## FORM OF E-MAIL TO EMPLOYEES WHO HOLD DISCOUNTED STOCK OPTIONS

Subject: Solution to stock option penalty tax

Dear Marvell Employee,

We are very happy to announce that, following discussions with the SEC, we are now able to move forward with a tender offer to correct your misdated stock options. The tender offer will permit the Company to give you the opportunity to correct the §409A United States tax issues with the stock options and therefore exercise your stock options without incurring a penalty tax. We will be using Marvell stock to compensate you for value lost in correcting these misdated options.

The tender offer is scheduled to begin on Tuesday, November 13th, 2007, closing on Wednesday, December 12th, 2007. We will be providing a secure, online location for administration of the tender offer. In addition, there will be a number of educational sessions that you may attend during the course of the offer. We strongly encourage you to attend one of these sessions.

Please notify Stock Administration at AL-stockadmin (stockadmin@marvell.com) immediately if you are planning to take an extended vacation or a leave of absence during the period of the tender offer, as timing is critical. Once the tender offer is closed on December 12th, 2007, we cannot accept any options for correction or grant any extension of time.

In the next few days, we will provide you with information about the educational sessions. Detailed information about the tender offer and how to participate in the tender offer will be provided to you on November 13th, 2007, upon commencement of the offer.

The process to arrive at this point has been a long one but we are pleased that we can now move forward. We appreciate your patience in this matter and look forward to your participation.

Sara Spengler  
Manager, Stock Administration
