DEREGISTRATION OF UNSOLD SECURITIES

On July 3, 2003, Marvell Technology Group Ltd. (the "Company") filed its Registration Statement on Form S-3 (File No. 333-106833) (the "Registration Statement") covering up to an aggregate of 3,986,921 shares of the Company's common stock, \$0.002 par value ("Common Stock") to be sold by certain selling security holders of the Company. On October 3, 2003, the Securities and Exchange Commission (the "Commission") declared the Registration Statement effective.

Pursuant to Rule 477 promulgated under the Securities Act of 1933, and the Company's undertaking in Item 17 of Part II of the Registration Statement, the Company respectfully requests that the Commission withdraw the Registration Statement with respect to the unsold portion of securities registered

thereon. The Registration Statement was filed in order to register the Common Stock acquired by certain selling shareholders in connection with the Company’s acquisition of RADLAN Computer Communications Ltd. (“RADLAN”) in June 2003, including up to 483,232 shares issuable upon the exercise of warrants that the Company issued as part of the consideration in the acquisition and up to 1,023,256 shares that the Company had the right to issue upon the attainment of certain performance milestones set forth in the share purchase agreement between RADLAN and the Company.

The shares numbers in the two preceding paragraphs reflect the shares as registered and have not been adjusted for subsequent stock splits.

The Company is requesting the withdrawal of the Registration Statement because, pursuant to the terms of the Registration Rights Agreement between the Company and certain shareholders, the Company’s obligations to maintain the effectiveness of the Registration Statement under the Registration Rights Agreement has expired.

Accordingly, the Company hereby de-registers the Common Stock registered pursuant to the Registration Statement that remain unsold thereunder.

SIGNATURES
