On July 14, 2013, Dr. Sehat Sutardja, the continuing Chief Executive Officer and Chairman of the Board of Directors of Marvell Technology Group Ltd. (the “Company”), relinquished his position as President of the Company.

On July 14, 2013, the Company appointed Weili Dai, 51, as its President, effective as of July 14, 2013. Ms. Dai has held a number of significant positions within the Company since she co-founded the Company in 1995. Before her appointment as President of the Company, Ms. Dai served as a Vice President of Marvell Semiconductor, Inc. (“MSI”) since 2008, including as General Manager of the Communications & Consumer Business of MSI since September 2011 and as General Manager of the Communications and Computing Business Unit of MSI from March 2009 to September 2011. Ms. Dai served as Chief Operating Officer and Executive Vice President of the Company prior to May 2007. From 1995 to May 2007, Ms. Dai also served as a Director of the Company. Prior to co-founding the Company, Ms. Dai was involved in software development and project management at Canon Research Center America, Inc. Ms. Dai holds a Bachelor of Science degree in Computer Science from the University of California at Berkeley.

There are no arrangements or understandings between Ms. Dai and any other persons pursuant to which she was selected as President of the Company. Ms. Dai is the wife of Dr. S. Sutardja and the sister-in-law of Dr. Pantas Sutardja, the Company’s Vice President, Chief Technology Officer and Chief Research and Development Officer. The Company also intends to enter into its standard form indemnification agreement with Ms. Dai. For a complete description of related party transactions required to be disclosed by Item 404(a) of Regulation S-K, please see the section entitled “Related Party Transactions” (pages 49 – 50) of the Company’s definitive proxy statement dated May 14, 2013 as filed with the Securities and Exchange Commission, which is incorporated herein by reference.

**Marvell Appoints Company Co-Founder Weili Dai as President**

**SANTA CLARA, Calif. (July 15, 2013)** – Marvell (Nasdaq: MRVL), a leading global fabless semiconductor company, today announced that its Board of Directors has appointed Weili Dai as president of the company, effective July 14, 2013.

“Since Weili Dai co-founded Marvell, she has been a driving force for the company’s success. Her dedication to our customers, partners and stakeholders is widely recognized by the industry. Weili brings to the leadership role a long-term vision, integrity, strong principles, unrelenting drive, customer focus and passion for Marvell,” said Dr. Sehat Sutardja, Chairman and CEO of Marvell. “We are very thankful for Weili’s contributions to the tremendous success of Marvell since its inception. Furthermore, we now look forward to her continued leadership and increased role through our next stage of growth as our president.”

Weili Dai is one of the most successful women entrepreneurs in the world today. Widely considered a technology visionary, she is the only woman co-founder of a global semiconductor company. Since co-founding Marvell in 1995, Ms. Dai’s business acumen, strategic thinking, endless passion and personal network have led to Marvell’s ascent to one of the top semiconductor companies in the world. Her close relationship with customers, built on a foundation of trust, has earned her a tremendous reputation for professionalism and integrity throughout the technology industry. Ms. Dai has served a pivotal role in creating some of Marvell’s most important strategic partnerships. Under her leadership, Marvell’s technology has become an integral component of the world’s most important products in enterprise, communications, mobile computing, consumer and emerging markets.
