference herein.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual general meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Q: Who can vote?

A: The record date for the annual general meeting has been set as the close of business Pacific Time on September 12, 2016. Only shareholders of record as of such date will be entitled to notice of and to vote at the meeting. On the record date, there were 512,041,279 common shares outstanding. Each share outstanding is entitled to one vote on the proposals to be voted on at the meeting. There is no cumulative voting in the election of directors. Shares held as of the record date include shares that are held directly in your name as the shareholder of record and those shares held for you as a beneficial owner through a broker, bank or other nominee.

Q: What should I do now to vote?

A: You may vote your shares either by voting in person at the meeting or by submitting a completed proxy via the Internet, telephone or by mail. The meeting will take place on November 8, 2016. After carefully reading and

[Table of Contents](#)

considering the information contained in this proxy statement, please follow the instructions as summarized below depending on whether you hold shares directly in your name as shareholder of record or you are the beneficial owner of shares held through a broker, bank or other nominee. Most of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between the procedures for voting shares held of record and those owned beneficially.

Q: If I am a shareholder of record, how do I vote my shares?

A: If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company (the “Transfer Agent”), you are considered the shareholder of record with respect to those shares and the Notice was sent directly to you. There are four ways to vote:

- *In person.* If you are a shareholder of record, you may vote in person at the annual general meeting. We will provide you a ballot when you arrive.
- *Via the Internet.* You may submit your proxy via the Internet by following the instructions provided in the Notice.
- *By Telephone.* You may submit your proxy by calling the toll free number found on the proxy card.
- *By Mail.* If you request printed copies of the proxy materials by mail, you may submit your proxy by filling out the proxy card and sending it back in the envelope provided.

Please be aware that if you issue a proxy or give voting instructions over the Internet or by telephone, you may incur costs such as Internet access and telephone charges for which you will be responsible.

Q: If my shares are held in “street name” by my broker, bank or other nominee, how do I vote my shares?

A: If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of the shares held in “street name,” and the Notice will, subject to the terms made between you and the shareholder of record, be forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the shareholder of record. If the shares you own are held in “street name” by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of submitting voting instructions over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on a voting instruction form.

If your shares are held in “street name,” you may also vote your shares in person at the annual general meeting. You must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date, together with a form of personal identification, in order to be admitted to the annual general meeting. To be able to vote your shares held in “street name” at the annual general meeting, you will need to obtain a proxy from the shareholder of record.

Q: What happens if I do not cast a vote?

A: Many of our shareholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholders of record — If you are a shareholder of record and you do not cast your vote or submit a proxy, no votes will be cast on your behalf on any of the items of business at the annual general meeting. However, if you sign and return the proxy card with no further instructions, the proxy holders will vote your shares in the manner recommended by our board of directors on all matters presented in this proxy statement and, as the proxy holders, may determine in their discretion with respect to any other matters properly presented for a vote at the annual general meeting. A shareholder may also abstain from voting on any proposal. An “abstention”

[Table of Contents](#)

occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter. Pursuant to our Bye-laws, abstention votes have the same effect as an “against” vote with respect to the election of directors (Proposal No. 1). Abstentions will have no effect on the outcome of the vote for all other proposals.

Beneficial owners — If you hold your shares in “street name,” it is critical that you instruct your broker, bank or other nominee to cast your vote if you want it to count in the election of directors (Proposal No. 1), approval of named executive officer compensation (Proposal No. 2) and the Bye-law amendments (Proposal Nos. 4 through 10). The term “broker non-vote” refers to shares held by a broker or other nominee (for the benefit of its client) that are represented at the meeting, but with respect to which such broker, bank or nominee is not instructed to vote on a particular proposal and does not have discretionary authority to vote on that proposal. Brokers, banks and nominees do not have discretionary voting authority on non-routine matters (including Proposal Nos. 1, 2 and 4 through 10) and accordingly may not vote on such matters absent instructions from the beneficial holder. Thus, if you hold your shares in “street name” and you do not instruct your broker, bank or other nominee on how to vote in the election of directors (Proposal No. 1), with respect to votes related to named executive officer compensation (Proposal No. 2), or with respect to the Bye-law amendments (Proposal Nos. 4 through 10), no votes will be cast on your behalf on such matters.

The proposals at the annual general meeting to appoint Deloitte & Touche LLP as our auditors and independent registered public accounting firm, and authorize the audit committee, acting on behalf of our board of directors, to fix the remuneration of the auditors and independent registered public accounting firm, in both cases for our fiscal year ending January 28, 2017 (Proposal No. 3) is considered a routine matter for which brokerage firms may vote uninstructed shares. It is important to us that you affirmatively vote for the election of each of the nominees for director under Proposal No. 1 and for Proposal Nos. 2 and 4 through 10 since they are non-routine matters as described above.

Q: How are votes counted?

A: Each share held by a shareholder as of the record date will be entitled to one vote. There is no cumulative voting in the election of directors. All votes will be tabulated by the inspector of elections appointed for the meeting, who will count the votes, determine the existence of a quorum, validity of proxies and ballots, and certify the results of the voting. Voting at the meeting will be taken on a poll in accordance with our Bye-laws.

Q: What if I plan to attend the meeting in person?

A: To help ensure your shares are voted, we recommend that you submit your proxy or voting instruction form anyway. If you are a shareholder of record, please bring a form of personal identification to be admitted to the meeting. If your shares are held in the name of your broker, bank or other nominee and you plan to attend the meeting, you must present proof of your beneficial ownership of those shares as of the record date, such as a bank or brokerage account statement or letter, together with a form of personal identification, to be admitted to the meeting.

Q: How can I change or revoke my proxy after I have submitted it?

A: You may change or revoke your proxy at any time before it is voted at the annual general meeting by (1) delivering to our registered office at Canon’s Court, 22 Victoria Street, Hamilton HM 12, Bermuda, a written notice stating that the proxy is revoked, (2) submitting another proxy on a later date via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the annual general meeting will be counted), (3) signing and returning a new proxy card with a later date, or (4) attending the annual general meeting and voting in person. If you are a beneficial owner and submitted voting instructions to your broker, bank or other nominee, please refer to the instructions provided by your broker, bank or other nominee on how to change your vote.

Q: What if other matters come up at the meeting?

A: The matters described in this proxy statement are the only matters that we know of that will be voted on at the meeting. If any other matters properly come before the annual general meeting or any adjournment or postponement thereof, the persons named in the proxy card will vote the shares represented by all properly executed proxies in their discretion.

Q: What quorum is required for action at the meeting?

A: The presence in person of two or more persons representing in person or by proxy in excess of 50% of the total issued and outstanding shares of Marvell throughout the meeting shall constitute a quorum at the meeting. Abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. In the event there are not sufficient shares present for a quorum at the time of the annual general meeting, the meeting will stand adjourned for one week or otherwise as may be determined by our board of directors in accordance with the Bye-laws in order to permit the further solicitation of proxies.

Q: What vote is required to approve each proposal?

A: *Proposal No. 1:* The nominees for director receiving the affirmative vote of at least simple majority of the votes cast in person or by proxy at the annual general meeting will be elected as directors to serve until the next annual general meeting of shareholders. PRESENTATION OF FINANCIAL STATEMENTS

In accordance with Section 84 of the Companies Act and Bye-law 73 of the Bye-laws, our audited financial statements for the fiscal year ended January 30, 2016 will be presented at the annual general meeting. **PROPOSAL NO. 1:
ELECTION OF DIRECTORS**

Nominees

Our Bye-laws provide that our board shall consist of not less than two directors or such number in excess thereof as our board of directors may determine. The number of directors is currently fixed at twelve and there are currently twelve members serving on our board of directors. However, as of the date of the annual general meeting, the number of directors will be reduced from twelve to ten. The nominating and governance committee has recommended, and our board of directors has nominated, ten current members of our board of directors to stand for election at the annual general meeting. If the current nominees are elected, we will have ten members serving on our board of directors and the number of directors will be fixed at ten. All nominees elected as directors will serve one year terms until the next annual general meeting of shareholders or until their respective successors are duly elected and qualified. In the event any new nominees are appointed as directors after this annual general meeting, they will be required to stand for election at the next annual general meeting and each annual general meeting of shareholders thereafter if nominated to do so.

Our director nominees for the 2016 annual general meeting are Peter A. Feld, Dr. Juergen Gromer, Richard S. Hill, Dr. John G. Kassakian, Oleg Khaykin, Arturo Krueger, Matthew J. Murphy, Michael Strachan, Robert E. Switz and Dr. Randhir Thakur.

Biographical information for the nominees can be found immediately following this proposal. We have been advised that each of our nominees is willing to be named as such herein and each of the nominees is willing to serve as a director if elected. However, if one or more of the director nominees should be unable to serve as a director, the proxy holders may vote for a substitute nominee recommended by the nominating and governance committee and approved by our board of directors.

Agreement with Starboard Value LP

In April 2016, the Company announced that it entered into an agreement with Starboard Value LP (“Starboard”) regarding the composition of its board of directors, among other matters. Under the terms of the agreement, the Company elected Peter A. Feld, Richard S. Hill, Oleg Khaykin, Michael Strachan and Robert Switz to serve on its board. Mr. Hill replaced Dr. Sutardja as the Chairman of the Board in May 2016. Pursuant to the agreement, the Board recommended and the Company agreed to support and solicit proxies only for the election at the 2016 annual general meeting of Messrs. Feld, Hill, Khaykin, Murphy, Strachan, Switz, Dr. Gromer, Dr. Kassakian, Mr. Krueger and Dr. Thakur. Also pursuant to the agreement, the number of directors was reduced from twelve to ten effective as of this annual general meeting. The agreement further provides that, at the 2016 annual general meeting, Starboard would vote all shares of common stock beneficially owned by it (A) in favor of the Company’s nominees, (B) in favor of the ratification of the appointment of Deloitte & Touche LLP (see Proposal 3), and (C) in accordance with the board’s recommendation with respect to the Company’s Say-on-Pay proposal (see Proposal 2) and any other Company proposal or shareholder proposal presented at the 2016 annual general meeting, provided, however, that in the event Institutional Shareholder Services, Inc. (ISS) or Glass Lewis & Co., LLC (Glass Lewis) recommends otherwise with respect to Proposal 2 or any other Company proposal or shareholder proposal (other than proposals relating to the election of directors), Starboard will be permitted to vote in accordance with the recommendation of ISS or Glass Lewis. A complete copy of the Starboard agreement is filed as Exhibit 10.1 to the Company’s Current Report on Form 8-K filed with the SEC on April 27, 2016.

Board Recommendation and Required Vote

Our board of directors recommends that you vote **FOR** the nominees for director identified above.

[Table of Contents](#)

Unless authority to do so is withheld, the proxy holders named in the proxy card will vote the shares represented thereby FOR the election of each such nominee. Assuming the presence of a quorum, the required vote is the affirmative vote of a simple majority of votes cast and entitled to vote at the annual general meeting. Abstentions are included in the calculation of votes cast and will have the same effect as an “against” vote with respect to the election of such director. Broker non-votes will be entirely excluded from the vote and will have no effect on the outcome.

If the proposal for the appointment of a director nominee does not receive the required affirmative vote of a simple majority of the votes cast, then the director will not be appointed and the position on our board of directors that would have been filled by the director nominee will become vacant. Our board of directors has the ability to fill the vacancy upon the recommendation of the nominating and governance committee, in accordance with the Bye-laws, with that director subject to election by our shareholders at the next following annual general meeting of shareholders.

CORPORATE GOVERNANCE AND DIRECTOR INDEPENDENCE

Corporate Governance Guidelines

Our board of directors has adopted a set of corporate governance guidelines and practices to establish a framework within which it will conduct its business. The corporate governance guidelines and practices provide, among other things, that:

- in the absence of a non-executive Chairman of the Board, our board of directors shall designate a lead independent director who, among other duties, is responsible for presiding over executive sessions of independent directors;
- a majority of the directors must be independent;
- our board of directors shall appoint all members of the board committees;
- the nominating and governance committee screens and recommends board candidates to our board of directors;
- the audit committee, ECC and nominating and governance committee must consist solely of independent directors; and
- the independent directors shall meet regularly in executive session without the presence of the non-independent directors or members of our management.

We also provide our directors annual training events on issues facing us and on subjects that would assist the directors in discharging their duties. Our board of directors may modify the corporate governance guidelines and practices from time to time, as appropriate. The corporate governance guidelines and practices can be found on our website at www.marvell.com/investors/governance.jsp. The corporate governance guidelines and practices were last revised in September 2016.

Code of Ethics

We have adopted a Code of Ethics and Business Conduct for Employees, Officers and Directors that applies to all of our directors, officers (including our principal executive officer, our principal financial and accounting officer, controller and any person performing similar functions) and our employees. This Code of Ethics was most recently amended in August 2013. We will disclose future amendments to or waivers from our Code of Ethics and Business Conduct for Employees, Officers and Directors on our website or in a Current Report on Form 8-K filed with the SEC within four business days following the date of such amendment or waiver. Our Code of Ethics and Business Conduct for Employees, Officers and Directors is available on our website (www.marvell.com) in the Corporate Governance section of our Investor Relations webpage. None of the material on our website is part of this proxy statement or is incorporated by reference herein.

Compensation Committee Interlocks and Insider Participation

The Executive Compensation Committee of the Board of Directors (“ECC”) for fiscal 2016 consisted of Dr. Gromer (Chairman), Dr. Kassakian, Mr. Krueger and Dr. Thakur. None of the members of the ECC who served during fiscal 2016 is a current or former officer or employee of us or our subsidiaries, or had any relationship with us not otherwise disclosed herein under applicable SEC rules. In addition, to our knowledge, there are no compensation committee interlocks between us and other entities involving our executive officers or directors who serve as executive officers or directors of such other entities. On May 1, 2016, the membership of the ECC was reconstituted as follows: Mr. Khaykin (Chairman), Mr. Feld, Dr. Gromer and Dr. Kassakian.

Director Qualifications

The nominating and governance committee believes that the following specific, minimum qualifications must be met by a nominee for the position of director:

- the highest personal and professional ethics and integrity;

[Table of Contents](#)

- the ability to work together with other directors, with full and open discussion and debate as an effective, collegial group;
- current knowledge and experience in our business or operations, or contacts in the community in which we do business and in the industries relevant to our business, or substantial business, financial or industry-related experience; and
- the willingness and ability to devote adequate time to our business.

Moreover, it is the policy of the nominating and governance committee to engage annually with our shareholders who hold 5% or more of our outstanding common shares as of December 31 of each year and to discuss desirable skills and attributes for members of the Board with such shareholders.

We are required to have a majority of independent directors who meet the definition of “independent director” under applicable rules of the U.S. Securities and Exchange Act of 1934, as amended (the “Exchange Act”) and Nasdaq and SEC rules. Pursuant to our corporate governance guidelines, we are required to have at least one member of our board of directors who meets the criteria for an “audit committee financial expert” as defined by Nasdaq and the SEC. We also believe it is appropriate for our chief executive officer to participate as a member of our board of directors. Our corporate governance guidelines and practices provide that, following this annual general meeting, no individual who has attained the age of 75 as of the date of our annual general meeting of shareholders is eligible to be nominated for election at the annual general meeting, absent a waiver from the board of directors. Other than the foregoing, there are no stated minimum criteria for director nominees.

When making its determination whether a nominee is qualified for the position of director, the nominating and governance committee may also consider such other factors as it may deem in the best interests of the company and its shareholders, such as the following qualities and skills:

- relationships that may affect the independence of the director or conflicts of interest that may affect the director’s ability to discharge his or her duties;
- diversity of experience and background of the proposed director, including the need for financial, business, academic, public sector or other expertise on our board of directors or its committees; and
- the fit of the individual’s skills and experience with those of the other directors and potential directors in comparison to the needs of the company.

When evaluating a candidate for nomination, the nominating and governance committee does not assign specific weight to any of these factors or believe that all of the criteria should necessarily apply to every candidate.

Identifying and Evaluating Nominees for Director

The nominating and governance committee reviews the appropriate skills and characteristics required of directors in the context of the current composition of our board of directors. Candidates considered for nomination to our board of directors may come from several sources, including current and former directors, professional search firms and shareholder nominations. The nominating and governance committee will consider all persons recommended in the same manner, regardless of the source of nomination.

A shareholder seeking to recommend a prospective nominee for the nominating and governance committee’s consideration should submit the candidate’s name and qualifications to our Secretary at Canon’s Court, 22 Victoria Street, Hamilton HM 12, Bermuda. The nominating and governance committee will consider candidates recommended by shareholders in the same manner as candidates recommended to the nominating and governance committee from other sources. Nominees for director are evaluated by the nominating and governance committee, which may retain the services of a professional search firm to assist them in identifying or evaluating potential nominees.

Board Leadership Structure

At the present time, the roles of Chief Executive Officer and Chairman of the Board are separate. In May 2016, Richard S. Hill was appointed to the board and designated as its non-executive Chairman. Since we have a non-executive Chairman, the independent directors on the board have not designated a lead independent director. However, in the event the independent board members would designate a lead independent director, his or her duties are set forth in our corporate governance guidelines and practices described above.

Board Meetings

There were twenty-one meetings of our board of directors in fiscal 2016. Each director attended at least 75% of the total number of meetings of our board of directors and committees on which such director served. The independent directors met in executive sessions without the presence of the non-independent directors or members of our management at each of our four regularly scheduled, in-person meetings.

Committees of our Board of Directors

Our board of directors has the following standing committees: the audit committee, the ECC and the nominating and governance committee. Our board of directors has adopted written charters for each of these committees, copies of which are available on our website at www.marvell.com/investors/governance.jsp. Each of the committee charters is reviewed annually by the respective committee, which may recommend appropriate changes for approval by our board of directors.

Audit Committee

Throughout fiscal 2016, the audit committee was composed of Dr. Gromer (Chairman), Mr. Krueger, Dr. Kassakian and Dr. Thakur. In May 2016, the audit committee was reconstituted as follows: Mr. Switz (Chairman), Dr. Gromer, Dr. Kassakian and Mr. Strachan. The audit committee met thirty-nine times in fiscal 2016. The audit committee operates pursuant to a written charter that was last revised in September 2016.

The audit committee's responsibilities are generally to assist our board of directors in fulfilling its responsibility to oversee management's conduct of our accounting and financial reporting process. The audit committee also, among other things, appoints of independent registered accounting firm, oversees our internal audit function and the independent registered public accounting firm, and reviews and discusses with management and our independent registered public accounting firm the adequacy and effectiveness of our internal control over financial reporting as reported by management. Beginning in September 2016, the audit committee will review, ratify and/or approve related party transactions, a responsibility that had been assigned previously to the nominating and governance committee. The audit committee meets quarterly and at such additional times as are necessary or advisable.

Our board of directors has determined that each member of the audit committee meets the applicable independence, experience and other requirements of the Exchange Act, Nasdaq and the SEC. Our board of directors has determined that each of Mr. Strachan and Mr. Switz is an "audit committee financial expert" as defined by applicable Nasdaq and SEC rules.

Executive Compensation Committee ("ECC")

Throughout fiscal 2016, the ECC was composed of Dr. Gromer (Chairman), Mr. Krueger, Dr. Kassakian and Dr. Thakur. On May 1, 2016, the membership of the ECC was reconstituted as follows: Mr. Khaykin (Chairman), Mr. Feld, Dr. Gromer and Dr. Kassakian. The ECC met twelve times in fiscal 2016 and its subcommittee met nine times. The ECC operates pursuant to a written charter that was last revised in April 2015.

The ECC has the authority to determine or recommend to the board the compensation for our chief executive officer and all other executive officers, is responsible for administering equity award programs for non-executive

employees, reviews and recommends changes to our incentive compensation and other equity based plans and administers executive officer compensation within the terms of any of our applicable compensation plans.

The ECC, or a subcommittee comprised of one director, meets monthly to approve new hire and secondary equity grants for non-executive officers and employees. For more detail with respect to our equity grant practices, please see “Executive Compensation — Other Considerations — Equity Grant Practices” below.

Our board of directors has determined that each member of the ECC meets the applicable independence requirements of Nasdaq and the SEC. In addition, each member of the ECC is an “outside director” under Section 162(m), and a “non-employee director” under Section 16 of the Exchange Act.

Nominating and Governance Committee

Throughout fiscal 2016, the nominating and governance committee was composed of Mr. Krueger (Chairman), Dr. Gromer, Dr. Kassakian and Dr. Thakur. In May 2016, the nominating and governance committee was reconstituted as follows: Mr. Feld (Chairman), Mr. Khaykin, Mr. Krueger and Dr. Thakur. The nominating and governance committee met five times in fiscal 2016. The nominating and governance committee operates pursuant to a written charter that was last revised in September 2016.

The nominating and governance committee is responsible for developing and implementing policies and practices relating to corporate governance and practices, including reviewing and monitoring implementation of our corporate governance guidelines. The nominating and governance committee also makes recommendations to our board of directors regarding the size and composition of our board of directors and its committees, and screens and recommends candidates for election to our board of directors. During fiscal 2016 and through September 2016, the nominating and governance committee reviewed, ratified and/or approved related party transactions. The responsibility for reviewing and approving related party transactions was moved to the audit committee in September 2016. The nominating and governance committee also reviews periodically with the Chairman of the Board and the President and Chief Executive Officer the succession plans relating to positions held by executive officers.

Our board of directors has determined that each member of the nominating and governance committee meets the applicable independence requirements of Nasdaq and the SEC.

Role of Compensation Consultants

Under its charter, the ECC has the authority to directly retain outside legal counsel and other advisors. Pursuant to that authority, the ECC has directly retained Mercer as its independent compensation consultant since April 2009. The ECC retained Mercer to provide information, analyses and advice regarding executive compensation, as described below; however, the ECC makes all decisions regarding the compensation of our executive officers. The Mercer consultant who performs these services reports to the chairman of the ECC. In addition, the Mercer consultant attended meetings of the ECC during fiscal 2016, as requested by the chairman of the ECC. Mercer provided the following services to us during fiscal 2016:

- Evaluated the competitive positioning of our named executive officers’ base salaries, annual incentive and long-term incentive compensation relative to our peer companies to support fiscal 2016 decision-making;
- Advised on fiscal 2016 target award levels within the annual and long-term incentive program and, as needed, on actual compensation actions;
- Assessed the alignment of company compensation levels relative to our performance against our peer group and relative to the ECC’s articulated compensation philosophy;
- Advised the ECC on shareholder outreach in response to Say on Pay vote results;
- Worked with the ECC in developing program changes in response to Say on Pay vote results and shareholder feedback;

[Table of Contents](#)

- Reviewed appropriateness of the peer group in terms of size, industry, business profile and talent market;
- Assessed whether our compensation programs might encourage inappropriate risk taking that could have a material adverse effect on us; and
- Assisted with the preparation of the “Compensation Discussion and Analysis” for this proxy statement.

During fiscal 2013, the SEC issued new rules under the Dodd-Frank Act concerning compensation consultant independence. Under these rules, the ECC must determine whether any work completed by a compensation consultant raised any conflict of interest, after taking into account six independence-related factors. For fiscal 2016, the ECC reviewed these six factors in their totality as they apply to Mercer and identified no conflicts of interest.

Additional information concerning the compensation policies and objectives established by the ECC and the respective roles of our Chief Executive Officer and the compensation consultant in assisting with the determination of compensation for each of the executive officers named in the Summary Compensation Table, referred to in this proxy statement as our “named executive officers,” is included under the heading “Executive Compensation.”

Director Nominations

The nominating and governance committee identifies, recruits and recommends to our board of directors, and our board of directors approves, director nominees for election at each annual general meeting of shareholders and new directors for election by our board of directors to fill vacancies that may arise. Under the Bye-laws, any director appointed by our board of directors would need to be reappointed by shareholders at our next annual general meeting of shareholders.

The nominees for election at this annual general meeting were recommended and approved by the nominating and governance committee and our board of directors, respectively. The nominating and governance committee will consider proposals for nomination from shareholders that are made in writing to our Secretary at Canon’s Court, 22 Victoria Street, Hamilton HM 12, Bermuda that are timely and that contain sufficient background information concerning the nominee to enable proper judgment to be made as to his or her qualifications. For general information regarding shareholder proposals and nominations, see “Future Shareholder Proposals and Nominations for the 2017 Annual General Meeting” in this proxy statement.

Shareholder Communications with our Board of Directors

Our board of directors has established a process for shareholders to send communications to our directors. If you wish to communicate with our board of directors or individual directors, you may send your communication in writing to: Chief Legal Officer, Marvell Semiconductor, Inc., 5488 Marvell Lane, Santa Clara, California 95054. You must include your name and address in the written communication and indicate whether you are a shareholder of Marvell. The Chief Legal Officer (or other officer acting in such capacity) will compile all such communications and will forward them to the appropriate director or directors or committee of our board of directors based on the subject matter or to the director or directors to whom such communication is addressed.

Shareholder Outreach Activities

Actions Taken in Consideration of Governance Concerns

In light of the addition of a substantial number of new outside directors to our board in May 2016 and the board’s actions to reconstitute its committees, including the membership of the nominating and corporate governance committee, the board adopted amendments to our Bye-laws in response to shareholder feedback regarding certain governance matters, as further described in Proposal Nos. 4 through 10 of this proxy statement. In addition, we received a shareholder proposal regarding proxy access which was later withdrawn by the proponent after management presented its own proposal that will be voted on by the shareholders at this annual

[Table of Contents](#)

general meeting. We continue to solicit feedback from our shareholders regarding our governance practices and believe the Bye-Law amendments proposed to be approved by the shareholders at this annual general meeting reflect our commitment to work with our shareholders to improve our governance practices.

Actions Taken in Consideration of “Say on Pay” Vote

At the 2015 annual general meeting, our shareholders voted on an advisory basis regarding fiscal 2015 named executive officer compensation. Please see the “Compensation Discussion and Analysis” section of this proxy statement under the title “Actions Taken in Consideration of ‘Say on Pay’ Vote” for information regarding shareholder outreach related to our advisory vote and compensation practices.

Director Independence

Our board of directors has determined that, among the nominees for director, each of Mr. Hill, Mr. Feld, Dr. Gromer, Dr. Kassakian, Mr. Khaykin, Mr. Krueger, Mr. Strachan, Mr. Switz and Dr. Thakur is “independent” as such term is defined by the rules and regulations of Nasdaq and the SEC. To be considered independent, our board of directors must affirmatively determine that neither the director, nor any member of his or her immediate family, has had any direct or indirect material relationship with us within the previous three years.

Our board of directors considered relationships, transactions and/or arrangements with each of the directors and concluded that none of the nine nonemployee directors, or any of his immediate family members, has or has had within the previous three years any relationship with us that would impair his independence.

Board’s Role in Risk Oversight

Our board of directors has an active role, as a whole and also at the committee level, in overseeing management of our risks. Our board of directors regularly reviews information regarding our liquidity, intellectual property, significant litigation matters and operations, as well as the risks associated with each of such items. Our ECC is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements as well as our compensation plans that generally apply to all employees. The audit committee oversees management of financial, legal and IT compliance risks as well as business continuity planning. The nominating and governance committee manages risks associated with the independence of our board of directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board of directors is regularly informed through committee reports about such risks.

During fiscal 2016, our board of directors received reports on the most important strategic issues and risks facing Marvell. In addition, our board of directors and its committees receive regular reports from our head of internal audit or other senior management regarding compliance with applicable risk-related policies, procedures and limits.

We believe that our leadership structure supports the risk oversight function. As indicated above, certain important categories of risk are assigned to committees that review, evaluate and receive management reports on risk.

Director Stock Ownership Guidelines

Each director is expected, within five years of joining our board of directors or, for current members of our board directors, from the date of the most recent update to the stock ownership guidelines (effective as of September 13, 2016) to own common shares that have a value equivalent to five times his or her annual cash retainer.

Annual General Meeting Attendance

Although directors are encouraged to attend annual general meetings of shareholders, we do not have a formal policy requiring such attendance. One of our current independent directors attended the 2015 annual general meeting.

Compensation of Directors

Nonemployee directors (“Outside Directors”) receive both cash and equity compensation for their service as directors. Directors who are also employees of Marvell during their board service do not receive any additional compensation for their service as directors.

Cash Compensation for Fiscal 2016

In fiscal 2016, we paid the following fees to our Outside Directors for their services:

<u>Cash Compensation Element</u>	<u>Cash Compensation Program for Fiscal 2016</u>
Annual Retainer	\$ 60,000
Lead Independent Director	\$ 40,000
Audit Committee Chairmanship	\$ 25,000
Audit Committee Member	\$ 12,500
Executive Compensation Committee Chairmanship	\$ 20,000
Executive Compensation Committee Member	\$ 10,000
Nominating and Governance Committee Chairmanship	\$ 15,000
Nominating and Governance Committee Member	\$ 7,500

The retainer fees are paid in quarterly installments in arrears, and are prorated as appropriate based upon the dates and capacities in which each individual Outside Director serves. Outside Directors are reimbursed for travel and other reasonable out-of-pocket expenses related to attendance at board of directors and committee meetings. For a summary of the fiscal 2016 cash compensation paid to our Outside Directors, please see the Director Compensation Table below.

In addition to the retainer fees paid in fiscal 2016, the board approved additional compensation for the members of the Special Audit Committee formed by the board to oversee an internal investigation into certain accounting and internal control matters that were disclosed in a Current Report on Form 8-K filed with the SEC on March 1, 2016. The members of the Special Audit Committee were Dr. Gromer (Chairman), Dr. Kassakian, Mr. Krueger and Dr. Thakur. The board approved one-time payments of \$110,000 to Dr. Gromer and \$60,000 to each of Dr. Kassakian, Mr. Krueger and Dr. Thakur in connection with their service on the Special Audit Committee.

Changes to Cash Compensation for Fiscal 2017

In May 2016, Mr. Hill succeeded Dr. Sutardja as Chairman of the Board and, as a result, the roles of Chief Executive Officer and Chairman of the Board were separated such that there was no need for the board to appoint a Lead Independent Director in accordance with the Company’s Corporate Governance Guidelines. Following Mr. Hill’s appointment, the nominating and corporate governance committee recommended, and the board approved, cash compensation to be paid to the Chairman in the amount of \$60,000, paid in quarterly installments in arrears. Beginning in September 2016, Outside Directors have the ability to elect to take their cash compensation in the Company’s common stock. Such election must be made during an open trading window in accordance with the Company’s trading policies.

Equity Compensation for Fiscal 2016

For fiscal 2016, each Outside Director was eligible to receive equity awards under the Amended and Restated 2007 Director Stock Incentive Plan (“2007 Director Plan”). Each Outside Director who was elected or appointed at the annual general meeting of shareholders in fiscal 2016 (i.e., Dr. Gromer, Dr. Kassakian, Mr. Krueger and Dr. Thakur) was granted immediately following the annual general meeting of shareholders on June 30, 2015 a restricted stock unit (“RSU”) award (the “Annual RSU Award”) for a number of shares with an aggregate fair market value equal to \$220,000. The Annual RSU Award vested as to 100% of the shares on June 30, 2016, the one year anniversary of the date of grant.

[Table of Contents](#)

During a portion of fiscal 2016, the Company was unable to grant equity due to its failure to file timely financial reports with the SEC. In addition, the Company's inability to timely file its annual report on Form 10-K for fiscal 2016 caused a delay in the holding of the Company's annual general meeting of shareholders, which is usually scheduled in June of each year. As a result, the Annual RSU Award has been delayed until after the annual general meeting on November 8, 2016. At that time, each Outside Director who was elected or appointed at the annual general meeting of shareholders will be granted an Annual RSU Award for a number of shares with an aggregate fair market value on the date of grant equal to \$220,000, which RSUs will vest in full on the earlier of the date of the next annual general meeting of shareholders or the one year anniversary of the date of grant. We anticipate that the next annual general meeting of shareholders to be held on or about June 13, 2017.

Equity Compensation for Fiscal 2017

In August 2016, the nominating and corporate governance committee recommended to the board that Outside Directors who had been appointed to the board of directors on or after May 1, 2016 (i.e., Mr. Feld, Mr. Hill, Mr. Khaykin, Mr. Strachan and Mr. Switz) be granted an RSU award for a number of shares equal to a pro-rated portion of the \$220,000 Annual RSU Award amount based on the number of days of their board service from the date of their appointment until June 30, 2016 (the date the 2016 annual general meeting was originally scheduled to be held) divided by \$11.42, the price of the Company's common stock on the first trading day after the Company became current in its filings with the SEC.

On August 11, 2016, the first trading day after the Company regained its ability to grant equity awards by becoming current in its financial filings, the following Outside Directors were granted fully vested RSUs as set forth below:

<u>Name</u>	<u>Total RSU Awards Granted (#)</u>
Peter Feld	3,246
Richard S. Hill	3,246
Oleg Khaykin	3,246
Michael Strachan	2,380
Robert Switz	3,246

In September 2016, the nominating and corporate governance committee recommended to the board, and the board approved, a new automatic equity grant program for Outside Directors. As of the date of the Company's annual general meeting, Outside Directors will be automatically granted a number of RSUs with a value of \$220,000 calculated using the closing price of the Company's common stock on the date of the annual general meeting. The RSUs will vest on the earlier of the next annual general meeting or on the first anniversary of the date of grant, whichever is earlier. Outside Directors who are appointed to the board after the date of the annual general meeting will receive a pro-rata amount based on the number of days between the director's appointment and the one year anniversary of the preceding annual general meeting.

Additional One-Time Cash and Equity Compensation to Board Chairman

On July 12, 2016, the board of directors appointed Mr. Hill as Interim Principal Executive Officer of the Company in light of Mr. Hill's role in overseeing the operations of the Company, including the preparation of the filing of certain reports, including its Annual Report on Form 10-K for the 2016 fiscal year, its Quarterly Report on Form 10-Q for the quarter ended April 30, 2016 and its Quarterly Report on Form 10-Q for the quarter ending July 30, 2016 (the "Q2 Form 10-Q"), in his capacity of Chairman of the Board of the Company. Mr. Hill served as Interim Principal Executive Officer until after the Company completed the filing of the Q2 Form 10-Q on September 8, 2016. Immediately following the filing of the Q2 Form 10-Q, Mr. Murphy assumed the role of principal executive officer of the Company. In consideration for his service to the Company as Interim Principal Executive Officer, Mr. Hill was paid \$225,000 in cash and was granted an award of 22,948 fully vested shares of the Company's common stock with a value of \$225,000 at the time of issuance.

Director Compensation Table — Fiscal 2016

The following table sets forth the total compensation paid to our Outside Directors serving in such capacity during fiscal 2016.

<u>Name</u>	<u>Fees Earned or Paid in Cash (\$)</u>	<u>Stock Awards \$(1)</u>	<u>Total (\$)</u>
Dr. Juergen Gromer	245,000	219,992	464,992
Dr. John G. Kassakian	150,000	219,992	369,992
Arturo Krueger	205,000	219,992	424,992
Dr. Randhir Thakur	150,000	219,992	369,992

- (1) The dollar value of RSUs shown represents the grant date fair value calculated on the basis of the fair market value of the underlying common shares on the grant date based on the closing market price on such date. The actual value that a director will realize on each RSU award will depend on the price per share of our common shares at the time shares underlying the RSUs are sold. There can be no assurance that the actual value realized by a director will be at or near the grant date fair value of the RSUs awarded. This number was calculated based on the maximum number of RSUs that could be granted pursuant to the Annual RSU Award on July 1, 2014, which is 15,058 RSUs under the 2007 Director Plan.

The following table provides the number of shares subject to outstanding RSUs held at January 30, 2016 for each Outside Director serving in that capacity in fiscal 2016, as applicable. These awards vested in full on June 30, 2016.

<u>Name</u>	<u>Total RSU Awards Outstanding (#)</u>
Dr. Juergen Gromer	16,685
Dr. John G. Kassakian	16,685
Arturo Krueger	16,685
Dr. Randhir Thakur	16,685

In fiscal 2014 and prior years, our Outside Directors received stock options as part of their compensation. The following table provides the number of shares subject to outstanding unexercised stock options held by each Outside Director serving in that capacity as of January 30, 2016 (all of which are fully vested):

<u>Name</u>	<u>Total Options Awards Outstanding (#)</u>
Dr. Juergen Gromer	145,000
Dr. John G. Kassakian	133,000
Arturo Krueger	119,000
Dr. Randhir Thakur	50,000

**PROPOSAL NO. 2:
ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION**

Under Section 14A of the Exchange Act, our shareholders are entitled to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers as disclosed in accordance with the SEC's rules in the "Executive Compensation — Compensation Discussion and Analysis" section of this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our named executive officers' compensation as a whole.

The ECC oversees the development and administration of our executive compensation program, including the underlying philosophy and related policies. Our primary business objective is to create long-term value for our shareholders. To achieve this objective, the executive compensation program is intended to achieve five primary objectives:

- **Market Competitive:** Provide a market-competitive level of total compensation opportunity that reflects the individual executive's role and ability to impact business performance.
- **Performance-Based:** Establish an explicit link between compensation and both overall business results and individual performance.
- **Long-Term Focused:** Promote a long-term focus for our named executive officers through incentive compensation.
- **Aligned with Shareholders:** Align the interests and objectives of our named executive officers and employees with furthering our growth and creating shareholder value through distribution of equity.
- **Equity Stake:** Distribution of equity to key employees to allow them to participate in the creation of shareholder value.

The ECC believes that both the elements and level of fiscal 2016 compensation for executive officers are consistent with the five primary objectives contained in our compensation philosophy as well as the overall goal of emphasizing sustained share price growth, and that the re-introduction of performance-contingent equity awards helps to further reinforce our compensation program objectives. In particular, the ECC believes that the structure and level of our fiscal 2016 compensation is linked to our business performance. Before casting your vote on this proposal, please carefully review the Compensation Discussion and Analysis to understand how our named executive officer compensation is designed.

We are asking our shareholders to indicate their support for the compensation of our named executive officers as described in this proxy statement. This vote is not intended to address any specific item of compensation or any specific named executive officer, but rather the overall compensation of all of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask our shareholders to vote "FOR" the following resolution at the annual general meeting:

"RESOLVED, that, on an advisory and non-binding basis, the compensation of Marvell's named executive officers, as disclosed pursuant to Item 402 of Securities and Exchange Commission Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and narrative disclosures be and is hereby APPROVED."

The say-on-pay vote is advisory and, therefore, not binding on us, the ECC or our board of directors. However, the say-on-pay vote will provide us information regarding investor sentiment about our executive compensation philosophy, policies and practices, which the ECC will be able to consider when determining executive compensation for the remainder of the current fiscal year and beyond. Our board of directors and our ECC value the opinions of our shareholders and, to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our shareholders' concerns and the ECC will evaluate whether any actions are necessary to address those concerns.

Board Recommendation and Required Vote

Our board of directors unanimously recommends that you vote **FOR** the approval of Proposal No. 2.

Unless authority to do so is withheld, the proxy holders named in the proxy card will vote the shares represented thereby FOR Proposal No. 2. Assuming the presence of a quorum, the required vote is the affirmative vote of at least a simple majority of votes cast and entitled to vote at the annual general meeting. Abstentions and broker non-votes will be entirely excluded from the vote and will have no effect on the outcome.

**PROPOSAL NO. 3:
APPOINTMENT OF AUDITORS AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING
FIRM, AND AUTHORIZATION OF THE AUDIT COMMITTEE TO FIX REMUNERATION**

In accordance with Section 89 of the Companies Act, our shareholders have the authority to appoint our auditors and independent registered public accounting firm and to authorize the audit committee, acting on behalf of our board of directors, to fix the remuneration of the auditors and independent registered public accounting firm. At the annual general meeting, shareholders will be asked to appoint Deloitte & Touche, LLP as our auditors and independent registered public accounting firm, and authorize the audit committee to fix the remuneration of the auditors and independent registered public accounting firm for the fiscal year ending January 28, 2017. Deloitte & Touche LLP became our auditors and independent registered accounting firm on February 22, 2016.

Board Recommendation and Required Vote

Our board of directors unanimously recommends that you vote **FOR** Proposal No. 3.

Unless authority to do so is withheld, the proxy holders named in the proxy card will vote the shares represented thereby FOR the appointment of Deloitte & Touche, LLP and the authorization of the audit committee to fix its remuneration. Assuming the presence of a quorum, the required vote is the affirmative vote of at least a simple majority of votes cast and entitled to vote at the annual general meeting. Abstentions and broker non-votes (unless the broker, bank or other nominee exercised discretionary authority to vote on such proposal) will be entirely excluded from the vote and will have no effect on the outcome. In the event that the shareholders do not re-appoint Deloitte & Touche, LLP at the annual general meeting, the existing auditors and independent registered public accounting firm shall hold office until a successor is appointed in accordance with Bermuda law and the Bye-laws.

INFORMATION CONCERNING INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche (“Deloitte”) have been our auditors and independent registered public accounting firm for the financial statements beginning February 22, 2016 for the fiscal year ended January 30, 2016. Representatives of Deloitte are expected to be present at the annual general meeting, and they will be given an opportunity to make a statement, if they desire to do so, and will be available to respond to any appropriate questions from shareholders.

Fees Paid to Deloitte & Touche LLP

In addition to retaining Deloitte to audit the consolidated financial statements for fiscal 2016, we have retained Deloitte to provide certain other professional services in fiscal 2016. Because Deloitte was newly appointed and because our financial statements had been delayed and several material weaknesses were identified in our financial controls, and because we were the subject of an investigation by government agencies, fees for 2016 were substantially higher than would typically be the case. The aggregate fees billed for fiscal 2016 for each of the following categories of services are as follows:

<u>Fees Billed to the Company</u>	<u>Fiscal 2016</u>
Audit fees(1)	\$ 13,598,256
Tax fees(2)	106,770
All other fees(3)	16,300
Total Fees	\$ 13,721,326

[Table of Contents](#)

- (1) Includes fees for audit services rendered for the audit of our annual financial statements, review of financial statements included in our quarterly reports on Form 10-Q and services that were provided in connection with statutory and regulatory filings or engagements.
- (2) Includes fees for tax compliance and advice and foreign tax matters.
- (3) Includes fees for all other non-audit services, including permissible business and advisory consulting services and a subscription to an accounting regulatory database.

Fees Paid to PricewaterhouseCoopers LLP

PricewaterhouseCoopers were our auditors and independent registered public accounting firm for the financial statements for each year from the year ended January 31, 1998 through the fiscal year ended January 31, 2015. In addition to retaining PricewaterhouseCoopers to audit the consolidated financial statements for fiscal 2015, we retained PricewaterhouseCoopers to provide certain other professional services in fiscal 2015 and for a portion of fiscal 2016 during which they provided certain services in connection with our transition from PricewaterhouseCoopers to Deloitte.

The aggregate fees billed for all services by PricewaterhouseCoopers in fiscal 2015 and fiscal 2016 were as follows:

<u>Fees Billed to the Company</u>	<u>Fiscal 2016</u>	<u>Fiscal 2015</u>
Audit fees(1)	\$ 1,649,846	\$ 2,679,640
Audit related fees(2)	10,278	29,171
Tax fees(3)	111,581	80,173
All other fees(4)	—	16,800
Total Fees	\$ 1,771,705	\$ 2,805,784

- (1) Includes fees for audit services rendered for the audit of our annual financial statements, review of financial statement included in our quarterly reports on Form 10-Q and services that were provided in connection with statutory and regulatory filings or engagements.
- (2) Includes fees which are for assurance and related services other those included in audit fees above. These services included procedures to support local statutory requirements and certain due diligence related to acquisitions.
- (3) Includes fees for tax compliance and advice and foreign tax matters.
- (4) Includes fees for all other non-audit services, including permissible business and advisory consulting services and a subscription to an accounting regulatory database.

Policy on Pre-Approval and Procedures

The engagement of Deloitte for non-audit accounting and tax services performed for us is limited to those circumstances where these services are considered integral to the audit services that Deloitte provides or in which there is another compelling rationale for using its services. Pursuant to the Sarbanes-Oxley Act of 2002, all audit and permitted non-audit services for which the company engages Deloitte require pre-approval by the audit committee. All audit and permitted non-audit service fees were approved by the audit committee.

Section 10A(i)(3) of the Securities Exchange Act of 1934 permits an audit committee to delegate to one or more designated members of the audit committee who are independent directors of the board of directors the authority to grant preapprovals required by such Section 10A(i). In February 2016, the audit committee approved a policy that allows the chairman of the audit committee to pre-approve audit and non-audit services to be provided by Deloitte without further approval of the full committee, on a case-by-case basis, provided the fees and expenses for such services do not exceed \$250,000 per engagement and that all such pre-approvals are communicated to the full committee, for informational purposes only, at its next scheduled meeting.

INTRODUCTION TO PROPOSAL NOS. 4 through 10

In 2016, we added five new members to our board of directors and made many changes to our senior management. Following these changes, the board and management undertook a comprehensive review of our Bye-laws and corporate governance policies and practices with the desire to make them more shareholder friendly and consistent with evolving corporate governance trends and best practices. This review included input from shareholders. Following the review and the recommendations of the nominating and corporate governance committee, the board adopted a group of actions and changes, including six changes to our Bye-laws that are subject to shareholder approval and are embodied in Proposal Nos. 4, 5 6, 7, 8, 9 and 10. Attached to this proxy statement as *Appendix A* is a copy of the Fourth Amended and Restated Bye-laws (the “Amended Bye-laws”) that reflects all of those proposals.

PROPOSAL NO. 4
APPROVAL OF AMENDMENTS TO THE EXISTING BYE-LAWS
TO IMPLEMENT PROXY ACCESS

The shareholders are being asked (i) to approve amendments to the Existing Bye-laws to implement “proxy access” and (ii), subject to such approval, to approve the title of the Existing Bye-laws as so amended as the Fourth Amended and Restated Bye-laws. Proxy access, as described below, allows eligible shareholders to include their nominees for election to the board of directors in the company’s proxy materials, along with the candidates nominated by the board of directors. Our board of directors has approved and adopted the Amended Bye-laws, subject to shareholder approval.

If Proposal No. 4 is not approved by shareholders at the annual general meeting, the provisions of the Existing Bye-laws will continue to govern, and the proposed amendments described in this Proposal No. 4 will not be implemented. In addition, the implementation of this Proposal No. 4 is conditioned on the approval by shareholders of Proposal No. 5 regarding approval of amendments to the Existing Bye-laws to amend the procedures for advance notice of director nominations and other proposals at general meetings of shareholders.

Description of Amendments

These proposed amendments are the result of our board of directors’ review of the company’s corporate governance policies, evolving corporate governance trends, and the views of our large institutional shareholders, including consideration of a shareholder proposal on this topic that was withdrawn after the proponent reviewed the terms of this proposal. The proposed amendments are primarily contained in a new Bye-law 13 of the Amended Bye-laws. The following description of the proposed amendments does not purport to be complete and is qualified in its entirety by reference to the text of the proposed amendments in the Amended Bye-laws, which is attached to this proxy statement as *Appendix A* and incorporated herein by reference. Shareholders are encouraged to read the text of the Amended Bye-laws in its entirety.

Shareholder Eligibility to Nominate Directors

The proposed amendments provide that any shareholder or group of up to 20 shareholders that has maintained continuous qualifying ownership of at least 3% of the outstanding shares of the company entitled to vote generally in the election of directors for at least three years could include a specified number of director nominees (referred to as shareholder nominees below) in the company’s proxy materials for its annual general meeting, subject to the conditions described below.

Calculation of Qualifying Ownership

In order to align the interests of shareholders seeking to include director nominees in the company’s proxy materials with the interests of other shareholders, the proposed amendments provide that a nominating shareholder would be deemed to own only shares for which it possesses both full voting and investment rights and full economic interest. In addition, the proposed amendments state that a nominating shareholder’s ownership of shares will be deemed to continue if the shares are loaned provided that it has the power to recall the loaned shares on five business days’ notice.

Number of Shareholder Nominees

The proposed amendments provide that the maximum number of shareholder nominees the company would be required to include in its proxy materials would equal the greater of two nominees or 20% (rounded down) of the number of directors in office as of the deadline for nominations under the proposed amendments. The nominee limit will be reduced by (i) any shareholder nominee who the board of directors nominates, and (ii) any nominees who were previously elected to the board of directors as shareholder nominees at any of the preceding

[Table of Contents](#)

two annual general meetings. Each nominating shareholder must rank its proposed nominees. If the number of shareholder nominees exceeds the nominee limit, the highest ranking nominee proposed by each nominating shareholder, beginning with the nominating shareholder with the largest stock ownership and proceeding in descending order, would be selected for inclusion in the proxy materials until the maximum nominee limit is reached.

Nominating Procedure

In order to provide adequate time to assess shareholder nominees, the proposed amendments state that requests to include shareholder nominees in the company's proxy materials must generally be received no earlier than 120 days and no later than 90 days prior to the first anniversary of the date the definitive proxy statement was first sent to shareholders in connection with the preceding year's annual general meeting.

Information Requirements

The proposed amendments provide that each shareholder seeking to include a shareholder nominee in the company's proxy materials would be required to provide certain information, representations and undertakings to the company regarding the nominating shareholder (including all members of the group) and each shareholder nominee. In addition, each shareholder nominee requested to be included in the company's proxy materials would be required to provide certain written representations to the company, including agreeing that, if elected as a director, the shareholder nominee will comply with all of the company's corporate governance, conflict of interest, confidentiality, and stock ownership and trading policies and guidelines, and other company policies and guidelines applicable to directors.

Other Requirements

The proposed amendments state that the company would not be required to include a shareholder nominee in its proxy materials if, among other things:

- The nominating shareholder or the shareholder nominee breaches any of its respective agreements, representations, or warranties, any of the information provided in connection with the nomination was not true, correct, and complete, or the nominating shareholder or the shareholder nominee otherwise fails to comply with its obligations under the proposed Bye-law 13;
- The shareholder nominee is not independent under applicable general director independence standards;
- The shareholder nominee is or has been within the past three years an officer or director of a competitor, is a named subject of a pending criminal proceeding or has been convicted in a criminal proceeding within the past 10 years or is subject to any order of the type specified in Rule 506(d) of Regulation D promulgated under the Securities Act of 1933, as amended;
- The company receives notice (whether or not subsequently withdrawn) that a shareholder of record intends to nominate a candidate for election to the board of directors other than pursuant to the proxy access provisions in proposed Bye-law 13; or
- The election of the shareholder nominee would cause the company to violate its Memorandum of Association, the Bye-laws, or any applicable law, rule, regulation or listing standard.

Re-Nomination of Shareholder Nominees

The proposed amendments provide that any shareholder nominee who is included in the company's proxy materials but subsequently withdraws from or becomes ineligible or unavailable for election at the annual general meeting, or does not receive at least 20% of the votes cast, would be ineligible for nomination for the following two annual general meetings.

Supporting Statement

The proposed amendments would permit nominating shareholders to include in the proxy statement a written statement of up to 500 words in support of their nominee(s). The company may omit any information or statement that it, in good faith, believes is untrue in any material respect or would violate any applicable law, rule, regulation or listing standard.

Conclusion

The Bye-laws require that these proposed amendments be approved by our shareholders. If the proposed amendments are approved by our shareholders, the amendments will become effective immediately and will be available for use beginning with our next annual general meeting.

PROPOSAL NO. 5

APPROVAL OF AMENDMENTS TO THE EXISTING BYE-LAWS TO AMEND PROCEDURES FOR ADVANCE NOTICE OF DIRECTOR NOMINATIONS AND OTHER PROPOSALS AT GENERAL MEETINGS OF SHAREHOLDERS

The shareholders are being asked (i) to approve amendments to the Existing Bye-laws to amend the procedures for advance notice of director nominations and other proposals brought before a general meeting of shareholders by a shareholder and (ii), subject to such approval, to approve the title of the Existing Bye-laws as so amended as the Fourth Amended and Restated Bye-laws. The proposed amendments would not affect any rights of shareholders to request inclusion of proposals in our proxy statement pursuant to Rule 14a-8 under the Exchange Act, by satisfying the notice and other requirements of Rule 14a-8 in lieu of satisfying the requirements in the Amended Bye-laws. Our board of directors has approved and adopted the Amended Bye-laws, subject to shareholder approval.

If Proposal No. 5 is not approved by shareholders at the annual general meeting, the provisions of the Existing Bye-laws with respect to advance notice will continue to govern, and the proposed amendments described in this Proposal No. 5 will not be implemented. In addition, the implementation of this Proposal No. 5 is conditioned on the approval by shareholders of Proposal No. 4 regarding approval of amendments to the Existing Bye-laws to implement proxy access.

Description of Amendments

The following is a description of the proposed amendments to Bye-law 12 and Bye-law 34 of the Existing Bye-laws. These proposed amendments are contained in Bye-law 12 and Bye-law 35 (as renumbered given proposed new Bye-law 13 described in Proposal No. 4 above) of the Amended Bye-laws. The following description of the proposed amendments does not purport to be complete and is qualified in its entirety by reference to the text of the proposed amendments in the Amended Bye-laws, which is attached to this proxy statement as *Appendix A* and incorporated herein by reference. Shareholders are encouraged to read the text of the Amended Bye-laws in its entirety.

Disclosure Requirements

Currently, Bye-law 12 and Bye-law 34 of the Existing Bye-laws set forth a mechanism for shareholders to nominate candidates for election to the board of directors and to propose other business for consideration at a general meeting of shareholders, but the Existing Bye-laws require only minimal disclosures from such shareholders, apart from such other information as the board of directors may specify from time to time. In order to facilitate a clear and orderly process for shareholder proposals and nominations and to avoid unnecessary confusion and uncertainty about the procedural and informational requirements, the proposed amendments would specify in more detail the procedural requirements that shareholders seeking to nominate director candidates or propose other business must follow and the information that such shareholders must provide. The proposed amendments also would require additional disclosures from such shareholders in order to provide other shareholders and the company with more useful and more complete information. In this regard, the proposed amendments would specify the information that would be required in any notice of a nomination for director or other business to be brought before a general meeting of shareholders regarding a shareholder's stock ownership, derivative positions that vary voting or economic interests in the company's shares, and relationships or interests that a shareholder has with respect to the nomination or proposal. The board of directors has determined that the disclosures required under the proposed amendments would provide shareholders and the company more complete information to understand the purpose of a shareholder's proposal, assess the interests of the shareholder making a director nomination or proposal, and make an informed decision about how to vote on the director nomination or proposal.

[Table of Contents](#)

Advance Notice Periods

As discussed above, the proposed amendments would clarify the procedural requirements that shareholders seeking to nominate director candidates or propose other business must follow, including the advance notice periods during which a shareholder's notice of a nomination or proposal must be delivered. Under the proposed amendments in the Amended Bye-laws, a shareholder may nominate a candidate for director or propose other business at a general meeting of shareholders by delivering a notice of a nomination or a proposal for other business to our Secretary not less than 90 or more than 120 clear days prior to the anniversary of the prior year's annual general meeting. If the annual general meeting date is more than thirty days before or after the anniversary of the previous year's annual general meeting, or if no annual general meeting was held in the preceding year, notice by a shareholder must be delivered to our Secretary not less than 90 clear days or more than 120 clear days prior to such annual general meeting, or ten clear days following the day on which public announcement of the date of such meeting is first made by the Company. The Amended Bye-laws would also clarify that shareholder proposals submitted pursuant to Exchange Act Rule 14a-8 for inclusion in the company's proxy statement are subject to the timing and other requirements of Rule 14a-8 in lieu of the Bye-laws. Under the proposed amendments, in order for director nominations to be considered at a special general meeting (other than a shareholder-requisitioned special general meeting), director nominations must be received not less than 10 clear days after the Company makes a public announcement of its intention to hold a special general meeting for the purpose of electing directors.

Compliance with Advance Notice Procedures

In order to facilitate the orderly conduct of general meetings of shareholders, the proposed amendments would provide that the Board, the Chairman of the Board, or the chairman of the meeting has authority to determine whether a nomination or other business proposed to be brought before a general meeting was made or proposed in accordance with the procedures set forth in the Amended Bye-laws. The proposed amendments also would provide that the chairman of the meeting may declare that any proposed nomination or other business that does not comply with these procedures shall not be considered at the meeting.

Conclusion

The Bye-laws require that these proposed amendments be approved by our shareholders. If the proposed amendments are approved by our shareholders, the amendments will become effective immediately and will be available for use beginning with our next annual general meeting.

PROPOSAL NO. 6
APPROVAL OF AMENDMENT TO THE EXISTING BYE-LAWS
TO ALLOW MAJORITY VOTE TO AMEND BYE-LAWS

The shareholders are being asked to approve an amendment to the Existing Bye-laws to allow shareholders to amend any of the Company's Bye-laws by a majority of votes eligible to vote at any meeting of the shareholders, rather than in some instances a required supermajority vote. Our board of directors has approved and adopted the Amended Bye-laws, including this amendment, subject to shareholder approval.

If Proposal No. 6 is not approved by shareholders at the annual general meeting, the provision of the Existing Bye-law will continue to govern, and the proposed amendment described in this Proposal No. 6 will not be implemented.

Description of Amendment

This proposed amendment is the result of our board of directors' review of the company's corporate governance policies and evolving corporate governance trends. The proposed amendment is contained in the revised Bye-law 86 (previously number 85) of the Amended Bye-laws. The following description of the proposed amendment does not purport to be complete and is qualified in its entirety by reference to the text of the proposed amendment in the Amended Bye-laws, which is attached to this proxy statement as *Appendix A* and incorporated herein by reference. Shareholders are encouraged to read the text of the Amended Bye-laws in its entirety.

Shareholder Ability to Amend Bye-laws

The Existing Bye-laws provided that the Company's Bye-laws may be amended by the shareholders upon a simple majority vote, provided that any Bye-law requiring a supermajority vote for approval of a particular matter may only be amended upon a vote of 66-2/3rds of the shares eligible to vote at a meeting at which a quorum is present.

The proposed amendment provides that shareholders may amend any Bye-law upon a vote of the simple majority of the votes cast at a meeting at which a quorum is present.

Conclusion

The Bye-laws require that this proposed amendment be approved by our shareholders. If the proposed amendment is approved by our shareholders, the amendment will become effective immediately.

Board Recommendation and Required Vote

Our board of directors unanimously recommends that you vote **FOR** the approval of Proposal No. 6.

Unless authority to do so is withheld, the proxy holders named in the proxy card will vote the shares represented thereby FOR the approval of Proposal No. 6. Assuming the presence of a quorum, the required vote is the affirmative vote of at least 66-2/3rds of votes cast and entitled to vote at the annual general meeting. Abstentions and broker non-votes will be entirely excluded from the vote and will have no effect on the outcome.

PROPOSAL NO. 7
APPROVAL OF AMENDMENT TO THE EXISTING BYE-LAWS
TO ALLOW MAJORITY VOTE TO APPROVE BUSINESS COMBINATIONS

The shareholders are being asked to approve an amendment to the Existing Bye-laws to allow shareholders to approve a business combination, as defined in the Bye-laws, by a majority of votes eligible to vote at any meeting of the shareholders, rather by than a supermajority vote. Our board of directors has approved and adopted the Amended Bye-laws, including this amendment, subject to shareholder approval.

If Proposal No. 7 is not approved by shareholders at the annual general meeting, the provision of the Existing Bye-Law will continue to govern, and the proposed amendment described in this Proposal No. 7 will not be implemented. In addition, the implementation of this Proposal No. 7 is conditioned on the approval by shareholders of Proposal No. 8 regarding approval of amendments to the Existing Bye-laws to amend the Existing Bye-laws to expressly permit our board of directors to adopt a shareholder rights plan with a term of less than 12 months or that is submitted for a vote of the shareholders within a specified time after adoption.

Description of Amendment

This proposed amendment is the result of our board of directors' review of the company's corporate governance policies and evolving corporate governance trends. The proposed amendment is contained in the revised Bye-law 79 of the Amended Bye-laws. The following description of the proposed amendment does not purport to be complete and is qualified in its entirety by reference to the text of the proposed amendment in the Amended Bye-laws, which is attached to this proxy statement as *Appendix A* and incorporated herein by reference. Shareholders are encouraged to read the text of the Amended Bye-laws in its entirety.

Shareholder Approval of Business Combinations

The Existing Bye-laws provide that a proposed business combination, defined in the Bye-laws as "any scheme of arrangement, reconstruction, amalgamation, takeover or similar business combination involving the Company or any subsidiary of the Company and any other person", in addition to any approval required under the Companies Act, if not approved by 66-2/3rds of the directors holding office on the date the board votes on the matter, must be approved by the shareholders by a vote of 66-2/3rds of votes cast and entitled to vote at a meeting of the shareholders at which a quorum is present. Under the Companies Act, unless the bye-laws of a company otherwise provide, a business combination must be approved by a majority vote of three-fourths of those voting at such meeting.

The proposed amendment provides that the shareholders can approve a business combination upon a vote of a simple majority of the votes cast at a meeting at which a quorum is present.

Conclusion

The Bye-laws require that this proposed amendment be approved by our shareholders. If the proposed amendment is approved by our shareholders, the amendment will become effective immediately.

The text of the resolution in respect of this proposal is as follows:

"The Bye-laws be and hereby are amended in the manner provided in this Proposal 7 as set forth in Appendix A of this proxy statement."

Board Recommendation and Required Vote

Unless authority to do so is withheld, the proxy holders named in the proxy card will vote the shares represented thereby FOR the approval of Proposal No. 7. Assuming the presence of a quorum, the required vote is the affirmative vote of at least 66-2/3rds of votes cast and entitled to vote at the annual general meeting. Abstentions and broker non-votes will be entirely excluded from the vote and will have no effect on the outcome.

PROPOSAL NO. 8
APPROVAL OF AMENDMENT TO THE EXISTING BYE-LAWS TO EXPRESSLY PERMIT OUR
BOARD OF DIRECTORS TO ADOPT A SHAREHOLDERS RIGHTS PLAN

The shareholders are being asked to approve an amendment to the Existing Bye-laws to expressly permit our board of directors to adopt a shareholder rights plan with a term of less than 12 months or that is submitted for a vote of the shareholders within a specified time after adoption. Our board of directors has approved and adopted the Amended Bye-laws, including this amendment, subject to shareholder approval.

If Proposal No. 8 is not approved by shareholders at the annual general meeting, the proposed amendment described in this Proposal No. 8 will not be implemented. In addition, the implementation of this Proposal No. 8 is conditioned on the approval by shareholders of Proposal No. 7 regarding approval of amendments to the Existing Bye-laws to reduce the required approval of the shareholders with respect to a business combination to a majority of votes eligible to vote at any meeting of the shareholders.

Description of Amendment

This proposed amendment is the result of our board of directors' review of the Company's corporate governance policies and evolving corporate governance trends. The proposed amendment is contained in the revised Bye-law 79 of the Amended Bye-laws. The following description of the proposed amendment does not purport to be complete and is qualified in its entirety by reference to the text of the proposed amendment in the Amended Bye-laws, which is attached to this proxy statement as *Appendix A* and incorporated herein by reference. Shareholders are encouraged to read the text of the Amended Bye-laws in its entirety.

Authority of the Board to Adopt Shareholder Rights Plans

As described above under Proposal No. 7, pursuant to Bermuda law, approval of a business combination requires approval of three-fourths of those voting at the meeting. This requirement is in addition to the provisions of the Existing Bye-laws, which provide that, in addition to any approval required under the Companies Act, if not approved by 66-2/3rds of the directors holding office on the date the board votes on the matter, a business combination must be approved by the shareholders by a vote of 66-2/3rds of votes cast and entitled to vote at a meeting of the shareholders at which a quorum is present. Our board of directors believes it is in the best interests of the shareholders to reduce the required approval of the shareholders with respect to a business combination to a majority of votes eligible to vote at any meeting of the shareholders, rather than by a supermajority vote. Our board of directors believes, however, that it is in the best interests of the Company and its shareholders for the Company to have some defenses expressly available to it in the event of an unsolicited takeover proposal, to ensure that the board of directors is able to fully evaluate what course of action is in the best interests of the Company and its shareholders. Pursuant to the Existing Bye-laws, the board of directors has the right to adopt a shareholder rights plan. However, the Company believes that the value of any such shareholder rights plan to the Company and its shareholders will be augmented by amending the Existing Bye-laws in the manner proposed in this Proposal No. 8.

The Company recognizes that some shareholders and shareholder advisory firms have concerns regarding use of shareholder rights plans as a defense measure. Accordingly, the amendment as proposed specifies that any shareholder rights plan adopted pursuant to the Bye-law described below would either (1) have a term of less than 12 months or (2) be submitted to the Company's shareholders for approval not more than 12 months following adoption of the plan. In addition, any such shareholder rights plan would not contain any "dead-hand" or "modified dead-hand" provisions.

Our board of directors is committed to creating value for the benefit of all of its shareholders. The board of directors recognizes that in some cases, a business combination may be in the best interests of a company and its shareholders. In some situations, however, a company may be presented with an unsolicited offer at a time when

[Table of Contents](#)

the Company has other alternatives that it believes would create better value for shareholders. The board of directors believes that it is in the best interests of any company, including the Company, for its board of directors to be able to carefully consider its alternatives at any time it receives a proposal for a business combination. Under the Existing Bye-laws, the supermajority vote provisions with regard to approval of business combinations provide a significant hurdle to consummation of any business combination, whether hostile or friendly, but also serves as a defensive provision in the event of a hostile offer. The Company is proposing to reduce that hurdle but, given that it is also relinquishing a significant defensive measure, the Company believes that Proposal No. 8 provides a fair defensive alternative in exchange. Unlike a supermajority vote requirement, which is a blunt instrument that applies to all business combinations regardless of the circumstances, Proposal No. 8 provides the board of directors with a tool that it can employ selectively, only when it deems appropriate in light of the particular circumstances.

Conclusion

The Bye-laws require that this proposed amendment be approved by our shareholders. If the proposed amendment is approved by our shareholders, the amendment will become effective immediately.

Board Recommendation and Required Vote

Our board of directors unanimously recommends that you vote **FOR** the approval of Proposal No. 8.

Unless authority to do so is withheld, the proxy holders named in the proxy card will vote the shares represented thereby FOR the approval of Proposal No. 8. PROPOSAL NO. 9
APPROVAL OF AMENDMENT TO THE EXISTING BYE-LAWS
REGARDING REMOVAL OF DIRECTORS

The shareholders are being asked to approve an amendment to the Existing Bye-laws to allow shareholders to remove directors with or without cause by a majority vote rather than a supermajority vote, and removes the limit on the number of directors that can be removed at any one time. Our board of directors has approved and adopted the Amended Bye-laws, including this amendment, subject to shareholder approval.

If Proposal No. 9 is not approved by shareholders at the annual general meeting, the provision of the Existing Bye-law will continue to govern, and the proposed amendment described in this Proposal No. 9 will not be implemented.

Description of Amendment

This proposed amendment is the result of our board of directors' review of the Company's corporate governance policies and evolving corporate governance trends. The proposed amendment is contained in the revised Bye-law 15 of the Amended Bye-laws. The following description of the proposed amendment does not purport to be complete and is qualified in its entirety by reference to the text of the proposed amendment in the Amended Bye-laws, which is attached to this proxy statement as *Appendix A* and incorporated herein by reference. Shareholders are encouraged to read the text of the Amended Bye-laws in its entirety.

Shareholder Ability to Remove Directors

The Existing Bye-laws provide that directors may only be removed for cause by a vote of 66-2/3rds of the shares eligible to vote at the meeting and that no more than one-third of the board members may be removed at any one time.

The proposed amendment provides that the shareholders may remove any or all of the directors of the Company, with or without cause, upon a majority of the votes cast at a meeting at which a quorum is present.

Conclusion

The Bye-laws require that these proposed amendments be approved by our shareholders. If the proposed amendment is approved by our shareholders, the amendment will become effective immediately.

Abstentions and broker non-votes will be entirely excluded from the vote and will have no effect on the outcome.

PROPOSAL NO. 10
APPROVAL OF AMENDMENT TO THE EXISTING BYE-LAWS
TO ADOPT A PLURALITY VOTING STANDARD IN CONTESTED ELECTIONS OF DIRECTORS

The shareholders are being asked to approve an amendment of Bye-law 44 of the Existing Bye-laws to allow the Company to adopt a plurality voting standard in the election of directors, solely in the case of a contested election (*i.e.*, where there are more candidates nominated than board positions available).

Description of Amendment

The Company currently has a majority voting standard for both uncontested and contested director elections. Pursuant to our Bye-laws, election of a director requires the affirmative vote of a simple majority of votes cast and entitled to vote at the annual general meeting, assuming a quorum is present. However, in the context of contested director elections — meaning that more candidates have been nominated than Board positions are available — governance experts believe that a plurality voting standard is more appropriate for a number of reasons, including avoiding the risk of a failed election (*i.e.*, where no candidates are elected, or where substantially fewer candidates are elected than positions available). Under a plurality voting standard, the nominees receiving the highest number of votes, regardless of whether the nominees receive a majority of the votes cast in the election, would be elected as directors. In the United States, proxy advisory firms generally support this view as well, and best practice calls for a majority voting standard in uncontested director elections and a plurality voting standard in contested elections.

Conclusion

In light of the Board's recommendation to adopt proxy access as proposed in Proposal No. 4, and the board's continual review of governance standards, the board recommends that shareholders approve an amendment to our Existing Bye-laws to provide for a plurality voting standard solely in the case of a contested election. If adopted, this amendment would provide that where the number of director nominees exceeds the number of directors to be elected, only those directors receiving the most votes for the available seats would be elected.

The board believes it is in the best interests of our shareholders to adopt the plurality voting standard in the case of contested elections, while maintaining the Company's majority voting standard in the case of uncontested elections. Accordingly, Proposal No. 10 seeks shareholder approval to amend our Bye-laws to provide for plurality voting in a contested election.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information regarding compensation paid to our named executive officers during fiscal 2016, which ran from February 2, 2015 until January 30, 2016, and certain information regarding compensation decisions made in fiscal 2017. During fiscal 2016, the named executive officers were:

- Dr. Sehat Sutardja, our former Chairman of the Board (to May 1, 2016) and former Chief Executive Officer (to April 1, 2016);
- Ms. Weili Dai, our former President (to April 1, 2016);
- Dr. Zining Wu, our former Chief Technology Officer (through September 9, 2016);
- Mr. David P. Eichler, our former Interim Chief Financial Officer (from October 16, 2015 through August 2016);
- Mr. Sukhi Nagesh, our former Interim Chief Financial Officer (from May 22, 2015 to October 7, 2015) and former Senior Vice President of Corporate Development and Strategy, Financial Planning and Analysis and Investor Relations (from October 7, 2015 to January 15, 2016); and
- Mr. Michael Rashkin, our former Chief Financial Officer (retired May 22, 2015).

Our named executive officers were the only officers with the responsibility level and business impact in fiscal 2016 to qualify as executive officers under SEC rules.

Executive Summary

Actions Taken in Consideration of “Say on Pay” Vote

At the 2015 annual general meeting of shareholders, we received support from approximately 44% of shareholders voting on the proposal for our fiscal 2015 named executive officer compensation program (“Say on Pay”). We take shareholder feedback very seriously and have taken a number of significant actions in response to this Say on Pay vote result, including extensive shareholder outreach during fiscal 2016 and changes to our fiscal 2016 named executive officer compensation programs and our fiscal 2017 named executive officer compensation programs.

[Table of Contents](#)

Shareholder feedback, company performance and market practice were all key considerations in identifying and implementing changes to the named executive officer compensation programs for fiscal 2016 and 2017.

Introduction of Relative TSR Metric to the Long-term Incentive Plan

A portion of the fiscal 2016 performance-based equity awards to named executive officers will vest based on our relative TSR performance (as defined below) versus the 2016 peer group over a two-year performance period.

Peer Group Changes

To ensure a continued robust peer group and in consideration of our positioning relative to the median company size, the ECC determined to add three new companies to our peer group for fiscal 2016.

Performance Accountability

We paid no performance-based cash bonuses for fiscal 2016 because performance achieved was below threshold. We vested no performance-based equity awards for fiscal 2016 because performance achieved was below threshold.

Fiscal 2017 Increase in Percentage of Performance-based Weighting to Total Cash Compensation

In fiscal 2017, we further emphasized performance-based compensation by substantially increasing the percentage of total cash compensation of the new executives that is based on performance.

Fiscal 2017 Changes to Mix of Equity Awards

In fiscal 2017, we changed the mix of equity awards for new executives to an aggregate of 60% based on performance. Our current mix is as follows: 40% time-based; 30% based on three-year TSR and 30% based on Company performance measures.

Change in Composition of ECC

In fiscal 2017, after adding five new independent directors to our board, we reconstituted the membership of our Executive Compensation Committee.

Shareholder Outreach

Following the 2015 Say on Pay vote, we reached out to major institutional shareholders to gather detailed shareholder feedback, in particular regarding rationale for Say on Pay voting decisions.

Additional shareholder outreach was conducted during fiscal 2016 to ensure understanding of current governance issues of particular interest to our shareholders in preparation for fiscal 2017 compensation decisions.

Additionally, we continue to maintain good governance pay practices described in more detail elsewhere in this Compensation Discussion and Analysis and this proxy statement, including stock ownership guidelines, a policy concerning recoupment of CEO and CFO bonuses following restatements, no gross up provisions, effective risk management, maintenance of 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") eligible plans, and anti-hedging provisions in our insider trading policy.

We hold advisory votes to approve named executive officer compensation on an annual basis. When making future compensation decisions, the Executive Compensation Committee (“ECC” or the “Committee”) will consider the results from the prior year’s advisory vote on named executive officer compensation, as well as feedback from shareholders throughout the course of such year. We will continue to proactively review our named executive officer compensation program and take actions to ensure that executive pay is aligned with company performance.

CEO Pay Alignment with Company Performance

A key element of our executive compensation program, including our CEO’s compensation, is the explicit link between compensation and both overall business results and individual performance, as discussed more generally below under “Compensation Philosophy.” We made the following key decisions relating to fiscal 2016 compensation of our CEO:

- No annual incentive plan payout based on fiscal 2016 financial performance; and
- No vesting of performance-based equity awards that are subject to fiscal 2016 financial or strategic performance.

The relationship between our CEO’s target pay opportunity, realizable pay, and company performance as measured by TSR (each as defined below) further illustrates the alignment of our CEO’s compensation with business performance, and our emphasis on shareholder value creation. While most of the required compensation disclosures discuss pay opportunities (i.e., the awards that *may be earned*), realizable pay considers actual compensation that was earned or could be earned based on performance.

- Target pay opportunity for a given fiscal year means the sum of the salary and target cash bonus opportunity in that fiscal year, plus the grant date fair value of all equity awards (stock options and restricted stock units) granted during the fiscal year. Does not include “all other compensation” as defined for Summary Compensation Table purposes;
- Realizable pay for a given fiscal year means the sum of salary and actual cash bonus paid for that fiscal year, plus the current (2016 fiscal year-end) realizable value of equity granted in that fiscal year. The current realizable value of equity is calculated as the “in the money” value of stock options assuming that any vested stock options remain unexercised, plus the market value of restricted stock units, assuming that shares underlying any vested restricted stock units are still held by the CEO. For equity awards with performance-based vesting the target number of shares are included for periods in respect of fiscal years that have not been completed and the actual number of shares that vested are included for completed performance periods. Does not include “all other compensation” as defined for Summary Compensation Table purposes; and
- Total shareholder return is the increase in company stock price plus reinvested dividends, measured from the start of each fiscal year from fiscal 2012 through 2016 fiscal year end.

[Table of Contents](#)

The following graph shows the target pay opportunity and realizable pay of our CEO, Dr. Sutardja, for each fiscal year since fiscal 2012, and the strong correlation of his realizable pay with total shareholder return.

	FY2012	FY2013	FY2014	FY2015	FY2016
Dr. Sutardja Target Pay Opportunity (as determined in each fiscal year)	\$13,324,040	\$13,916,750	\$8,385,200	\$9,143,158	\$9,523,128
Dr. Sutardja Realizable Pay (including realizable equity values at FYE 2016)	\$ 963,076	\$ 2,620,000	\$2,620,000	\$4,696,697	\$2,555,563
Total Shareholder Return (measured through FYE 2016)	-12.8%	-11.4%	0.5%	-21.5%	-41.6%

The chart clearly shows the impact of company performance on Dr. Sutardja's realizable pay, particularly in comparison to the target pay opportunity. The strong emphasis on performance-based pay in the CEO's total compensation program, further enhanced by the reintroduction of relative total shareholder return as a metric for equity award vesting in fiscal 2016, ensures that the CEO's realizable pay changes over time, with the difference between the pay opportunity and realizable pay reflecting achievement of incentive plan goals and company stock price performance.

Fiscal 2016 Named Executive Officer Compensation Determination

Compensation Philosophy

The ECC oversees the development and administration of our executive compensation program, including the underlying philosophy and related policies. Our primary business objective is to create long-term value for our shareholders. To achieve this objective, our executive compensation program is intended to achieve five primary objectives:

- **Market Competitive:** Provide a market-competitive level of total compensation opportunity that reflects the individual executive's role and ability to impact business performance;
- **Performance-Based:** Establish an explicit link between compensation and both overall business results and individual performance;
- **Long-Term Focused:** Promote a long-term focus for our named executive officers through incentive compensation that vests over multiple years;
- **Aligned with Shareholders:** Align the interests and objectives of our named executive officers and employees with furthering our growth and creating shareholder value through distribution of equity; and
- **Equity Stake:** Distribute equity to key employees to allow them to participate in the creation of shareholder value.

The ECC believes that both the elements and level of fiscal 2016 compensation for our named executive officers were consistent with the five primary objectives contained in our compensation philosophy as well as the overall goal of emphasizing sustained share price growth. In particular, the ECC believes that the structure and level of our fiscal 2016 compensation for our named executive officers was linked to our business performance.

Fiscal 2016 Peer Group

During fiscal 2015, the ECC reviewed the existing peer group for alignment with companies that are similar in revenue, industry segment and/or which compete with us for talent. The ECC utilized competitive market compensation data based on the practices of the revised peer group to guide fiscal 2016 pay decisions.

The peer group for 2016 consists of semiconductor companies and other similarly-sized companies in the technology industry the ECC believed to be generally comparable to us in terms of revenue, EBITDA margin, market value and/or that Marvell competes with for executive talent. In making changes to the peer group for fiscal 2016, the ECC also gave consideration to feedback from institutional shareholders and shareholder advisory groups. LSI Corporation was removed from the 2016 peer group because it was acquired by Avago Technologies. Three new peer companies were added, increasing the robustness of the comparative group for benchmarking purposes. In response to feedback from shareholder advisory groups, the ECC ensured that the new peer companies helped to balance the size of existing peer companies and reflect Marvell's current size.

The Determination Process

After establishing our guiding principles and amending the peer group as outlined above, the ECC then determined the amount of each compensation element for the named executive officers in a two-step process, as follows:

<u>Work Step</u>	<u>Description</u>
1. Evaluate each element of compensation separately	Ensure that each component of compensation meets the desired objectives for that element (i.e., base salary, target annual incentive opportunity and equity awards).
2. Review the value of the total compensation package to ensure consistency and appropriateness	<p>Ensure that:</p> <ul style="list-style-type: none"> • In aggregate, the total value of the compensation package is reasonable when compared against the peer group; and • Compensation is consistent with market practices and all decisions are based on the judgment of the members of the ECC.

As a starting point, the ECC reviewed competitive compensation market data collected and analyzed by Mercer, the ECC's compensation consultant, from the compensation peer group described above. The compensation data represented the most recently available data at the end of fiscal year 2015.

Key Elements of Compensation for Fiscal 2016

The tables and commentary in this section primarily relate to the fiscal 2016 compensation for the three named executive officers that served throughout fiscal 2016, namely Dr. Sutardja, Ms. Dai, and Dr. Wu. Fiscal 2016 compensation information for the individuals that each served in the role of Chief Financial Officer for a portion of fiscal 2016 is covered separately at the end of this section under "Fiscal 2016 Chief Financial Officer Compensation."

Fiscal 2016 Salaries

Base salaries for Dr. Sutardja, Ms. Dai, and Dr. Wu were adjusted to \$980,000, \$650,000 and \$435,000, respectively, to reflect their then current roles and responsibilities within the organization. The new salaries were effective April 1, 2015, consistent with effective dates for salary increases to the broader employee population. The increases occurred during fiscal 2016, in part, because no changes had been made to their salaries during fiscal 2014 or fiscal 2015.

[Table of Contents](#)

Details about named executive officer compensation relative to the peer group companies are provided in the section “Total Compensation Value and Competitive Positioning” below.

<u>Executive</u>	<u>Fiscal 2016 Base Salary</u>	<u>Fiscal 2015 Base Salary</u>	<u>Fiscal 2016% Increase</u>
Dr. Sehat Sutardja	\$ 980,000	\$ 850,000	15.3%
Ms. Weili Dai	\$ 650,000	\$ 560,000	16.1%
Dr. Zining Wu	\$ 435,000	\$ 400,000	8.7%

Fiscal 2016 Annual Incentive Plan (Cash)

For the fiscal 2016 annual incentive plan, the ECC established the following threshold, target and maximum amount of awards payable, expressed as a percentage of base salary, for each of our named executive officers:

<u>Executive</u>	<u>Fiscal 2016 Annual Incentive Opportunity Expressed as a Percentage of Base Salary⁽¹⁾</u>			
	<u>Below Threshold</u>	<u>Threshold Performance</u>	<u>Target Performance</u>	<u>Maximum Performance</u>
Dr. Sehat Sutardja	0%	67.5%	112.5%	202.5%
Ms. Weili Dai	0%	36%	60%	108%
Dr. Zining Wu	0%	22.5%	37.5%	67.5%

(1) Annual incentive payout is calculated using a straight line interpolation for performance between threshold and target or between target and maximum.

Mr. Nagesh and Mr. Eichler were not participants in the fiscal 2016 Section 162(m) annual incentive plan as they were not named executive officers at the time the plan goals were determined by the ECC. Mr. Rashkin retired during fiscal 2016. Therefore, Mr. Rashkin, Mr. Nagesh and Mr. Eichler were not eligible to receive any cash incentive payout for fiscal 2016.

The fiscal 2016 annual incentive plan for our named executive officers was 80% based on a combination of equally weighed revenue and modified non-GAAP operating income goals reflecting significant year-over-year growth targets. Growth in revenue and operating income are considered by the Board to be key drivers of the success of the company. The funding amount varied based on the achievement of goals at threshold, target and maximum levels. The remaining 20% of the plan was subject to the achievement of at least one of the threshold Company financial performance metrics described above, and then based on individual strategic goals, included in fiscal 2016 to account for differences between executives. The funding formula was based on a pre-established, objective formula, and the fiscal 2016 annual incentive plan was intended to qualify under Section 162(m) of the Code.

The following table presents the fiscal 2016 annual incentive plan goals established by the ECC at threshold, target and maximum performance levels and actual fiscal 2016 performance for each of these metrics. Each of the financial metrics was tied to the annual operating plan approved by the board of directors in April 2015.

<u>Performance Metric</u>	<u>Weighting</u>	<u>Level of Performance Achievement (in millions)</u>			<u>Actual Fiscal 2016 Performance (in millions)</u>
		<u>Threshold</u>	<u>Target</u>	<u>Maximum</u>	
Revenue	40%	\$ 3,000	\$ 3,400	\$ 3,869	\$ 2,726
Modified Non-GAAP Operating Income ⁽¹⁾	40%	\$ 310	\$ 460	\$ 585	\$ 194
Strategic Goals	20%	Varies by individual but subject to threshold financial performance metrics; see below for details			Threshold Company financial performance metrics not achieved

(1) For purposes of the 2016 annual incentive plan, non-GAAP operating income is defined as GAAP operating income less (i) share-based compensation, (ii) amortization of acquisition-related intangible assets and

[Table of Contents](#)

acquisition-related costs, (iii) restructuring and other exit-related costs, and (iv) litigation settlement costs removed for non-GAAP purposes in our quarterly earnings releases, except with respect to the litigation with Carnegie Mellon University (the “CMU litigation”). Modified non-GAAP operating income excludes amounts paid or accrued in respect of final judgments or settlements related to the CMU litigation, regardless of whether these amounts are excluded from non-GAAP operating income in our quarterly earnings releases.

The individual strategic goals identified for each executive officer included a mix of financial and operational as well as quantitative and qualitative factors. For fiscal 2016, these included, but were not limited to: execution of the strategic plan; cost management, expense and pricing related goals; and product and technology development goals. The strategic goals and weightings approved by the Committee were tailored to the specific roles and responsibilities of each named executive officer. The ECC initially determined what categories of individual strategic goals would be appropriate for the executive officers, and then suggested specific goals for each individual. The individual executive officers proposed additional goals based on the needs of their internal constituents. Following discussion without the executive officers present, the ECC then approved the final individual strategic goals.

Payout of the portion of annual incentive plan subject to individual strategic goals is subject to achievement of the “Threshold” Company financial performance metric for either of the revenue or modified non-GAAP operating income performance metrics described above. Achievement of either threshold Company financial performance metric allows for full payout under this portion of the performance awards, but subject to the ECC applying negative discretion based on actual achievement of individual strategic goals to determine the actual payout.

Fiscal 2016 performance was such that both revenue and modified non-GAAP operating income actually achieved were below the threshold goals established by the ECC and, therefore, the named executive officers did not received any payouts under the fiscal 2016 annual incentive plan.

Executive	Fiscal 2016 Base Salary	Fiscal 2016 Incentive Opportunity at Target (% of Base Salary)	Actual Fiscal 2016 Annual Incentive Payout (% of Target)		Total Fiscal 2016 Annual Incentive Payout (% of Target)
			Revenue Metric Payout (% of Target)	Non-GAAP Operating Income Metric Payout (% of Target)	
Dr. Sehat Sutardja	\$ 980,000	\$ 1,102,500 (112.5%)	\$ 0(0%)	\$ 0(0%)	\$ 0(0%)
Ms. Weili Dai	\$ 650,000	\$ 390,000 (60%)	\$ 0(0%)	\$ 0(0%)	\$ 0(0%)
Dr. Zining Wu	\$ 435,000	\$ 163,125 (37.5%)	\$ 0(0%)	\$ 0(0%)	\$ 0(0%)

The ECC will continue to review non-equity incentive opportunities relative to the difficulty of plan goals and affordability of payouts relative to financial performance.

Fiscal 2016 Long-Term Incentive (“LTI”) Awards (Equity)

Our executive compensation packages are designed to ensure that a substantial portion of compensation is linked to incentivizing and rewarding increases in our market capitalization as a result of sustained share price growth. For fiscal 2016, and in response to shareholder feedback, the ECC decided to accomplish this objective by granting equity awards to named executive officers as follows:

- Approximately 75% as performance-based RSUs and performance awards with equal potential vesting tranches on April 1, 2016 subject to the achievement of pre-determined fiscal 2016 company and individual strategic performance goals, and on April 1, 2017 subject to the achievement of 2-fiscal year relative total shareholder return (TSR) goals; and
- Approximately 25% as stock options with equal vesting on each of April 1, 2018 and April 1, 2019.

[Table of Contents](#)

Each of the foregoing stock options, performance-based RSUs and performance awards were made pursuant to the 1995 Stock Plan. The performance-based RSUs and performance awards were granted on April 30, 2015, and stock option awards were granted on June 24, 2015. The exercise price of each stock option award was equal to \$14.35, the closing price of our common stock as reported on the NASDAQ Global Select Market on June 24, 2015, the date of grant.

The tables below provide the number of shares underlying the equity awards described above.

Executive	Performance-based RSUs and Performance Awards at Target Performance Levels		Stock Options		Total Value

Dr. Sehat Sutardja	444,939	\$ 5,831,951	458,856	\$ 1,823,677	\$7,655,628

Dr. Zining Wu	142,066	\$ 1,874,343	127,460	\$ 506,577	\$2,380,920

Assumptions used in valuing the stock option grants included:

Exercise Price/FMV	\$ 14.35
Volatility	33.78%
Expected Term	5.41 years
Dividend Yield	1.62%
Valuation	\$ 3.97

The LTI plan used the following metrics: revenue, modified non-GAAP operating income, relative total shareholder return (“TSR”), individual strategic goals and supplemental individual strategic goals. Marvell TSR performance was compared to the TSR performance of constituent companies of the Philadelphia Semiconductor Sector Index (SOX) during a 2-fiscal year performance period. See also “— Actual Performance Achievement and Awards Vested” below.

The awards of performance-based RSUs and performance awards described above, as determined by the ECC, resulted in the following weightings of financial performance metrics, individual strategic goals and relative TSR goals:

	Revenue	Modified Non-GAAP Operating Income	Individual Strategic Goals	Relative TSR
Dr. Sehat Sutardja	18%	18%	23%	40%

The individual strategic goals identified for each executive officer included a mix of financial and operational, quantitative and qualitative factors. For fiscal 2016, these included, but were not limited to: execution of the strategic plan; cost management, expense and pricing related goals; and product and technology development goals. The strategic goals and weightings approved by the Committee were tailored to the specific roles and responsibilities of each named executive officer. The ECC initially determined what categories of individual strategic goals would be appropriate for the executive officers, and then suggested specific goals for each individual. The individual executive officers proposed additional goals based on the needs of their internal constituents. Following discussion without the executive officers present, the ECC then approved the final individual strategic goals.

Vesting of a portion of the performance awards subject to individual strategic goals is subject to achievement of the “Threshold” Company financial performance metric for either of the revenue or modified non-GAAP operating income performance metrics described above. Achievement of threshold financial performance metric allows for vesting of all shares under this portion of the performance awards, but subject to the ECC applying negative discretion based on actual achievement of individual strategic goals to determine the number of shares that shall vest in respect of the performance award for each named executive officer.

Total Compensation Value and Competitive Positioning

The ECC positioned the fiscal 2016 named executive officer compensation packages to be consistent with the compensation philosophy and compensation principles discussed above. The table below presents the resulting positioning of fiscal 2016 compensation for our named executive officers:

- (i) As a percentage of the median (50th percentile) of competitive compensation data collected for the 2016 peer group companies; and
- (ii) As a percentile rank relative to competitive compensation data collected for the 2016 peer group companies.

The value attributed to the equity awards is equal to the accounting grant date fair value of the awards. The named executive officer competitive compensation positioning is relative to publicly disclosed compensation information for the 2016 peer group companies as available at the time the ECC approved our fiscal 2016 compensation programs and, therefore, reflects historical, not current year compensation. For purposes of the table below, “AIP” means Annual Incentive Plan and “LTI” means Long-Term Incentive.

Outstanding Performance-Based Equity Awards

In fiscal 2012, performance-based equity awards were granted in the form of stock options with vesting contingent on the achievement of a stringent average stock price hurdle described in more detail below. In fiscal 2013, no performance-based equity awards were granted. In fiscal 2014, Ms. Dai received a performance-based equity award that is no longer outstanding. In fiscal 2015 and fiscal 2016, all named executive officers received performance-based equity awards in the form of RSUs and performance awards.

The table below provides detailed information regarding outstanding performance-based equity awards granted to each named executive officer, including vesting conditions and number of shares vesting based on fiscal 2016 performance.

1. Performance goals disclosed in detail in the section “Fiscal 2016 Long-Term Incentive Awards.”
2. Performance goals for fiscal 2015 awards were disclosed in detail in the Compensation Discussion and Analysis in the 2015 Proxy Statement, in the section “Fiscal 2015 Long-Term Incentive Awards,” and are summarized below in the section “Actual Performance Achievement and Awards Vested.”
3. Performance-based stock options have a ten-year term and vest contingent on the achievement of a stringent average stock price hurdle before April 29, 2016. If the closing price of our common shares as reported by the NASDAQ Global Select Market equals or exceeds an average of \$24.70 for a period of 200 consecutive trading days prior to the 5th anniversary of the date of grant (the “Trigger Event”), then 100% of the shares subject to the stock option will vest on the date of the Trigger Event, subject to continued service through both the date of the Trigger Event and April 1, 2013. Each of the performance-based stock options will immediately expire if the Trigger Event does not occur prior to the 5th anniversary of the date of grant. As of April 29, 2016, the Trigger Event had not occurred and all performance-based options expired in accordance with their terms.

Actual Performance Achievement and Awards Vested

Following the end of fiscal 2016, the ECC measured the performance criteria associated with each named executive officer’s respective performance-based equity grants, determined the number of awards that would vest during the fiscal 2016 performance period for each grant and made the following determinations:

- The share price Trigger Event for the performance-based stock options granted in fiscal 2012 was not met.

[Table of Contents](#)

- Both the Company's fiscal 2016 revenue and modified non-GAAP operating income performance were below the threshold goals established by the ECC for both the 2015 and 2016 equity grants. Therefore, the ECC determined that none of the shares underlying fiscal 2015 and fiscal 2016 awards subject to fiscal 2016 Company financial performance would vest (as reflected in the following table):

Performance Metrics	Actual FY2016 Performance	FY2016 Grant		FY2015 Grant	
		Goal Achievement	Vested Shares as % of Target	Goal Achievement	Vested Shares as % of Target
Revenue	\$ 2,726M	Below Threshold	0%	Below Threshold	0%
Modified Non-GAAP Operating Income	\$ 194M	Below Threshold	0%	Below Threshold	0%

- For the Executive Officers' individual strategic goals, the Committee evaluated the achievement of the strategic performance objectives, achievement of financial performance gates (where applicable), the Company's overall condition and performance in fiscal 2016, and each individuals' role within the organization.
 - For Dr. Sutardja and Ms. Dai, the Committee determined that none of the shares underlying performance awards subject to individual strategic goals would vest. For Dr. Wu, the Committee determined that 33,616 shares would vest for achievement of individual strategic goals linked to technology product rollout, technology development, and process improvement objectives.

Benefits

Our named executive officers are eligible to participate in our life, health and welfare benefit programs and our tax-qualified Section 401(k) plan on the same terms and conditions as our other salaried employees. Beginning in January 2011, employees' contributions to the Section 401(k) plan are matched dollar for dollar up to a maximum of \$500 for each quarter of the calendar year. Also during the entirety of fiscal 2016, Dr. Sutardja had access to a car leased by the Company for his personal use.

We offer all employees, including our named executive officers, the ability to purchase our common shares at a discount under our 2000 Employee Stock Purchase Plan, as amended and restated (the "ESPP"). Employees who own more than 5% of our stock may not participate in the ESPP. As a result, Dr. Sutardja and Ms. Dai are not eligible to participate in the ESPP. Mr. Eichler is not eligible to participate in the ESPP because he is not an employee of the Company.

Named executive officers did not receive any material employee benefits or perquisites in fiscal 2016 other than the employee benefits and perquisites provided to all employees and the one described in the paragraph below.

Other Fiscal 2016 Compensation Arrangements

In December 2006, in connection with a review by a special committee of our board of directors relating to our historical stock option practices and related accounting matters, we reformed certain outstanding option agreements for option grants previously awarded to our executive officers at the time by the former members of the ECC. These outstanding option agreements were for option grants (i) determined to have measurement dates for accounting purposes different from the recorded grant dates, and (ii) where the fair market values of our common shares on the determined measurement dates were higher than those on the corresponding recorded grant dates. Pursuant to the reformed option agreements, the parties corrected the exercise price for each affected grant still outstanding to that which would have been applicable had the grant been made using the applicable determined measurement date. To the extent that such an option already had been exercised, each applicable executive remitted to us the full amount of the difference between the exercise prices of the options as granted and the fair market values of the underlying common shares on the determined measurement dates.

However, in connection with the exercise in January 2006 of one such option grant to our Chief Executive Officer, Dr. Sutardja, the Internal Revenue Service and the California Franchise Tax Board determined that penalty taxes applied pursuant to Section 409A of the Code (“Federal Tax Code”) and California Revenue and Taxation Code Section 17501 (“California Tax Code” and, together with the Federal Tax Code, the “Tax Codes”). This determination was made despite the fact that (a) the relevant option agreement had been subsequently reformed to correct the exercise price for the affected grant to that which would have been applicable had the grant been made using the determined measurement date, and (b) to the extent that option had been exercised, Dr. Sutardja had remitted to us the full amount of the difference between the exercise price of the option as granted and the fair market values of the underlying common shares on the determined measurement date. On March 2, 2011, our board of directors authorized, based on the recommendation of its nominating and governance committee, the indemnification of Dr. Sutardja for reasonable fees and expenses that he may incur in a legal challenge of the determination that penalty taxes applied, based on the board’s finding that Dr. Sutardja was not involved in setting the terms of the relevant options and that, in 2007, we had taken responsibility for and paid the penalty taxes under the Tax Codes that were incurred by other similarly situated Marvell employees who had exercised options in 2006.

On February 27, 2013, the U.S. Court of Federal Claims ruled against Dr. Sutardja and determined that the Tax Codes applied to the exercise of the relevant option grant. After discussing and evaluating at several meetings the alternatives to a continuing legal challenge of the court’s determination, the likelihood of success of further appeal by Dr. Sutardja and the potential negative impact on the Company of a continuation of the case regardless of the outcome, on February 25, 2015, the ECC (comprised solely of board members who were not part of the ECC that approved the relevant option grant to Dr. Sutardja) determined to provide Dr. Sutardja with relief from the financial effects of the penalty taxes, consistent with the relief provided to other similarly-situated Marvell employees in 2007. Accordingly, the ECC approved a one-time cash payment to Dr. Sutardja equal to the amount of his penalty taxes owed under the Tax Codes, plus accrued interest owed with respect to such liabilities, all grossed-up for income taxes that will be owed by Dr. Sutardja on receipt of such cash payment. The total amount of this one-time payment and gross-up was estimated at the time to be approximately \$15.4 million. A payment of \$8.4 million was made in April 2015 to reimburse (with gross-up) Dr. Sutardja for the federal portion of taxes he had previously paid in connection with this liability. This amount is included in the Summary Compensation Table under “Other Compensation.” The amount of state taxes to be owed by Dr. Sutardja in connection with this liability is still pending final determination by the California Franchise Tax Board and has not yet been paid. The Company anticipates reimbursing Dr. Sutardja for the state taxes he pays (with gross-up), provided that the aggregate amount of all payments pursuant to this reimbursement arrangement shall not exceed \$15.4 million.

Fiscal 2016 Chief Financial Officer Compensation

The fiscal 2016 compensation arrangements approved by the Committee for each of the individuals that served a portion of the year in the role of Chief Financial Officer are as follows:

Other Factors Considered in Determining Executive Compensation

Employment Agreements

We did not have any employment, change-in-control, or severance agreements or arrangements with any of our named executive officers in fiscal 2016.

Risk Considerations

During fiscal 2016, the ECC requested of Mercer, the Committee's compensation consultant, and later discussed with management, an assessment of our compensation programs for (i) the named executive officers, (ii) the broad-based employee population, and (iii) the sales professionals. The purpose of the review was to determine whether such programs might encourage inappropriate risk taking that could result in a material adverse effect on the Company. Mercer, with the help of our management, reviewed these programs considering:

- Pay mix;
- Caps on incentive pay;
- Performance measures;
- Funding mechanisms; and
- Plan governance.

The annual risk assessment specifically noted that:

- Our emphasis on performance-based long-term incentives for named executive officers, as described above, minimizes large windfalls based on short-term performance;
- Stock options granted to named executive officers do not begin vesting for two years, rewarding long-term growth in shareholder value, not short-term results;
- Annual incentives are paid pursuant to fixed, pre-established financial and strategic goals, consistent with the requirements of Section 162(m) of the Code;
- Together, the annual and long term performance programs reward a balance of internal (company financial and strategic goals) and external (stock price) performance;
- Dr. Sutardja and Ms. Dai collectively owned approximately 14% of our outstanding common shares as of May 1, 2016. This strongly aligned the financial interests of the two former executives with that of shareholders. We have executive stock ownership guidelines that apply to all named executive officers and, in general, strong corporate governance features that provide protection against possible windfall payouts to the named executive officers;
- No material changes were made for fiscal 2016 to the broad-based annual incentive plan. The plan continues to provide safeguards designed to prevent inappropriate risk-taking. The broad-based incentive plan contains both an overall plan funding cap and individual award caps thus mitigating the opportunity for windfall payouts. Multiple metrics impacting plan funding and an allocation process requiring multiple levels of approval mitigate the ability to impact short-term results by excessive risk-taking;
- The sales incentive plans include risk mitigating features such as a mix of performance metrics and reasonable pay opportunities were retained from the prior plan, and individual award caps were introduced which further helps avoid any concerns of incentivizing excessive risk-taking; and
- Broad-based employee equity awards for fiscal 2016 consisted of a fixed mix of stock options and RSUs that varied by level. Below the named executive officers, all equity awards are subject to service-based vesting. Equity awards are broadly used to align employees to long-term company value creation and to provide retention through vesting of equity over time. The broad-based equity award levels, vehicles and vesting conditions do not encourage inappropriate risk-taking.

[Table of Contents](#)

Based on such assessment, the ECC concluded that our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on us.

Governance and Other Considerations

Equity Grant Practices

Our board of directors has adopted a policy with respect to our equity grant practices. Our current policy covers, among other things, the following:

- All stock option grants must have an exercise price per share no less than the per share fair market value of our common shares on the date of grant, as determined under the appropriate U.S. financial accounting rules and the applicable rules and regulations under the U.S. securities laws.
- The ECC or a subcommittee thereof has the authority to approve equity grants to employees, provided that only the ECC (and not a subcommittee thereof) may approve equity grants to our executive officers.
- Equity grants to newly hired employees are made monthly during regularly scheduled ECC or subcommittee meetings. An equity award proposal is generally prepared for consideration by the second month following the month of the new employee's date of hire. These awards may only be made by the ECC or a subcommittee of the ECC, and are typically based upon the recommendation of the CEO or a set of guidelines approved by the CEO.
- Annual focal equity grants to employees are generally made after the annual performance review process is completed and are scheduled to be made no later than the last Friday of our fiscal month in April in each calendar year, provided that focal stock option grants shall not be made during any period of time commencing with the last day of a fiscal quarter and ending with the first full trading day following our earnings release for such quarter. If focal stock option awards have not been granted by the last Friday of the fiscal month of April, then focal option awards are to be granted during an "open window" as set forth in our insider trading policy. Such restriction does not apply to restricted stock units or other types of equity awards that do not include an exercise price or other term related to the market price of our securities on the date of grant. Other than with respect to annual focal equity grants, grants to named executive officers must be made during an "open window."

Management regularly reviews with the ECC share usage (run rate), potential dilution and total cost of equity grants, relative to internal and external benchmarks to ensure that share usage is carefully and appropriately managed. The table below shows the company run rate for the three most recent fiscal years (all number of shares granted are in thousands):

Fiscal Year	Share-Based Run Rate (All Stock Options and RSUs Granted)		Stock Option Equivalent Based Run Rate (2:1 Stock Option to Full Value Share Conversion)	
	# Granted	% Average Common Shares Outstanding	# Stock Option Equivalents	YE O/S
2016	12,935	2.51%	19,486	3.81%
2015	13,176	2.59%	19,986	3.93%
2014	22,750	4.50%	26,578	5.26%

Policy Concerning Recoupment of CEO and CFO Bonuses Following Restatements

In the event of a restatement of our financial results, where a bonus was paid to the CEO and/or the CFO based on financial results that were subject to the restatement and there is finding by a majority of the disinterested members of our board of directors at the time of the restatement that the restatement was due, in whole or in part, to the gross recklessness or intentional misconduct of either the CEO or CFO, respectively, our board of directors shall review all such bonuses for the period(s) in which the results were restated. If such

[Table of Contents](#)

bonuses would have been lower had they been calculated based on the restated results, our board of directors will, to the extent permitted under applicable law, seek to recoup for the benefit to us of all such bonuses paid to the CEO and/or CFO, as applicable. This policy shall apply in addition to any right of recoupment against the CEO and the CFO under Section 304 of the Sarbanes-Oxley Act of 2002.

Stock Ownership Guidelines for Executive Officers

Our board of directors has established equity ownership guidelines for our executive officers designed to encourage long-term stock ownership and more closely link their interests with those of our other shareholders. These guidelines were amended in September 2016 to provide that, within a five-year period, executive officers should have actual ownership of common shares equal in value to (i) five times the annual base salary for the CEO and (ii) two times their respective annual base salary for the other named executive officers. Our board of directors reviews progress against these guidelines annually and updates them as appropriate. Each of our currently employed named executive officers has either satisfied these ownership guidelines or has time remaining to do so as of September 13, 2016.

Role of Consultants and Conflicts of Interest with Respect Thereto

The ECC engages executive compensation consulting firms to provide advice and market data relating to executive compensation. Such compensation consulting firms serve at the discretion of the ECC. In fiscal 2015, the ECC engaged Mercer. Mercer serves at the discretion of the ECC to provide analysis, advice and guidance with respect to compensation.

The ECC charter provides that the ECC shall be directly responsible for the appointment, compensation and oversight of the work of any committee adviser retained by it, and the Company shall provide for appropriate funding, as determined by the ECC, for payment of (a) reasonable compensation to any committee adviser, and (b) ordinary administrative expenses of the ECC that are necessary or appropriate in carrying out its duties. The ECC may select a committee adviser and receive advice from a committee adviser, only after taking into consideration all factors relevant to that person's independence from the Company's management, specifically including the following:

1. The provision of other services to the Company by the committee adviser's employer;
2. The amount of fees received from the Company by the committee adviser's employer, as a percentage of the total revenue of the committee adviser's employer;
3. The policies and procedures of the committee adviser's employer that are designed to prevent conflicts of interest;
4. Any business or personal relationship of the committee adviser with a member of the ECC;
5. Any stock of the Company owned by the committee adviser; and
6. Any business or personal relationship of the committee adviser or the committee adviser's employer with an executive officer of the Company.

Under rules promulgated by the SEC, the ECC must determine, after taking into account these six independence-related factors, whether any work completed by a compensation consultant raised any conflict of interest. For fiscal 2016, the ECC reviewed these six factors in their totality as they apply to Mercer and did not identify any conflict of interest.

Tax Considerations

Generally, Section 162(m) of the Code ("Section 162(m)") disallows a tax deduction to publicly-held corporations for compensation paid to certain of their executive officers to the extent such compensation exceeds

[Table of Contents](#)

\$1.0 million per covered officer in any year. This limitation does not apply to compensation that is considered “qualified performance-based compensation” for purposes of Section 162(m), which definition allows for certain types of performance-based compensation to be excluded from the \$1.0 million deduction limit if specific requirements are met.

The ECC considers the impact of Section 162(m) when designing our short-term and long-term incentive compensation programs so that awards may be granted under these programs in a manner that qualifies them as “performance-based compensation” for purposes of Section 162(m). We believe that in establishing these programs for our executive officers, however, the potential tax deductibility of the compensation payable under those programs should be only one of a number of relevant factors taken into consideration, and not the sole governing factor. We believe it is important to maintain cash and equity incentive compensation at the levels and with the design features needed to attract and retain the executive officers essential to our success, even if all or part of that compensation may not be deductible by reason of the Section 162(m) limitation. Accordingly, the ECC may grant awards under which payments may not be deductible under Section 162(m) when the ECC determines that such non-deductible arrangements are otherwise in the best interests of the Company and in furtherance of the stated objectives for our executive compensation program.

Section 409A of the Code (“Section 409A”) imposes taxes in the event that an employee, including a named executive officer, receives “deferred compensation” that does not satisfy the requirements of Section 409A. Although we do not maintain a traditional nonqualified deferred compensation plan, Section 409A applies to certain severance arrangements and equity awards. Consequently, to assist our employees in avoiding the taxes imposed by Section 409A, we have structured our equity awards in a manner intended to either avoid the application of Section 409A or, to the extent doing so is not possible, comply with the applicable Section 409A requirements.

Accounting Considerations

We are required to estimate and record an expense for each equity award over its vesting period. The ECC reviews the effect of the compensation expense under FASB ASC Topic 718 for equity compensation to the named executive officers.

Insider Trading/Anti-Hedging Policies

All employees, officers and directors of, and consultants and contractors to, us or any of our subsidiaries are subject to our Insider Trading Prohibition Policy and Guidelines. The policy prohibits the unauthorized disclosure of any nonpublic information acquired in the work-place and the misuse of material nonpublic information in securities trading. The policy also includes specific anti-hedging provisions.

To ensure compliance with the policy and applicable federal and state securities laws, all individuals subject to the policy must refrain from the purchase or sale of our securities except in designated trading windows. Even during a trading window period, certain identified insiders, which include the named executive officers and directors, must comply with our designated pre-clearance policy prior to trading in our securities. The anti-hedging provisions prohibit all employees, officers and directors from engaging in “short sales” of our securities or in trading market exchanged “derivative securities” tied to our securities.

In April 2008, our board of directors amended our insider trading policy to permit Rule 10b5-1 trading plans. None of our named executive officers had a Rule 10b5-1 plan in effect at June 30, 2016.

Changes in the ECC in Fiscal 2017

During fiscal 2016, the ECC consisted of the following members: Dr. Gromer (Chairman), Dr. Kassakian, Mr. Krueger and Dr. Thakur. On May 1, 2016, the ECC was reconstituted to consist of the following members: Mr. Khaykin (Chairman), Mr. Feld, Dr. Gromer and Dr. Kassakian.

Changes in Executive Management in Fiscal 2017

In April 2016, the employment of Dr. Sehat Sutardja as Chief Executive Officer and Weili Dai as President was terminated by the Company's board of directors. The board of directors then formed an Interim Office of the Chief Executive and appointed Maya Strelar-Migotti, Executive Vice President of the Smart Networked Devices and Solutions Business Group, and Dr. Pantelis Alexopoulos, Executive Vice President of the Storage Business Group, as Interim Co-Chief Executive Officers, each having the authority to exercise all powers of the Chief Executive Officer. In June 2016, the board of directors appointed Matthew J. Murphy as our new President and Chief Executive Officer, effective September 12, 2016. Mr. Murphy was also appointed to serve on the board of directors effective as of the date he commenced employment with the Company. The board also appointed Richard S. Hill, our Chairman of the Board, to serve as Interim Principal Executive Officer until such time as the Company filed its Quarterly Report on Form 10-Q for the second quarter of fiscal 2017 ending July 30, 2016. Upon the appointment of Mr. Hill, Ms. Strelar-Migotti and Dr. Pantelis Alexopoulos resumed their roles as Executive Vice Presidents of the Company. Mr. Murphy assumed the role of principal executive officer immediately following the filing of the Company's Quarterly Report on Form 10-Q for the second quarter of fiscal 2017 ending July 30, 2016 which was filed with the SEC on September 8, 2016.

In May 2016, the board of directors appointed Mitchell Gaynor, Executive Vice President, Chief Legal Officer and Secretary as an executive officer of the Company. In June 2016, the board of directors appointed the following additional individuals as executive officers of the Company: Christopher Koopmans, Executive Vice President, Marketing and Sales; and Andrew Micallef, Chief Operations Officer.

In August 2016, the board of directors appointed Jean Hu as the Company's Chief Financial Officer and an executive officer of the Company. Ms. Hu serves as the Company's principal financial officer.

On September 9, 2016, Dr. Zining Wu left his position as the Company's Chief Technology Officer.

Key Fiscal 2017 Compensation Program Decisions

For fiscal 2017, the ECC determined to retain many elements of the fiscal 2016 named executive officer compensation program that already promotes strong pay for performance alignment, such as the overall compensation philosophy, the use of Company financial targets in setting performance goals, and a strong weighting on equity awards with performance-based vesting. However, the ECC decided to make some program changes for fiscal 2017 to continue its efforts to improve the named executive officer compensation program.

Ongoing compensation packages for executives, including annual salaries and annual incentive plan target percentages, were made in consideration of FY2017 peer group data and an overall median compensation philosophy, the experience of the individuals being hired/promoted or incumbent in the roles, Marvell's performance, the revised executive team structure and internal equity of compensation levels between roles within that structure. In addition, hire-on awards also took into account equity and other compensation forfeited to join Marvell.

Specifically, the ECC made the following decisions with respect to the executive compensation program for fiscal 2017:

Fiscal 2017 Peer Group Revisions

For fiscal 2017, the ECC undertook a detailed peer group review incorporating the following considerations:

- The impact of M&A activity on prior peer companies and availability of peer data;
- Marvell's current revenue size and industry classification;
- Continued feedback from shareholders and advisory groups regarding appropriateness of peer companies; and
- Input from new directors, including the chairman of the ECC and chairman of the board, regarding potential peers.

[Table of Contents](#)

As a result of that review the ECC approved a new peer group, as set forth in the following table, of 16 semiconductor and related equipment companies with median peer company revenue size closely aligned with Marvell. The approved peer group includes 14 companies from the PHLX Semiconductor Sector Index and overlaps with both the Marvell FY2016 peer group and comparator companies used by shareholder advisory groups.

Fiscal 2017 Salaries and Target Bonus as Percentage of Salary

The ECC approved the following annual base salaries and target bonuses as a percentage of salary for the Company's President and Chief Executive Officer and its Chief Financial Officer, as follows: Mr. Murphy, \$750,000 annual base salary and target bonus as a percentage of his salary of 150%; Ms. Hu, \$450,000 annual base salary and target bonus as a percentage of her salary of 100%. In addition, the ECC increased the target bonus as a percentage of salary for each of Ms. Strelar-Migotti and Dr. Alexopoulos to 75%.

Fiscal 2017 Long-Term Incentive Awards

In connection with the commencement of Mr. Murphy's employment, the ECC approved long-term incentive awards as follows:

- (1) 140,105 RSUs equal to \$1.6 million divided by \$11.62 that will vest over three (3) years.
- (2) 105,079 RSUs (at the target achievement level) equal to \$1.2 million divided by \$11.62 that will vest based on the Company's relative total shareholder return measured against total shareholder return of comparable companies of the Philadelphia Semiconductor Sector Index over the performance period measured from August 10, 2016 through the end of fiscal year 2019. The number of shares that could vest under this award can range from zero to 150% of the target number.
- (3) 105,079 RSUs equal to \$1.2 million divided by \$11.62 that will vest based on the achievement of operating performance metrics for fiscal years 2017 and 2018. The performance period, metrics and relative weightings (as well as the maximum number of shares that could vest if performance exceeds the target achievement level) will be established by the ECC and will be measured as of the end of fiscal year 2018. Any shares deemed to have been earned upon the successful achievement of such metrics will vest 100% on the third anniversary of the vesting start date.

In connection with the commencement of Ms. Hu's employment, the ECC approved long-term incentive awards as follows:

- (1) 52,631 RSUs equal to \$660,000 divided by \$12.54, the closing price of the Company's common stock on September 12, 2016 (the date of grant), that will vest over three (3) years.
- (2) 39,473 RSUs (at the target achievement level) equal to \$495,000 divided by \$12.54, the closing price of the Company's common stock on September 12, 2016 (the date of grant), that will vest based on the Company's relative total shareholder return measured against total shareholder return of comparable companies of the Philadelphia Semiconductor Sector Index over the performance period measured from August 10, 2016 through the end of fiscal year 2019. The number of shares that could vest under this award can range from zero to 150% of the target number.
- (3) 39,473 RSUs equal to \$495,000 divided by \$12.54, the closing price of the Company's common stock on September 12, 2016 (the date of grant), that will vest based on the achievement of operating performance metrics for fiscal years 2017 and 2018. The performance period, metrics and relative weightings (as well as the maximum number of shares that could vest if performance exceeds the target achievement level) will be established by the ECC and will be measured as of the end of fiscal year 2018. Any shares deemed to have been earned upon the successful achievement of such metrics will vest 100% on the third anniversary of the vesting start date.

Murphy Buy-Out Cash Bonus and Sign-on Equity Awards

In connection with Mr. Murphy's departure from his prior employer to join the Company, he forfeited existing equity awards, including RSUs and "in the money" options and may not receive his cash incentive bonus earned for 2016. In consideration therefor, the ECC recommended and the Board approved a one-time cash bonus and one-time buy-out equity awards, as follows:

- (1) *Cash Bonus* — a one-time, buy-out sign-on bonus in an amount equal to \$2.1 million minus the amount of any bonus paid to him by his prior employer for its fiscal year 2016. In the event that within twelve months of the start date of his employment he is terminated for "Cause" or if he resigns his employment other than for "Good Reason" (both as defined below), Mr. Murphy will be obligated to repay a pro rata portion of the sign-on bonus.
- (2) *Hire-On RSU Award* — a restricted stock unit award for 435,000 common shares of Marvell which shall vest over three years at the rate of 174,000 shares on the first anniversary of his start date, and the balance shall vest in eight quarterly installments of 32,625 shares. If his employment is terminated without Cause or if he resigns for Good Reason (both as defined below), the unvested portion of the award will vest in full on the date his employment with the Company terminates, provided that he executes and does not revoke a separation agreement and complete release of claims in a form provided by the Company.
- (3) *Hire-On Performance-Based RSU Award* — a performance-based restricted stock unit award for up to 210,000 common shares of Marvell (at the target achievement level) which shall vest based on achievement of performance objectives relating to the relative total shareholder return of Marvell's stock as compared to the total shareholder return of comparable companies of the Philadelphia Semiconductor Sector Index over the performance period measured from his start date through the third anniversary of his start date. The number of shares that could vest under this award can range from zero to 150% of the 210,000 target number. If the Company terminates his employment without Cause or he resigns for Good Reason (both as defined below), (i) the performance measurement period will be deemed to end on the date five (5) business days before the employment termination date, (ii) the achievement of the performance metrics will be calculated by the ECC with respect to such shortened measurement period, and (iii) the number of shares that would vest based on such calculations will vest effective upon his termination date, provided that he executes and does not revoke a separation agreement and complete release of claims in a form provided by the Company. Any remaining unvested portion of the award will be forfeited and terminate.

For purposes of the above, “Cause” is defined as: (A) an act of material dishonesty in connection with Mr. Murphy’s job responsibilities; (B) conviction of, or plea of nolo contendere to, a felony or any crime involving fraud, embezzlement or moral turpitude; (C) gross misconduct; (D) willful unauthorized use or disclosure of any proprietary information or trade secrets of the Company or Marvell Technology Group Ltd. (“Marvell”); (E) willful breach of any obligations under any written agreement with the Company or Marvell that is not cured within 10 days after your receipt of written notice from the Company specifying the breach; (F) willful refusal to cooperate in good faith with a governmental or internal investigation of the Company, Marvell or their directors, officers or employees, if the Company or Marvell has requested his cooperation; or (G) willful failure to substantially perform his duties with Company or Marvell (other than as a result of incapacity due to physical or mental illness); provided that the action or conduct described in this clause (G) will constitute “Cause” only if such failure continues after the Company’s Board of Directors or Chairman of the Board has provided him with a written demand for substantial performance setting forth in detail the specific respects in which the Company believes he has willfully failed to substantially perform his duties thereof and he has been provided a reasonable opportunity (to be not less than 20 days) to cure the same. “Good Reason” is defined as the occurrence of any of the following conditions without Mr. Murphy’s consent: (X) a change in his position within the Company (or a parent or subsidiary employing him) that materially reduces his level of duties, authority or responsibilities; provided, however, that if there is a change in his role after which he does not have the role as chief executive officer with respect to a parent entity whose stock is publicly-traded, then such a change shall affirmatively constitute Good Reason; (Y) a reduction of 10% or greater in his level of annual base salary or incentive compensation eligibility; or (Z) the Company requires (i) Mr. Murphy to relocate the principal place of performance of his duties to a location more than 30 miles from the his principal place of performance and (ii) the relocation results in a greater commute him.

Murphy Severance Agreement

Concurrently with the commencement of his employment, Mr. Murphy and the Company entered into a severance agreement pursuant to which, if Mr. Murphy’s employment is terminated by the Company for other than “Cause” or if he resigns for “Good Reason” (both as defined therein), he will be paid a lump sum separation payment equal to the sum of his then annual base salary plus target incentive bonus plus reimbursement for 12 months of medical insurance premiums, provided he executes and does not revoke a release of claims in a form provided by the Company. If the provisions of Marvell’s Change in Control Severance Plan (described below) are triggered in connection with termination of his employment and he receives the severance benefits provided therein, he will not be eligible for the severance payments under the severance agreement.

The ECC provided these severance benefits to Mr. Murphy given recent board and management changes at the Company. The amounts of these benefits were intended to be reasonable relative to market practice and market trends.

Adoption of Change in Control Severance Plan

In June 2016, the ECC recommended, and the Company’s board of directors adopted, a Change in Control Severance Plan (the “CIC Plan”), the purpose of which is to provide assurances of specified benefits to certain employees of the Company whose employment is subject to being involuntarily terminated other than for death, Disability, or Cause or voluntarily terminated for Good Reason under the circumstances described in the CIC Plan. All capitalized terms are as defined in the CIC Plan. A copy of the CIC Plan is filed as Exhibit 10.2 to our Current Report on Form 8-K as filed with the SEC on June 20, 2016.

The ECC designed the CIC Plan to protect key senior employees involved in a transaction in order to facilitate a clear focus on what is best for shareholders by making the executives neutral to a potential transaction. The protections offered by tier were developed in consideration of market practice and trends, and Marvell executives were slotted into tiers based on the ongoing executive team structure/roles.

[Table of Contents](#)

An individual is only eligible to participate in the CIC Plan if he or she is designated a participant by the ECC or board. A designated participant is eligible for Severance Benefits under the CIC Plan if he or she experiences an Involuntary Termination during the period beginning upon a Change in Control and ending on the date that is 18 months following the Change in Control. The amount and type of Severance Benefits differ based on the participation level as determined by the ECC for the designated individuals as follows:

- Tier 1: Lump sum payment equal to 24 months of annual base salary, 200% of annual target bonus for the fiscal year in which Involuntary Termination occurs, and annual target bonus for fiscal year in which Involuntary Termination occurs pro-rated for the number of full months employed during the fiscal year; acceleration of 100% of outstanding and unvested equity awards (with performance-based equity awards subject to adjustment as set forth in the CIC Plan); reimbursement of 24 months of continued health coverage.
- Tier 2: Lump sum payment equal to 18 months of annual base salary, 150% of annual target bonus for the fiscal year in which Involuntary Termination occurs, and annual target bonus for fiscal year in which Involuntary Termination occurs pro-rated for the number of full months employed during the fiscal year; acceleration of 100% of outstanding and unvested equity awards (with performance-based equity awards subject to adjustment as set forth in the CIC Plan); reimbursement of 18 months of continued health coverage.
- Tier 3: Lump sum payment equal to 12 months of annual base salary, 100% of annual target bonus for the fiscal year in which Involuntary Termination occurs, and annual target bonus for fiscal year in which Involuntary Termination occurs pro-rated for the number of full months employed during the fiscal year; acceleration of 100% of outstanding and unvested equity awards (with performance-based equity awards subject to adjustment as set forth in the CIC Plan); reimbursement of 12 months of continued health coverage.
- Tier 4: Lump sum payment equal to 6 months of annual base salary, 50% of annual target bonus for the fiscal year in which Involuntary Termination occurs, and annual target bonus for fiscal year in which Involuntary Termination occurs pro-rated for the number of full months employed during the fiscal year; acceleration of 100% of outstanding and unvested equity awards (with performance-based equity awards subject to adjustment as set forth in the CIC Plan); reimbursement of 6 months of continued health coverage.

The payment of Severance Benefits is subject to the limitations set forth in the CIC Plan regarding compliance with Sections 280G and 409A of the Internal Revenue Code, as amended. In order to receive the Severance Benefits set forth above, an individual must sign and not revoke a separation and release of claims in a form satisfactory to the Company.

The ECC has designated the following executive officers as participants in the CIC Plan at the levels set forth following their names: Matthew J. Murphy, President and CEO (Tier 1); Jean Hu, Chief Financial Officer (Tier 2); Mitchell Gaynor, Executive Vice President, Chief Legal Officer and Secretary (Tier 2); Andrew Micallef, Chief Operations Officer (Tier 2); Christopher Koopmans, Executive Vice President, Marketing and Sales (Tier 3); Maya Strelar-Migotti, Executive Vice President of the Smart Networked Devices and Solutions (Tier 3); and Dr. Pantelis Alexopoulos, Executive Vice President of the Storage Business Group (Tier 3).

- (1) The dollar value of RSUs and performance awards shown represents the grant date fair value calculated on the basis of the fair market value of the underlying common shares on the grant date in accordance with FASB ASC Topic 718 and without any adjustment for estimated forfeitures. The actual value that an executive will realize on each RSU award and performance award will depend on the price per share of our common shares at the time shares underlying the RSUs and performance awards are sold. There can be no assurance that the actual value realized by an executive will be at or near the grant date fair value of the RSUs or performance awards awarded.
- (2) The dollar value of the options shown represents the estimated grant date fair value determined in accordance with FASB ASC Topic 718 pursuant to the Black-Scholes option pricing model, with no adjustment for estimated forfeitures. For a discussion of valuation assumptions used in the calculations, see Note 12 of Notes to Consolidated Financial Statements in Part I, Item 8 of our Annual Report Form 10-K for the fiscal year ended January 30, 2016 as filed with the SEC on July 21, 2016. The actual value, if any, which an executive may realize on each option will depend on the excess of the stock price over the exercise price on the date the option is exercised and the shares underlying such option are sold. There is no assurance that the actual value realized by an executive will be at or near the value estimated by the Black-Scholes model.
- (3) Companies make different assumptions regarding the volatility input when determining the estimated grant date fair value of stock option awards in accordance with FASB ASC Topic 718. We use a blended volatility that is an equally weighted combination of historical stock price volatility and implied volatility in our financial statements. The implied volatility is derived from traded options on our stock in the marketplace and the historical volatility is based on the actual historical changes in our stock price over an extended period of time prior to the grant. Because many companies use only an implied volatility, which is based on the level of volatility assumed in the market prices of freely traded options as of the date of grant, we believe it is useful to provide investors with what the value of stock option awards would be had we used only implied volatility as an input for comparative purposes. The following table presents the grant date fair value of our stock option awards in fiscal 2016 assuming an implied volatility of 33% (compared to a blended implied and historical volatility of 34%), the grant date fair value of our stock option awards in fiscal 2015 assuming an implied volatility of 31% (compared to a blended implied and historical volatility of 34%) and the grant date fair value of our stock option awards in fiscal 2014 assuming an implied volatility of 41% (compared to a blended implied and historical volatility of 45%).

- (9) Represents payment in connection with a bonus program developed in the second quarter of fiscal year 2015 for certain of the Company’s vice presidents who had received no bonus for service in fiscal year 2014. When the Company completed its fiscal year 2014 employee performance and compensation review in March and April 2014, the Company determined to allocate no funds for distribution to the Company’s vice presidents for service in fiscal year 2014 in order to maximize funds available for distribution to employees below the vice president level, and all such funds were distributed in April 2014. Subsequently, based on the Company’s review of its financial results for the first quarter of fiscal year 2015, including cost savings achieved in that quarter, in May 2014 the Company created a budget for bonuses for employees at the vice president level who had been excluded from the fiscal year 2014 bonus program. The Company allocated bonuses to nonexecutive vice presidents in June 2014. In connection with this process, the Company recognized that Mr. Rashkin and Dr. Wu would have been eligible for a bonus pursuant to this program but for the fact that they had been appointed as executive officers very late in fiscal year 2014 (December 2013 and January 2014, respectively). Subsequently, the Executive Compensation Committee approved payments to Dr. Wu and Mr. Rashkin consistent with the bonuses allocated to nonexecutive vice presidents under this program.
- (10) This amount represents the Company’s matching contributions to Mr. Rashkin’s 401(k) retirement account of \$2,000.

- (1) The amounts represent the threshold, target and maximum dollar payouts under our Executive Incentive Performance Plan for fiscal 2016. There is no payout below threshold performance. Payments under this plan are intended to qualify as performance-based compensation under Section 162(m). Further information regarding this plan is included in the section entitled “Elements of Executive Compensation-Fiscal 2016 Annual Incentive Plan Cash” in the Compensation Discussion and Analysis above.
- (2) Amounts shown represent options issued under the 1995 Stock Plan that will, in general, vest and become exercisable in two equal annual installments upon the named executive officer’s completion of each year of service on the third and fourth anniversary, measured from April 1, 2015. The options have a term of 10 years from the date of grant.
- (3) The dollar value of stock awards shown represents the grant date fair value calculated on the basis of the fair market value of the underlying common shares on the grant date in accordance with FASB ASC Topic 718 and without any adjustment for estimated forfeitures. The actual value that an executive will realize on each stock award will depend on the price per share of our common shares at the time shares underlying the stock awards are sold. There can be no assurance that the actual value realized by an executive will be at or near the grant date fair value of the stock awarded.
- (4) The dollar value of the options shown represents the estimated grant date fair value determined in accordance with FASB ASC Topic 718 pursuant to the Black-Scholes option pricing model, with no adjustment for estimated forfeitures. For a discussion of valuation assumptions used in the calculations, see Note 12 of Notes to Consolidated Financial Statements in Part I, Item 8 of our Annual Report Form 10-K for the fiscal year ended January 30, 2016, as filed with the SEC on July 21, 2016. Companies make different assumptions regarding the volatility input when determining the estimated grant date fair value in accordance with FASB ASC Topic 718 pursuant to the Black-Scholes option pricing model. For additional details on the difference between the aggregate value of fiscal 2016 stock option awards using a blended volatility and implied volatility, see note (3) to the Summary Compensation Table for Fiscal 2016, 2015 and 2014. The actual value, if any, which an executive may realize on each option will depend on the excess of the stock price over the exercise price on the date the option is exercised and the shares underlying such option are sold. There is no assurance that the actual value realized by an executive will be at or near the value estimated by the Black-Scholes model.

(1) Fully vested.

(2) Performance-based stock options with a market-based condition were granted that have a ten-year term and vest contingent on the achievement of a stringent average stock price hurdle before April 29, 2016.  - (4) The option vests as to 1/3 of the shares on the two year anniversary of the vesting commencement date, which was April 1, 2013, and 1/3rd yearly thereafter. The option will be fully vested on April 1, 2017.

In accordance with SEC disclosure requirements, the maximum number of shares issuable under the performance-based RSUs is shown, assuming achievement at the maximum level of 200% because following 2015 fiscal year end, it was determined that achievement was in excess of the target level of 100% for fiscal 2015.
 - (9) Represents performance award shares awarded on April 29, 2014 that are earned upon the NEO’s achievement of individual strategic performance objectives for fiscal 2015 and 2016. None of our named executive officers received any pension benefits during fiscal 2016.

Nonqualified Deferred Compensation

None of our named executive officers contributed to or received earnings from a nonqualified deferred compensation plan during fiscal 2016.

Employment Contracts and Change-in-Control Arrangements

On October 15, 2015, the Company retained David P. Eichler of Randstad Professionals U.S., LP, d/b/a Tatum (“Tatum”) to serve as our Interim Chief Financial Officer (“Interim CFO”), effective October 16, 2015. In such capacity Mr. Eichler also acted as our principal accounting officer. In connection with retaining Mr. Eichler as our Interim CFO, we entered into an Interim Services Agreement with Tatum, effective October 15, 2015. For the provision of Mr. Eichler’s services, we paid Tatum \$15,000 per week for up to 60 hours of professional services. In addition, for work by Mr. Eichler in excess of 60 hours, we paid Tatum at a rate of \$325 per hour and, for work performed by other Tatum professionals, we pay Tatum at a rate of \$250 per hour. Mr. Eichler was not eligible for any other compensation or benefits from the Company. The Interim Services Agreement requires that the Company indemnify Mr. Eichler and Tatum in connection with services thereunder. The Interim Services Agreement has a minimum term of three months, and thereafter may be terminated by either party for any reason upon 15 days’ advance written notice. Mr. Eichler left his position as Interim Chief Financial Officer upon the appointment of Jean Hu as the Company’s Chief Financial Officer in August 2016. A copy of the Interim Services Agreement is attached as Exhibit 10.1 to our Quarterly Report on Form 10-Q for the quarter ending October 31, 2015.

During fiscal 2016, we did not have any employment agreements with any of our named executive officers, other than the Interim Services Agreement with Tatum, and we did not have any compensatory plan or arrangement that would result in any payments to any named executive officers upon such officer’s resignation, retirement or other termination or from a change-in-control. Any of our named executive officers may resign at any time and the employment of any named executive officer may be terminated at any time by our board of directors.

During fiscal 2016, we did not have any employment agreements with any of our named executive officers, other than the Interim Services Agreement with Tatum, and we did not have any compensatory plan or arrangement that would result in any payments to any named executive officers upon such officer’s resignation, retirement or other termination or from a change-in-control. However, in fiscal 2017, we entered into agreements with our President and Chief Executive Officer. We also adopted a Change in Control Severance Plan as described in the “Compensation Discussion and Analysis” section of this proxy statement.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

During fiscal 2016, the nominating and governance committee was responsible for review, approval or ratification of “related-person transactions” between us or our subsidiaries and related persons. Beginning in September 2016, the audit committee assumed responsibility for such review and approval. Under SEC rules and our written policy, a “related person” is a director, officer, nominee for director, or 5% shareholder since the beginning of the last fiscal year and their immediate family members. We have adopted written policies and procedures that apply to any transaction or series of related transactions in which Marvell or a subsidiary is a participant, the amount involved exceeds \$120,000 in any calendar year and a related person has a direct or indirect material interest. Pursuant to our policy, the following transactions will not be deemed to be related person transactions requiring approval by the audit committee:

- *Employment of executive officers.* Any employment by us of an executive officer if: (a) the related compensation is required to be reported in our proxy statement under SEC compensation disclosure rules; or (b) the executive officer is not an immediate family member of another executive officer or director of our company, and the related compensation would have been reported in our proxy statement under SEC compensation disclosure rules if the executive officer was a “named executive officer,” and the ECC approved (or recommended that our board of directors approve) such compensation.
- *Director compensation.* Any compensation paid to a director if the compensation is required to be reported in our proxy statement under SEC compensation disclosure rules.
- *Certain transactions with other companies.* Any transaction with another company at which a related person’s only relationship is as an employee (other than an executive officer), director or beneficial owner of less than 10% of that company’s shares, if the aggregate amount involved does not exceed the greater of \$1,000,000, or two percent of that company’s total annual revenues.
- *Transactions where all shareholders receive proportional benefits.* Any transaction where the related person’s interest arises solely from the ownership of a class of our equity securities and all holders of that class of our equity securities received the same benefit on a pro rata basis (e.g., dividends).
- *Transactions involving competitive bids.* Any transaction involving a related person where the rates or charges involved are determined by competitive bids.
- *Regulated transactions.* Any transaction with a related person involving the rendering of services as a common or contract carrier, or public utility, at rates or charges fixed in conformity with law or governmental authority.
- *Certain banking-related services.* Any transaction with a related person involving services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services.
- *Other Transactions.* Any other transaction where disclosure of such transaction would not be required pursuant to Item 404 of Regulation S-K, as may be amended from time to time.

Marvell International Ltd., a direct subsidiary (“MIL”) is party to a technology license agreement with VeriSilicon Holdings Co., Ltd. (“VeriSilicon”), which has been amended various times since its assumption by MIL to include additional technology beyond the scope of the original agreement and is renewable annually. MIL assumed this technology license agreement between VeriSilicon and UTStarcom, Inc. after our acquisition of the semiconductor business of UTStarcom in December 2005. In addition, in September 2010, MIL entered into a services agreement with VeriSilicon, pursuant to which VeriSilicon provides design support services to MIL on various projects. In connection with all of its transactions with VeriSilicon, MIL paid \$3.7 million to VeriSilicon during fiscal 2015. As of May 2, 2015, MIL had approximately \$0.5 million of accrued liability to VeriSilicon. Ms. Dai’s brother (and Dr. Sutardja’s brother-in-law) is the Chairman, President and Chief Executive Officer of VeriSilicon. Ms. Dai is also a shareholder of VeriSilicon. Ms. Dai is our former President and Dr. Sutardja is our former Chief Executive Officer. Dr. Sutardja and Ms. Dai are husband and wife.

In December 2009, MIL entered into a technology license agreement with Vivante Corporation (“Vivante”) that provides for the license of graphics technology and associated services. This agreement restates, expands and succeeds previous agreements between the parties for the same technology. In December 2012, the parties renewed this technology license agreement for another three years. The total amount of the license fee was approximately \$13.0 million (to be paid over three years) and ten percent for support fees (to be paid over three years). In February 2012, the parties entered into a services agreement, pursuant to which Vivante agreed to provide support services to MIL. In connection with all of its transactions with Vivante, MIL paid \$9.1 million to Vivante during fiscal 2015. As of May 2, 2015, MIL had approximately \$3.2 million of accrued liability to Vivante (which includes amounts payable on renewal of the technology license agreement). Dr. Sutardja and Ms. Dai, through their ownership and control of Estopia LLC, are indirect shareholders of Vivante. In addition, Dr. Sutardja is also a direct shareholder and chairman of the board of directors of Vivante. Ms. Dai’s brother (and Dr. Sutardja’s brother-in-law) is the Chief Executive Officer of Vivante.

Indemnification Arrangements

We have agreed to indemnify certain current and former directors, officers and employees of us and our subsidiary Marvell Semiconductor, Inc. for reasonable costs and expenses incurred by such individuals in connection with certain civil actions and governmental investigations relating to our past stock option granting practices. Our agreement to pay reasonable fees and costs is subject to each individual’s agreement to reimburse us in the event that it is subsequently determined that the individual is not entitled to indemnification under the Bye-laws or applicable law. In addition, we have agreed to indemnify Dr. Sutardja for reasonable fees and expenses that he may incur in a legal challenge of the determination that penalty taxes applied, based on the board’s finding that Dr. Sutardja was not involved in setting the terms of the relevant options and that we had in 2007 taken responsibility for and paid the penalty taxes under the Tax Codes that were incurred by other similarly situated Marvell employees who had exercised options in 2006. See “Executive Compensation — Key Fiscal 2016 Compensation Program Decisions — Other Compensation Arrangements.”

We have also entered into a standard form of indemnification agreement with each of our named executive officers and directors.

ADDITIONAL INFORMATION

Future Shareholder Proposals and Nominations for the 2017 Annual General Meeting

We expect to hold our 2017 annual general meeting on or about June 13, 2017. Under Rule 14a-8 of the Exchange Act, for a shareholder proposal to be considered for inclusion in the proxy statement for the 2017 annual general meeting of shareholders, we must have received the written proposal by such shareholder at the mailing address of our business offices set forth below, no later than January 4, 2017. Such proposals must comply with the other provisions of Rule 14a-8 and additional applicable SEC rules regarding the inclusion of shareholder proposals in company-sponsored proxy materials.

If you desire to bring a matter before an annual general meeting and the proposal is submitted outside the process of Rule 14a-8, you may use the procedures set forth in the Bye-laws to make a shareholder proposal, including director nominations, not intended to be included in our proxy statement under Rule 14a-8 so long as such proposal complies with the Bye-laws. In accordance with Sections 12(3)(b), 12(3)(c), 12(4) and 34 of the Bye-laws, shareholder nominations and proposals may be voted on at an annual general meeting of shareholders only if such nominations and proposals are made pursuant to written notice timely given to our Secretary and accompanied by certain information. To be timely, a shareholder's written notice must be received by us not less than 60 nor more than 180 days prior to the date set for the annual general meeting of shareholders, which is June 13, 2017. To comply with the Bye-laws, a shareholder must provide appropriate notice to us no earlier than December 13, 2016 and no later than April 14, 2017. The notice must contain the name and business background of any person being nominated by such shareholder as a director and all material information on any proposal, statement or resolution to be put to the meeting and details of the shareholder submitting the proposal, statement or resolution, as well as other information that may be specified by our board of directors and the Bye-laws as then in effect. Our board of directors will review proposals from eligible shareholders which it receives by that date and will determine whether any such proposal has been received in accordance with the Bye-laws and whether any such proposal will be acted upon at the annual general meeting of shareholders.

If Proposal No. 5 is approved by the shareholders at the 2016 annual general meeting, the timing for submission of a shareholder proposal to be considered for inclusion in the proxy statement pursuant to our Bye-laws would change, though the deadline for submission of shareholder proposals pursuant to Rule 14a-8 described above would not change. If Proposal 5 is approved by the shareholders, we will provide notice thereof on a Current Report on Form 8-K filed no later than four business days after the conclusion of the meeting and provide the deadlines for your submissions.

All shareholder proposals or nominations pursuant to this section may be sent to our Assistant Secretary at Canon's Court, 22 Victoria Street, Hamilton HM 12, Bermuda.

In addition, Section 79 of the Companies Act provides that (i) any number of shareholders representing not less than 5% of the total voting power of the shares eligible to vote at a general meeting of shareholders, or (ii) not less than 100 shareholders may propose any resolution which may properly be moved at the next annual general meeting of shareholders. Upon timely receipt of notice, we shall, at the expense of such shareholder(s), give our other shareholders entitled to receive notice of the next annual general meeting of shareholders notice of such proposed resolution. To be timely, the proposal requiring notice of a resolution must be deposited at our registered office at least six weeks before the next annual general meeting of shareholders. Shareholders satisfying the criteria of Section 79 may also require us to circulate a statement in respect of any matter to come before an annual general meeting of shareholders by notice deposited at our registered office in the manner provided by the Companies Act.

Householding — Shareholders Sharing the Same Last Name and Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called "householding." Under this procedure, multiple shareholders who reside at the same

[Table of Contents](#)

address may receive a single copy of our annual report and proxy materials, including the Notice, unless the affected shareholder has provided contrary instructions. This procedure reduces printing costs and postage fees, and helps protect the environment as well.

We expect that a number of brokers with account holders who are our shareholders will be “householding” our annual report and proxy materials, including the Notice. A single Notice and, if applicable, a single set of annual report and other proxy materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Shareholders may revoke their consent at any time by contacting Broadridge Financial Solutions, either by calling toll-free (800) 542-1061, or by writing to Broadridge Financial Solutions, Householding Department, 51 Mercedes Way, Edgewood, New York, 11717.

Upon written or oral request, we will promptly deliver a separate copy of the Notice and, if applicable, annual report and other proxy materials to any shareholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice and, if applicable, annual report and other proxy materials, you may write or call our Investor Relations department at 5488 Marvell Lane, Santa Clara, CA 95054, telephone number (408) 222-0777.

Any shareholders who share the same address and currently receive multiple copies of our Notice or annual report and other proxy materials who wish to receive only one copy in the future can contact their bank, broker or other holder of record to request information about householding.

Adjournment of the 2016 Annual General Meeting of Shareholders

In the event there are not sufficient votes to approve any proposal incorporated in this proxy statement at the time of the annual general meeting, the annual general meeting may be adjourned in order to permit further solicitation of proxies from holders of our common stock. Proxies solicited by our board grant discretionary authority to vote for any adjournment, if necessary. If it is necessary to adjourn the annual general meeting and adjournment is for a period of not less than 45 days, no notice of the time and place of the adjourned meeting is required to be given to our shareholders other than an announcement of the time and place at the annual general meeting. A majority of the shares represented and voting at the annual general meeting is required to approve the adjournment, regardless of whether there is a quorum present at that meeting.

OTHER MATTERS

At the time of preparation of this proxy statement, we are not aware of any other matters to be brought before the annual general meeting. No eligible shareholder had submitted notice of any proposal before the printing and mailing of this proxy statement. However, if any other matters are properly presented for action, in the absence of instructions to the contrary, it is the intention of the persons named in the enclosed form of proxy to vote, or refrain from voting, in accordance with their respective best judgment on such matters.

38. ~~37.~~ Short notice

A general meeting of the Company shall, notwithstanding that it is called by shorter notice than that specified in these Bye- laws, be deemed to have been properly called if it is so agreed by (i) all the Members entitled to attend and vote thereat in the case of an annual general meeting; and (ii) by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together holding not less than 95% in nominal value of the shares giving a right to attend and vote thereat in the case of a special general meeting.

39. ~~38.~~ Postponement of meetings

The Secretary may postpone any general meeting called in accordance with the provisions of these Bye- laws (other than a meeting requisitioned under these Bye- laws) provided that notice of postponement is given to each Member before the time for such meeting. Fresh notice of the date, time and place for the postponed meeting shall be given to each Member in accordance with the provisions of these Bye- laws.

- (1) ~~(1)~~ The chairman of a general meeting may, with the consent of the Members at any general meeting at which a quorum is present (and shall if so directed), adjourn the meeting. In addition the chairman may adjourn the meeting to another time and place without such consent or direction if it appears to him or her that:

 - (b) ~~(b)~~ the unruly conduct of persons attending the meeting prevents, or is likely to prevent, the orderly continuation of the business of the meeting; or
 - (c) ~~(c)~~ an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.

The Members present at any such satellite meeting place in person or by proxy and entitled to vote shall be counted in the quorum for, and shall be entitled to vote at, the general meeting in question if the chairman of the general meeting is satisfied that adequate facilities are available throughout the general meeting to ensure that Members attending at all the meeting places are able to:

 - (b) ~~(b)~~ have access to all documents which are required by the Act and these Bye-Laws to be made available at the meeting.

The chairman of the general meeting shall be present at, and the meeting shall be deemed to take place at, the principal meeting place.

If it appears to the chairman of the general meeting that the facilities at the principal meeting place or any satellite meeting place are or become inadequate for the purposes referred to above, then the chairman may, without the consent of the meeting, interrupt or adjourn the general meeting. All business conducted at that general meeting up to the time of such adjournment shall be valid.

- (2) ~~(2)~~ The Board and the chairman of any general meeting may make any arrangement and impose any requirement or restriction it, he or she considers appropriate to ensure the security of a general meeting including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place. A “broker non-vote” (or similar expression for shares deemed present at a meeting that are ineligible to vote on a matter) shall not in any event be deemed to be a vote cast for these purposes.

- (4) In all Director elections other than uncontested elections, the nominees for election as a Director shall be elected by a plurality of the votes cast in accordance with the provisions of these Bye-laws. For purposes of this Bye-law, “elected by a plurality” means the election of those Director nominees, equal in number to the number of positions to be filled at the applicable general meeting, that received the highest number of votes in the election. 48. ~~47.~~ Demand for a poll

- (1) ~~(1)~~ Notwithstanding the provisions of the immediately preceding two Bye-laws, at any general meeting of the Company, in respect of any question proposed for the consideration of the Members (whether before or on the declaration of the result of a show of hands as provided for in these Bye-laws), a poll may be demanded by any of the following persons:

person present at such meeting shall have one vote for each share of which such person is the holder or for which such person holds a proxy and such vote shall be counted in the manner set out in sub-paragraph (4) of this Bye-Law-law or in the case of a general meeting at which one or more Members are present by telephone in such manner as the chairman of the meeting may direct and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded and shall replace any previous resolution upon the same matter which has been the subject of a show of hands.

- (3) ~~(3)~~ A poll demanded in accordance with the provisions of subparagraph (1) of this Bye-law, for the purpose of electing a chairman or on a question of adjournment, shall be taken forthwith and a poll demanded on any other question shall be taken in such manner and at such time and place as the chairman may direct and any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll.

At the conclusion of the poll, the ballot papers shall be examined and counted by a committee of not less than two Members or proxy holders appointed by the chairman for the purpose and the result of the poll shall be declared by the chairman.

49. ~~48~~. Seniority of joint holders voting

In the case of joint holders the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members.

50. ~~49~~. Proxies and Corporate Representatives

- (1) The instrument appointing a proxy shall be in writing under the hand of the appointor or the appointor's attorney authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same.
- (2) Any Member may appoint a standing proxy or (if a corporation) a standing corporate representative by delivery to the Registered Office (or such other place as the Board may from time to time specify for such purposes) of evidence of such appointment. The appointment of such a standing proxy or representative shall be valid for all general meetings and adjournments thereof or, resolutions in writing, as the case may be, until notice of revocation is received at the Registered Office. Where an appointment of a standing proxy or corporate representative has been made, its operation shall be deemed to have been suspended at any general meeting or adjournment thereof at which the Member is present or in respect of which the Member has specially appointed a proxy or corporate representative. The Board may from time to time require such evidence as it shall deem necessary as to the due execution and continuing validity of any such appointment of the standing proxy or corporate representative and the operation of any such appointment shall be deemed to be suspended until such time as the Board determines that it has received the requested evidence or other evidence satisfactory to it.

Resolution, prior to the effective date of the written Resolution, and in default the instrument of proxy shall not be treated as valid. Delivery of the proxy or instrument appointing a corporate representative may be effected by facsimile communication to any facsimile number specified in the notice convening the general meeting.

- (4) A proxy may be appointed by an instrument in any common form or in such other form as the Board may approve, and the Board may, if it thinks fit, send out with the notice of any meeting or any written Resolution forms of instruments of proxy for use at that meeting. The instrument of proxy shall be deemed to confer authority to demand or join in demanding a poll and to vote on any amendment of a written Resolution or amendment of a Resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.
- (5) A vote given by proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed; provided, however, that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Registered Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other documents sent therewith) one hour at least before the commencement of the meeting or adjourned meeting, or the taking of the poll, or the day before the effective date of any written Resolution at which the instrument of proxy is used.

53. 52. Variation of rights, alteration of share capital and purchase of shares of the Company.

- (1) ~~(1)~~ Subject to the provisions of Sections 42 and 43 of the Act any preference shares may be issued as shares that, at a determinable date or at the option of the Company, are liable to be redeemed on such terms and in such manner as the Board may determine.
- (2) ~~(2)~~ If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, whether or not the Company is being wound- up, be varied with the consent in writing of the holders of three- fourths of the issued shares of that class or with the sanction of a resolution passed by a majority of the votes cast at a separate general meeting of the holders of the shares of the class in accordance with Section 47 (7) of the Act. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.
- (3) ~~(3)~~ The Company may from time to time by resolution of the Members change the currency denomination of, increase, alter or reduce its share capital in accordance with the provisions of Sections 45 and 46 of the Act. Where, on any alteration of share capital, fractions of shares or some other difficulty would arise, the Board may deal with or resolve the same in such manner as it thinks fit including, without limiting the generality of the foregoing, the issue to Members, as appropriate, of fractions of shares and/or arranging for the sale or transfer of the fractions of shares of Members.
- (4) ~~(4)~~ Subject to the Companies Acts, the Company may purchase its own shares and the Board may authorise any exercise of the Company's power to purchase its own shares, whether in the market, by tender or by private treaty, at such prices and otherwise on such terms and conditions as the Board may from time to time determine. The whole or any part of the amount payable on any such purchase may be paid or satisfied otherwise than in cash, to the extent permitted by the Companies Acts.

54. 53. Registered holder of shares

- (1) ~~(1)~~ The Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not be bound to recognise any equitable or other claim to, or interest in, such share on the part of any other person except as otherwise required by law.
- (2) ~~(2)~~ Any dividend, interest or other moneys payable in cash in respect of shares may be paid by cheque or draft sent through the post directed to the Member at such Member's address in the Register of

Members or, in the case of joint holders, to such address of the holder first named in the Register of Members, or to such person and to such address as the holder or joint holders may in writing direct. If two or more persons are registered as joint holders of any shares any one can give an effectual receipt for any dividend paid in respect of such shares.

~~54. RESERVED~~

~~55.~~ 55. Share certificates

- (1) ~~(1)~~ Shares shall be issued in registered form. Unless otherwise provided by the rights attaching to or by the terms of issue of any particular Shares, each Member shall, upon becoming the holder of any Share, be entitled to a Share certificate for all the Shares of each class held by such Member (and, on transferring a part of such Member's holding, to a certificate for the balance), but the Board may decide not to issue certificates for any Shares held by, or by the nominee of, any securities exchange or depository or any operator of any clearance or settlement system, or otherwise, except at the request of any such person. In the case of a Share held jointly by several persons, delivery of a certificate in their joint names to one of several joint holders shall be sufficient delivery to all.
- (2) ~~(2)~~ If a Share certificate is defaced, lost or destroyed, it may be replaced without fee but on such terms (if any) as to evidence and indemnity and to payment of the costs and out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity as the Board may think fit and, in case of defacement, on delivery of the old certificate to the Company.
- (3) ~~(3)~~ The Board may by resolution determine, either generally or in any particular case, that any signatures on any ~~such~~ Share certificates need not be autographic but may be affixed to such certificates by some mechanical means or may be printed thereon or that such certificates need not be signed by any persons.
- (4) ~~(4)~~ Nothing in these Bye-Laws shall preclude title to a Share being evidenced or transferred otherwise than in writing to the extent permitted by the Act and as may be determined by the Board from time to time.

~~56.~~ 56. Calls on shares

- (1) ~~(1)~~ The Board may from time to time make such calls as it thinks fit upon the Members in respect of any monies unpaid on the shares allotted to or held by such Members and, if a call is not paid on or before the day appointed for payment thereof, the Member may at the discretion of the Board be liable to pay the Company interest on the amount of such call at such rate as the Board may determine, from the date when such call was payable up to the actual date of payment. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
- (2) ~~(2)~~ The Board may, on the issue of shares, differentiate between the holders as to the amount of calls to be paid and the times of payment of such calls.

~~57.~~ 57. Forfeiture of shares

- (1) ~~(1)~~ If any Member fails to pay, on the day appointed for payment thereof, any call in respect of any share allotted to or held by such Member, the Board may, at any time thereafter during such time as the call remains unpaid, direct the Secretary to forward to such Member a notice in the form, or as near thereto as circumstances admit, of Form "A" in the Schedule hereto.
- (2) ~~(2)~~ If the requirements of such notice are not complied with, any such share may at any time thereafter before the payment of such call and the interest due in respect thereof be forfeited by a resolution of the Board to that effect, and such share shall thereupon become the property of the Company and may be disposed of as the Board shall determine.

Table of Contents

- (3) ~~(3)~~ A Member whose share or shares have been forfeited as aforesaid shall, notwithstanding such forfeiture, be liable to pay to the Company all calls owing on such share or shares at the time of the forfeiture and all interest due thereon.
- (4) ~~(4)~~ The Board may accept the surrender of any share which it is in a position to forfeit on such terms and conditions as may be agreed. Subject to those terms and conditions, a surrendered share shall be treated as if it had been forfeited.

REGISTER OF MEMBERS

58. ~~58~~. Contents of Register of Members

- (1) ~~(1)~~ The Board shall cause to be kept in one or more books a Register of Members and shall enter therein the particulars required by the Act.
- (2) ~~(2)~~ The Company may also keep one or more branch registers at such place or places outside Bermuda to the extent and in the manner permitted by the Companies Acts and the Board may make such regulations as it thinks fit regarding the keeping of any branch register and may revoke or vary any such regulations. The Board may authorise any share on the Register to be included in a branch register or any share registered on a branch register to be registered on another branch register, provided that at all times the Register is maintained in accordance with the Companies Acts.

59. ~~59~~. Inspection of Register of Members

The Register of Members shall be open to inspection at the registered office of the Company on every business day, subject to such reasonable restrictions as the Board may impose, so that not less than two hours in each business day be allowed for inspection. The Register of Members may, after notice has been given by advertisement in an appointed newspaper to that effect, be closed for any time or times not exceeding in the whole thirty days in each year.

60. ~~60~~. Determination of record dates

Notwithstanding any other provision of these Bye-laws, the Board may fix any date as the record date for:

- (a) ~~(a)~~ determining the Members entitled to receive any dividend, distribution, allotment or issue; and
- (b) ~~(b)~~ determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

61. ~~61~~. Instrument of Transfer

- (1) ~~(1)~~ An instrument of transfer shall be in such common form as the Board may accept. Such instrument of transfer shall be signed by or on behalf of the transferor and transferee provided that, in the case of a fully paid share, the Board may accept the instrument signed by or on behalf of the transferor alone. The transferor shall be deemed to remain the holder of such share until the same has been transferred to the transferee in the Register of Members.
- (2) ~~(2)~~ The Board may refuse to recognise any instrument of transfer unless it is accompanied by the certificate in respect of the shares to which it relates and by such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

~~62.~~ 62. Restriction on Transfer

- (1) Subject to the Act and to such of the restrictions contained in these Bye-Laws~~-laws~~ as may be applicable, any Member may transfer all or any of such Member's shares by an instrument of transfer in the usual common form or in any other form that the Board may approve.
- (2) The instrument of transfer of a share shall be signed by or on behalf of the transferor and, when any share is not fully paid, the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. All instruments of transfer when registered may be retained by the Company. The Board may, in its absolute discretion and without assigning any reason therefor, decline to register any transfer of any Share that is not a fully paid Share or that is in violation of these Bye-Laws~~-laws~~ or of any agreement of which the Company has notice. The Board may also decline to register any transfer unless:
 - (a) the instrument of transfer is duly stamped, if required, and lodged with the Company at the registered office or any other place as the Board may from time to time specify, accompanied by the certificate (if any) for the Shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
 - (b) the instrument of transfer is in respect of only one class of Share;
 - (c) where applicable, the permission of the Bermuda Monetary Authority with respect thereto has been obtained; and
 - (d) where applicable, the Board is satisfied that the transfer complies with the United States federal securities laws.
- (3) If the Board declines to register a transfer it shall, within three months after the date on which the instrument of transfer was lodged, send to the transferee notice of such refusal.
- (4) No fee shall be charged by the Company for registering any transfer, or otherwise making an entry in the Register concerning any other document relating to or affecting the title to any Share.
- (5) ~~(5)~~ Subject to any directions of the Board from time to time in force, the Secretary may exercise the powers and discretions of the Board under Bye-Laws~~-laws~~ 62(1), 62(2) and 62(3).

~~63.~~ 63. Transfers by joint holders

The joint holders of any share or shares may transfer such share or shares to one or more of such joint holders, and the surviving holder or holders of any share or shares previously held by them jointly with a deceased Member may transfer any such share to the executors or administrators of such deceased Member.

TRANSMISSION OF SHARES

~~64.~~ 64. Representative of deceased Member

In the case of the death of a Member, the survivor or survivors where the deceased Member was a joint holder, and the legal personal representatives of the deceased Member where the deceased Member was a sole holder, shall be the only persons recognised by the Company as having any title to the deceased Member's interest in the shares. Nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by such deceased Member with other persons. Subject to the provisions of Section 52 of the Act, for the purpose of this Bye-law, legal personal representative means the executor or administrator of a deceased Member or such other person as the Board may in its absolute discretion decide as being properly authorised to deal with the shares of a deceased Member.

65. ~~65.~~ Registration on death or bankruptcy.

Any person becoming entitled to a share in consequence of the death or bankruptcy of any Member may be registered as a Member upon such evidence as the Board may deem sufficient or may elect to nominate some person to be registered as a transferee of such share, and in such case the person becoming entitled shall execute in favour of such nominee an instrument of transfer in the form, or as near thereto as circumstances admit, of Form “B” in the Schedule hereto. On the presentation thereof to the Board, accompanied by such evidence as the Board may require to prove the title of the transferor, the transferee shall be registered as a Member but the Board shall, in either case, have the same right to decline or suspend registration as it would have had in the case of a transfer of the share by that Member before such Member’s death or bankruptcy, as the case may be.

DIVIDENDS AND OTHER DISTRIBUTIONS

66. ~~66.~~ Declaration of dividends by the Board

The Board may, subject to these Bye-laws and in accordance with Section 54 of the Act, declare a dividend to be paid to the Members, in proportion to the number of shares held by them, and such dividend may be paid in cash or wholly or partly in specie in which case the Board may fix the value for distribution in specie of any assets. No unpaid dividend shall bear interest as against the Company unless the terms of the issue of shares otherwise provide.

67. ~~67.~~ Other distributions

The Board may declare and make such other distributions (in cash or in specie) to the Members as may be lawfully made out of the assets of the Company. No unpaid distribution or other ~~monies~~ monies payable in respect of shares shall bear interest as against the Company unless the terms of the issue of shares otherwise provide.

68. ~~68.~~ Reserve fund

The Board may from time to time before declaring a dividend set aside, out of the surplus or profits of the Company, such sum as it thinks proper as a reserve fund to be used to meet contingencies or for equalising dividends or for any other special purpose.

69. ~~69.~~ Payment of Dividends and deduction of Amounts due to the Company.

- (1) ~~(1)~~ Any dividend or other monies payable in respect of a share may be paid by cheque or warrant sent through the post to the registered address of the Members (in the case of joint Members, the senior joint holder, seniority being determined by the order in which the names stand in the Register of Members) or person entitled thereto, or by direct bank transfer to such bank account as such Member or person entitled thereto may direct. Every such cheque shall be made payable to the order of the person to whom it is sent or to such persons as the Member may direct, and payment of the cheque or warrant shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby.
- (2) ~~(2)~~ Any dividend or other monies payable in respect of a share which has remained unclaimed for 12 years from the date when it became due for payment shall, if the Board so resolves, be forfeited and cease to remain owing by the Company. The payment of any unclaimed dividend or other monies payable in respect of a share may (but need not) be paid by the Company into an account separate from the Company’s own account. Such payment shall not constitute the Company a trustee in respect thereof.

Table of Contents

- (3) ~~(3)~~ The Company shall be entitled to cease sending dividend warrants and cheques by post or otherwise to a Member if those instruments have been returned undelivered to, or left uncashed by, that Member on at least two consecutive occasions, or, following one such occasion, reasonable enquiries have failed to establish the Member's new address. The entitlement conferred on the Company by this Bye-law 69(3) in respect of any Member shall cease if the Member claims a dividend or cashes a dividend warrant or cheque.
- (4) ~~(4)~~ The Board may deduct from the dividends or distributions payable to any Member all monies due from such Member to the Company on account of calls or otherwise.

CAPITALISATION

70. ~~70.~~ Issue of bonus shares

- (1) ~~(1)~~ The Board may resolve to capitalise any part of the amount for the time being standing to the credit of any of the Company's share premium or other reserve accounts or to the credit of the profit and loss account or otherwise available for distribution by applying such sum in paying up unissued shares to be allotted as fully paid bonus shares pro rata to the Members.
- (2) ~~(2)~~ The Company may capitalise any sum standing to the credit of a reserve account or sums otherwise available for dividend or distribution by applying such amounts in paying up in full partly paid shares of those Members who would have been entitled to such sums if they were distributed by way of dividend or distribution.

ACCOUNTS AND FINANCIAL STATEMENTS

71. ~~71.~~ Records of account

The Board shall cause to be kept proper records of account with respect to all transactions of the Company and in particular with respect to:

- (c) ~~(c)~~ the assets and liabilities of the Company.

74. ~~74.~~ Appointment of Auditor

Subject to Section 88 of the Act, at the annual general meeting or at a subsequent special general meeting in each year, an independent representative of the Members shall be appointed by them as Auditor of the accounts of the Company. 75. ~~75.~~ Remuneration of Auditor

The remuneration of the Auditor shall be fixed by the Company in general meeting or in such manner as the Members may determine.

77. ~~77.~~ Access to books of the Company

79. ~~79.~~ Business Combinations

~~In addition to any approval required under the Act, (a) A resolution proposed for the consideration of the Members at any general meeting to approve a Business Combination that is not approved by at least 66 2/3% of the directors holding office at the date of the Board Resolution must be approved by a Special Resolution of the Members, shall be approved by the affirmative votes of a majority of the votes cast in accordance with the provisions of these Bye laws and in the case of an equality of votes the resolution shall fail.~~

Any shareholder rights plan adopted pursuant to this Bye-law 79(b) shall either (1) have a term of less than 12 months or (2) be submitted to the Members for approval by not more than 12 months following adoption of the plan.
