## Explanatory Note

This amendment to the Current Report on Form 8-K (the “Original Form 8-K”) filed by Marvell Technology Group Ltd. (“Marvell”) with the Securities and Exchange Commission on February 20, 2014 is being filed solely to correct a typographical error in the record date set forth in the Original Form 8-K, which is correctly set forth in Item 8.01 below as March 13, 2014. No other changes are being made to the Original 8-K.

### **Item 8.01      Other Events.**

On February 20, 2014, Marvell announced that it had declared the payment of its quarterly dividend of \$0.06 per share to be paid on March 27, 2014 to all shareholders of record as of March 13, 2014. Developments in the CMU litigation could affect Marvell’s ability to pay the dividend on March 27, 2014 under Bermuda law, where Marvell is incorporated. In such event, the payment of the dividend could be delayed until such time as Marvell can meet statutory requirements under Bermuda law. The payment of future quarterly cash dividends is subject to, among other things, the best interests of its shareholders, its results of operations, cash balances and future cash requirements, financial condition, statutory requirements of Bermuda law, and other factors that the board of directors may deem relevant.
