Item 1.01 Entry Into a Material Definitive Agreement.

Merger Agreement

On October 29, 2020, Marvell Technology Group Ltd. (“Marvell”) entered into an Agreement and Plan of Merger and Reorganization (the “Merger Agreement”), by and among Marvell, Maui HoldCo, Inc., a Delaware corporation and a wholly owned subsidiary of Marvell (“HoldCo”), Maui Acquisition Company Ltd, a Bermuda exempted company and a wholly owned subsidiary of HoldCo (“Bermuda Merger Sub”), Indigo Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of HoldCo (“Delaware Merger Sub”), and Inphi Corporation, a Delaware corporation (“Inphi”). Pursuant to the Merger Agreement: (i) Bermuda Merger Sub will be merged with and into Marvell (the “Bermuda Merger”), with Marvell continuing as a wholly owned subsidiary of HoldCo; and (ii) Delaware Merger Sub will be merged with and into Inphi (the “Delaware Merger” and, together with the Bermuda Merger, the “Mergers”), with Inphi continuing as a wholly owned subsidiary of HoldCo.

Subject to the terms and conditions set forth in the Merger Agreement: (i) at the effective time of the Bermuda Merger, each common share, \$0.002 par value per share, of Marvell (each, a “Marvell Share”) issued and outstanding immediately prior to the effective time of the Bermuda Merger (other than Marvell Shares held by Marvell (or held in Marvell’s treasury) or held, directly or indirectly, by HoldCo, Bermuda Merger Sub or any other subsidiary of Marvell or held, directly or indirectly, by Inphi or any subsidiary of Inphi) will be converted into the right to receive one share of common stock, \$0.002 par value per share, of HoldCo (each, a “HoldCo Share”); and (ii) at the effective time of the Delaware Merger, each share of common stock, \$0.001 par value per share, of Inphi (each, an “Inphi Share”) issued and outstanding immediately prior to the effective time of the Delaware Merger (other than (A) Inphi Shares held by Inphi (or held in Inphi’s treasury) or held, directly or indirectly, by Marvell, HoldCo, Delaware Merger Sub or any other subsidiary of Marvell or held, directly or indirectly, by any subsidiary of Inphi and (B) Inphi Shares with respect to which appraisal rights are properly exercised and not withdrawn under Delaware law) will be converted into the right to receive 2.323 HoldCo Shares and \$66.00 in cash, without interest.

The consummation of the Mergers is subject to customary closing conditions, including, among other things: (i) approval by Marvell’s shareholders of the Merger Agreement and the Bermuda Merger; (ii) adoption by Inphi’s stockholders of the Merger Agreement; and (iii) the receipt of certain regulatory approvals, including the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976.

The Merger Agreement contains representations, warranties and covenants of the parties customary for a transaction of this type.

The Merger Agreement provides Marvell and Inphi with certain termination rights and, under certain circumstances, may require Marvell or Inphi to pay a termination fee. The Merger Agreement provides that Inphi will be required to pay to Marvell, without duplication, a termination fee of \$300 million if, among other things, the Merger Agreement is terminated: (i) by Marvell or Inphi because the Mergers have not been consummated on or prior to 11:59 p.m. (California time) on June 29, 2021 (or, if extended by either party in accordance with the terms of the Merger Agreement, on such later date as provided for in the Merger Agreement) (the “Outside Date”) and (A) at or prior to termination of the Merger Agreement, a third-party offer or proposal to acquire Inphi has been made and Inphi’s stockholders have not taken a final vote on a proposal to adopt the Merger Agreement and (B) within 12 months after the date of such termination, Inphi has consummated a transaction with a third party or has entered into a definitive agreement with a third party contemplating a transaction, in each case, relating to an acquisition of Inphi; (ii) by Marvell or Inphi because Inphi has failed to obtain the necessary stockholder vote to adopt the Merger Agreement and (A) at or prior to termination of the Merger Agreement, a third-party offer or proposal to acquire Inphi has been made and has not been publicly withdrawn at least 10 business days prior to the Inphi stockholders’ meeting called for purposes of voting on the proposal to adopt the Merger Agreement and (B) within 12 months after the date of such termination, Inphi has consummated a transaction with a third party or has entered into a definitive agreement with a third party contemplating a transaction, in each case, relating to an acquisition of Inphi; (iii) by Marvell upon the occurrence of a Company Triggering Event (as defined in the Merger Agreement); (iv) by Marvell or Inphi at any time during the period commencing on the occurrence of a Company Triggering Event and ending on the earlier of (A) the tenth day after the final vote by Inphi’s stockholders on a proposal to adopt the Merger Agreement and (B) the adoption of the Merger Agreement by Inphi’s stockholders; or (v) by Inphi in order to accept a Company Superior Offer (as defined in the Merger Agreement) and enter into a definitive agreement providing for consummation of the transaction contemplated by such Company Superior Offer.

The Merger Agreement provides that Marvell will be required to pay to Inphi, without duplication, a termination fee of: (i) \$400 million if, among other things, the Merger Agreement is terminated (A) by Inphi upon the occurrence of a Marvell Triggering Event (as defined in the Merger Agreement), (B) by Marvell or Inphi at any time during the period commencing on the occurrence of a Marvell Triggering Event and ending on the earlier of (1) the tenth day after the final vote by Marvell's shareholders on a proposal to approve the Merger Agreement and the Bermuda Merger and (2) the approval by Marvell's shareholders of the Merger Agreement and the Bermuda Merger or (C) by Marvell in order to accept a Disruptive Marvell Superior Offer (as defined in the Merger Agreement) and enter into a definitive agreement providing for consummation of the transaction contemplated by such Disruptive Marvell Superior Offer; and (ii) \$460 million if, among other things, (A) the Merger Agreement is terminated by Marvell or Inphi because the Mergers have not been consummated (1) on or prior to the Outside Date or (2) as a result of a suit or legal proceeding brought by certain specified governmental authorities and (B) as of the time of termination of the Merger Agreement, a Designated Circumstance (as defined in the Merger Agreements) exists and all of Marvell's closing conditions (other than closing conditions related to the Designated Circumstance) have been satisfied.

The foregoing description of the Merger Agreement is qualified in its entirety by the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and incorporated herein by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about Marvell or Inphi. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by each of Marvell and Inphi in connection with the signing of the Merger Agreement. These confidential disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties and certain covenants set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between Marvell and Inphi rather than establishing matters as facts and were made only as of the date of the Merger Agreement (or such other date or dates as may be specified in the Merger Agreement). Accordingly, the representations and warranties in the Merger Agreement should not be relied upon as characterizations of the actual state of facts about Marvell or Inphi.

Financing Commitment Letters

Marvell intends to pay the cash consideration portion of the consideration for the Mergers and other fees and expenses required to be paid in connection with the Mergers from cash on hand and borrowings. Marvell and HoldCo have obtained financing commitments for (i) a \$2.5 billion senior 364-day bridge term loan facility (the "Bridge Facility") pursuant to a commitment letter (the "Bridge Commitment Letter") dated as of October 29, 2020, with JPMorgan Chase Bank, N.A. ("JPMorgan"), and (ii) a \$1.5 billion senior unsecured term loan facility comprised of a \$750.0 million 3-year term loan tranche (the "3 Year Term Loan") and a \$750.0 million 5-year term loan tranche (the "5-Year Term Loan," and collectively with the 3-Year Term Loan, the "Term Loan Facility") pursuant to a facilities commitment letter (the "Facilities Commitment Letter" and, together with the Bridge Commitment Letter, the "Debt Commitment Letters") dated as of October 29, 2020, with JPMorgan. Pursuant to the Debt Commitment Letters, subject to the terms and conditions set forth therein, JPMorgan has committed to provide the full amount of the Bridge Facility and the Term Loan Facility, and \$100.0 million under a revolving credit facility to be entered into in an aggregate committed amount of up to \$750.0 million (the "Revolving Facility"), which Revolving Facility is expected to replace Marvell's existing \$500.0 million revolving credit facility. The funding of the Bridge Facility provided for in the Bridge Commitment Letter and the funding of the Term Loan Facility provided for in the Facilities Commitment Letter, in each case, is contingent upon the satisfaction of customary conditions, including (i) execution and delivery of definitive documentation with respect to the Bridge Facility and Term Loan Facility in accordance with the terms set forth in the applicable Debt Commitment Letters and (ii) consummation of the Mergers in accordance with the Merger Agreement. The actual documentation governing the Bridge Facility, the Term Loan Facility and the Revolving Facility has not been finalized, and accordingly, the actual terms may differ from the description of such terms in the applicable Debt Commitment Letters.

Availability under the Bridge Facility will be reduced by the net cash proceeds from customary mandatory commitment reduction and prepayment events from issuances of equity, the incurrence of certain other debt or the sale of available assets, in each case subject to limited exceptions. Marvell expects to replace some or all of the Bridge Facility prior to the closing of the Mergers with permanent financing. There can be no assurance that the permanent financing will be completed.

The foregoing summary of the Debt Commitment Letters and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Debt Commitment Letters attached hereto as Exhibits 10.1 and 10.2 and incorporated herein by reference.

The Delaware Merger will have the effects set forth in this Agreement and in the applicable provisions of the DGCL.

1.3 Closing. The consummation of the Contemplated Transactions (the “Closing”) will take place at the offices of Hogan Lovells US LLP, 4085 Campbell Avenue, Suite 100, Menlo Park, California, 94025 (or, at the Principal Parties’ joint election, by means of a virtual closing through electronic exchange of signatures) at 8:00 a.m. (California time) on the fifth Business Day after the satisfaction or waiver of the last to be satisfied or waived of the conditions set forth in Section 6 and Section 7 (other than those conditions set forth in Sections 6.6 and 7.6, which are to be satisfied at the Closing, but subject to the satisfaction or waiver of each of such conditions), or at such other place, time or date as the Principal Parties may jointly designate. Notwithstanding anything to the contrary contained in this Section 1.3, if the Closing would otherwise be required to occur under this Section 1.3 during the last seven days of any fiscal quarter of Marvell, then, subject to the continued satisfaction or waiver of the conditions set forth in Section 6 and Section 7 (other than those conditions set forth in Sections 6.6 and 7.6, which are to be satisfied at the Closing, but subject to the satisfaction or waiver of each of such conditions), the Closing shall occur instead on the earlier of (a) the second Business Day of the following fiscal quarter of Marvell and (b) the End Date, unless the Principal Parties jointly designate another date. The date on which the Closing actually takes place is referred to as the “Closing Date.”

1.4 Bermuda Merger Effective Time; Delaware Merger Effective Time.

(a) Subject to the provisions of this Agreement and the Statutory Merger Agreement, Marvell, HoldCo and Bermuda Merger Sub shall: (i) duly execute the Statutory Merger Agreement on the Closing Date; (ii) on or prior to the Closing Date, cause an application for registration of the Surviving Bermuda Company (the “Bermuda Merger Application”) to be executed and delivered to the Registrar of Companies in Bermuda (the “Registrar”) as provided under Section 108 of the Bermuda Companies Act along with the documents required by Section 108(2) of the Bermuda Companies Act; and (iii) cause to be included in the Bermuda Merger Application a request that the Registrar issue the certificate of merger with respect to the Bermuda Merger (the “Bermuda Merger Certificate”) on the Closing Date at the time designated by Marvell and set forth in the Bermuda Merger Application. The Bermuda Merger shall become effective on the issuance of the Bermuda Merger Certificate by the Registrar at the time and date shown on the Bermuda Merger Certificate (the time at which the Bermuda Merger becomes effective being referred to as the “Bermuda Merger Effective Time”).

(b) Subject to the provisions of this Agreement, a certificate of merger satisfying the applicable requirements of the DGCL and specifying that the Delaware Merger will become effective one minute after the Bermuda Merger Effective Time shall be duly executed by the Company in connection with the Closing and, substantially concurrently with the Closing on the Closing Date, filed with the Secretary of State of the State of Delaware. The Delaware Merger will become effective as of the time specified in such certificate of merger (the time at which the Delaware Merger becomes effective being referred to as the “Delaware Merger Effective Time”).

1.5 Constituent Documents. Unless otherwise mutually agreed by the Principal Parties prior to the Closing:

(a) the memorandum of association and bye-laws of the Surviving Bermuda Company shall be amended and restated as of the Bermuda Merger Effective Time to conform to the memorandum of association and bye-laws of Bermuda Merger Sub in effect immediately prior to the Bermuda Merger Effective Time, except that the name of the company reflected therein shall be “Marvell Technology Group Ltd.”;

(b) the certificate of incorporation and bylaws of the Surviving Delaware Corporation shall be amended and restated as of the Delaware Merger Effective Time to conform to the certificate of incorporation and bylaws of Delaware Merger Sub as in effect immediately prior to the Delaware Merger Effective Time, except that the name of the corporation reflected therein shall be “Inphi Corporation”; and

(c) the certificate of incorporation and bylaws of HoldCo will be amended and restated as of the Bermuda Merger Effective Time to conform to Exhibit C and Exhibit D, respectively (it being understood and agreed that the name of the Entity set forth in Exhibit C and Exhibit D may be changed by Marvell prior to the Closing).

1.6 Directors and Officers. Unless otherwise mutually agreed by the Principal Parties prior to the Closing:

(a) the directors and officers of the Surviving Bermuda Company immediately after the Bermuda Merger Effective Time will be the respective individuals who are the directors and officers (including the corporate secretary) of Bermuda Merger Sub immediately prior to the Bermuda Merger Effective Time, in each case, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be;

(b) the directors and officers of the Surviving Delaware Corporation immediately after the Delaware Merger Effective Time will be the respective individuals who are the directors and officers of Delaware Merger Sub immediately prior to the Delaware Merger Effective Time, in each case, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be; and

(c) the directors and officers of HoldCo immediately after the Bermuda Merger Effective Time will be the respective individuals who are the directors and officers of Marvell immediately prior to the Bermuda Merger Effective Time, in each case, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

Prior to the Delaware Merger Effective Time, Marvell shall take all necessary corporate action to cause the Chief Executive Officer of the Company to become a member of the board of directors of HoldCo, effective immediately after the Delaware Merger Effective Time.

1.7 Conversion of Shares.

(a) At the Bermuda Merger Effective Time, by virtue of the Bermuda Merger and without any further action on the part of Marvell, HoldCo, Bermuda Merger Sub or any shareholder of Marvell:

(i) any Marvell Common Shares held, directly or indirectly, by any wholly owned Subsidiary of Marvell (other than HoldCo and Bermuda Merger Sub) or by any Inphi Entity immediately prior to the Bermuda Merger Effective Time will be unaffected by the Bermuda Merger and will remain issued and outstanding as an equal number of common shares of the Surviving Bermuda Company;

(ii) any Marvell Common Shares held by Marvell in Marvell’s treasury or held, directly or indirectly, by HoldCo or Bermuda Merger Sub immediately prior to the Bermuda Merger Effective Time will be canceled and retired and will cease to exist, and no consideration will be delivered in exchange therefor;

(iii) except as provided in Sections 1.7(a)(i) and 1.7(a)(ii), and subject to Sections 1.7(d), 1.10, 1.11(g) and 1.13, each Marvell Common Share that is issued and outstanding immediately prior to the Bermuda Merger Effective Time will be converted into the right to receive one share of HoldCo Common Stock; and

(iv) each common share, \$1.00 par value per share, of Bermuda Merger Sub issued and outstanding immediately prior to the Bermuda Merger Effective Time will be converted into one common share of the Surviving Bermuda Company.

(b) At the Bermuda Merger Effective Time, each share of HoldCo Common Stock that is outstanding immediately prior to the Bermuda Merger Effective Time will remain outstanding. Immediately after the Bermuda Merger Effective Time, all shares of HoldCo Common Stock owned by the Surviving Bermuda Company shall be surrendered to HoldCo, and no consideration will be delivered in exchange therefor.

(c) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any further action on the part of the Company, HoldCo, Delaware Merger Sub or any stockholder of the Company:

(i) any shares of Company Common Stock held, directly or indirectly, by any wholly owned Subsidiary of the Company or by any Marvell Entity (other than HoldCo and Delaware Merger Sub) immediately prior to the Delaware Merger Effective Time will be unaffected by the Delaware Merger and will remain outstanding as an equal number of shares of common stock of the Surviving Delaware Corporation;

(ii) any shares of Company Common Stock held, directly or indirectly, by the Company (or held in the Company's treasury) or by HoldCo or Delaware Merger Sub immediately prior to the Delaware Merger Effective Time will be canceled and retired and will cease to exist, and no consideration will be delivered in exchange therefor;

(iii) except as provided in Sections 1.7(c)(i) and 1.7(c)(ii), and subject to Sections 1.7(d), 1.11 and 1.12, each share of Company Common Stock outstanding immediately prior to the Delaware Merger Effective Time will be converted into the right to receive: (A) 2.323 (the "Exchange Ratio") shares of HoldCo Common Stock; and (B) \$66.00 in cash, without interest (the "Per Share Cash Amount"); and

(iv) each share of the common stock, \$0.001 par value per share, of Delaware Merger Sub outstanding immediately prior to the Delaware Merger Effective Time will be converted into one share of common stock of the Surviving Delaware Corporation.

(d) If, during the period commencing on the date of this Agreement and ending at the Delaware Merger Effective Time (the "Pre-Closing Period"), the outstanding shares of Company Common Stock are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, or if a stock dividend is declared by the Company during the Pre-Closing Period, or a record date with respect to any such event occurs during the Pre-Closing Period, then the Per Share Cash Amount and the Exchange Ratio will be adjusted to the extent appropriate to provide the same economic effect as contemplated by this Agreement prior to such action. If, during the Pre-Closing Period, the issued and outstanding Marvell Common Shares or the outstanding shares of HoldCo Common Stock are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, or if a stock dividend is declared by Marvell or HoldCo during the Pre-Closing Period, or a record date with respect to any such event occurs during the Pre-Closing Period, then the Exchange Ratio (but not the Per Share Cash Amount) and the consideration payable pursuant to Section 1.7(a)(iii) will be adjusted to the extent appropriate to provide the same economic effect as contemplated by this Agreement prior to such action.

(e) No fraction of a share of HoldCo Common Stock shall be issued in connection with the Delaware Merger, and no certificates or scrip for any such fractional share shall be issued. Any holder of Company Common Stock who would otherwise be entitled to receive a fraction of a share of HoldCo Common Stock (after aggregating all fractions of a share of HoldCo Common Stock issuable to such holder) shall, in lieu of such fraction of a share and, upon surrender of such holder's Company Stock Certificate(s) or the transfer of Uncertificated Company Shares, be paid in cash the dollar amount (rounded to the nearest whole cent), without interest, determined by multiplying such fraction by the closing price of a Marvell Common Share on the Marvell Stock Exchange on the date the Delaware Merger becomes effective.

1.8 Closing of Transfer Books.

(a) At the Bermuda Merger Effective Time: (i) except for Marvell Common Shares that continue to be held by a Subsidiary of the Surviving Bermuda Company or an Inphi Entity following the Bermuda Merger

Effective Time in accordance with Section 1.7(a)(i), all Marvell Common Shares issued and outstanding immediately prior to the Bermuda Merger Effective Time shall automatically be canceled and retired and shall cease to exist, and all holders of certificates representing Marvell Common Shares issued and outstanding immediately prior to the Bermuda Merger Effective Time (each such certificate, a “Marvell Share Certificate”) or uncertificated Marvell Common Shares represented by book entry positions (each such share, an “Uncertificated Marvell Share”) shall cease to have any rights as shareholders of Marvell, other than the rights, if any, that such holders may have under Section 106(6) of the Bermuda Companies Act; and (ii) the share transfer books of Marvell shall be closed with respect to all Marvell Common Shares issued and outstanding immediately prior to the Bermuda Merger Effective Time. No further transfer of any such Marvell Common Shares shall be made on such share transfer books after the Bermuda Merger Effective Time. If, after the Bermuda Merger Effective Time, a valid Marvell Share Certificate or Uncertificated Marvell Share is presented to the Exchange Agent or to the Surviving Bermuda Company or HoldCo, such Marvell Share Certificate or Uncertificated Marvell Share shall be canceled and may be exchanged as provided in Section 1.10.

(b) At the Delaware Merger Effective Time: (i) except for Disregarded Company Shares, all shares of Company Common Stock outstanding immediately prior to the Delaware Merger Effective Time shall automatically be canceled and retired and shall cease to exist, and all holders of certificates representing shares of Company Common Stock outstanding immediately prior to the Delaware Merger Effective Time (each such certificate, a “Company Stock Certificate”) or uncertificated shares of Company Common Stock represented by book entry positions (each such share, an “Uncertificated Company Share”) shall cease to have any rights as stockholders of the Company, other than the rights, if any, that such holders may have under Section 262 of the DGCL; and (ii) the stock transfer books of the Company shall be closed with respect to all shares of Company Common Stock outstanding immediately prior to the Delaware Merger Effective Time. No further transfer of any such shares of Company Common Stock shall be made on such stock transfer books after the Delaware Merger Effective Time. If, after the Delaware Merger Effective Time, a valid Company Stock Certificate or Uncertificated Company Share is presented to the Exchange Agent or to the Surviving Delaware Corporation or HoldCo, such Company Stock Certificate or Uncertificated Company Share shall be canceled and shall be exchanged as provided in Section 1.11.

1.9 Exchange Fund. On or prior to the Closing Date, HoldCo shall, and Marvell shall cause HoldCo to, select a reputable bank or trust company reasonably acceptable to the Company to act as exchange agent in the Mergers (the “Exchange Agent”). Subject to Section 1.12, promptly after the Delaware Merger Effective Time on the Closing Date, HoldCo shall: (a) deposit with the Exchange Agent certificates or book entry positions representing the shares of HoldCo Common Stock issuable pursuant to Sections 1.7(a)(iii) and 1.7(c)(iii); and (b) cause to be deposited with the Exchange Agent cash sufficient to make payments of the cash consideration payable pursuant to Section 1.7(c)(iii) (including payments to be made in lieu of fractional shares). The HoldCo Common Stock and cash amounts so deposited with the Exchange Agent, together with any dividends or distributions received by the Exchange Agent with respect to the deposited shares of HoldCo Common Stock are referred to collectively as the “Exchange Fund.” The cash portion of the Exchange Fund will be invested by the Exchange Agent as directed by HoldCo; *provided, however*, that any such investments shall be in short-term obligations of the United States with maturities of no more than 30 days or guaranteed by the United States and backed by the full faith and credit of the United States. No investment of the Exchange Fund shall relieve HoldCo or the Exchange Agent from promptly paying the cash consideration payable pursuant to Section 1.11(a), and following any losses from any such investment, HoldCo shall promptly provide additional cash funds to the Exchange Agent in the amount of such losses to the extent the funds in the Exchange Fund are insufficient for such purposes, which additional funds will be deemed to be part of the Exchange Fund.

1.10 Exchange of Marvell Share Certificates. Each Marvell Share Certificate, other than a certificate representing a Disregarded Marvell Share, will, from and after the Bermuda Merger Effective Time, represent an equivalent number of shares of HoldCo Common Stock. At the Bermuda Merger Effective Time, the Exchange Agent will credit in the stock ledger and other appropriate books and records of HoldCo an equivalent number of shares of HoldCo Common Stock for any Uncertificated Marvell Shares represented by book entry positions,

other than Disregarded Marvell Shares. After the Bermuda Merger Effective Time, if an exchange of Marvell Share Certificates for new certificates representing shares of HoldCo Common Stock is required by applicable Legal Requirements, or is desired at any time by HoldCo, then HoldCo may arrange, in its sole discretion, for such exchange on a one-for-one-share basis.

1.11 Exchange of Company Stock Certificates.

(a) As soon as reasonably practicable (and in any event within three Business Days) after the Delaware Merger Effective Time, the Exchange Agent will mail to the Persons who, as of immediately prior to the Delaware Merger Effective Time, were record holders of Company Stock Certificates and Uncertificated Company Shares: (i) a letter of transmittal in customary form (including a provision confirming that delivery of a Company Stock Certificate or transfer of an Uncertificated Company Share will be effected, and risk of loss and title to such Company Stock Certificate or such Uncertificated Company Share will pass, only upon proper delivery of such Company Stock Certificate or transfer of such Uncertificated Company Share to the Exchange Agent); and (ii) instructions for use in effecting the surrender of Company Stock Certificates or transfer of Uncertificated Company Shares in exchange for Delaware Merger Consideration. Upon surrender of a Company Stock Certificate to the Exchange Agent for exchange (or compliance with the reasonable procedures established by the Exchange Agent for transfer of Uncertificated Company Shares), together with the delivery of a duly executed letter of transmittal and such other documents as may be reasonably required by the Exchange Agent or HoldCo, the holder of such Company Stock Certificate or Uncertificated Company Shares will be entitled to receive in exchange therefor the Delaware Merger Consideration that such holder has the right to receive pursuant to Section 1.7, in full satisfaction of all rights pertaining to the shares of Company Common Stock formerly represented by such Company Stock Certificate or Uncertificated Company Shares and the Company Stock Certificate or Uncertificated Company Shares so surrendered or transferred will be canceled. Until surrendered or transferred as contemplated by this Section 1.11(a), each Company Stock Certificate and Uncertificated Company Share shall be deemed, from and after the Delaware Merger Effective Time, to represent only the right to receive Delaware Merger Consideration as contemplated by Section 1.7(c).

(b) No dividends or other distributions declared or made with respect to HoldCo Common Stock with a record date after the Delaware Merger Effective Time shall be paid to the holder of any unsurrendered Company Stock Certificate or to the holder of any Uncertificated Company Share that has not been transferred, in each case with respect to the HoldCo Common Stock that such holder has the right to receive in the Delaware Merger, until such holder surrenders such Company Stock Certificate or transfers such Uncertificated Company Share in accordance with this Section 1.11 (at which time such holder shall be entitled, subject to the effect of applicable escheat or similar laws, to receive all such dividends and distributions, without interest).

(c) In the event of a transfer of ownership of any shares of Company Common Stock which are not registered in the transfer records of the Company, payment of Delaware Merger Consideration may be made to a Person other than the holder in whose name the Company Stock Certificate formerly representing such shares or Uncertificated Company Shares is registered if: (i) any such Company Stock Certificate is properly endorsed or otherwise in proper form for transfer; and (ii) such holder has paid any fiduciary or surety bonds and any transfer or other similar Taxes required by reason of the payment of such Delaware Merger Consideration to a Person other than such holder (or has established to the reasonable satisfaction of HoldCo that such bonds and Taxes have been paid or are not applicable).

(d) If any Company Stock Certificate is lost, stolen or destroyed, HoldCo may, in its discretion and as a condition precedent to the payment of any Delaware Merger Consideration with respect to the shares of Company Common Stock previously represented by such Company Stock Certificate, require the owner of such lost, stolen or destroyed Company Stock Certificate to provide an appropriate affidavit and to deliver a bond (in such sum as HoldCo may direct) as indemnity against any claim that may be made against the Exchange Agent, HoldCo or the Surviving Delaware Corporation with respect to such Company Stock Certificate. No interest will be paid or will accrue on any cash consideration payable to holders of Company Stock Certificates or in respect of Uncertificated Company Shares pursuant to Section 1.7.

(e) Any portion of the Exchange Fund that remains undistributed to former holders of shares of Company Common Stock as of the date that is 365 days after the date on which the Delaware Merger becomes effective will be delivered to HoldCo upon demand, and any former holders of shares of Company Common Stock who have not theretofore surrendered their Company Stock Certificates, or complied with the procedures established by the Exchange Agent for transfer of Uncertificated Company Shares, in accordance with this Section 1.11 may thereafter look only to HoldCo for satisfaction of their claims for Delaware Merger Consideration and any dividends or distributions with respect to the shares of HoldCo Common Stock included in the Delaware Merger Consideration.

(f) If any Company Stock Certificate has not been surrendered, or any Uncertificated Company Share has not been transferred, by the earlier of (i) the fifth anniversary of the date on which the Delaware Merger becomes effective and (ii) the date immediately prior to the date on which the Delaware Merger Consideration that such Company Stock Certificate or Uncertificated Company Share represents the right to receive would otherwise escheat to or become the property of any Governmental Body, then such Delaware Merger Consideration will, to the extent permitted by applicable Legal Requirements, become the property of HoldCo, free and clear of any claim or interest of any Person previously entitled thereto. None of HoldCo, the Surviving Bermuda Company, the Surviving Delaware Corporation or the Exchange Agent will be liable to any holder or former holder of Company Common Stock or to any other Person with respect to any Delaware Merger Consideration (or dividends or distributions with respect to shares of HoldCo Common Stock included in the Delaware Merger Consideration) delivered to any public official pursuant to any applicable abandoned property law, escheat law or similar Legal Requirement.

(g) Each of the Exchange Agent, HoldCo, the Surviving Bermuda Company and the Surviving Delaware Corporation shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this Agreement to any holder or former holder of Company Common Stock or any Marvell Common Share, Company Equity Award or Marvell Equity Award such amounts as are required to be deducted or withheld from such consideration under the Code or any provision of state, local or foreign Tax law or under any other applicable Legal Requirement. To the extent such amounts are so deducted or withheld and paid over to the appropriate Governmental Body, such amounts will be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid.

1.12 Dissenting Company Stockholders.

(a) Notwithstanding anything to the contrary contained in this Agreement, shares of Company Common Stock held by a holder who has made a proper demand for appraisal of such shares of Company Common Stock in accordance with Section 262 of the DGCL and who has otherwise complied with all applicable provisions of Section 262 of the DGCL (any such shares being referred to as “Dissenting Company Shares” until such time as such holder fails to perfect or otherwise loses such holder’s appraisal rights under Section 262 of the DGCL with respect to such shares) shall not be converted into or represent the right to receive Delaware Merger Consideration in accordance with Section 1.7(c)(iii), but shall be entitled only to such rights as are granted by the DGCL to a holder of Dissenting Company Shares.

(b) If any Dissenting Company Shares lose their status as such (through failure to perfect or otherwise), then such Dissenting Company Shares will be deemed automatically to have been converted into, as of the Delaware Merger Effective Time, and to represent only, the right to receive Delaware Merger Consideration in accordance with Section 1.7, without interest thereon, upon surrender of the Company Stock Certificate representing such shares or, if such shares are Uncertificated Company Shares, upon compliance with the procedures established by the Exchange Agent for the transfer of such Uncertificated Company Shares, and HoldCo shall promptly deposit (or cause to be deposited) in the Exchange Fund additional cash in an amount sufficient to pay the cash portion of the Delaware Merger Consideration in respect of such shares of Company Common Stock that are no longer Dissenting Company Shares.

(c) The Company shall give Marvell: (i) prompt notice of any demand for appraisal received by the Company prior to the Delaware Merger Effective Time pursuant to the DGCL, any withdrawal of any such demand and any other demand, notice or instrument delivered to the Company prior to the Delaware Merger Effective Time pursuant to the DGCL; and (ii) the opportunity to participate in and direct all negotiations and proceedings with respect to any such demand, notice or instrument. The Company shall not voluntarily make any payment or settlement offer prior to the Delaware Merger Effective Time with respect to any such demand, notice or instrument unless Marvell has given its prior written consent to such payment or settlement offer.

1.13 Dissenting Marvell Shareholders.

(a) At the Bermuda Merger Effective Time, all Dissenting Marvell Shares will be canceled and, unless otherwise required by applicable Bermuda Legal Requirements, converted into the right to receive the shares of HoldCo Common Stock such holder is entitled to receive pursuant to Section 1.7(a)(iii), and any holder of Dissenting Marvell Shares shall, if the fair value of a Dissenting Marvell Share as appraised by the Supreme Court of Bermuda under Section 106(6) of the Bermuda Companies Act (the “Appraised Fair Value”) is greater than the fair value of the share of HoldCo Common Stock exchanged therefor, be entitled to receive such difference from the Surviving Bermuda Company by payment made within 30 days after such Appraised Fair Value is finally determined pursuant to such appraisal procedure.

(b) If a holder of Dissenting Marvell Shares who sought to exercise such holder’s right to appraisal fails to properly exercise, or effectively withdraws or otherwise waives, such holder’s right to appraisal (such withdrawal or waiver, an “Appraisal Withdrawal”), then such holder shall have no other rights with respect to such Dissenting Marvell Shares other than as contemplated by Section 1.7(a)(iii).

1.14 Further Action. If, at any time after the Delaware Merger Effective Time, any further action is determined by HoldCo to be necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Bermuda Company or the Surviving Delaware Corporation with full right, title and possession of and to all rights and property of Marvell, Bermuda Merger Sub, the Company and Delaware Merger Sub, then the officers and directors of HoldCo, the Surviving Bermuda Company and the Surviving Delaware Corporation are fully authorized (in the name of Marvell, in the name of Bermuda Merger Sub, in the name of the Company, in the name of Delaware Merger Sub or otherwise) to take such action.

Section 2. REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company represents and warrants to Marvell, HoldCo, Delaware Merger Sub and Bermuda Merger Sub as follows (it being understood that the representations and warranties contained in this Section 2 are subject to: (a) the exceptions and disclosures set forth in the Company Disclosure Schedule (subject to Section 9.6); and (b) the disclosures in any Company SEC Report filed with the SEC at least three Business Days before the date of this Agreement (but (i) without giving effect to any amendment thereto filed with the SEC thereafter, (ii) excluding any disclosure contained under the heading “Risk Factors,” any disclosure of risks included in any “forward-looking statements” disclaimer and any other statement or other disclosure that is similarly predictive or forward-looking, and (iii) excluding any Company SEC Reports that are not publicly available on the SEC’s Electronic Data Gathering Analysis and Retrieval System (“EDGAR”) on the date that is three Business Days before the date of this Agreement)):

2.1 Subsidiaries; Due Organization; Etc.

(a) Part 2.1(a) of the Company Disclosure Schedule contains an accurate and complete list, as of the date of this Agreement, of the name and jurisdiction of organization of each Subsidiary of the Company. Neither the Company nor any of the other Inphi Entities owns any capital stock of, or any equity interest of any nature in, any other Entity, other than another Inphi Entity. None of the Inphi Entities has at any time been a general partner of or otherwise been liable for any of the debts or other obligations of, any general partnership, limited

partnership or other Entity. None of the Inphi Entities has agreed or is obligated to make, or is bound by any Contract under which it may become obligated to make, any future investment in or capital contribution to any other Entity. Except for the Subsidiaries of the Company, and except for immaterial equity interests held as passive investments, the Company does not directly or indirectly own any material equity or similar material interest in, or any material interest convertible into or exchangeable or exercisable for, any material equity or similar material interest in, any other Entity.

(b) Each of the Inphi Entities is duly organized, validly existing and in good standing (in jurisdictions that recognize the concept of good standing) under the laws of the jurisdiction of its organization and has all necessary corporate, limited liability company or other organizational power and authority: (i) to conduct its business in the manner in which its business is currently being conducted; (ii) to own and use its assets in the manner in which its assets are currently owned and used; and (iii) to perform its obligations under all Contracts by which it is bound, except where the failure to be in good standing would not, individually or in the aggregate, reasonably be expected to be material to the Inphi Entities, taken as a whole. Each of the Inphi Entities is qualified to do business as a foreign entity and is in good standing (in jurisdictions that recognize the concept of good standing), under the laws of all jurisdictions where the nature of its business requires such qualification, except where the failure to be so duly qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect on the Company.

2.2 Certificate of Incorporation and Bylaws. The Company has Made Available to Marvell accurate and complete copies of the certificate of incorporation, bylaws and other charter and organizational documents of each of the Inphi Entities, including all amendments thereto. The Company has Made Available to Marvell accurate and complete copies of the final approved minutes of the meetings and other proceedings (including any actions taken by written consent or otherwise without a meeting) of the holders of equity securities and board of directors or similar governing body (and to the extent applicable, each committee thereof) of the Company for the period from December 31, 2018 through the date of this Agreement. The final and approved minutes of the meetings and other proceedings (including any actions taken by written consent or otherwise without a meeting) of the board of directors or similar governing body (and to the extent applicable, each committee thereof) of the Company Made Available to Marvell are complete and redacted only with respect to discussions of the Contemplated Transactions or other similar strategic transactions, and not with respect to any other matter. No Inphi Entity is in violation of any of the provisions of the certificate of incorporation or bylaws (or equivalent charter and organizational documents), including all amendments thereto, of such Entity, except as would not, individually or in the aggregate, reasonably be expected to be material to the Inphi Entities, taken as a whole.

2.3 Capitalization, Etc.

(a) The authorized capital stock of the Company consists of: (i) 500,000,000 shares of Company Common Stock, of which 52,102,241 shares were issued and outstanding as of the close of business on October 26, 2020 (the “Inphi Listing Date”); and (ii) 10,000,000 shares of Company Preferred Stock, of which no shares were issued or outstanding as of the close of business on the Inphi Listing Date. The Company does not hold any shares of its capital stock in its treasury. All of the outstanding shares of Company Common Stock have been duly authorized and validly issued, and are fully paid and nonassessable. There are no shares of Company Common Stock held by any of the Inphi Entities. There is no Inphi Contract relating to the voting or registration of, or restricting any Person from purchasing, selling, pledging or otherwise disposing of (or from granting any option or similar right with respect to), any shares of Company Common Stock. None of the Inphi Entities is under any obligation under, or is bound by, any Contract pursuant to which it may become obligated, to repurchase, redeem or otherwise acquire any outstanding shares of Company Common Stock or other securities.

shares of Company Common Stock are subject to issuance and/or delivery pursuant to Company RSUs, (B) up to a maximum of 46,393 shares of Company Common Stock (34,338 shares of Company Common Stock assuming target performance) are subject to issuance and/or delivery pursuant to Company PSUs and (C) up to a maximum of 1,065,626 shares of Company Common Stock (478,840 shares of Company Common Stock assuming target performance) are subject to issuance and/or delivery pursuant to Company MSUs; (iv) no shares of Company Restricted Stock are outstanding; (v) no shares of Company Common Stock are subject to stock appreciation rights, whether granted under the Company Equity Plans or otherwise; (vi) no Company Equity Awards are outstanding other than those granted under the Company Equity Plans; and (vii) 5,694,936 shares of Company Common Stock are reserved for future issuance pursuant to Company Equity Awards not yet granted under the Company Equity Plans. Part 2.3(b) of the Company Disclosure Schedule accurately sets forth the following information with respect to each Company Equity Award outstanding as of the close of business on the Inphi Listing Date: (1) the Company Equity Plan (if any) pursuant to which such Company Equity Award was granted; (2) the employee identification number of the holder of such Company Equity Award; (3) the number of shares of Company Common Stock subject to such Company Equity Award (including, for Company Equity Awards subject to performance-based vesting requirements, both the target and the maximum number of shares of Company Common Stock); (4) the exercise price (if any) of such Company Equity Award; (5) the date on which such Company Equity Award was granted; (6) the applicable vesting schedule, and the extent to which such Company Equity Award is vested and/or exercisable; (7) the date on which such Company Equity Award expires; (8) if such Company Equity Award is a Company Option, whether it is an “incentive stock option” (as defined in the Code) or a non-qualified stock option; (9) if such Company Equity Award is a Company RSU, whether such Company RSU is subject to Section 409A of the Code and the regulations and guidance thereunder (“Section 409A”); (10) if such Company Equity Award is a Company RSU, the dates on which shares of Company Common Stock are scheduled to be delivered, if different from the applicable vesting schedule; and (11) whether the vesting of such Company Equity Award would be accelerated, in whole or in part, as a result of the Delaware Merger or any of the other Contemplated Transactions, alone or in combination with any termination of employment or other event. The exercise price of each Company Option is no less than the fair market value of a share of Company Common Stock as determined on the date of grant of such Company Option. All grants of Company Equity Awards were recorded on the Company’s financial statements (including any related notes thereto) contained in the Company SEC Reports in accordance with GAAP, and no such grants involved any “back dating,” “forward dating” or similar practices with respect to the effective date of grant (whether intentionally or otherwise). From the close of business on the Inphi Listing Date until the date of this Agreement, no shares of Company Common Stock or Company Preferred Stock have been issued, except for shares of Company Common Stock issued pursuant to the exercise of Company Options or the vesting of Company RSUs, Company PSUs or Company MSUs, in each case, outstanding on the Inphi Listing Date and in accordance with their terms.

None of the Company’s Subsidiaries is required to file any documents with the SEC. As of the time it was filed with the SEC (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing): (i) each of the Company SEC Reports complied in all material respects with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act (as the case may be); and (ii) none of the Company SEC Reports contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. With respect to each annual report on Form 10-K and each quarterly report on Form 10-Q included in the Company SEC Reports, the principal executive officer and principal financial officer of the Company have made all certifications required by Rules 13a-14 and 15d-14 under the Exchange Act and Sections 302 and 906 of the Sarbanes-Oxley Act (each such required certification, a “Certification”), and the statements contained in each Certification are accurate and complete as of its date. For purposes of this Agreement, (A) “principal executive officer” and “principal financial officer” shall have the meanings given to such terms in the Sarbanes-Oxley Act and (B) the term “file” and variations thereof, when used in reference to the SEC, shall be broadly construed to include any manner in which any document or information is furnished, supplied or otherwise made available to the SEC. Company has disclosed, based on its most recent evaluation of internal control over financial reporting, to the Company's auditors and the audit committee of the Company's board of directors (A) any significant deficiency or material weakness in the design or operation of its internal control over financial reporting that is reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and (B) any fraud, whether or not material, that involves management or any other employee who has (or has had) a significant role in the Company's internal control over financial reporting; and (ii) "disclosure controls and procedures" (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) as required by the Exchange Act, and such disclosure controls and procedures are designed to provide reasonable assurances that all material information concerning the Inphi Entities is made known on a timely basis to the individuals responsible for the preparation of the Company's filings with the SEC and other public disclosure documents. The reserves reflected in such financial statements have been determined and established in accordance with GAAP and have been calculated in a consistent manner.

2.5 Absence of Changes. Between December 31, 2019 and the date of this Agreement, there has not been any Material Adverse Effect on the Company, and no event has occurred or circumstance has arisen that, in combination with any other events or circumstances, would reasonably be expected to have or result in a Material Adverse Effect on the Company. Between June 30, 2020 and the date of this Agreement, none of the Inphi Entities has taken any action, or authorized, approved, committed, agreed or offered to take any action, that if taken during the Pre-Closing Period would require Marvell's consent under Section 4.2(b)(iii), Section 4.2(b)(iv) (with respect to the Company itself), Section 4.2(b)(v), Section 4.2(b)(x), Section 4.2(b)(xi), Section 4.2(b)(xii), Section 4.2(b)(xv), Section 4.2(b)(xvi), Section 4.2(b)(xvii), Section 4.2(b)(xix) or Section 4.2(b)(xxi). Since December 31, 2019, there has not been any change in any Inphi Entity's sales patterns, pricing policies, accounts receivable or accounts payable or any "channel stuffing" or other sale method (including entering into any strategic purchase arrangement or providing any incentive (such as reduced pricing, extended payment terms or other similar incentives) designed to encourage accelerated purchases of Inphi Products) that would have, or would reasonably be expected to have, the effect of artificially increasing the Inphi Entities' consolidated revenues for fiscal year 2020.

2.6 Title to Assets. Except with respect to the Inphi Entities' real property (which is covered by Section 2.7) and with respect to the Inphi Entities' Intellectual Property Rights (which is covered by Section 2.8), the Inphi Entities own, and have good and valid title to, all assets purported to be owned by them that are material to the Inphi Entities, taken as a whole, including: (a) all such assets reflected on the Company Balance Sheet (except for inventory sold or otherwise disposed of in the ordinary course of business since the date of the Company

(All real property leased or subleased to the Inphi Entities, including all buildings, structures, fixtures and other improvements leased or subleased to the Inphi Entities, are referred to as the “Leased Real Property.”) Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on the Company: (i) the Inphi Entities have a valid and binding leasehold interest in each Leased Real Property pursuant to a Lease, free and clear of all Encumbrances, other than Permitted Encumbrances; (ii) all of the Leases are valid and in full force and effect; and (iii) to the Knowledge of the Company, there is no default or event which, with the passage of time, the giving of notice or both, would become a default by any party under any Lease. The Company has Made Available to Marvell accurate and complete copies of all Leases.

(b) Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on the Company, all of the buildings, fixtures, additions and other improvements to the Leased Real Property are adequate and suitable in all respects for the purpose of conducting the Inphi Entities’ business as presently conducted. There is no Legal Proceeding pending or, to the Knowledge of the Company, threatened in writing that materially adversely affects, or would materially adversely affect, the continuation of any Inphi Entity’s present use or operation of any Leased Real Property. To the Knowledge of the Company, there is no existing plan or study by any Governmental Body or any other Person that challenges or otherwise adversely affects the continuation of any Inphi Entity’s present use or operation of any Leased Real Property. The Company has not received any written notice of any condemnation proceedings relating to any Leased Real Property and, to the Knowledge of the Company, no condemnation proceedings relating to any Leased Real Property are pending or threatened in writing.

(h) Part 2.16(h) of the Company Disclosure Schedule contains an accurate and complete list, as of the date of this Agreement, of each material Inphi Employee Plan and each material Inphi Employee Agreement and separately identifies each material Foreign Inphi Plan. Except as required by this Agreement, or to the extent permitted pursuant to Section 4.2(b), none of the Inphi Entities intends, and none of the Inphi Entities has committed, to establish or enter into any new arrangement that would constitute an Inphi Employee Plan or Inphi Employee Agreement, or to materially modify any Inphi Employee Plan or Inphi Employee Agreement (except to conform any such Inphi Employee Plan or Inphi Employee Agreement to the requirements of any applicable Legal Requirements, in each case as previously disclosed to Marvell in writing). The Company has Made Available to Marvell, in each case, to the extent applicable: (i) accurate and complete copies of all documents setting forth the terms of each material Inphi Employee Plan and each material Inphi Employee Agreement, including all amendments thereto; (ii) the most recent summary plan description, together with summaries of the material modifications thereto, if any, required under ERISA with respect to each material Inphi Employee Plan; (iii) the most recently filed annual report (Form 5500 Series and all schedules and financial statements attached thereto), if any, required under ERISA or the Code in connection with each Inphi Employee Plan; (iv) the trust agreement, insurance Contract or other funding instrument, if any, with respect to each material Inphi Employee Plan; (v) all discrimination tests required under the Code for each Inphi Employee Plan intended to be qualified under Section 401(a) of the Code for the three most recent plan years; and (vi) the most recent IRS determination or opinion letter issued with respect to each Inphi Employee Plan intended to be qualified under Section 401(a) of the Code.

(i) Each Inphi Employee Plan has been established, maintained and operated in all material respects in accordance with its terms and in compliance in all material respects with all applicable Legal Requirements, including ERISA and the Code. Any Inphi Employee Plan intended to be qualified under Section 401(a) of the Code and each trust intended to be qualified under Section 501(a) of the Code has obtained a favorable determination letter (or opinion letter, if applicable) as to its qualified status under the Code and, to the Knowledge of the Company, no event has occurred since the date of the most recent determination that would reasonably be expected to adversely affect such qualification. Each Foreign Inphi Plan intended to qualify for special tax treatment satisfies all requirements for such treatment. No "prohibited transaction," within the meaning of Section 4975 of the Code or Sections 406 and 407 of ERISA, and not otherwise exempt under Section 408 of ERISA, has occurred with respect to any Inphi Employee Plan between the Company and such Inphi Employee Plan or, to the Knowledge of the Company, between any other Person and such Inphi Employee

Plan. Each Inphi Employee Plan that does not constitute a contract can be amended, terminated or otherwise discontinued after the Closing in accordance with its terms, without material Liability to HoldCo, the Marvell Entities, the Inphi Entities or any ERISA Affiliates (other than ordinary administration expenses). There is no audit, inquiry or Legal Proceeding pending or, to the Knowledge of the Company, threatened or reasonably anticipated by the IRS, DOL or any other Governmental Body with respect to any Inphi Employee Plan. None of the Inphi Entities or any ERISA Affiliate has ever incurred any material penalty or Tax with respect to any Inphi Employee Plan under Section 502(i) of ERISA or Sections 4975 through 4980 of the Code. Each of the Inphi Entities and ERISA Affiliates have timely made all contributions and other payments required by and due under the terms of each Inphi Employee Plan, except as would not result in material Liability and, to the extent not yet due, such contributions and other payments have been adequately accrued in the consolidated financial statements (including any related notes) contained or incorporated by reference in the Company SEC Reports. Each Foreign Inphi Plan that is required to be registered or approved by any Governmental Body under applicable Legal Requirements has been so registered or approved.

(j) None of the Inphi Entities, and none of their respective ERISA Affiliates, has ever maintained, established, sponsored, participated in, or contributed to, or been obligated to contribute to or has any Liability in respect of, any: (i) Inphi Pension Plan subject to Title IV of ERISA or Section 412 of the Code; (ii) “multiemployer plan” within the meaning of Section (3)(37) of ERISA; or (iii) plan described in Section 413 of the Code. No Inphi Employee Plan is or has been funded by, associated with or related to a “voluntary employee’s beneficiary association” within the meaning of Section 501(c)(9) of the Code. No Inphi Employee Plan subject to ERISA holds stock issued by the Company or any of its current ERISA Affiliates as a plan asset. The fair market value of the assets of each funded Foreign Inphi Plan, the Liability of each insurer for any Foreign Inphi Plan funded through insurance, or the book reserve established for any Foreign Inphi Plan, together with any accrued contributions, is sufficient to procure or provide in full for the accrued benefit obligations, with respect to all current and former participants in such Foreign Inphi Plan according to the reasonable actuarial assumptions and valuations most recently used to determine employer contributions to and obligations under such Foreign Inphi Plan, and none of the Contemplated Transactions will cause any such assets or insurance obligations to be less than such benefit obligations.

(k) No Inphi Employee Plan or Inphi Employee Agreement provides (except at no cost to the Inphi Entities or any Affiliate of any Inphi Entity), or reflects or represents any Liability of any of the Inphi Entities or any Affiliate of any Inphi Entity to provide, post-termination or retiree life insurance, post-termination or retiree health benefits (except for COBRA reimbursements pursuant to a severance agreement that do not continue for more than 18 months) or other post-termination or retiree employee welfare benefits to any Person for any reason, except as may be required by COBRA or other applicable Legal Requirements.

(l) Except as set forth in Part 2.16(l) of the Company Disclosure Schedule, and except as expressly required or provided by this Agreement, neither the execution of this Agreement nor the consummation of the Contemplated Transactions will (either alone or in combination with another event, whether contingent or otherwise): (i) result in any payment (whether of bonus, change in control, retention, severance pay or otherwise), acceleration, forgiveness of indebtedness, vesting, distribution, increase in benefits or obligation to fund benefits with respect to any Inphi Associate; or (ii) create any limitation or restriction on the right of any Inphi Entity to merge, amend or terminate any Inphi Employee Plan or Inphi Employee Agreement. Without limiting the generality of the foregoing, no amount payable to any Inphi Associate as a result of the execution and delivery of this Agreement or the consummation of any of the Contemplated Transactions (either alone or in combination with any other event) would be an “excess parachute payment” within the meaning of Section 280G or would be nondeductible under Section 280G of the Code. None of the Inphi Entities has any obligation to compensate any Inphi Associate for any Taxes incurred by such Inphi Associate under Section 4999 of the Code.

(m) Each Inphi Employee Plan, Inphi Employee Agreement or other Contract between any Inphi Entity and any Inphi Associate that is a “nonqualified deferred compensation plan” subject to Section 409A is and has at all times been administered in documentary and operational compliance with the requirements of Section 409A.

No Inphi Entity has any obligation to gross-up or otherwise reimburse any Inphi Associate for any tax incurred by such person pursuant to Section 409A.

(n) Each Inphi Entity is, and since May 1, 2020 has been, in compliance in all material respects with all applicable guidelines and requirements from the U.S. Centers for Disease Control and Prevention, the U.S. federal Occupational Safety and Health Administration, and all applicable non-U.S., state and local Governmental Bodies regarding COVID-19 safety precautions. If any employee of any Inphi Entity has tested positive for COVID-19, the Inphi Entities have taken all responsive action required under applicable Legal Requirements with respect to such employee, except as would not reasonably be expected to have or result in a material Liability to any Inphi Entity. Since March 1, 2020, no Inphi Entity has: (i) taken any material action adversely affecting the terms or conditions of employment of its current or former employees or other service providers related to the COVID-19 pandemic in any material respect, including implementing workforce reductions, terminations, furloughs, deferral of payment or providing compensation or benefits, or temporary or permanent reductions in compensation, benefits or working schedules or Inphi Employee Plans; or (ii) applied for or received any loan or deferred Tax, or claimed any Tax credit, under any applicable Legal Requirement or any directive issued by, or under any program implemented or sponsored by, any Governmental Body or public health agency in connection with the COVID-19 pandemic.

2.17 Environmental Matters.

(a) Except as would not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect on the Company, each of the Inphi Entities is, and since January 1, 2015 has been, in compliance in all material respects with, and is not subject to any material Liability under, all applicable Environmental Laws, including timely applying for, possessing, maintaining, and materially complying with the terms and conditions of all material Governmental Authorizations required under applicable Environmental Laws. To the Knowledge of the Company, none of the properties currently or formerly owned, leased or operated by any of the Inphi Entities contains any Hazardous Materials in amounts exceeding the levels allowed by, requiring investigation or remediation under, or otherwise permitted by, applicable Environmental Laws and that would reasonably be expected to result in a material Liability of any Inphi Entity.

(b) Since January 1, 2018, or earlier for matters that remain unresolved, none of the Inphi Entities has received any written notice or, to the Knowledge of the Company, other communication from any Person that alleges that any of the Inphi Entities is not in material compliance with, or has any material Liability under, any Environmental Law. Except as could not reasonably be expected to result in a material Liability to any Inphi Entity, there has been no Release at, on, under or from any Leased Real Property or any other property that is or was owned, operated or leased by any of the Inphi Entities or at any property or facility at which any Inphi Entity has arranged for the transportation, disposal or treatment of Hazardous Materials.

(c) The Company has Made Available to Marvell copies of all material environmental assessments, Governmental Authorizations, reports, audits and other material documents in the Inphi Entities' possession or under their control that relate to the Inphi Entities' compliance with or any Liability under any Environmental Law or the environmental condition of any real property that any of the Inphi Entities currently or formerly has owned, operated, or leased.

2.18 Insurance. The Company has Made Available to Marvell a copy of all material insurance policies and all material self-insurance programs and arrangements relating to the business, assets and operations of the Inphi Entities. Each of such insurance policies is in full force and effect, no written notice of a material default or termination has been received by any Inphi Entity in respect thereof and all premiums due thereon have been paid in full. Since January 1, 2019, none of the Inphi Entities has received any written notice or, to the Knowledge of the Company, other written communication regarding any: (a) cancellation or invalidation of any material insurance policy; (b) refusal of any coverage or rejection of any material claim under any insurance policy; or (c) material adjustment in the amount of the premiums payable with respect to any insurance policy.

2.19 Legal Proceedings; Orders.

(a) There is no Legal Proceeding pending, and, to the Knowledge of the Company, no Person has threatened to commence any Legal Proceeding, against or involving any Inphi Entity. None of the Legal Proceedings identified in Part 2.19(a) of the Company Disclosure Schedule has had or, if adversely determined, could reasonably be expected to have or result in, a Material Adverse Effect on the Company. To the Knowledge of the Company, no event has occurred, and no claim, dispute or other condition or circumstance exists, that could reasonably be expected, as of the date of this Agreement, to give rise to or serve as a basis for the commencement of any such Legal Proceeding.

(b) There is no Order to which any of the Inphi Entities, or any of the assets owned or used by any of the Inphi Entities, is subject that would reasonably be expected to, individually or in the aggregate, materially impact the business or operations of the Inphi Entities. To the Knowledge of the Company, no officer or other key employee of any of the Inphi Entities is subject to any Order that prohibits such officer or employee from performing such officer's or employee's duties or responsibilities as officers or employees of any of the Inphi Entities.

2.20 Authority; Binding Nature of Agreement. The Company has the necessary corporate power and authority to enter into and to perform its obligations under this Agreement and to consummate the Contemplated Transactions, subject, in the case of the consummation of the Delaware Merger, only to the adoption of this Agreement by the Required Company Stockholder Vote. The Company's board of directors (at a meeting duly called and held) has: (a) unanimously determined that the Delaware Merger is advisable and fair to, and in the best interests of, the Company and its stockholders; (b) unanimously authorized and approved the execution, delivery and performance of this Agreement by the Company and unanimously approved the Delaware Merger; (c) subject to any future Company Adverse Recommendation Change made in accordance with Section 5.2(f), unanimously recommended the adoption of this Agreement by the holders of Company Common Stock and directed that this Agreement be submitted for adoption by the Company's stockholders at the Company Stockholders' Meeting; and (d) to the extent necessary, adopted a resolution having the effect of causing the Company not to be subject to any state takeover law or similar Legal Requirement that might otherwise apply to the Delaware Merger or any of the other Contemplated Transactions. This Agreement has been duly executed and delivered by the Company and constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to the Enforceability Exceptions.

2.21 Takeover Statutes; No Rights Plan. Assuming the accuracy of Marvell's representations and warranties set forth in Section 3.16, the Company's board of directors has taken all actions necessary to ensure that the restrictions applicable to business combinations contained in Section 203 of the DGCL are, and will be, inapplicable to the execution, delivery and performance of this Agreement as it relates to the Delaware Merger. None of such actions by the Company's board of directors has been amended, rescinded or modified. There are no other "fair price," "moratorium," "control share acquisition," "business combination" or other similar anti-takeover statutes or regulations (each, a "Takeover Statute") in the United States applicable to this Agreement, as it relates to the Delaware Merger. The Company has no stockholder rights plan, "poison pill" or similar agreement or arrangement designed to have the effect of delaying, deferring or discouraging any Person from acquiring control of the Company.

2.22 No Existing Discussions. As of the date of this Agreement, none of the Inphi Entities, and no Representative of any of the Inphi Entities, is engaged, directly or indirectly, in any discussions or negotiations with any other Person relating to any Company Acquisition Proposal.

2.23 Vote Required. The affirmative vote of the holders of a majority of the shares of Company Common Stock outstanding on the record date for the Company Stockholders' Meeting (the "Required Company Stockholder Vote") is the only vote of the holders of any class or series of the Company's capital stock necessary to adopt this Agreement and approve the Merger.

2.24 Non-Contravention; Consents. Neither the execution, delivery or performance of this Agreement by the Company nor the consummation of the Delaware Merger or any of the other Contemplated Transactions, will directly or indirectly (with or without notice or lapse of time): (a) contravene, conflict with or result in a violation of any of the provisions of the certificate of incorporation, bylaws or other charter or organizational documents of any of the Inphi Entities; (b) contravene, conflict with or result in a violation of, or give any Governmental Body or other Person the right to challenge the Delaware Merger or any of the other Contemplated Transactions or to exercise any remedy or obtain any relief under, any Legal Requirement or any Order to which any of the Inphi Entities, or any of the assets owned or used by any of the Inphi Entities, is subject; (c) contravene, conflict with or result in a violation of any of the terms or requirements of, or give any Governmental Body the right to revoke, withdraw, suspend, cancel, terminate or modify, any Governmental Authorization that is held by any of the Inphi Entities or that otherwise relates to the business of any of the Inphi Entities or to any of the assets owned or used by any of the Inphi Entities; (d) contravene, conflict with or result in a material violation or breach of, or result in a default under, any provision of any Material Contract, or give any Person the right to: (i) declare a default or exercise any remedy under any Material Contract; (ii) a rebate, chargeback, penalty or change in delivery schedule under any Material Contract; (iii) accelerate the maturity or performance of any Material Contract; or (iv) cancel, terminate or modify any right, benefit, obligation or other term of any Material Contract; or (e) result in the imposition or creation of any Encumbrance upon or with respect to any asset owned or used by any of the Inphi Entities (except for minor liens that do not, individually or in the aggregate, adversely affect the value or use of such asset for its current and anticipated purposes in any material respect); except with respect to clauses “(b)” through “(e)” above, for any such contraventions, conflicts, violations, breaches, defaults or other occurrences that, individually or in the aggregate, would not reasonably be expected to be material to the Inphi Entities, taken as a whole. Except as may be required by the Securities Act, the Exchange Act, state securities or “blue sky” laws, the DGCL, the HSR Act, any foreign antitrust Legal Requirement, any Legal Requirement administered by any Requesting Authority, the Bermuda Companies Act or the Nasdaq Rules and listing standards, none of the Inphi Entities is, or will be, required to make any filing with or give any notice to, or to obtain any Consent from, any Person in connection with the execution, delivery or performance by the Company of this Agreement or the consummation of the Mergers or any of the other Contemplated Transactions by the Company, except as would not reasonably be expected to be, individually or in the aggregate, material to the Inphi Entities, taken as a whole. Except as may be required by the Securities Act, the Exchange Act, the DGCL, the HSR Act, any foreign antitrust Legal Requirement and the Nasdaq Rules and listing standards, none of the Inphi Entities was, is or will be required to make any filing with or give any notice to, or to obtain any Consent from, any Person in connection with (x) the execution, delivery or performance of this Agreement or (y) the consummation of the Mergers or any of the other Contemplated Transactions, except as would not reasonably be expected to be, individually or in the aggregate, material to the Inphi Entities, taken as a whole.

2.25 Fairness Opinion. The Company’s board of directors has received from Qatalyst Partners LP (“Qatalyst”), financial advisor to the Company, its opinion to the effect that, as of the date of its opinion, and based upon and subject to the various assumptions, qualifications, limitations and other matters set forth therein, the consideration to be received by the holders of Company Common Stock in the Delaware Merger pursuant to the terms of this Agreement is fair, from a financial point of view, to such holders (other than Marvell and its Affiliates) entitled to receive such consideration. The Company shall furnish a complete copy of such written opinion to Marvell as soon as practicable following the execution of this Agreement for informational purposes only, and the Company has received the consent of Qatalyst to include such opinion in the Joint Proxy Statement/Prospectus.

2.26 Advisors’ Fees. Except for Qatalyst, no broker, finder or investment banker is entitled to any brokerage, finder’s success, completion or similar fee or commission in connection with the Delaware Merger or any of the other Contemplated Transactions based upon arrangements made by or on behalf of any of the Inphi Entities. The Company has furnished to Marvell accurate and complete copies of all agreements under which any such fees, commissions or other amounts have been paid or may become payable and all indemnification and other agreements related to the engagement of Qatalyst.

2.27 Disclosure. None of the information supplied or to be supplied by or on behalf of the Company specifically for inclusion or incorporation by reference in the Form S-4 Registration Statement will, at the time the Form S-4 Registration Statement is filed with the SEC or at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. None of the information supplied or to be supplied by or on behalf of the Company specifically for inclusion or incorporation by reference in the Joint Proxy Statement/Prospectus will, at the time the Joint Proxy Statement/Prospectus is mailed to the stockholders of the Company or the shareholders of Marvell or at the time of the Company Stockholders' Meeting or the Marvell Shareholders' Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. The Joint Proxy Statement/Prospectus will comply as to form in all material respects with the provisions of the Exchange Act and the rules and regulations thereunder, except that no representation or warranty is made by the Company with respect to statements made or incorporated by reference therein based on information supplied by Marvell or HoldCo for inclusion or incorporation by reference in the Joint Proxy Statement/Prospectus.

3.1 Due Organization. Marvell is an exempted company validly existing and in good standing under the laws of Bermuda. HoldCo is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. Each of Marvell, HoldCo, Bermuda Merger Sub and Delaware Merger Sub is, to the extent required, duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary (to the extent such concept is recognized in such jurisdiction), except where the failure to be so duly qualified or licensed and in good standing would not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect on Marvell.

3.2 Organizational Documents. Marvell has Made Available to the Company accurate and complete copies of the certificate of incorporation, bylaws and other charter and organizational documents, including all amendments thereto through the date of this Agreement, of Marvell. Marvell has Made Available to the Company accurate copies of the final approved minutes of the meetings (including any actions taken by written consent without a meeting) of the holders of equity securities and board of directors (and to the extent applicable, each committee thereof) of Marvell for the period from December 31, 2018 through the date of this Agreement and such copies are complete and redacted only with respect to discussions of the Contemplated Transactions or other similar strategic transactions, and not with respect to any other matter. None of Marvell, HoldCo, Bermuda Merger Sub or Delaware Merger Sub is in violation of any of the provisions of its certificate of incorporation, memorandum of association, bye-laws or other charter or organizational documents, including all amendments

Other than HoldCo, none of Marvell’s Subsidiaries is required to file any documents with the SEC. As of the time it was filed with the SEC (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing): (i) each registration statement, proxy statement, Certification and other statement, report, schedule form and other document filed by Marvell with the SEC since February 3, 2018, and each amendment thereto (the “Marvell SEC Reports”), complied in all material respects with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act (as the case may be); and (ii) none of the Marvell SEC Reports contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. (c) Marvell maintains: (i) “internal control over financial reporting” (as defined in Rule 13a-15(f) of the Exchange Act) as required by the Exchange Act and, to the Knowledge of Marvell, Marvell has disclosed, based on its most recent evaluation of internal control over financial reporting, to Marvell’s auditors and the audit committee of Marvell’s board of directors or similar governing body (A) any significant deficiency or material weakness in the design or operation of its internal control over financial reporting that is reasonably likely to adversely affect Marvell’s ability to record, process, summarize and report financial information and (B) any fraud, whether or not material, that involves management or any other employee who has (or has had) a significant role in Marvell’s internal control over financial reporting; and (ii) “disclosure controls and procedures” (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) as required by the Exchange Act, and such disclosure controls and procedures are effective in all material respects to ensure that all material information concerning the Marvell Entities is made known on a timely basis to the individuals responsible for the preparation of Marvell’s filings with the SEC and other public disclosure documents. Marvell is in compliance in all material respects with the applicable listing and other rules and regulations of Nasdaq and, since January 1, 2018, has not received any notice from Nasdaq asserting any non-compliance with such rules and regulations.

(d) Marvell is in compliance in all material respects with the provisions of the Sarbanes-Oxley Act applicable to it. No Marvell Entity has outstanding, or has arranged any outstanding, “extension of credit” to any director or executive officer within the meaning of Section 402 of the Sarbanes-Oxley Act.

(e) Since February 2, 2019, there have been no changes in any of Marvell’s accounting policies or in the methods of making accounting estimates or changes in estimates that, individually or in the aggregate, are material to Marvell’s financial statements (including, any related notes thereto) contained in the Marvell SEC Reports, except as described in the Marvell SEC Reports or except as may have been permitted or required by any regulatory authority. The reserves reflected in such financial statements have been determined and established in accordance with GAAP and have been calculated in a consistent manner.

3.5 Absence of Changes. Between February 1, 2020 and the date of this Agreement: (a) there has not been any Material Adverse Effect on Marvell, and no event has occurred or circumstance has arisen that, in combination with any other events or circumstances, would reasonably be expected to have or result in a Material Adverse Effect on Marvell; (b) Marvell has not declared, accrued, set aside or paid any dividend, other than an ordinary quarterly dividend of \$0.06 per Marvell Common Share; and (c) there has been any change in any Marvell Entity’s sales patterns, pricing policies, accounts receivable or accounts payable or any “channel stuffing” or other sale method (including entering into any strategic purchase arrangement or providing any incentive (such as reduced pricing, extended payment terms or other similar incentives) designed to encourage accelerated purchases of Marvell Products) that would have, or would reasonably be expected to have, the effect of artificially increasing the Marvell Entities’ consolidated revenues in fiscal year 2021.

3.6 Intellectual Property.

(a) The Marvell Entities own all right, title and interest in and to the Marvell IP (other than Intellectual Property and Intellectual Property Rights licensed to the Marvell Entities) free and clear of any Encumbrances (except for Permitted Encumbrances), except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Marvell. To the Knowledge of Marvell, all Marvell IP that is Registered IP is subsisting, valid and enforceable (other than pending applications), in each case, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Marvell.

(b) To the Knowledge of Marvell, no Marvell Entity and no Marvell Product is currently infringing or otherwise violating any Intellectual Property Right of any other Person or, at any time since October 1, 2014, has infringed or otherwise violated any Intellectual Property Right of any other Person, in each case, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Marvell.

3.10 Tax Consequences. No Marvell Entity has taken any action, and neither Marvell nor HoldCo has any Knowledge of any fact, agreement, plan or other circumstance, that would reasonably be expected to preclude (a) the Bermuda Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code or (b) the Mergers, taken together, from qualifying as a transaction described in Section 351 of the Code.

3.11 Environmental Matters. Except as would not, individually or in the aggregate, have a Material Adverse Effect on Marvell: (a) each of the Marvell Entities is, and since February 2, 2019 has been, in compliance with all applicable Environmental Laws, including timely applying for, possessing, maintaining and complying with the terms and conditions of all material Governmental Authorizations required under applicable Environmental Laws; and (b) between February 2, 2019 (or earlier for matters that remain unresolved) and the date of this Agreement, none of the Marvell Entities has received any written notice or, to the Knowledge of Marvell, other written communication from any Governmental Body that alleges that any of the Marvell Entities is not in material compliance with, or has any material liability under, any Environmental Law.

3.13 Authority; Binding Nature of Agreement.

(a) Each of Marvell, HoldCo, Bermuda Merger Sub and Delaware Merger Sub has the necessary corporate power and authority to enter into and to perform its obligations under this Agreement and to consummate the Contemplated Transactions, subject to: (i) the approval of this Agreement, the Statutory Merger Agreement and the Bermuda Merger by the Required Marvell Shareholder Vote; (ii) the adoption of this Agreement by Marvell in its capacity as sole stockholder of HoldCo; (iii) the approval of this Agreement, the Statutory Merger Agreement and the Bermuda Merger by HoldCo in its capacity as sole shareholder of Bermuda Merger Sub; and (iv) the adoption of this Agreement by HoldCo in its capacity as sole stockholder of Delaware Merger Sub. The execution and delivery of this Agreement by Marvell, HoldCo, Bermuda Merger Sub and Delaware Merger Sub and the consummation by Marvell, HoldCo, Bermuda Merger Sub and Delaware Merger Sub of the Contemplated Transactions have been duly authorized by all necessary corporate action on the part of Marvell, HoldCo, Bermuda Merger Sub and Delaware Merger Sub, other than: (A) the approval of this Agreement, the Statutory Merger Agreement and the Bermuda Merger by the Required Marvell Shareholder Vote, and executing and delivering the Statutory Merger Agreement and filing the Bermuda Merger Application with the Registrar pursuant to the Bermuda Companies Act; (B) the adoption of this Agreement by Marvell in its capacity as sole stockholder of HoldCo; (C) the approval of this Agreement, the Statutory Merger Agreement and the Bermuda Merger by HoldCo in its capacity as sole shareholder of Bermuda Merger Sub; and (D) the adoption of this Agreement by HoldCo in its capacity as sole stockholder of Delaware Merger Sub. (b) The board of directors of Marvell, as of the date of this Agreement, has unanimously: (i) determined that the consideration payable pursuant to Section 1.7(a)(iii) constitutes fair value for each Marvell

Common Share in accordance with the Bermuda Companies Act; (ii) determined that the Delaware Merger Consideration constitutes fair value for each share of Company Common Stock in accordance with the Bermuda Companies Act; (iii) determined that the Bermuda Merger, on the terms and subject to the conditions set forth in this Agreement, is fair to, and in the best interests of, Marvell; (iv) approved the Bermuda Merger, this Agreement and the Statutory Merger Agreement; (v) approved the Marvell Bye-Law Amendment; and (vi) resolved, subject to Section 5.3(f), to recommend approval of the Bermuda Merger, this Agreement, the Statutory Merger Agreement and the Marvell Bye-Law Amendment to Marvell's shareholders (the recommendation described in clause "(vi)" above being referred to as the "Marvell Board Recommendation").

3.14 Vote Required. The Required Marvell Shareholder Vote is the only vote of Marvell's shareholders that is necessary to approve this Agreement, the Statutory Merger Agreement and the Bermuda Merger.

3.15 Non-Contravention; Consents. Neither the execution, delivery or performance of this Agreement by Marvell, HoldCo, Bermuda Merger Sub or Delaware Merger Sub, nor the consummation of the Bermuda Merger by Marvell, Bermuda Merger Sub and HoldCo, the Delaware Merger by Delaware Merger Sub and HoldCo, or any of the other Contemplated Transactions, will directly or indirectly (with or without notice or lapse of time): (a) contravene, conflict with or result in a violation of any of the provisions of the certificate of incorporation, memorandum of association, bye-laws or other charter or organizational documents of Marvell, HoldCo, Bermuda Merger Sub or Delaware Merger Sub; or (b) contravene or conflict with or result in a violation of any Legal Requirement or any order, writ, injunction, judgment or decree to which Marvell, HoldCo, Bermuda Merger Sub or Delaware Merger Sub is subject, except for any such contraventions, conflicts, violations or other occurrences that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Marvell. Except as may be required by the Securities Act, the Exchange Act, state securities or "blue sky" laws, the DGCL, the HSR Act, any foreign antitrust Legal Requirement, any Legal Requirement administered by any Requesting Authority, the Bermuda Companies Act or the Nasdaq Rules and listing standards, and except as would not reasonably be expected to have a Material Adverse Effect on Marvell, Marvell is not required to make any filing with or give any notice to, or to obtain any Consent from, any Governmental Body in connection with the execution, delivery or performance by Marvell, HoldCo, Bermuda Merger Sub or Delaware Merger Sub of this Agreement or the consummation of the Mergers or any of the other Contemplated Transactions by Marvell, HoldCo, Bermuda Merger Sub or Delaware Merger Sub.

3.16 Stock Ownership. None of Marvell, HoldCo, Bermuda Merger Sub or Delaware Merger Sub beneficially owns (as such term is used in Rule 13d-3 under the Exchange Act) any shares of Company Common Stock or any options, warrants or other rights to acquire shares of Company Common Stock or other securities of, or any other economic interest (through derivatives, securities or otherwise) in, the Company.

3.17 Capitalization and Operations of HoldCo, Delaware Merger Sub and Bermuda Merger Sub. All of the issued and outstanding shares of HoldCo and Delaware Merger Sub, and all of the issued and outstanding share capital of Bermuda Merger Sub, are as of the date of this Agreement, and immediately prior to the Bermuda Merger Effective Time will be, owned by Marvell or a direct or indirect wholly owned Subsidiary of Marvell. Each of HoldCo, Bermuda Merger Sub and Delaware Merger Sub was formed solely for the purpose of engaging in the Contemplated Transactions and none of HoldCo, Bermuda Merger Sub or Delaware Merger Sub has conducted any material business prior to the date of this Agreement or has material assets, material liabilities or material obligations of any nature, other than those incident to its formation and those incurred pursuant to or in connection with this Agreement, the Mergers, the Debt Financing and the other Contemplated Transactions.

3.18 Financing.

(a) Marvell has delivered to the Company accurate and complete copies of (i) the executed 364-day bridge facility commitment letter, dated as of the date of this Agreement (the "Bridge Commitment Letter"), by and between Marvell and JPMorgan Chase Bank, N.A. ("JPMorgan") and (ii) the executed facilities commitment letter, dated as of the date of this Agreement (the "Term Loan Commitment Letter") and together with the Bridge

Commitment Letter, the “Debt Commitment Letters”), by and between Marvell and JPMorgan, pursuant to which the Financing Sources have committed, subject to the terms thereof, to lend initially to Marvell or, after the Closing Date, HoldCo, the amounts set forth therein for purposes of funding the Contemplated Transactions on the Closing Date (the debt financing contemplated by the Debt Commitment Letters, including, for purposes of Section 5.18, any offering of debt securities contemplated by the Debt Commitment Letters, being collectively referred to as the “Debt Financing”). Marvell has also delivered to the Company accurate and complete copies of any fee letters with any Financing Source (redacted solely to the extent necessary to mask the fees payable to the Financing Sources in respect of the Debt Financing, the rates and amounts included in the “market flex” provisions and other economic terms that would not reasonably be expected to adversely affect the enforceability, conditionality or availability of, or the aggregate amount available under, the Debt Financing) relating to the Debt Commitment Letters (any such fee letter, a “Fee Letter”).

(b) Assuming (i) the Debt Financing is funded in accordance with the Debt Commitment Letters, (ii) the Company’s compliance with its covenants and obligations contained in this Agreement such that the condition set forth in Section 6.2 would be satisfied, (iii) the accuracy, as of the Closing Date, of the representations and warranties made by the Company in this Agreement as if made on and as of the Closing Date such that the conditions set forth in Section 6.1 would be satisfied and (iv) the satisfaction or waiver of each of the conditions set forth in Section 6 and Section 7, the aggregate net proceeds from the Debt Financing when funded in accordance with the Debt Commitment Letters, together with all other sources of cash or other financing sources available to Marvell and HoldCo, will be sufficient for the satisfaction of all of HoldCo’s payment obligations under this Agreement, including payment when due of the cash consideration payable pursuant to Section 1.7(c)(iii), and all costs and expenses of the Contemplated Transactions which become due or payable by HoldCo, Marvell, the Surviving Bermuda Company, the Surviving Delaware Corporation or any Inphi Entity in connection with the Mergers, and any repayment or refinancing of indebtedness contemplated by the Debt Commitment Letters (collectively, the “Financing Uses”).

(c) As of the date of this Agreement, each Debt Commitment Letter is in full force and effect. As of the date of this Agreement, the Debt Commitment Letters have not been withdrawn, terminated or rescinded, the commitment amount set forth in each Debt Commitment Letter has not been reduced, and, except as permitted by Section 5.18, the Debt Commitment Letters have not otherwise been amended, supplemented or modified and Marvell has not received any written communications from any of the Financing Sources that would make the foregoing untrue. Each Debt Commitment Letter (i) is a legal, valid and binding obligation of Marvell, enforceable against Marvell in accordance with its terms, subject to the Enforceability Exceptions, and (ii), to the knowledge of Marvell, is a legal, valid and binding obligation of the Financing Sources, enforceable against the Financing Sources in accordance with its terms, subject to the Enforceability Exceptions. As of the date of this Agreement, there are no conditions precedent or other contingencies related to the funding of the full amount of the Debt Financing, other than as expressly set forth in the Debt Commitment Letters. Marvell has paid in full any and all commitment fees or other fees and amounts owed in connection with the Debt Commitment Letters that are due and payable on or prior to the date of this Agreement and has satisfied all other terms required to be satisfied as of the date of this Agreement. As of the date of this Agreement, there are no side letters or other agreements, contracts, understandings or arrangements of any kind relating to the Debt Commitment Letters or the Fee Letters that would reasonably be expected to affect the availability of the Debt Financing. As of the date of this Agreement, assuming (A) the Company’s compliance with its covenants and obligations contained in this Agreement such that the condition set forth in Section 6.2 would be satisfied, (B) the accuracy, as of the Closing Date, of the representations and warranties made by the Company in this Agreement as if made on and as of the Closing Date such that the conditions set forth in Section 6.1 would be satisfied and (C) the satisfaction or waiver of each of the conditions set forth in Section 6 and Section 7, (1) no event has occurred which (with or without notice, lapse of time or both) would constitute a default or breach or failure to satisfy a condition by Marvell or, to the knowledge of Marvell, any other party thereto, under the terms of the Debt Commitment Letters and (2) Marvell has no knowledge of any facts that would result in any of the conditions to the Debt Financing set forth in the Debt Commitment Letters not being satisfied by Marvell or HoldCo on or prior to the Closing Date.

3.19 Solvency. Assuming (a) the representations and warranties contained in Section 2 are accurate as of the date of this Agreement and will be accurate as of the Closing Date as if made on and as of the Closing Date (in each case, disregarding all “Material Adverse Effect” and other materiality and similar qualifications limiting the scope of such representations and warranties), (b) the satisfaction of all of the conditions contained in Section 6, (c) that any pro forma financial statements, estimates, projections or forecasts of the Inphi Entities were prepared in good faith and were and continue to be based on reasonable assumptions and (d) immediately prior to the Delaware Merger Effective Time, the Inphi Entities are Solvent (substituting references to “HoldCo” in such definition with references to the “Company”), immediately following the Closing, after giving effect to the Contemplated Transactions, HoldCo and its Subsidiaries (including the Surviving Bermuda Company and the Surviving Delaware Corporation), taken as a whole, will be Solvent. As used herein, “Solvent” means, with respect to HoldCo and its Subsidiaries, taken as a whole, immediately following the Closing, that: (i) the fair value of the property of HoldCo and its Subsidiaries, taken as a whole, immediately following the Closing is greater than the total amount of liabilities, including, contingent liabilities, of HoldCo and its Subsidiaries, taken as a whole, immediately following the Closing; (ii) the present fair salable value of the assets of HoldCo and its Subsidiaries, taken as a whole, immediately following the Closing is not less than the amount that will be required to pay the probable liability of HoldCo and its Subsidiaries, taken as a whole, on their debts as they become absolute and matured; (iii) immediately following the Closing, HoldCo and its Subsidiaries, taken as a whole, do not have outstanding debts or liabilities beyond their ability to pay such debts and liabilities as they mature; and (iv) immediately following the Closing, HoldCo and its Subsidiaries, taken as a whole, are not engaged in a business or a transaction, and are not proposing to engage in a business or a transaction, for which HoldCo’s and its Subsidiaries’ property, taken as a whole, would constitute an unreasonably small amount of capital. The amount of contingent liabilities at any time shall be computed under this Section 3.19 as the amount that, in the light of all the facts and circumstances existing immediately following the Closing, is probable to become an actual or matured liability.

3.20 Fairness Opinion. Marvell’s board of directors has received the written opinion of J.P. Morgan Securities LLC (“J.P. Morgan Securities”), financial advisor to Marvell, dated the date of this Agreement, to the effect that, as of such date, and based upon and subject to the assumptions, limitations, qualifications and other matters considered in the preparation thereof, the Delaware Merger Consideration to be paid to the holders of Company Common Stock pursuant to this Agreement is fair from a financial point of view to Marvell. Marvell has received the consent of J.P. Morgan Securities to include such opinion in the Joint Proxy Statement/Prospectus.

3.21 Advisors’ Fees. Except for J.P. Morgan Securities, no Person is entitled to any brokerage, finder’s, success, completion or similar fee or commission in connection with the Mergers or any of the other Contemplated Transactions based upon arrangements made by or on behalf of any of the Marvell Entities.

3.22 Disclosure. None of the information to be supplied by or on behalf of Marvell or HoldCo specifically for inclusion in the Form S-4 Registration Statement will, at the time the Form S-4 Registration Statement becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. None of the information to be supplied by or on behalf of Marvell or HoldCo specifically for inclusion in the Joint Proxy Statement/Prospectus will, at the time the Joint Proxy Statement/Prospectus is mailed to the stockholders of the Company or the shareholders of Marvell or at the time of the Company Stockholders’ Meeting or the Marvell Shareholders’ Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. The Joint Proxy Statement/Prospectus will comply as to form in all material respects with the provisions of the Exchange Act and the rules and regulations promulgated thereunder, except that no representation or warranty is made by Marvell, HoldCo, Delaware Merger Sub or Bermuda Merger Sub with respect to statements made or incorporated by reference therein based on information supplied by any Inphi Entity for inclusion or incorporation by reference in the Joint Proxy Statement/Prospectus.

Section 4. CERTAIN COVENANTS OF THE COMPANY AND MARVELL

4.1 Access and Investigation.

(a) During the Pre-Closing Period, the Company shall, and shall ensure that each of the other Inphi Entities and its and their respective Representatives: (i) provide Marvell and Marvell's Representatives with reasonable access to the Inphi Entities' personnel, properties and assets and to all existing books, records, Tax Returns, auditor work papers (subject to entering into a customary non-reliance agreement reasonably acceptable to such auditor) and other documents and information relating to the Inphi Entities; and (ii) provide Marvell and Marvell's Representatives with such copies of the existing books, records, Tax Returns, auditor work papers and other documents and information relating to the Inphi Entities, and with such additional financial, operating and other data and information regarding the Inphi Entities, in each case, as Marvell may reasonably request for purposes reasonably related to the facilitation or consummation of any of the Contemplated Transactions, in each case, upon reasonable advance notice during normal business hours and in such a manner so as not to unreasonably interfere with the normal business operations of the Inphi Entities. Notwithstanding the foregoing: (A) nothing in this Section 4.1(a) shall require any Inphi Entity or its Representatives to disclose any information to Marvell or Marvell's Representatives if such disclosure would violate any applicable law or any confidentiality agreement with a third party to which any Inphi Entity is a party as of the date of this Agreement, or jeopardize the attorney-client privilege, work product doctrine or other legal privilege held by any Inphi Entity; and (B) if any Inphi Entity does not provide or cause its Representatives to provide such access or such information in reliance on clause "(A)" of this sentence, then the Company shall promptly (and in any event within two Business Days after such Inphi Entity determines that it will not provide or cause its Representatives to provide such access or such information) provide a written notice to Marvell stating that it is withholding such access or such information and stating the justification therefor, and shall use commercially reasonable efforts to provide the applicable information in a way that would not violate such law or such confidentiality agreement, or jeopardize such privilege.

(b) The Confidentiality Agreement shall remain in full force and effect in accordance with its terms until the Delaware Merger Effective Time, except that the Marvell Entities' obligations under Sections 7 and 8 thereof shall terminate upon the execution and delivery of this Agreement.

(vi) make any capital expenditure or incur any obligation or liability in respect thereof in excess of the amount budgeted for such expenditure in the Company's capital expenditure budget set forth in Part 4.2(b)(vi) of the Company Disclosure Schedule, except that the Inphi Entities may make unbudgeted capital expenditures that, when added to all other unbudgeted capital expenditures made by or on behalf of the Inphi Entities during the Pre-Closing Period, do not exceed \$2,000,000 in the aggregate;

(xvii) (A) commence any Legal Proceeding or (B) settle any Legal Proceeding, other than: (1) routine collection matters in the ordinary course of business and consistent with past practices; (2) settlements providing for money damages payable by an Inphi Entity of less than \$100,000 (and no other relief of any nature), involving no finding or admission of any wrongdoing on the part of any Inphi Entity (or any of its Representatives or current or future Affiliates) and including a complete and unconditional release by all plaintiffs and all related parties in favor of the Inphi Entities (and their respective current and future Affiliates, Representatives, successors and assigns) from all liabilities and obligations with respect to all claims at issue in such Legal Proceeding; and (3) settlements entered into in accordance with Section 5.15;

(xviii) waive, relinquish, abandon, forfeit, permit to lapse, terminate or cancel any Intellectual Property Right (other than immaterial Intellectual Property Rights in connection with the exercise of the reasonable business judgment of the Company in the ordinary course of business and consistent with past practices) or take any action or fail to take any action if the taking of or failure to take such action will, or could reasonably be expected to, result in any of the foregoing;

(xix) enter into any Contract covering any Inphi Associate or make any payment to any Inphi Associate that, considered individually or collectively with any other such Contracts or payments, will or would reasonably be expected to be characterized as a “parachute payment” within the meaning of Section 280G(b)(2) of the Code or give rise directly or indirectly to the payment of any amount that would not be deductible pursuant to Section 162(m) of the Code (or any comparable provision under U.S. state or local or non-U.S. Tax Legal Requirements);

(xx) convene any special meeting of the Company’s stockholders, except in accordance with Section 5.2;

(xxi) other than in the ordinary course of business, transfer or repatriate to the U.S. cash, cash equivalents or liquid short-term or long-term investments held outside the U.S. if any material U.S. withholding or income Taxes would be incurred in connection with such transfer or repatriation;

(xxii) become party to or approve or adopt any stockholder rights plan or “poison pill” agreement or similar takeover protection;

(xxiv) authorize, approve, agree, commit or offer to take any of the actions described in clauses “(i)” through “(xxiii)” of this Section 4.2(b).

Notwithstanding the foregoing, Marvell will not unreasonably withhold, delay or condition its consent to the taking of: (1) any action prohibited by clause “(v)(A),” “(vi),” “(vii),” “(x),” “(xi),” “(xiv),” “(xv)(A),” “(xv)(C),” “(xvi),” “(xvii)(B),” “(xxi)” or “(xxiii)” above; or (2) any action prohibited by clause “(xxiv)” above (to the extent relating to clause “(v)(A),” “(vi),” “(vii),” “(x),” “(xi),” “(xiv),” “(xv)(A),” “(xv)(C),” “(xvi),” “(xvii)(B),” “(xxi)” or “(xxiii)” above). Marvell acknowledges and agrees that nothing contained in this Section 4.2(b) shall give Marvell the right to control or direct the operations of the Company within the meaning of applicable antitrust laws. If the Company expects to rely on clause “(w)” of this Section 4.2(b) to take, or permit any other Inphi Entity to take, any action that would otherwise be prohibited by this Section 4.2(b), then at least three Business Days before such action is taken, the Company shall deliver a written notice to Marvell stating that the Company intends to take or permit the taking of such action and specifying the Legal Requirement requiring the taking of such action.

(c) During the Pre-Closing Period, except (w) as may be required by applicable Legal Requirements, (x) with the prior written consent of the Company (which shall not be unreasonably withheld, conditioned or

delayed), (y) as expressly contemplated by this Agreement or (z) as set forth in Part 4.2(c) of the Marvell Disclosure Schedule:

(i) Marvell shall not, and shall not permit HoldCo to, amend its certificate of incorporation or bylaws (or equivalent organizational documents) in any manner that would prohibit or hinder, impede or delay in any material respect the Mergers or the consummation of the other Contemplated Transactions or have a material and adverse impact on the value of Marvell Common Shares or HoldCo Common Stock;

(ii) Marvell shall not pay any cash dividends or make any other cash distributions to its shareholders, except that Marvell may, without being deemed to have breached this covenant, declare and pay to its shareholders, at any time during each fiscal quarter, a cash dividend in an amount not to exceed \$0.06 per share;

(iii) Marvell shall not, and shall not permit HoldCo to, adopt a plan of complete or partial liquidation, dissolution, bankruptcy restructuring or other similar reorganization;

(iv) Marvell shall not, and shall not permit its Subsidiaries to, (A) consummate, or enter into or publicly announce a definitive agreement to consummate, a Marvell Acquisition Transaction, or (B) acquire, or enter into or publicly announce a definitive agreement to acquire, any corporation, partnership, limited partnership or other business or division thereof (whether by merger, amalgamation, consolidation or other business combination, purchase of assets, purchase of shares, tender offer or exchange offer or similar transaction) if, in the case of each of clauses “(A)” and “(B)” above, taking such action would be expected (as of the time such action is taken) to (1) prevent or materially delay the Closing, or (2) cause any of the conditions set forth in Section 6 not to be satisfied by the End Date (as it may be extended in accordance with Section 8.1(b)), it being understood that, for purposes of this clause “(iv),” all references to “15%” in the definition of “Marvell Acquisition Transaction” shall be deemed to be references to “50%”; and

(v) Marvell shall not authorize, agree, commit or offer to take any of the actions described in clauses “(i)” through “(iii)” of this Section 4.2(c).

If Marvell expects to rely on clause “(w)” of this Section 4.2(c) to take, or permit any other Marvell Entity to take, any action that would otherwise be prohibited by this Section 4.2(c), then at least three Business Days before such action is taken, Marvell shall deliver a written notice to the Company stating that Marvell intends to take or permit the taking of such action and specifying the Legal Requirement requiring the taking of such action.

(d) During the Pre-Closing Period, the Company shall promptly notify Marvell in writing of any material Legal Proceeding or material claim threatened, commenced or asserted against any of the Inphi Entities.

4.3 No Solicitation by the Company.

(a) Subject to Section 4.3(b), the Company shall not, and shall ensure that the other Inphi Entities and its and their respective Representatives do not, in each case, directly or indirectly: (i) solicit, initiate, knowingly encourage, knowingly induce or knowingly facilitate the making, submission or announcement of any Company Acquisition Proposal or Company Acquisition Inquiry (including by approving any transaction, or approving any Person (other than Marvell and its Affiliates) becoming an “interested stockholder,” for purposes of Section 203 of the DGCL); (ii) furnish or otherwise provide access to any information regarding any of the Inphi Entities to any Person in connection with or in response to a Company Acquisition Proposal or Company Acquisition Inquiry; (iii) engage in discussions or negotiations with any Person with respect to any Company Acquisition Proposal or Company Acquisition Inquiry (other than, solely in response to an unsolicited inquiry, to refer the inquiring Person to this Section 4.3(a) and to limit its discussion exclusively to such referral); (iv) approve, endorse or recommend any Company Acquisition Proposal; (v) enter into any letter of intent, memorandum of understanding, agreement in principle or similar document or any Contract contemplating or otherwise relating to a Company Acquisition Transaction (other than a confidentiality agreement entered into pursuant to, and in compliance with, clause “(iv)(B)” of Section 4.3(b)); or (vi) resolve or publicly propose to take any of the actions

or do any of the other things described in clauses “(i)” through “(v)” of this sentence; *provided, however*, that (x) nothing in this Section 4.3(a) shall prohibit the Company or its Representatives from contacting in writing, on a single occasion, any Person who, following the date of this Agreement and prior to the adoption of this Agreement by the Required Company Stockholder Vote, made an unsolicited Company Acquisition Proposal to the Company (that has not been withdrawn), solely to ask such Person, and to request from such Person a written response to, questions for the purpose of clarifying (and not for the purpose of engaging, directly or indirectly, in any discussions or negotiations of any sort regarding) the material terms of such Company Acquisition Proposal, (y) simultaneously with sending any written communication to such Person, the Company shall deliver to Marvell a copy of such written communication, and (z) promptly (and in any event within 24 hours) after receiving any communication from such Person, the Company shall deliver to Marvell a copy of such communication.

(b) Notwithstanding anything to the contrary contained in Section 4.3(a), but subject to Section 4.3(c), prior to the adoption of this Agreement by the Required Company Stockholder Vote, the Company may furnish non-public information regarding the Inphi Entities to, and may enter into discussions or negotiations with, any Person in response to an unsolicited, bona fide, written Company Acquisition Proposal that is made to the Company after the date of this Agreement by such Person (and not withdrawn) if: (i) none of the Inphi Entities and none of their respective Representatives shall have breached any of the restrictions or other provisions set forth in this Section 4.3 in a manner that led to such Company Acquisition Proposal; (ii) the Company’s board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the Company’s outside legal counsel, that such Company Acquisition Proposal constitutes or would reasonably be expected to lead to a Company Superior Offer; (iii) the Company’s board of directors determines in good faith, after having taken into account the advice of the Company’s outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary obligations to the Company’s stockholders under applicable Delaware law; (iv) at least 24 hours prior to furnishing any such non-public information to, or entering into discussions or negotiations with, such Person, the Company (A) gives Marvell written notice of the identity of such Person and of the Company’s intention to furnish non-public information to, or enter into discussions or negotiations with, such Person and (B) the Company receives from such Person, and delivers to Marvell a copy of, an executed confidentiality agreement containing (1) customary limitations on the use and disclosure of all non-public written and oral information furnished to such Person by or on behalf of any of the Inphi Entities, (2) “non-solicitation” provisions, no less favorable to the Company than the “non-solicitation” provisions contained in the Confidentiality Agreement, prohibiting the solicitation by such Person and its Affiliates and Representatives of employees of any of the Inphi Entities for a period of at least one year, (3) “standstill” provisions, no less favorable to the Company than the “standstill” provisions contained in the Confidentiality Agreement and (4) other provisions no less favorable to the Company than the provisions of the Confidentiality Agreement as in effect immediately prior to the execution of this Agreement (it being understood that, for purposes of this clause “(B)” only, the amendment to the Confidentiality Agreement referred to in Section 4.1(b) shall be disregarded); and (v) at least 24 hours prior to furnishing any non-public information to such Person, the Company furnishes such non-public information to Marvell (to the extent such non-public information has not been previously furnished by the Company to Marvell).

(c) If the Company, any other Inphi Entity or any Representative of any Inphi Entity receives a Company Acquisition Proposal, a Company Acquisition Inquiry or any request for non-public information at any time during the Pre-Closing Period, then the Company shall promptly (and in no event later than 24 hours after receipt of such Company Acquisition Proposal, Company Acquisition Inquiry or request) (i) advise Marvell orally and in writing of such Company Acquisition Proposal, Company Acquisition Inquiry or request (including the identity of the Person making or submitting such Company Acquisition Proposal, Company Acquisition Inquiry or request and the material terms and conditions thereof), and (ii) provide Marvell with copies of all documents and communications received by any Inphi Entity or any Representative of any Inphi Entity setting forth the terms and conditions of, or otherwise relating to, such Company Acquisition Proposal, Company Acquisition Inquiry or request. The Company shall: (A) keep Marvell fully informed, on a reasonably current basis, with respect to the status of any such Company Acquisition Proposal, Company Acquisition Inquiry or

request and any modification or proposed modification thereto; (B) promptly (and in no event later than 24 hours after transmittal or receipt of any correspondence or communication) provide Marvell with a copy of all material correspondence and written communications (and a summary of any significant oral communications) between any Inphi Entity or any Representative of any Inphi Entity, on the one hand, and the Person that made or submitted such Company Acquisition Proposal, Company Acquisition Inquiry or request or any Representative of such Person, on the other hand, relating to such Company Acquisition Proposal, Company Acquisition Inquiry or request; and (C) provide Marvell with 48 hours' prior notice (or such lesser prior notice as is provided to the members of the board of directors of the Company) of any meeting of the board of directors of the Company at which the board is expected to consider providing non-public information to, or entering into discussions or negotiations with, any Person in connection with any Company Acquisition Proposal or Company Acquisition Inquiry.

(d) The Company shall, and shall ensure that each of the other Inphi Entities shall, and shall use its reasonable best efforts to cause the Inphi Entities' respective Representatives to: (i) immediately cease and cause to be terminated any existing solicitation, encouragement or assistance of, or discussions or negotiations with, any Person relating to any Company Acquisition Proposal or Company Acquisition Inquiry; and (ii) require each Person that has executed a confidentiality or similar agreement (that remains in effect) in connection with such Person's consideration of a possible Company Acquisition Proposal or investment in any Inphi Entity to return or destroy all confidential information previously furnished to such Person by or on behalf of any of the Inphi Entities and prohibit any Person (other than the Marvell Entities and their Representatives) from having access to any physical or electronic data room set up in response to or in connection with any actual or contemplated Company Acquisition Proposal or Company Acquisition Inquiry.

(e) The Company: (i) agrees that it will not, and it shall ensure that none of the other Inphi Entities will, release or permit the release of any Person from, or amend, waive or permit the amendment or waiver of any provision of, any confidentiality, non-solicitation, no-hire, "standstill" or similar agreement or provision to which any of the Inphi Entities is or becomes a party or under which any of the Inphi Entities has or acquires any rights; and (ii) will use its reasonable best efforts to enforce or cause to be enforced each such agreement or provision at the request of Marvell; *provided, however*, that the Company may release a Person from, or amend or waive any provision of, any "standstill" agreement or provision if (A) the Company's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of the Company's outside legal counsel, that the failure to release such Person from such agreement or provision or the failure to amend such agreement or waive such provision would be inconsistent with its fiduciary obligations to the Company's stockholders under applicable Delaware law, and (B) the Company provides Marvell with written notice of the Company's intent to take such action at least two Business Days before taking such action.

(f) The Company acknowledges and agrees that any action taken by any Representative of any Inphi Entity acting or purporting to act on behalf of any of the Inphi Entities which, if taken by the Company, would constitute a breach of any provision set forth in this Section 4.3 or in Section 5.2 shall be deemed to constitute a breach of such provision by the Company.

4.4 No Solicitation by Marvell.

(a) Subject to Section 4.4(b), Marvell shall not, and shall ensure that the other Marvell Entities and its and their respective Representatives do not, in each case, directly or indirectly: (i) solicit, initiate, knowingly encourage, knowingly induce or knowingly facilitate the making, submission or announcement of any Disruptive Marvell Acquisition Proposal; (ii) furnish or otherwise provide access to any information regarding any of the Marvell Entities to any Person in connection with or in response to a Disruptive Marvell Acquisition Proposal; (iii) engage in discussions or negotiations with any Person with respect to any Disruptive Marvell Acquisition Proposal (other than, solely in response to an unsolicited inquiry, to refer the inquiring Person to this Section 4.4(a) and to limit its discussion exclusively to such referral); (iv) approve, endorse or recommend any

Disruptive Marvell Acquisition Proposal; (v) enter into any letter of intent, memorandum of understanding, agreement in principle or similar document or any Contract contemplating or otherwise relating to a Marvell Acquisition Transaction (other than a confidentiality agreement entered into pursuant to, and in compliance with, clause “(iv)(B)” of Section 4.4(b)) that is expressly conditioned on the termination of this Agreement; or (vi) resolve or publicly propose to take any of the actions or do any of the other things described in clauses “(i)” through “(v)” of this sentence; *provided, however*, that (x) nothing in this Section 4.4(a) shall prohibit Marvell or its Representatives from contacting in writing, on a single occasion, any Person who, following the date of this Agreement and prior to the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote, made an unsolicited Disruptive Marvell Acquisition Proposal to Marvell (that has not been withdrawn), solely to ask such Person, and to request from such Person a written response to, questions for the purpose of clarifying (and not for the purpose of engaging, directly or indirectly, in any discussions or negotiations of any sort regarding) the material terms of such Disruptive Marvell Acquisition Proposal, (y) simultaneously with sending any written communication to such Person, Marvell shall deliver to the Company a copy of such written communication, and (z) promptly (and in any event within 24 hours) after receiving any communication from such Person, Marvell shall deliver to the Company a copy of such communication.

(b) Notwithstanding anything to the contrary contained in Section 4.4(a), but subject to Section 4.4(c), prior to the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote, Marvell may furnish non-public information regarding the Marvell Entities to, and may enter into discussions or negotiations with, any Person in response to an unsolicited, bona fide, written Disruptive Marvell Acquisition Proposal that is made to Marvell after the date of this Agreement by such Person (and not withdrawn) if: (i) none of the Marvell Entities and none of their respective Representatives shall have breached any of the restrictions or other provisions set forth in this Section 4.4 in a manner that led to such Disruptive Marvell Acquisition Proposal; (ii) Marvell’s board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation (which, for the avoidance of doubt, shall include J.P. Morgan Securities) and Marvell’s outside legal counsel, that such Disruptive Marvell Acquisition Proposal constitutes or would reasonably be expected to lead to a Disruptive Marvell Superior Offer; (iii) Marvell’s board of directors determines in good faith, after having taken into account the advice of Marvell’s outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary obligations to Marvell’s shareholders under applicable Bermuda law; and (iv) at least 24 hours prior to furnishing any such non-public information to, or entering into discussions or negotiations with, such Person, Marvell (A) gives the Company written notice of the identity of such Person and of Marvell’s intention to furnish non-public information to, or enter into discussions or negotiations with, such Person and (B) Marvell receives from such Person, and delivers to the Company a copy of, an executed confidentiality agreement containing (1) customary limitations on the use and disclosure of all non-public written and oral information furnished to such Person by or on behalf of any of the Marvell Entities, and (2) other provisions no less favorable to Marvell than the provisions of the Confidentiality Agreement as in effect immediately prior to the execution of this Agreement.

(c) If Marvell, any other Marvell Entity or any Representative of any Marvell Entity receives a Disruptive Marvell Acquisition Proposal at any time during the Pre-Closing Period, then Marvell shall promptly (and in no event later than 24 hours after receipt of such Disruptive Marvell Acquisition Proposal) (i) advise the Company orally and in writing of such Disruptive Marvell Acquisition Proposal (including the identity of the Person making or submitting such Disruptive Marvell Acquisition Proposal and the material terms and conditions thereof), and (ii) provide the Company with copies of all documents and communications received by any Marvell Entity or any Representative of any Marvell Entity setting forth the terms and conditions of, or otherwise relating to, such Disruptive Marvell Acquisition Proposal. Marvell shall: (A) keep the Company fully informed, on a reasonably current basis, with respect to the status of any such Disruptive Marvell Acquisition Proposal and any modification or proposed modification thereto; (B) promptly (and in no event later than 24 hours after transmittal or receipt of any correspondence or communication) provide the Company with a copy of all material correspondence and written communications (and a summary of any significant oral communications) between any Marvell Entity or any Representative of any Marvell Entity, on the one hand, and the Person that made or submitted such Disruptive Marvell Acquisition Proposal or any Representative of such Person, on the other hand,

relating to such Disruptive Marvell Acquisition Proposal; and (C) provide the Company with 48 hours' prior notice (or such lesser prior notice as is provided to the members of the board of directors of Marvell) of any meeting of the board of directors of Marvell at which the board is expected to consider providing non-public information to, or entering into discussions or negotiations with, any Person in connection with any Disruptive Marvell Acquisition Proposal.

(d) Marvell acknowledges and agrees that any action taken by any Representative of any Marvell Entity acting or purporting to act on behalf of any of the Marvell Entities which, if taken by Marvell, would constitute a breach of any provision set forth in this Section 4.4 or in Section 5.3 shall be deemed to constitute a breach of such provision by Marvell.

(e) Nothing in this Section 4.4 or elsewhere in this Agreement shall restrict or otherwise limit in any way the ability of Marvell (i) to solicit, or enter into discussions or negotiations with any Person relating to, any proposal to merge with, or acquire all or a portion of the shares or assets of, Marvell or its Subsidiaries that does not constitute a Disruptive Marvell Acquisition Proposal or (ii) to consider, pursue, negotiate, enter into any agreement relating to or consummate a Marvell Acquisition Transaction that is not the subject of a Disruptive Marvell Acquisition Proposal.

Section 5. ADDITIONAL COVENANTS OF THE PARTIES

5.1 Registration Statement; Joint Proxy Statement/Prospectus.

(a) As promptly as practicable after the date of this Agreement, Marvell and the Company shall prepare and cause to be filed with the SEC the Joint Proxy Statement/Prospectus in preliminary form and Marvell shall prepare and cause HoldCo to file with the SEC the Form S-4 Registration Statement, in which the Joint Proxy Statement/Prospectus will be included. Each of Marvell and the Company shall use their reasonable best efforts to: (i) cause the Form S-4 Registration Statement and the Joint Proxy Statement/Prospectus to comply with the applicable forms, rules and regulations promulgated by the SEC; (ii) to promptly notify the other Principal Party of, cooperate with each other with respect to and respond promptly to any comments of the SEC or its staff; and (iii) have the Form S-4 Registration Statement declared effective under the Securities Act as promptly as practicable after it is filed with the SEC. Marvell will use its reasonable best efforts to cause the Joint Proxy Statement/Prospectus to be mailed to Marvell's shareholders, and the Company will use its reasonable best efforts to cause the Joint Proxy Statement/Prospectus to be mailed to the Company's stockholders, as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act. The Company shall promptly furnish to Marvell all information concerning the Inphi Entities and the Company's Affiliates, officers, directors and stockholders that may be required or reasonably requested in connection with any action contemplated by this Section 5.1. In addition, the Company shall use its reasonable best efforts to: (A) provide interim financial statements of the Inphi Entities (including footnotes) that are required by the Securities Act to be included in the Form S-4 Registration Statement that have been reviewed by the Company's independent registered public accounting firm; (B) provide management's discussion and analysis of interim and annual consolidated financial statements; (C) cause the Company's independent registered public accounting firm to consent to the inclusion or incorporation by reference of the audit reports on the annual audited consolidated financial statements of the Company included in the Form S-4 Registration Statement; (D) provide information necessary to prepare selected financial data with respect to the Company as required by the Securities Act; and (E) provide information concerning the Company necessary to enable Marvell and the Company to prepare required pro forma financial statements and related footnotes, in each case, to the extent reasonably necessary to permit HoldCo to prepare the Form S-4 Registration Statement.

(b) If the Company or Marvell becomes aware of any information that should be disclosed in an amendment or supplement to the Form S-4 Registration Statement or the Joint Proxy Statement/Prospectus, then such party shall: (i) promptly inform the other Principal Party thereof; (ii) provide the other Principal Party (and its counsel) with a reasonable opportunity to review and comment on any amendment or supplement to the Form S-4 Registration Statement or the Joint Proxy Statement/Prospectus prior to it being filed with the SEC;

(iii) provide the other Principal Party with a copy of such amendment or supplement promptly after it is filed with the SEC; and (iv) if mailing is appropriate, cooperate in mailing such amendment or supplement to the stockholders of the Company or the shareholders of Marvell.

(c) Prior to the Bermuda Merger Effective Time, HoldCo, Marvell and the Company shall use their respective reasonable best efforts to take all other action required to be taken under the Securities Act (and the rules and regulations of the SEC promulgated thereunder), the Exchange Act (and the rules and regulations of the SEC promulgated thereunder) or under any applicable state securities or “blue sky” laws (and the rules and regulations promulgated thereunder) in connection with the issuance, exchange and listing of HoldCo Common Stock to be issued in the Mergers, except that neither Marvell nor HoldCo shall be required to qualify to do business in any jurisdiction in which it is not now so qualified or file a general consent to service of process in any jurisdiction.

5.2 Company Stockholders’ Meeting.

(a) The Company: (i) shall take all action necessary under all applicable Legal Requirements to call, give notice of and hold a meeting of the holders of Company Common Stock (the “Company Stockholders’ Meeting”) to vote on a proposal to adopt this Agreement as promptly as reasonably practicable after the date of this Agreement; (ii) shall submit such proposal to such holders at the Company Stockholders’ Meeting and shall use its reasonable best efforts to solicit proxies in favor of such proposal from such holders before the Company Stockholders’ Meeting; and (iii) shall not submit any other proposal, other than a “say on pay” proposal related to the Mergers, to such holders in connection with the Company Stockholders’ Meeting without the prior written consent of Marvell, which consent shall not be unreasonably withheld if the submission of such other proposal is required by an applicable Legal Requirement. The Company, in consultation with Marvell, shall set a record date for Persons entitled to notice of, and to vote at, the Company Stockholders’ Meeting and shall not change such record date without the prior written consent of Marvell. The Company Stockholders’ Meeting shall be held (on a date jointly designated by the Company and Marvell) as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act. The Company shall ensure that all proxies solicited by or on behalf of the Company in connection with the Company Stockholders’ Meeting are solicited in compliance with all applicable Legal Requirements.

(b) Notwithstanding anything to the contrary contained in this Agreement: (i) the Company shall not postpone or adjourn the Company Stockholders’ Meeting without the prior written consent of Marvell, other than (A) to the extent necessary to comply with applicable Legal Requirements, including to ensure that any supplement or amendment to the Joint Proxy Statement/Prospectus that is required by applicable Legal Requirements is properly disclosed to the Company’s stockholders or (B) to the extent necessary to obtain a quorum if, as of the time at which the Company Stockholders’ Meeting is scheduled, there are insufficient shares of Company Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Company Stockholders’ Meeting; and (ii) the Company shall postpone or adjourn the Company Stockholders’ Meeting up to two times for up to 30 days each time if Marvell reasonably requests such postponement or adjournment in order to permit the solicitation of additional proxies in favor of the adoption of this Agreement (but not to a date later than five Business Days prior to the End Date, as it may be extended in accordance with Section 8.1(b)). The Company shall use its reasonable best efforts during any such postponement or adjournment to solicit and obtain such proxies in favor of the adoption of this Agreement as soon as reasonably practicable.

(c) Subject to applicable Legal Requirements: (i) the Company shall cooperate with Marvell and use its reasonable best efforts to cause the Company Stockholders’ Meeting to be held on the same date as, and prior to, the Marvell Shareholders’ Meeting; and (ii) if, notwithstanding such efforts, the Marvell Shareholders’ Meeting is held prior to the Company Stockholders’ Meeting, the Company shall use its reasonable best efforts to cause the Company Stockholders’ Meeting to be held as promptly as reasonably practicable following the date of the Marvell Shareholders’ Meeting.

(d) Unless there is a Company Adverse Recommendation Change made in accordance with Section 5.2(f), the Joint Proxy Statement/Prospectus shall include a statement to the effect that the Company's board of directors unanimously: (i) determined and believes that this Agreement and the Delaware Merger are advisable and fair to and in the best interests of the Company and its stockholders; (ii) approved this Agreement and the Contemplated Transactions, including the Delaware Merger, in accordance with the requirements of the DGCL; and (iii) recommends that the Company's stockholders vote to adopt this Agreement at the Company Stockholders' Meeting (the determination described in clause "(i)" above and the recommendation described in clause "(iii)" above being collectively referred to as the "Company Board Recommendation"). The Company shall ensure that the Joint Proxy Statement/Prospectus includes the opinion of the financial advisor referred to in Section 2.25.

(e) Except as provided in Section 5.2(f), neither the Company's board of directors nor any committee thereof shall: (i) withdraw or modify in a manner adverse to Marvell, or permit the withdrawal or the modification in a manner adverse to Marvell of, the Company Board Recommendation (it being understood and agreed that the Company Board Recommendation will be deemed to have been modified by the Company's board of directors in a manner adverse to Marvell if, following a meeting of the Company's board of directors, the Company Board Recommendation is no longer unanimous and such fact is publicly disclosed) (any action described in this clause "(i)" being referred to as a "Company Adverse Recommendation Change"); (ii) recommend the approval, acceptance or adoption of, or approve, endorse, accept or adopt, any Company Acquisition Proposal; (iii) approve or recommend, or cause or permit any Inphi Entity to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar document or Contract contemplating or otherwise relating to a Company Acquisition Transaction, other than a confidentiality agreement referred to in clause "(iv) (B)" of Section 4.3(b); or (iv) resolve, agree or publicly propose, or permit any Inphi Entity or any Representative of any Inphi Entity to agree or publicly propose, to take any of the actions referred to in this Section 5.2(e).

(f) Notwithstanding anything to the contrary contained in Section 5.2(e), at any time prior to the adoption of this Agreement by the Required Company Stockholder Vote:

(i) the Company's board of directors may make a Company Adverse Recommendation Change and/or cause the Company to terminate this Agreement in accordance with Section 8.1(j) and, concurrently with such termination, approve, and cause the Company to enter into, a Specified Company Acquisition Agreement in accordance with, and subject to compliance with, the provisions of Section 8.1(j) if (and only if): (A) an unsolicited, bona fide, written Company Acquisition Proposal is made to the Company after the date of this Agreement and is not withdrawn; (B) the Company's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation (which, for the avoidance of doubt, shall include Qatalyst) and the advice of the Company's outside legal counsel, that such Company Acquisition Proposal constitutes a Company Superior Offer; (C) the Company's board of directors determines that, in light of such Company Superior Offer, the failure to make a Company Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(j) in order to accept such Company Superior Offer would be inconsistent with its fiduciary obligations to the Company's stockholders under applicable Delaware law; (D) no less than four Business Days prior to making such Company Adverse Recommendation Change or terminating this Agreement pursuant to Section 8.1(j) in order to accept such Company Superior Offer, the Company's board of directors delivers to Marvell a written notice (a "Company Recommendation Change Notice") (1) stating that the Company has received a Company Superior Offer that did not result from a breach of any of the provisions of Section 4.3, (2) stating that the Company's board of directors intends to make a Company Adverse Recommendation Change as a result of such Company Superior Offer (and describing the intended Company Adverse Recommendation Change) or intends to terminate this Agreement pursuant to Section 8.1(j) in order to accept such Company Superior Offer, (3) specifying the material terms and conditions of such Company Superior Offer, including the identity of the Person making such Company

Superior Offer and (4) attaching copies of the most current and complete draft of any Contract relating to such Company Superior Offer and all other documents and communications relating to such Company Superior Offer; (E) for four Business Days after receipt by Marvell of such Company Recommendation Change Notice, the Company's board of directors has not made a Company Adverse Recommendation Change and the Company has not attempted to terminate this Agreement pursuant to Section 8.1(j); (F) throughout such four Business Day period, the Company engages (to the extent requested by Marvell) in good faith negotiations with Marvell to amend this Agreement in such a manner that the failure to make a Company Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(j) in order to accept such Company Superior Offer would not be inconsistent with the fiduciary obligations of the Company's board of directors to the Company's stockholders under applicable Delaware law; and (G) at the time of such Company Adverse Recommendation Change or the termination of this Agreement pursuant to Section 8.1(j) in order to accept such Company Superior Offer, the Company's board of directors determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation (which, for the avoidance of doubt, shall include Qatalyst) and the advice of the Company's outside legal counsel, that the failure to make a Company Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(j) in order to accept such Company Superior Offer would still be inconsistent with the fiduciary obligations of the Company's board of directors to the Company's stockholders under applicable Delaware law in light of such Company Superior Offer; *provided, however*, that when making such determination, the Company's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed by Marvell in writing as a result of the negotiations required by clause "(F)" above; or

(ii) the Company's board of directors may make a Company Adverse Recommendation Change if: (A) there shall arise after the date of this Agreement a material event, material development or material change in circumstances that relates to and is material to the Inphi Entities, taken as a whole (but does not relate to any Company Acquisition Proposal), and such material event, material development or material change in circumstances (1) was not known, and was not reasonably foreseeable, by any of the Inphi Entities on the date of this Agreement (or if known, the consequences of which were not known, and were not reasonably foreseeable, by any of the Inphi Entities on the date of this Agreement), (2) did not result from or arise out of the announcement or pendency of, or any action required to be taken (or to be refrained from being taken) pursuant to, this Agreement, and (3) becomes known to the Company's board of directors prior to the adoption of this Agreement by the Required Company Stockholder Vote (any such material event, material development or material change in circumstances being referred to as a "Company Change in Circumstances"); (B) the Company provides Marvell, at least 48 hours (or such lesser prior notice as is provided to the members of the board of directors of the Company) prior to any meeting of the Company's board of directors at which such board of directors is expected to consider and determine whether such Company Change in Circumstances may require the Company's board of directors to make a Company Adverse Recommendation Change, with a written notice specifying the date and time of such meeting, the reasons for holding such meeting and a reasonably detailed description of such Company Change in Circumstances; (C) the Company's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of the Company's outside legal counsel, that, in light of such Company Change in Circumstances, the failure to make a Company Adverse Recommendation Change would be inconsistent with its fiduciary obligations to the Company's stockholders under applicable Delaware law; (D) no less than four Business Days prior to making a Company Adverse Recommendation Change, the Company's board of directors delivers to Marvell a written notice (1) stating that a Company Change in Circumstances has arisen, (2) stating that it intends to make a Company Adverse Recommendation Change in light of such Company Change in Circumstances and describing the intended Company Adverse Recommendation Change and (3) containing a reasonably detailed description of such Company Change in Circumstances; (E) throughout such four Business Day period, the Company engages (to the extent requested by Marvell) in good faith negotiations with Marvell to amend this Agreement in such a manner that the failure to make a Company Adverse Recommendation Change would not be inconsistent with the fiduciary obligations of the Company's board

of directors to the Company's stockholders under applicable Delaware law in light of such Company Change in Circumstances; and (F) at the time of making such Company Adverse Recommendation Change, the Company's board of directors determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of the Company's outside legal counsel, that the failure to make a Company Adverse Recommendation Change would still be inconsistent with the fiduciary obligations of the Company's board of directors to the Company's stockholders under applicable Delaware law in light of such Company Change in Circumstances; *provided, however*, that when making such determination, the Company's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed by Marvell in writing as a result of the negotiations required by clause "(E)" above.

For purposes of clause "(i)" of this Section 5.2(f), any change in the form or amount of the consideration payable in connection with a Company Superior Offer, and any other material change to any of the terms of a Company Superior Offer, will be deemed to be a new Company Superior Offer, requiring a new Company Recommendation Change Notice and a new advance notice period, except that the advance notice period applicable to any such change to a Company Superior Offer pursuant to clause "(i)(D)" of this Section 5.2(f) shall be two Business Days rather than four Business Days, and the negotiation period in clause "(i)(E)" of this Section 5.2(f) shall be two Business Days rather than four Business Days. The Company shall ensure that any withdrawal or modification of the Company Board Recommendation does not have the effect of causing any corporate Takeover Statute of the State of Delaware or any other state to be applicable to this Agreement or any of the Contemplated Transactions.

(g) Nothing contained in this Section 5.2 or elsewhere in this Agreement shall prohibit the Company from: (i) taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act; or (ii) making any disclosure to its stockholders if the Company's board of directors determines in good faith, after having taken into account the advice of the Company's outside legal counsel, that the failure to do so would be inconsistent with its fiduciary obligations to the Company's stockholders under applicable Delaware law; *provided, however*, that this Section 5.2(g) shall not be deemed to permit the Company's board of directors to make a Company Adverse Recommendation Change or take any of the actions referred to in clause "(ii)" or clause "(iv)" of Section 5.2(e) except to the extent permitted by Section 5.2(f) (it being understood and agreed that any disclosure of the type described in this Section 5.2(g), other than a "stop, look and listen" communication or similar communication of the type contemplated by Section 14d-9(f) of the Exchange Act, shall be deemed to be a Company Adverse Recommendation Change unless the Company's board of directors publicly and unanimously reaffirms the Company Board Recommendation in such disclosure).

(h) Subject to the Company's right to terminate this Agreement in accordance with Section 8.1(j), the Company's obligation to call, give notice of and hold the Company Stockholders' Meeting in accordance with Section 5.2(a) shall not be limited or otherwise affected by the making, commencement, disclosure, announcement or submission of any Company Superior Offer or other Company Acquisition Proposal, by any Company Change in Circumstances or by any withdrawal or modification of the Company Board Recommendation. Without limiting the generality of the foregoing, the Company agrees that unless this Agreement is terminated in accordance with Section 8.1, the Company shall not submit any Company Acquisition Proposal to a vote of its stockholders.

5.3 Marvell Shareholders' Meeting.

(a) Marvell: (i) shall take all action necessary under all applicable Legal Requirements to call, give notice of and hold a meeting of the holders of Marvell Common Shares (the "Marvell Shareholders' Meeting") to vote on a proposal to approve the Marvell Bye-Law Amendment (the "Marvell Bye-Law Proposal") and a proposal to approve this Agreement, the Statutory Merger Agreement and the Bermuda Merger (the "Marvell Merger Proposal") as promptly as reasonably practicable after the date of this Agreement; (ii) shall submit the

Marvell Bye-Law Proposal and the Marvell Merger Proposal to such holders at the Marvell Shareholders' Meeting and shall use its reasonable best efforts to solicit proxies in favor of the Marvell Bye-Law Proposal and the Marvell Merger Proposal from such holders before the Marvell Shareholders' Meeting; and (iii) shall not submit any other proposal, other than a "say on pay" proposal related to the Mergers, to such holders at the Marvell Shareholders' Meeting that is not related to the approval or consummation of any of the Contemplated Transactions without the prior written consent of the Company, which consent shall not be unreasonably withheld if the submission of such other proposal is required by an applicable Legal Requirement. The Marvell Bye-Law Proposal shall appear first on the proxy card in the Joint Proxy Statement/Prospectus ahead of the Marvell Merger Proposal. Marvell, in consultation with the Company, shall set a record date for Persons entitled to notice of, and to vote at, the Marvell Shareholders' Meeting and shall not change such record date without first consulting with the Company. The Marvell Shareholders' Meeting shall be held as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act. Marvell shall ensure that all proxies solicited by or on behalf of Marvell in connection with the Marvell Shareholders' Meeting are solicited in compliance with all applicable Legal Requirements.

(b) Notwithstanding anything to the contrary contained in this Agreement: (i) Marvell shall not postpone or adjourn the Marvell Shareholders' Meeting without the consent of the Company, other than (A) to the extent necessary to comply with applicable Legal Requirements, including to ensure that any supplement or amendment to the Joint Proxy Statement/Prospectus that is required by applicable Legal Requirements is properly disclosed to Marvell's shareholders, (B) to the extent necessary to obtain a quorum if, as of the time at which the Marvell Shareholders' Meeting is scheduled, there are insufficient Marvell Common Shares represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Marvell Shareholders' Meeting or (C) to the extent necessary to ensure that Marvell's shareholders do not vote on the Marvell Merger Proposal until at least four hours after the time as of which the Company Stockholders' Meeting (including any adjournments and postponements thereof) has been held and completed and the Company's stockholders have taken a final vote on a proposal to adopt this Agreement; and (ii) Marvell shall postpone or adjourn the Marvell Shareholders' Meeting up to two times for up to 30 days each time if the Company reasonably requests such postponement or adjournment in order to permit the solicitation of additional proxies in favor of the Marvell Bye-Law Proposal and the Marvell Merger Proposal (but not to a date later than five Business Days prior to the End Date, as it may be extended in accordance with Section 8.1(b)). Marvell shall use its reasonable best efforts during any such postponement or adjournment to solicit and obtain such proxies in favor of the Marvell Bye-Law Proposal and the Marvell Merger Proposal as soon as reasonably practicable.

(c) Subject to applicable Legal Requirements: (i) Marvell shall cooperate with the Company and use its reasonable best efforts to cause the Marvell Shareholders' Meeting to be held after the Company Stockholders' Meeting on the same date as the Company Stockholders' Meeting; and (ii) if, notwithstanding such efforts, the Company Stockholders' Meeting is held on a date prior to the date on which the Marvell Shareholders' Meeting is held, Marvell shall use its reasonable best efforts to cause the Marvell Shareholders' Meeting to be held as promptly as reasonably practicable following the date of the Company Stockholders' Meeting.

(d) Unless there is a Marvell Adverse Recommendation Change made in accordance with Section 5.3(f), the Joint Proxy Statement/Prospectus shall include the Marvell Board Recommendation. Marvell shall ensure that the Joint Proxy Statement/Prospectus includes the opinion of the financial advisor referred to in Section 3.20.

(e) Except as provided in Section 5.3(f), neither Marvell's board of directors nor any committee thereof shall: (i) withdraw or modify in a manner adverse to the Company, or permit the withdrawal or the modification in a manner adverse to the Company of, the Marvell Board Recommendation (it being understood and agreed that the Marvell Board Recommendation will be deemed to have been modified by Marvell's board of directors in a manner adverse to the Company if, following a meeting of Marvell's board of directors, the Marvell Board Recommendation is no longer unanimous and such fact is publicly disclosed) (any action described in this clause

“(i)” being referred to as a “Marvell Adverse Recommendation Change”); (ii) recommend the approval, acceptance or adoption of, or approve, endorse, accept or adopt, any Disruptive Marvell Acquisition Proposal; (iii) approve or recommend, or cause or permit any Marvell Entity to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar document or Contract contemplating or otherwise relating to a Marvell Acquisition Transaction (other than a confidentiality agreement referred to in clause “(iv)(B)” of Section 4.4(b)) that is expressly conditioned on the termination of this Agreement; or (iv) resolve, agree or publicly propose, or permit any Marvell Entity or any Representative of any Marvell Entity to agree or publicly propose, to take any of the actions referred to in this Section 5.3(e).

(f) Notwithstanding anything to the contrary contained in Section 5.3(e), at any time prior to the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote:

(i) Marvell’s board of directors may make a Marvell Adverse Recommendation Change and/or cause Marvell to terminate this Agreement in accordance with Section 8.1(k) and, concurrently with such termination, approve, and cause Marvell to enter into, a Specified Marvell Acquisition Agreement in accordance with, and subject to compliance with, the provisions of Section 8.1(k) if (and only if): (A) an unsolicited, bona fide, written Disruptive Marvell Acquisition Proposal is made to Marvell after the date of this Agreement and is not withdrawn; (B) Marvell’s board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Marvell’s outside legal counsel, that such Disruptive Marvell Acquisition Proposal constitutes a Disruptive Marvell Superior Offer; (C) Marvell’s board of directors determines that, in light of such Disruptive Marvell Superior Offer, the failure to make a Marvell Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(k) in order to accept such Disruptive Marvell Superior Offer would be inconsistent with its fiduciary obligations to Marvell’s shareholders under applicable Bermuda law; (D) no less than four Business Days prior to making such Marvell Adverse Recommendation Change or terminating this Agreement pursuant to Section 8.1(k) in order to accept such Disruptive Marvell Superior Offer, Marvell’s board of directors delivers to the Company a written notice (a “Marvell Recommendation Change Notice”) (1) stating that Marvell has received a Disruptive Marvell Superior Offer that did not result from a breach of any of the provisions of Section 4.4, (2) stating that Marvell’s board of directors intends to make a Marvell Adverse Recommendation Change as a result of such Disruptive Marvell Superior Offer (and describing the intended Marvell Adverse Recommendation Change) or intends to terminate this Agreement pursuant to Section 8.1(k) in order to accept such Disruptive Marvell Superior Offer, (3) specifying the material terms and conditions of such Disruptive Marvell Superior Offer, including the identity of the Person making such Disruptive Marvell Superior Offer and (4) attaching copies of the most current and complete draft of any Contract relating to such Disruptive Marvell Superior Offer and all other documents and communications relating to such Disruptive Marvell Superior Offer; (E) for four Business Days after receipt by the Company of such Marvell Recommendation Change Notice, Marvell’s board of directors has not made a Marvell Adverse Recommendation Change and Marvell has not attempted to terminate this Agreement pursuant to Section 8.1(k); (F) throughout such four Business Day period, Marvell engages (to the extent requested by the Company) in good faith negotiations with the Company to amend this Agreement in such a manner that the failure to make a Marvell Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(k) in order to accept such Disruptive Marvell Superior Offer would not be inconsistent with the fiduciary obligations of Marvell’s board of directors to Marvell’s shareholders under applicable Bermuda law; and (G) at the time of such Marvell Adverse Recommendation Change or the termination of this Agreement pursuant to Section 8.1(k) in order to accept such Disruptive Marvell Superior Offer, Marvell’s board of directors determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Marvell’s outside legal counsel, that the failure to make a Marvell Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(k) in order to accept such Disruptive Marvell Superior Offer would still be inconsistent with the fiduciary obligations of Marvell’s board of directors to Marvell’s shareholders under applicable Bermuda

law in light of such Disruptive Marvell Superior Offer; *provided, however*, that when making such determination, Marvell's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed by the Company in writing as a result of the negotiations required by clause "(F)" above; or

(ii) Marvell's board of directors may make a Marvell Adverse Recommendation Change if: (A) there shall arise after the date of this Agreement a material event, material development or material change in circumstances that relates to and is material to the Marvell Entities, taken as a whole (but does not relate to any Disruptive Marvell Acquisition Proposal), and such material event, material development or material change in circumstances (1) was not known, and was not reasonably foreseeable, by any of the Marvell Entities on the date of this Agreement (or if known, the consequences of which were not known, and were not reasonably foreseeable, by any of the Marvell Entities on the date of this Agreement), (2) did not result from or arise out of the announcement or pendency of, or any action required to be taken (or to be refrained from being taken) pursuant to, this Agreement, and (3) becomes known to Marvell's board of directors prior to the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote (any such material event, material development or material change in circumstances being referred to as a "Marvell Change in Circumstances"); (B) Marvell provides the Company, at least 48 hours (or such lesser prior notice as is provided to the members of the board of directors of Marvell) prior to any meeting of Marvell's board of directors at which such board of directors is expected to consider and determine whether such Marvell Change in Circumstances may require Marvell's board of directors to make a Marvell Adverse Recommendation Change, with a written notice specifying the date and time of such meeting, the reasons for holding such meeting and a reasonably detailed description of such Marvell Change in Circumstances; (C) Marvell's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Marvell's outside legal counsel, that, in light of such Marvell Change in Circumstances, the failure to make a Marvell Adverse Recommendation Change would be inconsistent with its fiduciary obligations to Marvell's shareholders under applicable Bermuda law; (D) no less than four Business Days prior to making a Marvell Adverse Recommendation Change, Marvell's board of directors delivers to the Company a written notice (1) stating that a Marvell Change in Circumstances has arisen, (2) stating that it intends to make a Marvell Adverse Recommendation Change in light of such Marvell Change in Circumstances and describing the intended Marvell Adverse Recommendation Change and (3) containing a reasonably detailed description of such Marvell Change in Circumstances; (E) throughout such four Business Day period, Marvell engages (to the extent requested by the Company) in good faith negotiations with the Company to amend this Agreement in such a manner that the failure to make a Marvell Adverse Recommendation Change would not be inconsistent with the fiduciary obligations of Marvell's board of directors to Marvell's shareholders under applicable Bermuda law in light of such Marvell Change in Circumstances; and (F) at the time of making such Marvell Adverse Recommendation Change, Marvell's board of directors determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Marvell's outside legal counsel, that the failure to make a Marvell Adverse Recommendation Change would still be inconsistent with the fiduciary obligations of Marvell's board of directors to Marvell's shareholders under applicable Bermuda law in light of such Marvell Change in Circumstances; *provided, however*, that when making such determination, Marvell's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed by the Company in writing as a result of the negotiations required by clause "(E)" above.

(g) Nothing contained in this Section 5.3 or elsewhere in this Agreement shall prohibit Marvell from: (i) taking and disclosing to its shareholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act; or (ii) making any disclosure to its shareholders if Marvell's board of directors determines in good faith, after having taken into account the advice of Marvell's outside legal counsel, that the failure to do so would be inconsistent with its fiduciary obligations to Marvell and Marvell's shareholders under applicable Bermuda law; *provided, however*, that this Section 5.3(g) shall not be deemed to permit Marvell's board of directors to make a Marvell Adverse Recommendation Change or take any of the actions referred to in

clause “(ii)” or clause “(iv)” of Section 5.3(e) except to the extent permitted by Section 5.3(f) (it being understood and agreed that any disclosure of the type described in this Section 5.3(g), other than a “stop, look and listen” communication or similar communication of the type contemplated by Section 14d-9(f) of the Exchange Act, shall be deemed to be a Marvell Adverse Recommendation Change unless Marvell’s board of directors publicly and unanimously reaffirms the Marvell Board Recommendation in such disclosure).

(h) Subject to Marvell’s right to terminate this Agreement in accordance with Section 8.1(k), Marvell’s obligation to call, give notice of and hold the Marvell Shareholders’ Meeting in accordance with Section 5.3(a) shall not be limited or otherwise affected by the making, commencement, disclosure, announcement or submission of any Disruptive Marvell Superior Offer, by any Marvell Change in Circumstances or by any withdrawal or modification of the Marvell Board Recommendation.

5.4 Treatment of Company Equity Awards.

(a) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each In-the-Money Company Option that is vested and held by a Person who is not a Continuing Employee or a Continuing Service Provider (each, a “Company Cash-Out Option”) will be canceled and extinguished, and the holder thereof will be entitled to receive (subject to any applicable withholding or other Taxes, or other amounts required by applicable Legal Requirements to be withheld) an amount in cash equal to the product of (i) the total number of shares of Company Common Stock subject to such Company Cash-Out Option, *multiplied by* (ii) the excess of (A) the Equity Award Cash Consideration Amount *over* (B) the per share exercise price for the Company Common Stock subject to such Company Cash-Out Option. Following the Delaware Merger Effective Time, any such canceled Company Cash-Out Option shall entitle the former holder of such Company Cash-Out Option only to the payment described in this Section 5.4(a), which shall be made by the Surviving Delaware Corporation within 10 Business Days after the Delaware Merger Effective Time.

(b) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each In-the-Money Company Option that is held by a Continuing Employee or a Continuing Service Provider, whether vested or unvested, shall be assumed by HoldCo and converted into an option to purchase, on substantially the same terms and conditions as were applicable under such Company Option, that number of shares of HoldCo Common Stock (rounded down to the nearest whole share) equal to the product of (i) the number of shares of Company Common Stock subject to such Company Option, *multiplied by* (ii) the Conversion Ratio, at an exercise price per share of HoldCo Common Stock (rounded up to the nearest whole cent) equal to the quotient obtained by *dividing* (A) the per share exercise price for the Company Common Stock subject to such Company Option, *by* (B) the Conversion Ratio (each such assumed Company Option, as so adjusted, a “Converted Option”); *provided, however*, that, following the Delaware Merger Effective Time, all references to the “Company” in each Company Equity Plan and each award agreement shall be deemed to be references to HoldCo, and no portion of any Converted Option shall be exercisable prior to vesting. The assumption and conversion of Converted Options contemplated by this Section 5.4(b) shall in each case be effected in a manner intended to comply with Section 409A of the Code.

(c) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each Out-of-the-Money Option and each In-the-Money Company Option that is unvested and held by a Person who is not a Continuing Employee or a Continuing Service Provider shall be canceled and extinguished for no consideration.

(d) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each Company RSU that is outstanding and unvested immediately prior to the Delaware Merger Effective Time and held by a Continuing Employee or Continuing Service Provider shall be converted into that number of HoldCo restricted stock units, rounded down to the nearest whole share, equal to the product of (i) the number of shares of Company Common Stock subject to such Company RSU, *multiplied by* (ii) the Conversion Ratio (each such assumed Company RSU, as so adjusted, a “Converted RSU”). Any Converted RSU

issued pursuant to this Section 5.4(d) shall be subject to substantially the same terms and conditions as were applicable to such Company RSU prior to the Delaware Merger Effective Time; *provided, however*, that all references to the “Company” in each Company Equity Plan and each award agreement shall be deemed to be references to HoldCo.

(e) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each Company RSU and each Company PSU that is outstanding and unvested immediately prior to the Delaware Merger Effective Time and held by a Person who is not a Continuing Employee or a Continuing Service Provider shall be canceled and extinguished for no consideration.

(f) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each Company RSU that is outstanding and vested (and with respect to which shares of Company Common Stock have not yet been issued) immediately prior to the Delaware Merger Effective Time (including those Company RSUs that become vested immediately prior to or as of the Delaware Merger Effective Time) shall be canceled and extinguished, and the holder thereof shall be entitled to receive (subject to any applicable withholding or other Taxes, or other amounts required by applicable Legal Requirements to be withheld, which withholding shall first be applied against the cash portion of the consideration paid in respect of a vested Company RSU): (i) an amount in cash equal to the product of (A) the Per Share Cash Amount, *multiplied by* (B) the total number of shares of Company Common Stock subject to such Company RSU; and (ii) a number of shares of HoldCo Common Stock equal to the product of (A) the Exchange Ratio, *multiplied by* (B) the total number of shares of Company Common Stock subject to such Company RSU. Following the Delaware Merger Effective Time, any such canceled Company RSU shall entitle the former holder of such Company RSU only to the payment described in this Section 5.4(f), which shall be made by the Surviving Delaware Corporation within 10 Business Days after the Delaware Merger Effective Time or at such other time or times following the Delaware Merger Effective Time consistent with the terms of the Company RSU to the extent necessary to avoid the imposition of additional income Tax under Section 409A of the Code.

(g) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each Company MSU that is outstanding (and with respect to which shares of Company Common Stock have not yet been issued) immediately prior to the Delaware Merger Effective Time shall be canceled and extinguished. Each such Company MSU shall be deemed to vest in that percentage of the shares of Company Common Stock subject to the Company MSU determined by (i) applying the formula set forth in the award agreement governing the Company MSU, (ii) using the Closing Date as the end of the performance period and (iii) using the Equity Award Cash Consideration Amount as the fair market value of a share of Company Common Stock at the end of the performance period. The resulting number of shares of Company Common Stock shall be rounded down to the nearest whole share and shall be the “Vested Company MSU Shares.” The holder of each such Company MSU shall be entitled to receive (subject to any applicable withholding or other Taxes, or other amounts required by applicable Legal Requirements to be withheld, which withholding shall first be applied against the cash portion of the consideration paid in respect of such Company MSU): (A) an amount in cash equal to the product of (1) the Per Share Cash Amount, *multiplied by* (2) the number of Vested Company MSU Shares; and (B) a number of shares of HoldCo Common Stock equal to the product of (1) the Exchange Ratio, *multiplied by* (2) the number of Vested Company MSU Shares. Following the Delaware Merger Effective Time, any such canceled Company MSU shall entitle the former holder of such Company MSU only to the payment described in this Section 5.4(g), which shall be made by the Surviving Delaware Corporation within 10 Business Days after the Delaware Merger Effective Time or at such other time or times following the Delaware Merger Effective Time consistent with the terms of the Company MSU to the extent necessary to avoid the imposition of additional income Tax under Section 409A of the Code. Any portion of the Company MSU that does not constitute Vested Company MSU Shares shall be canceled and extinguished for no consideration.

(h) At the Delaware Merger Effective Time, by virtue of the Delaware Merger and without any action on the part of any Person, each Company PSU that is outstanding and unvested immediately prior to the Delaware Merger Effective Time and is held by a Continuing Employee or Continuing Service Provider shall be

assumed and converted into that number of HoldCo restricted stock units, rounded down to the nearest whole share, equal to the product of (i) the target number of shares of Company Common Stock subject to such Company PSU, *multiplied by* (ii) the Conversion Ratio (each such assumed Company PSU, as so adjusted, a “Converted PSU”). Any Converted PSU issued pursuant to this Section 5.4(h): (A) shall vest based on the vesting date or schedule set forth in the award agreement applicable to such Company PSU prior to the Delaware Merger Effective Time, subject only to the continued service of the grantee with the Surviving Delaware Corporation, Marvell or any of their Affiliates through the applicable vesting date; (B) shall not be subject to any performance-based vesting terms following the Delaware Merger Effective Time; and (C) shall otherwise be subject to the same terms and conditions (modified as appropriate to reflect the assumption contemplated by this Section 5.4(h)) as were applicable under such Company PSU prior to the Delaware Merger Effective Time; *provided, however*, that all references to the “Company” in each Company Equity Plan and each award agreement shall be deemed to be references to Marvell. Each Converted PSU that vests after the Delaware Merger Effective Time shall be settled in HoldCo Common Stock.

(i) Effective immediately prior to the Delaware Merger Effective Time, each Director Option and each Director RSU that is then outstanding and unvested shall be vested in full.

(j) Prior to the Delaware Merger Effective Time, each of Marvell, HoldCo and the Company shall take all actions necessary (including obtaining any required consents) to effectuate the provisions set forth in this Section 5.4; *provided, however*, that no such action taken shall be required to be irrevocable until immediately prior to the Delaware Merger Effective Time. HoldCo agrees to file, as soon as reasonably practicable but in no event later than 10 Business Days after the Delaware Merger Effective Time, a registration statement on Form S-8 (if available for use by HoldCo) with respect to the shares of HoldCo Common Stock issuable with respect to Converted Options, Converted PSUs and Converted RSUs, in each case that are eligible to be registered on Form S-8, and shall use commercially reasonable efforts to maintain the effectiveness of such registration statement (and maintain the current status of the prospectus or prospectuses contained therein) for so long as the Converted Options, Converted PSUs and Converted RSUs assumed in accordance with this Agreement remain outstanding. In connection with the filing of a registration statement on Form S-8, the Company shall use its reasonable best efforts to cause the Company’s independent registered public accounting firm to consent to the incorporation by reference of the audit reports included in the Company’s annual audited consolidated financial statements.

5.5 Treatment of Company ESPP. As soon as practicable after the date of this Agreement, the Company shall take all action that may be necessary to provide that: (a) no new offering period (or similar period during which shares may be purchased) shall commence under the Company ESPP following the date of this Agreement; (b) participants in the Company ESPP as of the date of this Agreement may not increase their payroll deductions under the Company ESPP from those in effect on the date of this Agreement; and (c) no new participants may commence participation in the Company ESPP following the date of this Agreement. Without limiting the generality of the foregoing, as soon as reasonably practicable after the date of this Agreement (but in any event prior to the Closing), the Company shall take such action as may be necessary to: (i) cause any offering period (or similar period during which shares may be purchased) in progress under the Company ESPP as of the date of this Agreement to be the final offering period under the Company ESPP and to be terminated no later than five Business Days prior to the anticipated Closing Date (the “Final Exercise Date”); (ii) make any pro-rata adjustments that may be necessary to reflect the shortened offering period (or similar period), but otherwise treat such shortened offering period (or similar period) as a fully effective and completed offering period for all purposes under the Company ESPP; (iii) cause each participant’s then-outstanding share purchase right under the Company ESPP (the “Company ESPP Rights”) to be exercised as of the Final Exercise Date; and (iv) terminate the Company ESPP as of the Delaware Merger Effective Time. On the Final Exercise Date, the funds credited as of such date under the Company ESPP within the associated accumulated payroll withholding account for each participant under the Company ESPP shall be used to purchase shares of Company Common Stock in accordance with the terms of the Company ESPP (as amended pursuant to this Section 5.5), and each share purchased thereunder immediately prior to the Delaware Merger Effective Time will be canceled at the Delaware Merger Effective Time and converted into the right to receive the Delaware Merger Consideration in accordance with

Section 1.7(c), subject to withholding of any applicable income and employment withholding Taxes. Any accumulated contributions of each participant under the Company ESPP as of immediately prior to the Delaware Merger Effective Time shall, to the extent not used to purchase shares in accordance with the terms and conditions of the Company ESPP (as amended pursuant to this Section 5.5), be refunded to such participant as promptly as practicable following the Delaware Merger Effective Time (without interest). No further Company ESPP Rights shall be granted or exercised under the Company ESPP after the Final Exercise Date. The Company shall provide timely notice to participants of the setting of the Final Exercise Date and the termination of the Company ESPP in accordance with the terms of the Company ESPP.

5.6 Treatment of Marvell Equity Awards.

(a) At the Bermuda Merger Effective Time, by virtue of the Bermuda Merger and without any action on the part of any Person, each Marvell Option that is outstanding immediately prior to the Bermuda Merger Effective Time, whether vested or unvested, will be converted into a stock option in respect of shares of HoldCo Common Stock, on the same terms and conditions as were applicable under such Marvell Option immediately prior to the Bermuda Merger Effective Time (including with respect to vesting), relating to the number of shares of HoldCo Common Stock equal to the total number of Marvell Common Shares subject to such Marvell Option immediately prior to the Bermuda Merger Effective Time and with an exercise price per share of HoldCo Common Stock equal to the exercise price per Marvell Common Share subject to such Marvell Option immediately prior to the Bermuda Merger Effective Time.

(b) At the Bermuda Merger Effective Time, by virtue of the Bermuda Merger and without any action on the part of any Person, each Marvell RSU that is outstanding immediately prior to the Bermuda Merger Effective Time will be converted into a restricted stock unit award with the same terms and conditions as were applicable under such Marvell RSU immediately prior to the Bermuda Merger Effective Time (including with respect to vesting and timing of payment), and relating to the number of shares of HoldCo Common Stock equal to the total number of Marvell Common Shares subject to such Marvell RSU immediately prior to the Bermuda Merger Effective Time.

(c) At the Bermuda Merger Effective Time, by virtue of the Bermuda Merger and without any action on the part of any Person, each Marvell PSU that is outstanding immediately prior to the Bermuda Merger Effective Time will be converted into a performance-based restricted stock unit with the same terms and conditions as were applicable under such Marvell PSU immediately prior to the Bermuda Merger Effective Time (including with respect to vesting, except that the performance measures shall relate to HoldCo), and relating to the number of shares of HoldCo Common Stock equal to the total number of Marvell Common Shares subject to such Marvell PSU immediately prior to the Bermuda Merger Effective Time.

(d) At the Bermuda Merger Effective Time, by virtue of the Bermuda Merger and without any action on the part of any Person, any rights to purchase Marvell Common Shares under the Marvell ESPP that are outstanding immediately prior to the Bermuda Merger Effective Time will be converted into rights to purchase shares of HoldCo Common Stock on the same terms and conditions as were applicable under the Marvell ESPP immediately prior to the Bermuda Merger Effective Time, and relating to the number of shares of HoldCo Common Stock equal to the total number of Marvell Common Shares subject to the Marvell ESPP immediately prior to the Bermuda Merger Effective Time.

(e) At the Bermuda Merger Effective Time, HoldCo shall assume the Marvell Equity Plans. All references in a Marvell Equity Plan or award agreement thereunder to a number of Marvell Common Shares shall be deemed amended to refer instead to a number of shares of HoldCo Common Stock, and the compensation committee of HoldCo's board of directors shall succeed to the authority and responsibility of Marvell's board of directors or any committee thereof with respect to the administration of any Marvell Equity Plan.

(f) Prior to the Bermuda Merger Effective Time, each of Marvell, HoldCo and the Company shall take all actions necessary (including obtaining any required consents) to effectuate the provisions set forth in this

Section 5.6, except that no such action taken shall be required to be irrevocable until immediately prior to the Bermuda Merger Effective Time. HoldCo agrees to file, as soon as reasonably practicable but in no event later than 10 Business Days after the Bermuda Merger Effective Time, a registration statement on Form S-8 (if available for use by HoldCo) with respect to the shares of HoldCo Common Stock issuable with respect to the settlement of converted Marvell Equity Awards, and with respect to offerings made under the Marvell ESPP, in each case that are eligible to be registered on Form S-8, and shall use commercially reasonable efforts to maintain the effectiveness of such registration statement (and maintain the current status of the prospectus or prospectuses contained therein) for so long as the Marvell Equity Awards and the Marvell ESPP assumed in accordance with this Agreement remain outstanding.

5.7 Employee Benefits.

(a) For a period of one year following the Delaware Merger Effective Time (but only as long as the relevant Continuing Employee remains employed by HoldCo or any of its Affiliates), and subject to the applicable Legal Requirements of each jurisdiction, Marvell and HoldCo agree to, or to cause the Surviving Delaware Corporation to, maintain, for each Continuing Employee: (i) base salary that is no less than the base salary provided to such employee immediately prior to the Delaware Merger Effective Time; and (ii) benefits that are, in the aggregate, either (at Marvell's discretion), (A) no less favorable to the Continuing Employee than the benefits provided to the Continuing Employee immediately prior to the Delaware Merger Effective Time or (B) that are substantially similar to the benefits provided to similarly situated employees of Marvell or the applicable Affiliate of HoldCo (excluding for purposes of this clause "(ii)," any defined benefit plan participation, employee stock purchase plan participation, any equity-based compensation and any change in control, retention or similar one-time special payments or benefits) and reasonably comparable in the aggregate to the benefits provided to the Continuing Employee immediately prior to the Delaware Merger Effective Time. Continuing Employees shall retain their target bonus opportunity, as in effect on the date of this Agreement, for the remainder of the bonus plan year in which the Delaware Merger Effective Time occurs. The parties acknowledge and agree that Marvell does not have a profit sharing plan that will be in effect after the Delaware Merger Effective Time.

(b) With respect to each benefit plan, program, practice, policy or arrangement maintained by HoldCo or its Subsidiaries (including the Surviving Bermuda Company or the Surviving Delaware Corporation) in which any of the Continuing Employees participate following the Delaware Merger Effective Time (each, a "Marvell Employee Plan"), and except to the extent necessary to avoid duplication of benefits, for purposes of determining eligibility to participate and vesting, service with any Inphi Entity (or predecessor employers, to the extent the applicable Inphi Entity provides past service credit under its benefit plans) shall, to the extent permitted by the terms of the applicable Marvell Employee Plan, be treated as service with HoldCo or the applicable Marvell Entity. Each applicable Marvell Employee Plan shall, to the extent permitted by the terms of the applicable Marvell Employee Plan, waive eligibility waiting periods and pre-existing condition limitations to the extent waived or not included under the corresponding Inphi Employee Plan. To the extent permitted under the applicable Marvell Employee Plan, HoldCo and Marvell agree to give or cause to be given to Continuing Employees credit under the applicable Marvell Employee Plan for amounts paid prior to the Delaware Merger Effective Time during the calendar year in which the Delaware Merger Effective Time occurs under a corresponding Inphi Employee Plan for purposes of applying deductibles, co-payments and out-of-pocket maximums as though such amounts had been paid in accordance with the terms and conditions of the Marvell Employee Plan.

(c) Marvell and HoldCo agree that all Continuing Employees located in the U.S. shall be eligible to continue to participate in the Surviving Delaware Corporation's health and welfare benefit plans, subject in each case to the terms and conditions of such plans; *provided, however*, that nothing in this Section 5.7 or elsewhere in this Agreement shall: (i) be construed to create a right in any Inphi Associate to employment with HoldCo, the Surviving Bermuda Company, the Surviving Delaware Corporation or any of their respective Affiliates; (ii) be deemed to establish, amend, modify or cause to be adopted any Inphi Employee Plan or any other benefit plan,

program, agreement or arrangement maintained or sponsored by HoldCo, the Surviving Bermuda Company, the Surviving Delaware Corporation or any of their respective Affiliates; or (iii) limit the ability of HoldCo, the Surviving Bermuda Company, the Surviving Delaware Corporation or any of their respective Affiliates from establishing, amending, modifying or terminating any benefit plan, program, agreement or arrangement at any time assumed, established, sponsored or maintained by any of them, in each case, following the Delaware Merger Effective Time. Except for Indemnified Persons (to the extent of their rights pursuant to Section 5.8), no Inphi Associate shall be deemed to be a third-party beneficiary of this Agreement. Nothing in this Section 5.7(a) shall limit the effect of Section 9.7.

(d) Unless otherwise requested by Marvell in writing at least two Business Days prior to the Closing Date, the Company shall take (or cause to be taken) all actions that may be necessary or appropriate to terminate, effective no later than the day prior to the date on which the Mergers become effective, any Inphi Employee Plan that contains a cash or deferred arrangement intended to qualify under Section 401(k) of the Code (a “Company 401(k) Plan”). If the Company is required to terminate any Company 401(k) Plan, then the Company shall provide to Marvell prior to the Closing Date written evidence of the adoption by the Company’s board of directors of resolutions authorizing the termination of such Company 401(k) Plan (the form and substance of which shall be subject to the prior review and approval of Marvell), effective no later than the day prior to the date on which the Mergers become effective. The Company also shall take such other actions in furtherance of terminating such Company 401(k) Plan as Marvell may reasonably request. If the distributions of assets from the trust of any Company 401(k) Plan that is terminated pursuant to this Section 5.7(d) are reasonably anticipated to cause or result in liquidation charges, surrender charges or other fees to be imposed upon the account of any participant or beneficiary of such Company 401(k) Plan or upon the Company or any participating employer, then the Company shall take such actions as are necessary to estimate the amount of such charges or other fees and provide its estimate of that amount in writing to Marvell at least three Business Days prior to the Closing Date. In the event of such termination of the Company 401(k) Plan, promptly following the Closing Date, HoldCo and Marvell shall cause such Marvell Employee Plan intended to be qualified under Section 401(a) of the Code which includes a cash or deferred arrangement intended to qualify under Section 401(k) of the Code to accept eligible (i) rollover contributions in cash of amounts distributed to Continuing Employees from the Company’s 401(k) Plan and (ii) in-kind rollovers of Continuing Employees’ loan balances, and will provide for continued repayments of any such loans through payroll deductions commencing not later than with the first payroll period ending not more than 14 days following the date of such rollover.

(e) To the extent any employee notification or consultation requirements are imposed by applicable Legal Requirements with respect to any of the Contemplated Transactions, the Company shall consult with Marvell and shall ensure that such notification or consultation requirements are complied with prior to the Delaware Merger Effective Time. Prior to making any written or broad-based oral communications to any Inphi Associate prior to the Delaware Merger Effective Time regarding post-Closing employment matters, including post-Closing employee benefits and compensation or other compensation or benefits matters related to or impacted by any of the Contemplated Transactions (whether alone or in combination with additional events), including the matters described in this Section 5.7, the Company shall provide, and shall ensure that the other Inphi Entities and its and their respective Representatives shall provide, Marvell with a copy of the intended communication for its written approval, which shall not be unreasonably withheld.

5.8 Indemnification of Officers and Directors.

(a) All rights to indemnification by the Company existing in favor of those Persons who are now, or have been at any time prior to the Delaware Merger Effective Time, directors and officers of any Inphi Entity (the “Company Indemnified Persons”) for their acts and omissions as directors and officers occurring prior to the Delaware Merger Effective Time, as provided in the Company’s or the applicable Inphi Entity’s certificate of incorporation, bylaws or other organizational documents (as in effect as of the date of this Agreement) and as provided in those indemnification agreements between an Inphi Entity and such Company Indemnified Persons (as in effect as of the date of this Agreement) Made Available to Marvell, will survive the Delaware Merger and

continue in full force and effect (to the extent such rights to indemnification are available under and consistent with applicable Delaware law) for a period of six years following the date on which the Delaware Merger becomes effective.

(b) All rights to indemnification by Marvell existing in favor of those Persons who are now, or have been at any time prior to the Bermuda Merger Effective Time, directors and officers of any Marvell Entity (the “Marvell Indemnified Persons” and, together with the Company Indemnified Persons, the “Indemnified Persons”) for their acts and omissions as directors and officers occurring prior to the Bermuda Merger Effective Time, as provided in Marvell’s or the applicable Marvell Entity’s memorandum of association, bye-laws or other organizational documents and as provided in any indemnification agreements between a Marvell Entity and such Marvell Indemnified Persons, will survive the Bermuda Merger and continue in full force and effect (to the extent such rights to indemnification are available under and consistent with applicable law) for a period of six years following the date on which the Bermuda Merger becomes effective.

(c) From the date on which the Bermuda Merger Effective Time occurs until the sixth anniversary of such date, HoldCo, the Surviving Bermuda Company and the Surviving Delaware Corporation shall maintain in effect, for the benefit of the Indemnified Persons with respect to their acts and omissions as directors and officers occurring prior to the Delaware Merger Effective Time, the existing policies of directors’ and officers’ liability insurance maintained by Marvell and the Company, respectively, as of the date of this Agreement (and with respect to those policies maintained by the Company, in the form Made Available to Marvell) (the “Existing D&O Policies”), to the extent that such directors’ and officers’ liability insurance coverage is available on commercially reasonable terms, except that: (i) each of HoldCo, the Surviving Bermuda Company and the Surviving Delaware Corporation may substitute for the Existing D&O Policies other policies of comparable coverage; and (ii) none of HoldCo, the Surviving Bermuda Company or the Surviving Delaware Corporation will be required to pay annual premiums for such Existing D&O Policy (or for any substitute policies) in excess of 300% of the annual premium paid prior to the date of this Agreement for the Existing D&O Policy (the “Maximum Premium”). If any future annual premiums for an Existing D&O Policy (or any substitute policy therefor) exceed the Maximum Premium in the aggregate, then HoldCo, the Surviving Bermuda Company or the Surviving Delaware Corporation may reduce the amount of coverage of such Existing D&O Policy (or any substitute policy therefor) to the amount of coverage that can be obtained for a premium equal to the Maximum Premium. The Surviving Bermuda Company and the Surviving Delaware Corporation or, prior to the Delaware Merger Effective Time, the Company shall have the right to purchase a pre-paid, non-cancellable “tail” policy on any Existing D&O Policy for a claims reporting or discovery period of six years from the Closing Date and otherwise on terms and conditions that are no less favorable than the terms and conditions of the applicable Existing D&O Policy; *provided, however*, that none of HoldCo, the Surviving Bermuda Company or the Surviving Delaware Corporation shall be obligated to, and the Company shall not (without the prior written consent of Marvell), expend an amount for such “tail” policy in excess of the Maximum Premium. If such “tail” policy is purchased by the Surviving Delaware Corporation or the Surviving Bermuda Company (a “Tail Policy Purchaser”), such Tail Policy Purchaser shall, and HoldCo shall cause such Tail Policy Purchaser to, maintain such “tail” policy in full force and effect in lieu of all other obligations of such Tail Policy Purchaser under the first sentence of this Section 5.8(c).

(d) The provisions of this Section 5.8 are intended to be for the benefit of, and will be enforceable by: (i) each of the Company Indemnified Persons, who are intended third-party beneficiaries of this Section 5.8 from and after the Delaware Merger Effective Time; and (ii) each of the Marvell Indemnified Persons, who are intended third-party beneficiaries of this Section 5.8 from and after the Bermuda Merger Effective Time.

5.9 Regulatory Approvals and Related Matters.

(a) Each of Marvell, HoldCo and the Company shall use their respective reasonable best efforts to file, as soon as practicable after the date of this Agreement, all notices, reports and other documents required to be filed by such party with any Governmental Body with respect to the Mergers and the other Contemplated

Transactions, and to submit promptly any additional information requested by any such Governmental Body. Without limiting the generality of the foregoing:

(i) the Company and Marvell shall: (A) promptly as practicable after the date of this Agreement (but in no event later than 10 Business Days after the date of this Agreement with respect to filings under the HSR Act) prepare, file and submit the notifications, reports and other documents required under the HSR Act and any applicable foreign antitrust or competition laws or regulations in connection with the Mergers and the other Contemplated Transactions; and (B) respond as promptly as practicable to (1) any inquiries or requests received from the Federal Trade Commission or the Department of Justice for additional information or documentation and (2) any inquiries or requests received from any state attorney general, foreign antitrust authority or other Governmental Body in connection with antitrust or related matters; and

(ii) except to the extent Marvell determines otherwise, each Principal Party shall (A) as soon as possible after a Requesting Authority asserts or attempts to assert jurisdiction over, or requests, requires or attempts to require a filing or submission relating to, the Bermuda Merger, the Delaware Merger or any of the other Contemplated Transactions, and consistent with any Legal Requirement, file and submit (in accordance with each Legal Requirement that may be applicable or that such Requesting Authority asserts to be applicable) all notices, reports and other non-privileged documents required or requested by such Requesting Authority to be filed or submitted on behalf of such Principal Party, and (B) respond as promptly as possible to any inquiries or requests received from such Requesting Authority for additional non-privileged information or non-privileged documentation.

(b) Subject to the confidentiality provisions of the Confidentiality Agreement, Marvell and the Company each shall promptly supply the other Principal Party with any information which may be required in order to effectuate any filings (including applications) or submissions pursuant to (and to otherwise comply with its obligations or the obligations of its Subsidiaries set forth in) Section 5.9(a).

(c) Except where prohibited by applicable Legal Requirements or any Governmental Body, and subject to Section 5.9(b) and the confidentiality provisions of the Confidentiality Agreement, each Principal Party shall: (i) consult with the other Principal Party in good faith prior to taking a position with respect to any filing or submission required by Section 5.9(a); (ii) permit the other Principal Party to review and discuss in advance, and consider in good faith the views of the other Principal Party in connection with, any analyses, appearances, presentations, memoranda, briefs, white papers, arguments, opinions or proposals before making or submitting any of the foregoing to any Governmental Body on behalf of any party hereto in connection with any filing or submission required by Section 5.9(a) or any Legal Proceeding involving a Governmental Body with regulatory authority related to this Agreement or any of the Contemplated Transactions; (iii) coordinate with the other Principal Party in preparing and exchanging such information; (iv) promptly provide the other Principal Party (and its counsel) with copies of all filings, notices, analyses, presentations, memoranda, briefs, white papers, opinions, proposals and other submissions (and a summary of any oral presentations) made or submitted by such Principal Party with or to any Governmental Body in connection with any filing or submission required by Section 5.9(a); and (v) provide the other Principal Party with reasonable notice of and opportunity to participate in any substantive conversation or meeting with a Governmental Body required by Section 5.9(a). Neither Marvell nor the Company shall commit to or agree (or permit any of their respective Subsidiaries to commit to or agree) with any Governmental Body to stay, toll or extend any applicable waiting period under any applicable antitrust laws without the prior written consent of the other Principal Party (such consent not to be unreasonably withheld, conditioned or delayed).

(d) Each Principal Party shall notify the other Principal Party promptly upon the receipt of: (i) any communication from any official of any Governmental Body in connection with any filing or submission made pursuant to this Agreement; (ii) Knowledge of the commencement or threat of commencement of any Legal Proceeding by or before any Governmental Body with respect to the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions (and shall keep the other Principal Party informed as to the status of

any such Legal Proceeding or threat); and (iii) any request by any official of any Governmental Body for any amendment or supplement to any filing or submission made pursuant to this Agreement or any information required to comply with any Legal Requirement applicable to the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions. Whenever any event occurs that is required to be set forth in an amendment or supplement to any filing or submission made pursuant to Section 5.9(a), each Principal Party shall (promptly upon learning of the occurrence of such event) inform the other Principal Party of the occurrence of such event and cooperate in filing with or submitting to the applicable Governmental Body such amendment or supplement.

(e) Subject to Section 5.9(f), each of Marvell, HoldCo and the Company shall use its reasonable best efforts to take, or cause to be taken, all actions necessary to consummate the Mergers and make effective the other Contemplated Transactions on a timely basis (other than with respect to obtaining Consents under Contracts, for which each of Marvell, HoldCo and the Company shall use commercially reasonable efforts). Without limiting the generality of the foregoing, but subject to Section 5.9(f), each party: (i) shall make all filings (if any), give all notices (if any) and provide all information (if any) required to be made, given or provided by such party in connection with the Bermuda Merger, the Delaware Merger or any of the other Contemplated Transactions; (ii) shall consult with such party's employees to the extent required under any applicable Legal Requirement in connection with the Mergers or any of the other Contemplated Transactions; and (iii) shall use its reasonable best efforts to obtain each Consent (if any) required to be obtained (pursuant to any applicable Legal Requirement) by such party in connection with the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions. Each Principal Party shall consult with the other Principal Party with respect to all of the matters contemplated by clauses "(i)," "(ii)" and "(iii)" of the preceding sentence, and will keep the other Principal Party apprised of the status of matters relating to the consummation of the Contemplated Transactions. At the request of Marvell, the Company shall use reasonable best efforts to cause the divestiture, holding separate or taking of any other action with respect to any of the businesses, product lines or assets of the Inphi Entities (provided that any such action is conditioned upon the consummation of the Mergers).

(f) Notwithstanding anything to the contrary contained in Section 5.9(e) or elsewhere in this Agreement: (i) no Marvell Entity shall have any obligation under this Agreement to: (A) propose, negotiate, commit to or effect, by consent decree, hold separate order or otherwise, the sale, divestiture, disposition or license (or similar arrangement) of, or limit Marvell's freedom of action with respect to, any of the businesses, product lines or assets of any Marvell Entity or any Inphi Entity, or otherwise propose, proffer or agree to any other requirement, obligation, condition, limitation or restriction on any of the businesses, product lines or assets of any Marvell Entity or any Inphi Entity, unless the actions referred to in this clause "(A)" (1) are reasonably necessary to satisfy the conditions set forth in Sections 6.8 and 7.8 and (2) would not, individually or in the aggregate, reasonably be expected to result in a significant impact on the strategic or financial benefits of the Mergers to Marvell; (B) amend or modify any of Marvell's, HoldCo's, Bermuda Merger Sub's or Delaware Merger Sub's rights or obligations under this Agreement; or (C) restructure or commit to restructure any of the Contemplated Transactions; (ii) none of the Inphi Entities shall, except with the prior written consent of Marvell, agree, commit or propose, or encourage any Governmental Body, to take or request any of the actions described in clause "(i)(A)" above; (iii) Marvell shall have no obligation to commence or contest, or cause any other Marvell Entity or any of their respective Affiliates to commence or contest, any Legal Proceeding relating to the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions if Marvell reasonably determines in good faith that contesting such Legal Proceeding would not be advisable; (iv) if Marvell reasonably determines in good faith that contesting a Legal Proceeding referred to in clause "(iv)" above would not be advisable, none of the Inphi Entities shall have any obligation to contest such Legal Proceeding; and (v) nothing in Section 5.9(e) or elsewhere in this Agreement shall require Marvell to, directly or indirectly, divest, transfer or otherwise dispose of, hold separate or commit to cause any of its Subsidiaries or Affiliates to divest, transfer or otherwise dispose of or hold separate all or any portion of (A) the ASIC business of the Marvell Entities, (B) the copper PHY business of the Marvell Entities or (C) any of the businesses, product lines or assets of any Inphi Entity.

5.10 Disclosure. Marvell and the Company: (a) have agreed to the text of the joint press release and investor relations presentation announcing the signing of this Agreement; and (b) shall consult with each other before issuing any further press release or otherwise making any public statement, and shall not issue any such press release or make any such public statement without the prior written consent of the other Principal Party, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing: (i) each of Marvell and the Company may, without such consultation or consent, make any public statement in response to questions from the press, analysts, investors or those attending industry conferences and make internal announcements to employees, so long as such statements or announcements are consistent with (and not materially expansive of) previous press releases, public disclosures or public statements or announcements made jointly by the Principal Parties (or individually, if approved by the other Principal Party); (ii) Marvell or the Company may, without the prior consent of the other Principal Party, issue any such press release or make any such public announcement or statement as may be required by a Legal Requirement or the Nasdaq Rules if it first notifies and consults with the other Principal Party prior to issuing any such press release or making any such public announcement or statement; (iii) the Company need not consult with (or obtain the consent of) Marvell in connection with any press release, public statement or filing to be issued or made with respect to any Company Acquisition Proposal or any Company Adverse Recommendation Change; and (iv) Marvell need not consult with (or obtain the consent of) the Company in connection with any press release, public statement or filing to be issued or made with respect to any Disruptive Marvell Acquisition Proposal or any Marvell Adverse Recommendation Change.

5.11 Resignation of Officers and Directors. The Company shall use commercially reasonable efforts to obtain and deliver to Marvell at or prior to the Delaware Merger Effective Time (or, at the option of Marvell, at a later date) the resignation of each individual who is an officer or director of any of the Inphi Entities, effective as of the Delaware Merger Effective Time (it being understood that such resignation shall not constitute a voluntary termination of employment under any Inphi Employee Agreement or Inphi Employee Plan applicable to such individual's status as an officer or director of an Inphi Entity).

5.12 Delisting. Prior to the Bermuda Merger Effective Time, the Company shall cooperate with Marvell and use its reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Legal Requirements (including the Nasdaq Rules) to enable the de-listing by the Surviving Delaware Corporation of the Company Common Stock from Nasdaq and the deregistration of the Company Common Stock under the Exchange Act as promptly as practicable after the Delaware Merger Effective Time.

5.13 Nasdaq Listing. HoldCo and Marvell shall use their reasonable best efforts to cause to be approved for listing (subject to official notice of issuance) on Nasdaq at or prior to the Bermuda Merger Effective Time, under the trading symbol "MRVL", (a) the shares of HoldCo Common Stock to be issued in connection with the Mergers and (b) the shares of HoldCo Common Stock to be reserved upon settlement or exercise of equity awards in respect of HoldCo Common Stock.

5.14 Section 16 Matters. Prior to the Bermuda Merger Effective Time, Marvell, HoldCo and the Company shall take all steps that may be required to cause any dispositions of Company Common Stock (including derivative securities with respect to Company Common Stock) or Marvell Common Shares (including derivative securities with respect to Marvell Common Shares) or acquisitions of HoldCo Common Stock (including derivative securities with respect to HoldCo Common Stock) resulting from the Mergers and the matters contemplated by Sections 5.4, 5.5 and 5.6 by each individual who is, or as a result of the Contemplated Transactions will be, subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Marvell, the Company or HoldCo, to be exempt under Rule 16b-3 promulgated under the Exchange Act, to the extent permitted by applicable Legal Requirements.

5.15 Stockholder Litigation. Without limiting in any way the respective obligations of Marvell and the Company under Section 4.2(d) and Section 5.9(d), each of Marvell and the Company shall notify the other

Principal Party of any Legal Proceeding (including any class action or derivative litigation) that is commenced or threatened against such Principal Party or any of its officers or directors relating to the Mergers or any of the other Contemplated Transactions promptly after becoming aware of such Legal Proceeding. The Company shall give Marvell the opportunity to participate, at Marvell's expense, in the defense or settlement of any such Legal Proceeding against the Company or any of its officers or directors, and no such settlement shall be agreed to, and no agreement or arrangement with any stockholder shall be entered into by the Company outside the ordinary course of business, without the prior written consent of Marvell, which consent with respect to any such settlement shall not be unreasonably withheld, conditioned or delayed.

5.16 Takeover Statutes and Rights. If any Takeover Statute is or may become applicable to this Agreement, the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions, the Company and the board of directors of the Company shall use their reasonable best efforts to grant such approvals and take such actions as are necessary so that such transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise act to eliminate or minimize the effects of such Takeover Statute on this Agreement, the Mergers and the other Contemplated Transactions.

5.17 Tax Matters. The parties intend that (a) the Mergers, taken together, qualify as a transaction described in Section 351 of the Code and (b) the Bermuda Merger qualify as a "reorganization" within the meaning of Section 368(a) of the Code. The parties hereby adopt this Agreement as a "plan of reorganization" for purposes of Sections 354, 361 and 368 of the Code. Each of Marvell, HoldCo and the Company will (and will cause its Subsidiaries to) use its reasonable best efforts to cause the Mergers, taken together, to qualify, and will not take or knowingly fail to take any action (and will cause its Subsidiaries not to take or knowingly fail to take any action) which action or failure to act could reasonably be expected to impede or prevent the Mergers, taken together, from qualifying, as a transaction described in Section 351 of the Code. Each of Marvell, HoldCo and the Company will (and will cause its Subsidiaries to) use its reasonable best efforts to cause the Bermuda Merger to qualify, and will not take or knowingly fail to take any action (and will cause its Subsidiaries not to take or knowingly fail to take any action) which action or failure to act could reasonably be expected to impede or prevent the Bermuda Merger from qualifying, as a "reorganization" within the meaning of Section 368(a) of the Code.

5.18 Financing.

(a) Marvell and HoldCo shall use their respective reasonable best efforts to do all things necessary or advisable to arrange, obtain and consummate the Debt Financing on or prior to the date the Closing is required to be effected in accordance with Section 1.3, on the terms and conditions (including, to the extent applicable, the "flex" provisions) described in the Debt Commitment Letters (it being understood that, for purposes of this Section 5.18, references to the Debt Commitment Letters shall be deemed to include any Fee Letter), including using their respective reasonable best efforts to: (i) enter into definitive agreements with respect to the Debt Financing on the terms and conditions (as such terms may be modified or adjusted in accordance with the terms, and within the limits, of the "flex" provisions contained in any Fee Letter or as otherwise agreed by Marvell, HoldCo and the Financing Sources, subject to the restrictions on amendments of the Debt Commitment Letters set forth below) contemplated by the Debt Commitment Letters (the "Definitive Debt Financing Agreements"); and (ii) satisfy (or obtain the waiver of) on a timely basis all conditions and comply with all obligations applicable to Marvell and HoldCo, including with respect to the payment of any commitment, engagement or placement fees, in the Debt Commitment Letters and the Definitive Debt Financing Agreements to the extent a failure to do so would result in a failure of a condition precedent to the funding of the Debt Financing. If all conditions to the Debt Financing have been satisfied and the conditions set forth in Section 6 have been satisfied or waived, Marvell and HoldCo shall use their reasonable best efforts to take all actions within its control to cause the Financing Sources to fund the Debt Financing at or prior to Closing, including to seek to enforce its rights with respect to funding under the Debt Commitment Letters and the Definitive Debt Financing Agreements in the event of a breach thereof by the Financing Sources party thereto.

(b) Marvell and HoldCo shall not agree to any amendments or modifications to any condition, or waive any of their respective rights, under the Debt Commitment Letters or the Definitive Debt Financing Agreements without the prior written consent of the Company if any such amendment, modification or waiver of the Debt Commitment Letters or the Definitive Debt Financing Agreements would (x) reduce the aggregate amount of the Debt Financing to an amount that, together with HoldCo's and Marvell's cash on hand, would be less than an amount reasonably required to consummate the Mergers, (y) impose new or additional conditions or (z) otherwise amend, modify or expand any conditions to the initial funding of the Debt Financing, in each case, in a manner that would reasonably be expected to: (i) materially delay or prevent the Closing from occurring; or (ii) adversely impact the ability of Marvell or HoldCo to (A) enforce their respective rights against the other parties to the Debt Commitment Letters or the Definitive Debt Financing Agreements or (B) cause the Mergers to be timely consummated (it being understood that Marvell and HoldCo may amend, restate, modify or supplement each of the Debt Commitment Letters or the Definitive Debt Financing Agreements to add lenders, lead arrangers, bookrunners, underwriters, syndication agents or similar entities that have not executed such Debt Commitment Letters as of the date of this Agreement, to provide for the assignment and reallocation of a portion of the debt financing commitments contained in such Debt Commitment Letters or the Definitive Debt Financing Agreements and to grant customary approval rights to such additional arrangers and other Entities in connection with such appointments as expressly set forth in such Debt Commitment Letters, in each case, without the Company's consent, provided that such amendment would not reasonably be expected to prevent or materially delay the Closing). Marvell and HoldCo shall use their respective reasonable best efforts to maintain in effect the Debt Commitment Letters (and any Definitive Debt Financing Agreements) until the earliest to occur of the Closing, the consummation of the Debt Financing and the valid termination of this Agreement.

(c) If any portion of the Debt Financing becomes unavailable on the terms and conditions (including any "flex" provisions) contemplated in the Debt Commitment Letters, and such portion of the Debt Financing is reasonably determined by Marvell to be required to consummate the Mergers and perform its other obligations under this Agreement, then Marvell shall promptly notify the Company in writing and use its reasonable best efforts to, as promptly as practicable following the occurrence of such event, arrange and obtain from alternative sources of debt financing that are reasonably acceptable to Marvell in an amount (together with all other sources of cash or other financing sources available to Marvell) sufficient to satisfy the Financing Uses. The exercise of such reasonable best efforts shall not require Marvell or HoldCo to obtain additional equity or debt with an all-in yield or tenor that is different than the debt financing set forth in the Debt Commitment Letters (after giving effect to the maximum amount of any "flex" provisions contained therein). The new debt commitment letter and fee letter entered into in connection with any such alternative financing pursuant to Section 5.18(b) or this Section 5.18(c), are referred to, respectively, as a "New Debt Commitment Letter" and a "New Fee Letter." None of Marvell, HoldCo, Delaware Merger Sub or Bermuda Merger Sub shall enter into such New Debt Commitment Letter without the consent of the Company if the terms thereof, or if the conditions to funding thereunder, would reasonably be expected to materially impair, delay or prevent the Closing or would, when taken as a whole, be materially less favorable to Marvell or HoldCo than those set forth in the Debt Commitment Letters. If Marvell and/or HoldCo enter into any New Debt Commitment Letter: (i) any reference in this Agreement to the "Debt Financing" shall mean the debt financing contemplated by the Debt Commitment Letters as modified pursuant to clause "(ii)" below; and (ii) any reference in this Agreement to the "Debt Commitment Letters" (and any definition incorporating the term "Debt Commitment Letters," including the definition of "Definitive Debt Financing Agreements") shall be deemed to include (A) the Debt Commitment Letters and any Fee Letter to the extent not superseded by a New Debt Commitment Letter or New Fee Letter, as the case may be, at such time, and (B) any New Debt Commitment Letter or New Fee Letter to the extent then in effect.

(d) Marvell shall, and shall use its reasonable best efforts to cause its Representatives to, keep the Company informed as promptly as practicable upon written request in reasonable detail of the status of its efforts to arrange the Debt Financing. Without limiting the generality of the foregoing, Marvell shall: (i) upon the Company's written request, furnish the Company with executed copies of any amendments to the Debt Commitment Letters (with any fee letter redacted in a customary manner) promptly upon their execution; and (ii) give the Company prompt written notice (A) of any amendment to the Debt Commitment Letters, (B) of any

default or material breach (or any event that, with or without notice, lapse of time or both, would give rise to any default or material breach) under, or repudiation of, the Debt Commitment Letters or the Definitive Debt Financing Agreements by any Financing Source party thereto, in each case, of which Marvell becomes aware, (C) of any termination of the Debt Commitment Letters, (D) of the receipt of any written notice from any Person with respect to any material dispute or disagreement between or among any parties to the Debt Commitment Letters or any Definitive Debt Financing Agreement relating to the initial availability or amount of the Debt Financing and (E) if for any reason Marvell believes in good faith that it will not be able to obtain all or any portion of the Debt Financing on the terms, in the manner or from the sources contemplated by the Debt Commitment Letters or the Definitive Debt Financing Agreements, as the case may be.

(e) During the Pre-Closing Period, the Company shall, and shall ensure that each of the other Inphi Entities and its and their respective Representatives shall, use reasonable best efforts to provide to or at the direction of Marvell and HoldCo all cooperation reasonably requested by Marvell or HoldCo in connection with the arrangement of the Debt Financing (or any replacement, amended, modified, alternative or substitute financing or refinancing, including an underwritten offering of securities, permitted by this Section 5.18 (each, an “Alternative Financing”)), including using reasonable best efforts to:

(i) cooperate reasonably with any customary due diligence investigation reasonably conducted by the Financing Sources in connection with the Debt Financing or any Alternative Financing, including by providing any documents or other information requested that is customarily provided in connection with transactions of that type and by causing the management of the Company, with appropriate seniority and expertise, outside counsel and external auditors to participate in a reasonable number of due diligence sessions, in each case, upon reasonable notice and at mutually agreeable dates and times;

(ii) cause management of the Company, with appropriate seniority and expertise, and other representatives to participate in a reasonable number of telephone calls, meetings (including lender meetings), presentations, roadshows, drafting sessions and sessions with rating agencies, in each case, upon reasonable notice and at mutually agreeable dates and times;

(iii) provide reasonable and customary assistance with the preparation of customary offering and syndication documents and materials, including rating agency presentations, road show materials, lender and investor presentations, bank information memoranda, prospectuses and bank syndication materials, offering documents, private placement memoranda and similar documents customarily required (which may incorporate, by reference, periodic and current reports filed by the Company with the SEC) in connection with the marketing and syndication of the Debt Financing or any Alternative Financing, and upon reasonable request, identify any material non-public information contained in such materials and make such disclosures as may be required to comply with Regulation FD to the extent applicable to such material non-public information;

(iv) (A) obtain customary payoff letters (in form and substance reasonably acceptable to Marvell) at or prior to Closing and such other documents reasonably requested by Marvell or the Financing Sources relating to the repayment of the existing indebtedness for borrowed money of any of the Inphi Entities and the release of any related liens, provided the Company shall not be required to deliver any notice of prepayment or redemption or similar notice or document in respect of repayment, redemption or defeasance of indebtedness (or termination of commitments) that is not conditioned on the consummation of the Mergers or that if the Mergers are not consummated results in liability to the Company and (B) provide, at least five Business Days before the Closing Date, all documentation and other information required by bank regulatory authorities under applicable “know-your-customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act, relating to any of the Inphi Entities, in each case as requested by Marvell;

(v) furnish to or at Marvell’s discretion, within a reasonable amount of time following Marvell’s reasonable request, financial and other information relating to the Company and the other Inphi Entities to the extent (i) maintained, prepared or updated by the Company or its Representatives in the ordinary course

of business or the Company or its Representatives are able to provide such information without undue burden or expense as determined by the Company in its sole discretion and (ii) customarily provided in connection with transactions of the type contemplated by the Debt Financing in accordance with the terms of the Debt Commitment Letters as in effect on the date of this Agreement or any substantially similar terms of any Alternative Financing, including delivery of (A) GAAP audited consolidated balance sheets and related audited statements of income, stockholder's equity and cash flows of the Company for each of the three fiscal years most recently ended at least 60 days prior to the Closing Date and (B) GAAP unaudited consolidated balance sheets and related unaudited statements of income, stockholder's equity (to the extent available) and cash flows of the Company for each subsequent fiscal quarter ended at least 40 days prior to the Closing Date, which financial statements in each case shall meet in all material respects the requirements of Regulation S-X under the Securities Act and all other accounting rules and regulations of the SEC promulgated thereunder applicable to a registration statement under the Securities Act on Form S-3, provided that the public filing of any required financial statements or other public information filed with the SEC shall constitute delivery of such financial statements or other public information;

(vi) provide reasonable assistance to Marvell and HoldCo's preparation of pro forma financial information (meeting the requirements of Regulation S-X under the Securities Act) and projections customarily provided in connection with transactions of the type contemplated by the Debt Financing or any Alternative Financing (provided that, notwithstanding anything to the contrary in this Section 5.18, the Company and its Representatives shall not (x) be required to provide any information that the Company does not maintain, or provide any information at times as the Company does not prepare or update, in each case, in the ordinary course of business (other than any information that the Company is able to provide without undue burden or expense as determined by the Company in its sole discretion), and (y) be responsible for the preparation of such pro forma financial information (or any related pro forma adjustments or assumptions) or such projections);

(vii) take such actions as are reasonably requested by Marvell to facilitate the satisfaction on a timely basis of all conditions precedent to obtaining the Debt Financing or any Alternative Financing that are within the Company's control;

(viii) cause its independent auditors to participate in a reasonable number of drafting sessions and accounting due diligence sessions and cooperate with the Debt Financing and any Alternative Financing consistent with their customary practice, including requesting that they provide customary comfort letters (including "negative assurance" comfort), agreed-upon procedures letters and customary consents or authorization letters to the inclusion of the Company's auditor reports, in each case, to the extent required in connection with the marketing and syndication of the Debt Financing (as set forth in the Debt Commitment Letters as in effect on the date of this Agreement) or as are customarily required in any other Alternative Financing;

(ix) assist with the preparation and enter into (as of the Closing) Definitive Debt Financing Agreements and definitive agreements relating to any Alternative Financing (including review of any disclosure schedules related thereto for completeness and accuracy);

(x) execute customary authorization and management representation letters relating to the Debt Financing or any Alternative Financing;

(xi) cooperate to provide a guarantee by any one or more of the Inphi Entities of the indebtedness incurred in the Debt Financing or in any Alternative Financing (so long as such guarantees are only effective immediately after giving effect to the Closing) and facilitate the pledging of, granting of security interests in and obtaining perfection of any liens on, collateral in connection with the Debt Financing; and

(xii) obtain such consents, approvals, authorizations and instruments requested by Marvell to permit the consummation of the Debt Financing or any Alternative Financing, including releases, terminations, landlord waivers, access agreements, waivers, consents and estoppels.

Notwithstanding anything to the contrary in this Section 5.18(e), nothing in this Section 5.18(e) will require the Company or any of its Subsidiaries to take any action that: (1) would require the Company, any of its Subsidiaries, or any persons who are officers or directors of the Company or any of its Subsidiaries to (aa) pass resolutions or consents to approve or authorize the execution of the Debt Financing or any Alternative Financing, (bb) enter into, execute, or deliver any certificate, document, instrument, or agreement for the Debt Financing or any Alternative Financing, or (cc) agree to any change or modification of any existing certificate, document, instrument, or agreement (other than the authorization letters described in Section 5.18(e) (viii)), in the case of each of clauses “(aa),” “(bb)” and “(cc),” that would be effective prior to the Closing Date; (2) would cause any representation or warranty of the Company in this Agreement to be breached by the Company; (3) would require the Company or any of its Subsidiaries to pay any commitment or other similar fee or incur any other expense or liability with respect to the Debt Financing or any Alternative Financing prior to the Closing or have any obligation under any agreement, certificate, document, or instrument with respect to the Debt Financing or any Alternative Financing that is effective prior to the Closing and that would not be reimbursed or indemnified pursuant to Section 5.18(g); (4) would cause any director, officer or employee the Company or any of its Subsidiaries to incur any personal liability; (5) would conflict with the organizational documents of the Company or any of its Subsidiaries or any applicable laws in any material respect; (6) would result in a breach of, or a default under, any Material Contract; (7) would require the Company’s external or internal counsel to deliver any legal opinions; or (8) would unreasonably interfere with the conduct of the business of the Company and its Subsidiaries. Nothing contained in this Section 5.18(e) shall require the Company or any of its Subsidiaries, prior to the Closing, to: (x) be an issuer or other obligor with respect to the Debt Financing or any Alternative Financing; or (y) disclose any information to Marvell or the Financing Sources if such disclosure would (I) violate any applicable law or (II) jeopardize the attorney-client privilege, work product doctrine or other legal privilege held by any Inphi Entity. If any Inphi Entity does not provide or cause its Representatives to provide such access or such information in reliance on clause “(y)” of the immediately preceding sentence, then the Company shall promptly (and in any event within two Business Days after such Inphi Entity determines that it will not provide or cause its Representatives to provide such access or such information) provide a written notice to Marvell stating that it is withholding such access or such information and stating the justification therefor, and shall use its reasonable best efforts to provide the applicable information in a way that would not violate such law or jeopardize such privilege.

(f) The Company hereby consents to the reasonable use of its and each of the other Inphi Entities’ logos in connection with the Debt Financing, including as contemplated by the Debt Commitment Letters, provided that such logos and trademarks are used solely in a manner that is not intended to, and is not reasonably likely to, harm or disparage the reputation of the Company or any of its Subsidiaries.

(g) Marvell shall, promptly upon written request by the Company, (i) reimburse the Company for all reasonable and documented out-of-pocket costs and expenses incurred by the Company in order to comply with its obligations under Section 5.18(e) and (ii) indemnify and hold harmless the Company, its Subsidiaries, and its and their respective directors, officers and employees from and against any and all losses suffered or incurred by them in connection with the arrangement of the Debt Financing or any Alternative Financing or providing the assistance contemplated by Section 5.18(e), except (A) to the extent suffered or incurred as a result of any Inphi Entity’s or any of its directors’, officers’ or employees’ bad faith, fraud, intentional misrepresentation or willful misconduct or (B) with respect to any material misstatement or omission in any information provided hereunder by any of the foregoing Persons expressly for use in connection therewith.

(h) Notwithstanding anything to the contrary contained herein, HoldCo and Marvell acknowledge that their obligations to consummate the Mergers pursuant to this Agreement are not subject to or conditioned in any way on HoldCo or Marvell or any of their respective Affiliates’ obtaining funds therefor pursuant to the Debt Financing or any Alternative Financing.

(i) All non-public information regarding the Company provided by the Company or any of its Representatives pursuant to this Section 5.18 will be kept confidential in accordance with the terms of the

Confidentiality Agreement, except that HoldCo and Marvell will be permitted (i) to include in any offering memorandum or other offering materials used in connection with any offering of securities such non-public information as is necessary in order to make the statements in such offering memorandum or other offering materials, in light of the circumstances in which they are made, not misleading (provided that the Company shall have the reasonable opportunity to review the relevant portions of any such offering memorandum or other offering materials that contain any such non-public information and Marvell will incorporate in all material respects all reasonable comments made by the Company on any such sections containing such non-public information) and (ii) to disclose such information to any Financing Source or prospective Financing Source and other financial institutions that are or may become parties to the Debt Financing or any Alternative Financing (and, in each case, to their respective Representatives) so long as such Persons are subject to confidentiality obligations consistent with the confidentiality obligations applicable to the Financing Sources in the Debt Commitment Letters.

(j) Each of HoldCo and Marvell acknowledges and agrees that, other than reasonable out-of-pocket costs and expenses subject to reimbursement pursuant to Section 5.18(g), none of the Inphi Entities or any of their respective Representatives shall have any responsibility for, or incur any liability to, any Person under any Debt Financing that Marvell or HoldCo may obtain in connection with the Contemplated Transactions or any cooperation provided pursuant to this Section 5.18, except (i) to the extent suffered or incurred as a result of the Inphi Entities' or any of their respective Representatives' bad faith, fraud, intentional misrepresentation or willful misconduct or (ii) with respect to any material misstatement or omission in any information provided hereunder by any of the foregoing Persons expressly for use in connection therewith.

5.19 Convertible Notes.

(a) To the extent required pursuant to the applicable Indenture, prior to the Closing, the Company shall: (i) execute and deliver to the applicable trustee (A) a supplemental indenture to such Indenture, effective upon the Delaware Merger Effective Time, providing, among other things, that at and after the Delaware Merger Effective Time, each holder of Convertible Notes shall have the right to convert such Convertible Notes into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that a holder of a number of shares of Company Common Stock equal to the "Conversion Rate" (as such term is defined in the applicable Indenture and including any applicable increase thereto) immediately prior to the Delaware Merger would have owned or been entitled to receive upon the consummation of the Delaware Merger, in each case in accordance with, and subject to the terms of, the applicable Indenture (including the time periods specified therein) and (B) an officer's certificate, opinion of counsel and any other documentation required to be provided pursuant to the applicable Indenture in connection with such supplemental indenture; and (ii) use its reasonable best efforts to cause the applicable trustee to execute such supplemental indenture at the Delaware Merger Effective Time.

(b) In addition, the Company and the Surviving Delaware Corporation shall take all actions that may be required in accordance with, and subject to the terms of, each Indenture and each Capped Call Confirmation (including, in each case, the time periods specified therein) as a result of the execution and delivery of this Agreement, the Delaware Merger or any of the other Contemplated Transactions, including (i) with respect to each Indenture, the giving of any notices that may be required in connection with any repurchases or conversions of any Convertible Notes occurring as a result of the Delaware Merger constituting a "Fundamental Change" and/or "Make-Whole Fundamental Change," as such terms are defined in the applicable Indenture, and delivery of any supplemental indentures, legal opinions, officers' certificates or other documents or instruments required in connection with the consummation of the Delaware Merger, and (ii) with respect to each Capped Call Confirmation, the giving of any notice of exercise, notice of early conversion and election of any settlement method as a result of the Delaware Merger constituting a "Merger Event," as such term is defined in such Capped Call Confirmation.

(c) The Company shall provide Marvell with any notices of conversion that it receives with respect to the Convertible Notes promptly upon receipt, and shall settle the conversion of any such Convertible Notes as

follows: (i) with respect to the 2015 Notes, by paying the principal amount of the notes in cash and using shares of Company Common Stock to settle the conversion amount in excess of such principal amount in accordance with the 2015 Indenture, unless Marvell provides its prior written consent with respect to a different settlement election; (ii) with respect to the 2016 Notes, by paying the principal amount of the notes in cash and using shares of Company Common Stock to settle the conversion amount in excess of such principal amount in accordance with the 2016 Indenture, unless Marvell provides its prior written consent with respect to a different settlement election; and (iii) with respect to the 2020 Notes, by using any settlement election available under the 2020 Indenture approved by Marvell in advance in writing. The Company shall provide Marvell and its counsel a reasonable opportunity to review and comment on any written notice to, communication with, or document or instrument delivered to, holders of Convertible Notes, any dealer to any Capped Call Confirmation or any trustee under any Indenture prior to the delivery or making thereof, and the Company shall give reasonable and good faith consideration to any comment made by Marvell or its counsel.

There shall not be pending or overtly threatened any Legal Proceeding brought by a Governmental Body: (a) challenging or seeking to restrain or prohibit the consummation of the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions; (b) seeking to prohibit or limit in any material respect the ability of HoldCo to vote, receive dividends with respect to or otherwise exercise ownership rights with respect to the shares of the Surviving Bermuda Company or the stock of the Surviving Delaware Corporation; (c) that could materially and adversely affect the right of HoldCo to own the assets or operate the business of any of the Inphi Entities or the Marvell Entities; (d) seeking to compel HoldCo, any of the other Marvell Entities or any of the Inphi Entities to dispose of or hold separate any material assets as a result of the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions; or (e) relating to the Delaware Merger, the Bermuda Merger or any of the other Contemplated Transactions and seeking to impose (or that would reasonably be expected to result in the imposition of) any criminal sanctions or criminal liability on HoldCo, any Marvell Entity, any Inphi Entity or any of their respective officers, directors or Affiliates.

Section 7. CONDITIONS PRECEDENT TO OBLIGATION OF THE COMPANY

The obligation of the Company to effect the Delaware Merger and otherwise consummate the Contemplated Transactions is subject to the satisfaction (or waiver by the Company), at or prior to the Closing, of the following conditions:

7.1 Accuracy of Representations.

(a) The representations and warranties of Marvell contained in this Agreement, other than the Designated Representations, shall have been accurate in all respects as of the date of this Agreement and shall be accurate in all respects as of the Closing Date as if made on and as of the Closing Date (in each case, other than any such representation or warranty made as of a specific earlier date, which shall have been accurate in all respects as of such earlier date), except that any inaccuracies in such representations and warranties will be disregarded if the circumstances giving rise to all such inaccuracies (considered collectively) do not constitute, and would not reasonably be expected to have or result in, a Material Adverse Effect on Marvell; *provided, however*, that, for purposes of determining the accuracy of such representations and warranties as of the foregoing dates: (i) all “Material Adverse Effect” and other materiality and similar qualifications limiting the scope of such representations and warranties shall be disregarded; and (ii) any update of or modification to the Marvell Disclosure Schedule made or purported to have been made on or after the date of this Agreement shall be disregarded.

(b) The representations and warranties of Marvell contained in Sections 3.13, 3.14, 3.20 and 3.21 shall have been accurate in all material respects as of the date of this Agreement and shall be accurate in all material respects as of the Closing Date as if made on and as of the Closing Date (in each case, other than any such representation or warranty made as of a specific earlier date, which shall have been accurate in all material

8.1 Termination. This Agreement may be terminated prior to the Bermuda Merger Effective Time (whether before or after the adoption of this Agreement by the Required Company Stockholder Vote and whether before or after the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote) by written notice of the terminating party to the other Principal Party:

(a) by mutual written consent of Marvell and the Company;

(b) by either Marvell or the Company if the Mergers shall not have been consummated by 11:59 p.m. (California time) on June 29, 2021 (the “End Date”); *provided, however*, that: (i) if, as of 11:59 p.m. (California time) on June 29, 2021, a Specified Circumstance exists and each of the conditions set forth in Sections 6.1, 6.2, 6.3, 6.4, 6.5, 6.7, 6.9 (other than with respect to the Specified Circumstance) and 6.10 (other than with respect to the Specified Circumstance) is satisfied or has been waived, then the Company may, by providing written notice thereof to Marvell at or prior to 11:59 p.m. (California time) on June 29, 2021, extend the End Date to 11:59 p.m. (California time) on October 29, 2021 (it being understood that, for purposes of this clause “(i),” in order to determine whether the conditions set forth in Section 6.1 have been satisfied, all references in Section 6.1 to the “Closing Date” shall be deemed to refer instead to June 29, 2021); (ii) if, as of 11:59 p.m. (California time) on June 29, 2021, a Specified Circumstance exists and each of the conditions set forth in Sections 7.1, 7.2, 7.3, 7.4, 7.5, 7.7 and 7.9 (other than with respect to the Specified Circumstance) is satisfied or has been waived, then Marvell may, by providing written notice thereof to the Company at or prior to 11:59 p.m. (California time) on June 29, 2021, extend the End Date to 11:59 p.m. (California time) on October 29, 2021 (it being understood that, for purposes of this clause “(ii),” in order to determine whether the conditions set forth in Section 7.1 have been satisfied, all references in Section 7.1 to the “Closing Date” shall be deemed to refer instead to June 29, 2021); (iii) if, as of 11:59 p.m. (California time) on October 29, 2021, a Specified Circumstance exists and each of the conditions set forth in Sections 6.1, 6.2, 6.3, 6.4, 6.5, 6.7, 6.9 (other than with respect to the Specified Circumstance) and 6.10 (other than with respect to the Specified Circumstance) is satisfied or has been waived, then the Company may, by providing written notice thereof to Marvell at or prior to 11:59 p.m. (California time) on October 29, 2021, extend the End Date to 11:59 p.m. (California time) on March 1, 2022 (it being understood that, for purposes of this clause “(iii),” in order to determine whether the conditions set forth in Section 6.1 have been satisfied, all references in Section 6.1 to the “Closing Date” shall be deemed to refer instead to October 29, 2021); (iv) if, as of 11:59 p.m. (California time) on October 29, 2021, a Specified Circumstance exists and each of the conditions set forth in Sections 7.1, 7.2, 7.3, 7.4, 7.5, 7.7 and 7.9 (other than with respect to the Specified Circumstance) is satisfied or has been waived, then Marvell may, by providing written notice thereof to the Company at or prior to 11:59 p.m. (California time) on October 29, 2021, extend the End Date to 11:59 p.m. (California time) on March 1, 2022 (it being understood that, for purposes of this clause “(iv),” in order to determine whether the conditions set forth in Section 7.1 have been satisfied, all references in Section 7.1 to the “Closing Date” shall be deemed to refer instead to October 29, 2021); and (v) a Principal Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if the failure to consummate the Mergers by the End Date is primarily attributable to a failure on the part of such Principal Party to perform any covenant required to be performed by such Principal Party at or prior to the Bermuda Merger Effective Time;

(c) by either Marvell or the Company if: (i) a Specified Governmental Body shall have issued a final and nonappealable Order having the effect of permanently restraining, enjoining or otherwise prohibiting the Delaware Merger or the Bermuda Merger; or (ii) there shall be any applicable Legal Requirement

enacted, promulgated, issued or deemed applicable to the Delaware Merger or the Bermuda Merger by any Specified Governmental Body that would make consummation of the Delaware Merger or the Bermuda Merger illegal;

(d) by either Marvell or the Company if: (i) the Company Stockholders' Meeting (including any adjournments and postponements thereof) shall have been held and completed and the Company's stockholders shall have taken a final vote on a proposal to adopt this Agreement; and (ii) this Agreement shall not have been adopted at the Company Stockholders' Meeting (and shall not have been adopted at any adjournment or postponement thereof) by the Required Company Stockholder Vote; *provided, however*, that a Principal Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(d) if the failure to have this Agreement adopted by the Required Company Stockholder Vote is primarily attributable to a failure on the part of such Principal Party to perform any covenant or obligation in this Agreement on or prior to the date of the Company Stockholders' Meeting (or on or prior to the date of any adjournment or postponement thereof);

(e) by either Marvell or the Company if: (i) the Marvell Shareholders' Meeting (including any adjournments and postponements thereof) shall have been held and completed and Marvell's shareholders shall have taken a final vote on the Marvell Merger Proposal; and (ii) the Marvell Merger Proposal shall not have been approved at the Marvell Shareholders' Meeting (and shall not have been approved at any adjournment or postponement thereof) by the Required Marvell Shareholder Vote; *provided, however*, that a Principal Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(e) if the failure to have the Marvell Merger Proposal approved by the Required Marvell Shareholder Vote is primarily attributable to a failure on the part of such Principal Party to perform any covenant or obligation in this Agreement on or prior to the date of the Marvell Shareholders' Meeting (or on or prior to the date of any adjournment or postponement thereof);

(f) by Marvell (at any time prior to the adoption of this Agreement by the Required Company Stockholder Vote) if a Company Triggering Event shall have occurred;

(g) by the Company (at any time prior to the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote) if a Marvell Triggering Event shall have occurred;

(h) by Marvell if: (i) any of the Company's representations or warranties contained in this Agreement shall be inaccurate as of the date of this Agreement, or shall have become inaccurate as of a date subsequent to the date of this Agreement (as if made on such subsequent date), such that any of the conditions set forth in Section 6.1 would not be satisfied (it being understood that, for purposes of determining the accuracy of such representations or warranties as of the date of this Agreement or as of any subsequent date, (A) all "Material Adverse Effect" and other materiality and similar qualifications limiting the scope of such representations or warranties shall be disregarded, and (B) any update of or modification to the Company Disclosure Schedule made or purported to have been made on or after the date of this Agreement shall be disregarded); (ii) any of the Company's covenants or obligations contained in this Agreement shall have been breached such that the condition set forth in Section 6.2 would not be satisfied; or (iii) a Material Adverse Effect on the Company shall have occurred following the date of this Agreement; *provided, however*, that, for purposes of clauses "(i)" and "(ii)" above, if an inaccuracy in any of the Company's representations or warranties as of a date subsequent to the date of this Agreement or a breach of a covenant or obligation by the Company is curable by the Company prior to the End Date (as it may be extended in accordance with Section 8.1(b)) and the Company is continuing to exercise its reasonable best efforts to cure such inaccuracy or breach, then Marvell may not terminate this Agreement under this Section 8.1(h) on account of such inaccuracy or breach unless such inaccuracy or breach shall remain uncured for a period of 30 days commencing on the date that Marvell gives the Company written notice of such inaccuracy or breach;

(i) by the Company if: (i) any of Marvell's representations or warranties contained in this Agreement shall be inaccurate as of the date of this Agreement, or shall have become inaccurate as of a date subsequent to the date of this Agreement (as if made on such subsequent date), such that the conditions set forth in

Section 7.1 would not be satisfied (it being understood that, for purposes of determining the accuracy of such representations or warranties as of the date of this Agreement or as of any subsequent date, (A) all “Material Adverse Effect” and other materiality and similar qualifications limiting the scope of such representations or warranties shall be disregarded, and (B) any update of or modification to the Marvell Disclosure Schedule made or purported to have been made on or after the date of this Agreement shall be disregarded); (ii) any of Marvell’s covenants or obligations contained in this Agreement shall have been breached such that the condition set forth in Section 7.2 would not be satisfied; or (iii) a Material Adverse Effect on Marvell shall have occurred following the date of this Agreement; *provided, however*, that, for purposes of clauses “(i)” and “(ii)” above, if an inaccuracy in any of Marvell’s representations or warranties as of a date subsequent to the date of this Agreement or a breach of a covenant or obligation by Marvell is curable by Marvell prior to the End Date (as it may be extended in accordance with Section 8.1(b)) and Marvell is continuing to exercise its reasonable best efforts to cure such inaccuracy or breach, then the Company may not terminate this Agreement under this Section 8.1(i) on account of such inaccuracy or breach unless such inaccuracy or breach shall remain uncured for a period of 30 days commencing on the date that the Company gives Marvell written notice of such inaccuracy or breach;

(j) by the Company (at any time prior to the adoption of this Agreement by the Required Company Stockholder Vote) in order to accept a Company Superior Offer and enter into a binding, written, definitive agreement providing for the consummation of the transaction contemplated by such Company Superior Offer that has been executed on behalf of the Person that made such Company Superior Offer (a “Specified Company Acquisition Agreement”), if: (i) the Company’s board of directors, after satisfying all of the requirements set forth in Section 5.2(f)(i), shall have authorized the Company to enter into such Specified Company Acquisition Agreement; (ii) the Company shall have delivered to Marvell a written notice (that includes a copy of the Specified Company Acquisition Agreement as an attachment) containing the Company’s statement confirming that the Company is entering into the Specified Company Acquisition Agreement in the form attached to such notice concurrently with the termination of this Agreement pursuant to this Section 8.1(j); (iii) concurrently with the termination of this Agreement pursuant to this Section 8.1(j), the Company enters into the Specified Company Acquisition Agreement with respect to such Company Superior Offer; and (iv) immediately prior to or concurrently with such termination, the Company shall have paid to Marvell or its designee the Company Termination Fee; or

(k) by Marvell (at any time prior to the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote) in order to accept a Disruptive Marvell Superior Offer and enter into a binding, written, definitive agreement providing for the consummation of the transaction contemplated by such Disruptive Marvell Superior Offer that has been executed on behalf of the Person that made such Disruptive Marvell Superior Offer (a “Specified Marvell Acquisition Agreement”), if: (i) Marvell’s board of directors, after satisfying all of the requirements set forth in Section 5.3(f)(i), shall have authorized Marvell to enter into such Specified Marvell Acquisition Agreement; (ii) Marvell shall have delivered to the Company a written notice (that includes a copy of the Specified Marvell Acquisition Agreement as an attachment) containing Marvell’s statement confirming that Marvell is entering into the Specified Marvell Acquisition Agreement in the form attached to such notice concurrently with the termination of this Agreement pursuant to this Section 8.1(k); (iii) concurrently with the termination of this Agreement pursuant to this Section 8.1(k), Marvell enters into the Specified Marvell Acquisition Agreement with respect to such Disruptive Marvell Superior Offer; and (iv) immediately prior to or concurrently with such termination, Marvell shall have paid to the Company or its designee the Marvell Termination Fee.

Notwithstanding anything to the contrary contained in this Section 8.1, this Agreement may not be terminated by any Principal Party unless any fee required to be paid and any Expense Payment required to be made by such Principal Party at or prior to the time of such termination pursuant to Section 8.3 shall have been paid or made in full.

8.2 Effect of Termination. If this Agreement is terminated as provided in Section 8.1, all further obligations of the parties under this Agreement shall terminate, this Agreement shall be of no further force or

effect and there shall be no liability on the part of the Company, Marvell, HoldCo, Bermuda Merger Sub, Delaware Merger Sub or any of their respective stockholders or Representatives; *provided, however*, that: (a) Section 5.18(g), this Section 8.2, Section 8.3 and Section 9 shall survive the termination of this Agreement and shall remain in full force and effect; and (b) the termination of this Agreement shall not relieve any party from any liability for fraud or any knowing and intentional breach of any covenant or obligation contained in this Agreement. For purposes of this Section 8 and Section 9 only: (i) “knowing and intentional breach” means a breach or failure to perform a covenant or obligation that is a consequence of an act undertaken by the breaching party with the actual knowledge that the taking of such act would, or would reasonably be expected to, cause a material breach of this Agreement; and (ii) “fraud” means the intentional (and not constructive) fraud of a Person in making a representation (whether or not in this Agreement), with the actual (and not constructive) knowledge that such representation was false when made, with the express intention of inducing the person to whom the representation was made to rely on it (it being understood that “fraud” includes extra-contractual fraud).

8.3 Expenses; Termination Fees.

(a) Except as set forth in this Section 8.3, all fees and expenses incurred in connection with this Agreement or any of the Contemplated Transactions shall be paid by the party incurring such fees and expenses, whether or not the Mergers are consummated.

(b) If this Agreement is terminated by Marvell or the Company: (i) pursuant to Section 8.1(d), then the Company shall make the Company Expense Payment to Marvell at the time specified in Section 8.3(h); or (ii) pursuant to Section 8.1(e), then Marvell shall make the Marvell Expense Payment to the Company at the time specified in Section 8.3(h).

(c) If: (i) this Agreement is terminated by Marvell or the Company pursuant to Section 8.1(b); (ii) at or prior to the time of the termination of this Agreement, a Company Acquisition Proposal shall have been made known to the Company or been publicly disclosed, announced, commenced, submitted or made; (iii) prior to the termination of this Agreement, the Company’s stockholders shall not have taken a final vote on a proposal to adopt this Agreement; and (iv) within 12 months after the date of such termination of this Agreement, a Company Acquisition Transaction (whether or not relating to such Company Acquisition Proposal) is consummated or a definitive agreement providing for a Company Acquisition Transaction (whether or not relating to such Company Acquisition Proposal) is executed, then the Company shall pay to Marvell a non-refundable fee in the amount of \$300,000,000 (such non-refundable fee being referred to as the “Company Termination Fee”) in cash; *provided, however*, that, for purposes of clause “(iv)” of this Section 8.3(c), (A) all references to “15%” in the definition of “Company Acquisition Transaction” shall be deemed to be references to “50%” and (B) the term “Company Acquisition Transaction” shall also be deemed to encompass any transaction involving a merger or other business combination involving the Company and another Entity that results in the Persons who were stockholders of the Company immediately before such transaction retaining or acquiring beneficial ownership of at least 40% of the outstanding shares or equity securities of the Company, of such other Entity, of the surviving or combined Entity in such transaction or of a parent company.

(d) If: (i) this Agreement is terminated by Marvell or the Company pursuant to Section 8.1(d); (ii) at or prior to the time of the termination of this Agreement, a Company Acquisition Proposal shall have been publicly disclosed, announced or commenced and such Company Acquisition Proposal shall not have been publicly withdrawn at least 10 Business Days prior to the Company Stockholders’ Meeting; and (iii) within 12 months after the date of such termination of this Agreement, a Company Acquisition Transaction (whether or not relating to such Company Acquisition Proposal) is consummated or a definitive agreement providing for a Company Acquisition Transaction (whether or not relating to such Company Acquisition Proposal) is executed, then the Company shall pay to Marvell the Company Termination Fee in cash; *provided, however*, that, for purposes of clause “(iii)” of this Section 8.3(d), (A) all references to “15%” in the definition of “Company Acquisition Transaction” shall be deemed to be references to “50%” and (B) the term “Company Acquisition Transaction” shall also be deemed to encompass any transaction involving a merger or other business combination involving

the Company and another Entity that results in the Persons who were stockholders of the Company immediately before such transaction retaining or acquiring beneficial ownership of at least 40% of the outstanding shares or equity securities of the Company, of such other Entity, of the surviving or combined Entity in such transaction or of a parent company.

(e) If this Agreement is terminated: (i) by Marvell pursuant to Section 8.1(f); (ii) by Marvell or the Company pursuant to any other provision of Section 8.1 (other than Section 8.1(a) or Section 8.1(g)) at any time during the period commencing on the occurrence of a Company Triggering Event and ending on the earlier of (A) the tenth day after the final vote by the Company's stockholders on a proposal to adopt this Agreement at the Company Stockholders' Meeting (including any adjournments and postponements thereof) and (B) the adoption of this Agreement by the Required Company Stockholder Vote; or (iii) by the Company pursuant to Section 8.1(j), then the Company shall pay to Marvell the Company Termination Fee in cash.

(f) If this Agreement is terminated: (i) by the Company pursuant to Section 8.1(g); (ii) by Marvell or the Company pursuant to any other provision of Section 8.1 (other than Section 8.1(a) or Section 8.1(f)) at any time during the period commencing on the occurrence of a Marvell Triggering Event and ending on the earlier of (A) the tenth day after the final vote by Marvell's shareholders on a proposal to approve the Marvell Merger Proposal at the Marvell Shareholders' Meeting (including any adjournments and postponements thereof) and (B) the approval of the Marvell Merger Proposal by the Required Marvell Shareholder Vote; or (iii) by Marvell pursuant to Section 8.1(k), then Marvell shall pay to the Company a non-refundable fee in the amount of \$400,000,000 (such non-refundable fee being referred to as the "Marvell Termination Fee") in cash.

(g) If: (i) this Agreement is terminated by Marvell or the Company pursuant to Section 8.1(b) or Section 8.1(c) (in the case of Section 8.1(c) only, as a result of a suit or legal proceeding brought by (x) a Specified Governmental Body under any applicable antitrust or competition Legal Requirement or (y) a Requesting Authority); and (ii) as of the time of the termination of this Agreement, a Designated Circumstance exists and each of the conditions set forth in Sections 6.1, 6.2, 6.3, 6.4, 6.5, 6.7, 6.9 (other than with respect to the Designated Circumstance) and 6.10 (other than with respect to the Designated Circumstance) shall have been satisfied or waived (it being understood that, for purposes of this Section 8.3(g), all references in Section 6.1 to the "Closing Date" shall be deemed to refer instead to the date of termination of this Agreement), then Marvell shall pay to the Company a non-refundable fee in the amount of \$460,000,000 (such non-refundable fee being referred to as the "Reverse Termination Fee") in cash within two Business Days after the date of such termination.

(h) Any Company Termination Fee required to be paid to Marvell pursuant to Section 8.3(c) or Section 8.3(d) shall be paid by the Company contemporaneously with the earlier to occur of the consummation of, or entry into of a definitive agreement relating to, the Company Acquisition Transaction contemplated by Section 8.3(c) or Section 8.3(d). Any Company Termination Fee required to be paid to Marvell pursuant to Section 8.3(e), and any Company Expense Payment required to be made pursuant to clause "(i)" of Section 8.3(b), shall be paid or made by the Company (i) in the case of a termination of this Agreement by the Company, at or prior to the time of such termination, and (ii) in the case of a termination of this Agreement by Marvell, within two Business Days after such termination. Any Marvell Termination Fee or Reverse Termination Fee required to be paid to the Company pursuant to Section 8.3(f) or Section 8.3(g), respectively, and any Marvell Expense Payment required to be made pursuant to clause "(ii)" of Section 8.3(b), shall be paid or made by Marvell (A) in the case of a termination of this Agreement by Marvell, at or prior to the time of such termination, and (B) in the case of a termination of this Agreement by the Company, within two Business Days after such termination.

(i) Each of the parties acknowledges and agrees that in no event shall the Company be required to pay the Company Termination Fee under this Section 8.3 on more than one occasion, whether or not such fee may be payable under more than one provision of this Agreement at the same or at different times or upon the occurrence of different events. Each of the parties acknowledges and agrees that in no event shall Marvell be required to

(i) pay both the Marvell Termination Fee and the Reverse Termination Fee under this Section 8.3 or (ii) pay the Marvell Termination Fee or the Reverse Termination Fee under this Section 8.3 on more than one occasion, whether or not such fee may be payable under more than one provision of this Agreement at the same or at different times or upon the occurrence of different events. Each of the parties acknowledges and agrees that (A) the covenants and obligations contained in this Section 8.3 are an integral part of the Contemplated Transactions, and that, without these covenants and obligations, the parties would not have entered into this Agreement, and (B) none of the Company Termination Fee, the Marvell Termination Fee or the Reverse Termination Fee is a penalty, but rather each is liquidated damages in a reasonable amount that will compensate Marvell or the Company, as the case may be, in the circumstances in which the Company Termination Fee, the Marvell Termination Fee or the Reverse Termination Fee is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Mergers, which amount would otherwise be impossible to calculate with precision. Notwithstanding anything to the contrary contained in this Agreement: (1) except in the case of fraud or a knowing and intentional breach of any of the Company's covenants or obligations contained in this Agreement, if this Agreement is validly terminated in accordance with Section 8.1, Marvell's right to receive the Company Expense Payment and the Company Termination Fee from the Company in the circumstances under which such amounts are payable pursuant to this Section 8.3 (plus, if the Company Termination Fee or the Company Expense Payment is not timely paid, the interest, costs and expenses described in Section 8.3(j)) shall constitute the sole and exclusive remedy of Marvell, HoldCo, Bermuda Merger Sub and Delaware Merger Sub against the Company for any loss suffered as a result of the failure of the Mergers to be consummated or any loss suffered as a result of any breach of any covenant or obligation in this Agreement, and upon payment of such amounts, the Company and its current, former or future stockholders or Representatives shall not have any further liability or obligation relating to or arising out of this Agreement (it being understood that if both the Company Expense Payment and the Company Termination Fee are or become payable pursuant to this Section 8.3, the Company's aggregate liability for both payments shall not exceed the amount of the Company Termination Fee plus, if the Company Termination Fee or the Company Expense Payment is not timely paid, the interest, costs and expenses described in Section 8.3(j)); and (2) except in the case of fraud or a knowing and intentional breach of any of Marvell's covenants or obligations contained in this Agreement, if this Agreement is validly terminated in accordance with Section 8.1, the Company's right to receive the Marvell Expense Payment and either the Marvell Termination Fee or the Reverse Termination Fee from Marvell in the circumstances under which such amounts are payable pursuant to this Section 8.3 (plus, if the Marvell Termination Fee, the Reverse Termination Fee or the Marvell Expense Payment is not timely paid, the interest, costs and expenses described in Section 8.3(j)) shall constitute the sole and exclusive remedy of the Company against Marvell, HoldCo, Bermuda Merger Sub and Delaware Merger Sub for any loss suffered as a result of the failure of the Mergers to be consummated or any loss suffered as a result of any breach of any covenant or obligation in this Agreement, and upon payment of such amounts, none of Marvell, HoldCo, Bermuda Merger Sub, Delaware Merger Sub or any of their respective current, former or future stockholders or Representatives shall have any further liability or obligation relating to or arising out of this Agreement (it being understood that (x) if both the Marvell Expense Payment and the Marvell Termination Fee are or become payable pursuant to this Section 8.3, Marvell's aggregate liability for both payments shall not exceed the amount of the Marvell Termination Fee plus, if the Marvell Termination Fee or the Marvell Expense Payment is not timely paid, the interest, costs and expenses described in Section 8.3(j) and (y) if both the Marvell Expense Payment and the Reverse Termination Fee are or become payable pursuant to this Section 8.3, Marvell's aggregate liability for both payments shall not exceed the amount of the Reverse Termination Fee plus, if the Reverse Termination Fee or the Marvell Expense Payment is not timely paid, the interest, costs and expenses described in Section 8.3(j)).

(j) If any Principal Party fails to pay when due any amount payable under this Section 8.3, then (i) such Principal Party shall reimburse the other Principal Party for all costs and expenses (including fees and disbursements of counsel) incurred in connection with the collection of such overdue amount and the enforcement by the other Principal Party of its rights under this Section 8.3 and (ii) such Principal Party shall pay interest on such overdue amount (for the period commencing as of the date such overdue amount was originally required to be paid and ending on the date such overdue amount is actually paid to the other party in full) at a rate

per annum equal to the sum of the Prime Rate in effect on the date such overdue amount was originally required to be paid plus 500 basis points.

(k) Any fee or other amount payable pursuant to this Section 8.3 shall be paid free and clear of all deductions and withholdings.

(l) For purposes of this Section 8.3: (i) “Company Expense Payment” means a cash payment to Marvell in an amount equal to the aggregate amount of all fees, costs and other expenses (including legal fees, financial advisory fees, consultant fees, filing fees and travel expenses) that Marvell has directly or indirectly paid or otherwise borne, and all fees and expenses that are or may become payable directly or indirectly by Marvell, in connection with or in anticipation of the Contemplated Transactions (including all fees and expenses relating directly or indirectly to the preparation and negotiation of this Agreement, the Confidentiality Agreement and the other documents referred to in this Agreement, and all fees and expenses relating to Marvell’s due diligence investigation of the Inphi Entities), up to a maximum of \$25,000,000; and (ii) “Marvell Expense Payment” means a cash payment to the Company in an amount equal to the aggregate amount of all fees, costs and other expenses (including legal fees, financial advisory fees, consultant fees, filing fees and travel expenses) that the Company has directly or indirectly paid or otherwise borne, and all fees and expenses that are or may become payable directly or indirectly by the Company, in connection with or in anticipation of the Contemplated Transactions (including all fees and expenses relating directly or indirectly to the preparation and negotiation of this Agreement, the Confidentiality Agreement and the other documents referred to in this Agreement, and all fees and expenses relating to the Company’s due diligence investigation of the Marvell Entities), up to a maximum of \$25,000,000.

Section 9. MISCELLANEOUS PROVISIONS

9.1 Amendment. This Agreement may be amended by the Company and Marvell at any time (whether before or after the adoption of this Agreement by the Company’s stockholders and whether before or after approval of the Marvell Merger Proposal by Marvell’s shareholders); *provided, however*, that (a) after any such adoption of this Agreement by the Company’s stockholders, no amendment shall be made which by law requires further approval of the stockholders of the Company without the further approval of such stockholders and (b) after any such approval of the Marvell Merger Proposal by Marvell’s shareholders, no amendment shall be made which by law or any Nasdaq Rule requires further approval of Marvell’s shareholders without the further approval of such shareholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. Notwithstanding anything to the contrary contained in this Agreement, Sections 9.5(b), 9.5(c), the last sentence of Section 9.11, clause “(b)” of Section 9.7 and this sentence (and any other provision of this Agreement to the extent that an amendment or waiver of such provision would modify the substance of such provisions) may not be amended or waived in any manner that is adverse in any material respect to any Financing Source or any of its Financing Source Related Parties without the prior written consent of such Financing Source.

9.2 Waiver.

(a) No failure on the part of any party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy.

(b) No party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such party; and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

9.3 No Survival of Representations and Warranties. None of the representations and warranties contained in this Agreement or in any certificate delivered pursuant to this Agreement shall survive the Mergers.

9.4 Entire Agreement; Counterparts; Exchanges by Facsimile or Electronic Delivery. This Agreement (including all Exhibits hereto), the Company Disclosure Schedule, the Marvell Disclosure Schedule and the Confidentiality Agreement (as amended pursuant to Section 4.1(b)) constitute the entire agreement and supersede all prior and contemporaneous agreements and understandings, both written and oral, among or between any of the parties with respect to the subject matter hereof and thereof; *provided, however*, that the provisions of the Confidentiality Agreement (as amended pursuant to Section 4.1(b)) shall not be superseded and shall remain in full force and effect in accordance with its terms (it being understood that nothing in the Confidentiality Agreement shall limit any Principal Party's remedies in the event of fraud by the other Principal Party or by any of its Subsidiaries or Representatives). Accordingly, in the event of any breach or threatened breach by any party of any covenant or obligation contained in this Agreement, any non-breaching party shall be entitled to obtain, without proof of actual damages (and in addition to any other remedy to which such non-breaching party may be entitled at law or in equity): (a) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation; and (b) an injunction restraining such breach or threatened breach. Each of the parties hereby waives any requirement for the securing or posting of any bond in connection with any such remedy. Except as otherwise provided in Section 8.3(i), any and all remedies in this Agreement expressly conferred upon a Principal Party shall be deemed cumulative with and not exclusive of any other remedy conferred by this Agreement, or by law or equity upon such Principal Party, and the exercise by a Principal Party of any one remedy shall not preclude the exercise of any other remedy. Nothing in this Agreement shall be deemed a waiver by any party of any right to specific performance or injunctive relief. Upon the request of JPMorgan, you will use commercially reasonable efforts to cause the Target to furnish for no fee, to JPMorgan, an electronic version of the Target’s trademark logos for use in marketing materials for the purpose of facilitating the syndication of the Bridge Facility. You also understand and acknowledge that we may provide to market data collectors, such as league tables, or other service providers to the lending industry, information regarding the closing date, size, type, purpose of, and parties to, the Bridge Facility.

In order to facilitate an orderly and successful syndication of the Bridge Facility, you agree that until the Syndication Date, the Borrower will not (and will use commercially reasonable efforts to cause the Acquired Business to not) issue, announce, offer, place or arrange debt securities or any syndicated credit facilities of the Borrower or its subsidiaries (or the Acquired Business) (other than (i) the Debt Securities, (ii) the Term Loan Facility, (iii) any amendment or refinancing of the revolving credit facility under that certain Credit Agreement dated as of June 13, 2018 among as Goldman Sachs Bank USA, as general administrative agent and term facility agent, Bank of America, N.A., as revolving facility agent, Maui, as borrower and the lenders party thereto (the “**Existing Credit Agreement**”) or any increase thereto, so long as the aggregate committed amount and, without duplication, outstanding amount thereunder shall not exceed \$750,000,000, (iv) indebtedness permitted to be incurred by the Acquired Business pursuant to the Acquisition Agreement, (v) other indebtedness in an aggregate principal amount not to exceed \$100,000,000, (vi) capital leases, letters of credit and purchase money and equipment financings of the Borrower and its subsidiaries and of the Acquired Business, in each case, in the ordinary course of business, (vii) working capital facilities of foreign subsidiaries and (viii) any other financing agreed by the Lead Arranger), in each case if such issuance, announcement, offering, placement or arrangement could reasonably be expected to materially impair the primary syndication of the Bridge Facility.

You will assist us in preparing Information Materials, including but not limited to a Confidential Information Memorandum or lender slides, for distribution to prospective Lenders. If requested, you also will assist us in preparing an additional version of the Information Materials (the “**Public-Side Version**”) to be used by prospective Lenders’ public-side employees

and representatives (“**Public-Siders**”) who do not wish to receive material non-public information (within the meaning of United States federal securities laws) with respect to you, the Target, the Borrower, their respective affiliates and any of their respective securities (“**MNPI**”) and who may be engaged in investment and other market-related activities with respect to you, the Target, the Borrower’s or their affiliates’ securities or loans. Before distribution of any Information Materials, you agree to execute and deliver to us (i) a customary letter in which you authorize distribution of the Information Materials to a prospective Lender’s employees willing to receive MNPI (“**Private-Siders**”) and (ii) a separate customary letter in which you authorize distribution of the Public-Side Version to Public-Siders not containing any MNPI. You also acknowledge that publishing debt analysts employed by JPMorgan and its affiliates who are Public-Siders may participate in any meetings or telephone conference calls held pursuant to clause (e) of the first paragraph of Section 3 of this Commitment Letter; provided that such analysts shall not publish any information obtained from such meetings or calls (i) until the syndication of the Bridge Facility has been completed upon the making of allocations by JPMorgan and JPMorgan freeing the Bridge Facility to trade or (ii) in violation of any confidentiality agreement between you and JPMorgan.

The Borrower agrees that the following documents may be distributed to both Private-Siders and Public-Siders, unless the Borrower advises JPMorgan in writing (including by email) within a reasonable time prior to their intended distribution that such materials should only be distributed to Private-Siders: (a) administrative materials prepared by JPMorgan for prospective Lenders (such as a lender meeting invitation, bank allocation, if any, and funding and closing memoranda), (b) term sheets summarizing the Bridge Facility’s terms and notification of changes in the Bridge Facility’s terms and (c) other materials intended for prospective Lenders after the initial distribution of Information Materials. If you advise us that any of the foregoing should be distributed only to Private-Siders, then Public-Siders will not receive such materials without further discussions with you.

The Borrower hereby authorizes JPMorgan to distribute draft and execution versions of definitive documentation relating to the Bridge Facility to Private-Siders and Public-Siders.

As the Lead Arranger, JPMorgan will manage all aspects of the syndication in consultation with you, including decisions as to the selection of institutions to be approached and when they will be approached, when their commitments will be accepted, which institutions will participate, the allocations of the commitments among the Lenders and the amount and distribution of fees among the Lenders; provided that the Lead Arranger will not syndicate to any person (other than those financial institutions (and their affiliates) identified by the Lead Arranger to you in writing on or prior to the date hereof (including, for the avoidance of doubt, those lenders identified in the “syndication plan” for the Bridge Facility agreed to by the Lead Arranger and you prior to the date hereof)), any Permitted Assignee and to lenders under the Existing Credit Agreement (other than a “defaulting lender” under and as defined therein, as of the date of such syndication) without your consent (such consent not to be unreasonably withheld or delayed). In acting as the Lead Arranger, JPMorgan will have no responsibility other than to arrange the syndication as set forth herein and is acting solely in the capacity of an arm’s-length contractual counterparty to the Borrower with respect to the arrangement of the Bridge Facility (including in connection with determining the terms of the Bridge Facility) and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other person.

Notwithstanding anything to the contrary contained in this Commitment Letter or any other agreement or undertaking concerning the Bridge Facility, but without limiting the conditions precedent in Section 6 hereof or Exhibit B, and without limiting your obligations to assist with syndication in this Section 3, none of the foregoing obligations under the provisions of this Section 3 nor the commencement, conduct or completion of the syndication contemplated by this Section 3 is a condition to the Commitment or the funding of the Bridge Facility on the Closing Date.

For the avoidance of doubt, without limiting your representation and covenant set forth in Section 4 below, nothing contained in this Commitment Letter shall require you to provide any information to the extent that the provision thereof would violate any attorney-client privilege, law, rule or regulation, or any obligation of confidentiality binding on you, the Acquired Business or your or its respective affiliates; provided that you shall (x) use commercially reasonable efforts to communicate, to the extent permitted, the applicable information in a way that would not violate the applicable law, rule, regulation or obligation, and (y) to the extent you are unable to disclose any such information, notify us if any such information is being withheld as a result of any such obligation of confidentiality (but solely if providing such notice would not violate such confidentiality obligation).

4. Information

To assist JPMorgan in its syndication efforts, you agree promptly to prepare and provide to the Lead Arranger all customary information with respect to the Borrower and the transactions contemplated hereby, including all financial information and projections concerning the Borrower and the Acquired Business (the “**Projections**”), as we may reasonably request in connection with the arrangement and syndication of the Bridge Facility. You hereby represent and covenant (to the best of your knowledge to the extent relating to the Acquired Business) that (a) all written information other than the Projections, forward-looking information and other information of a general economic or industry nature (the “**Information**”) that has been or will be made available to the Lead Arranger by you or any of your representatives in connection with the Transactions, when taken as a whole, is or will be, when furnished, complete and correct in all material respects and does not or will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made when taken as a whole and giving effect to all supplements and updates thereto and (b) the Projections concerning you, the Borrower and the Acquired Business that have been or will be made available to the Lead Arranger by you or any of your representatives have been or will be prepared in good faith based upon assumptions that were believed by the Borrower to be reasonable as of the date such Projections are prepared and as of the date such Projections are made available to the Lead Arranger (it being understood that the Projections are as to future events and are not to be viewed as facts, the Projections are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurance can be given that any particular Projections will be realized and that actual results during the period or periods covered by any such Projections may differ significantly from the projected results and such differences may be material). If, at any time prior to the later of the Closing Date and the Syndication Date, you become aware that any of the representations and warranties in the preceding sentence would not be accurate and complete in any material respect (to your knowledge with respect to Information and Projections relating to the Acquired Business) if the Information or Projections were being furnished, and such representations and warranties were being made, at such time, then you agree to promptly supplement the Information and/or Projections so that the representations and warranties contained in this paragraph (to your knowledge with respect to Information and Projections relating to the Acquired Business) remain accurate and complete in all material respects under those circumstances. The accuracy of the foregoing representations and warranties shall not be a condition to the obligations of the Commitment Party hereunder unless the inaccuracy results in an express condition hereunder otherwise not being satisfied on the Closing Date. You understand that in arranging and syndicating the Bridge Facility, we may use and rely on the Information and Projections without independent verification thereof.

5. Fees

As consideration for JPMorgan's commitment hereunder and its agreement to perform the services described herein, you agree to pay to JPMorgan the nonrefundable fees set forth in Annex I to the Term Sheet and in the Fee Letter dated the date hereof and delivered herewith (the "**Fee Letter**").

You agree that, once paid, the fees or any part thereof payable hereunder or under the Fee Letter shall not be refundable under any circumstances, regardless of whether the transactions or borrowings contemplated by this Commitment Letter are consummated, except as otherwise agreed in writing by you and JPMorgan. All fees payable hereunder and under the Fee Letter shall be paid in immediately available funds in U.S. Dollars and shall not be subject to reduction by way of withholding, setoff or counterclaim or be otherwise affected by any claim or dispute related to any other matter. In addition, all fees payable hereunder shall be paid without deduction for any taxes, levies, imposts, duties, deductions, charges or withholdings imposed by any national, state or local taxing authority, or will be grossed up by you for such amounts.

6. Conditions

The Commitment Party's commitment hereunder, and the Commitment Party's agreement to perform the services described herein, are subject solely to satisfaction or waiver of each of the following conditions precedent: (a) since the date of the Acquisition Agreement, there shall not have occurred any Target Material Adverse Effect (as defined below), (b) the execution and delivery by the parties thereto of definitive documentation with respect to the Bridge Facility consistent with this Commitment Letter and the Fee Letter (the "**Credit Documentation**" and the date of effectiveness thereof, the "**Effective Date**"); provided that subject to the Limited Conditionality Provision (as defined below), documentation substantially similar to the documentation (with adjustments to reflect that the Bridge Facility is a "bridge" facility) in connection with the Existing Credit Agreement, with such modifications as are set forth in the Term Sheet (including, for the avoidance of doubt, the modifications referred to in Exhibit C solely to the extent such modifications are made to the Existing Credit Agreement or any amendment, restatement, refinancing or replacement thereof) or are mutually agreed upon, is satisfactory for this purpose, and (c) the satisfaction of the conditions set forth on Exhibit B (clauses (a) through (c) collectively, the "**Funding Conditions**").

For the purposes hereof, "**Target Material Adverse Effect**" means a "Material Adverse Effect on the Company" (as defined in the Acquisition Agreement as in effect on the date hereof).

Notwithstanding anything in this Commitment Letter, the Fee Letter, the Credit Documentation or any other letter agreement or other undertaking concerning the financing of the Transactions to the contrary, (a) the only representations the accuracy of which shall be a condition to the availability of the Bridge Facility on the Closing Date shall be (i) such of the representations made by the Target in the Acquisition Agreement (as hereinafter defined) as are material to the interests of the Lenders, but only to the extent that you have (or an affiliate of yours has) the right to terminate your (or your affiliates') obligations under the Acquisition Agreement as a result of the breach of such representations in the Acquisition Agreement, or the accuracy of such representations in the Acquisition Agreement is a condition to your (or your

affiliates') obligations to consummate the Acquisition pursuant to the Acquisition Agreement (the "**Acquisition Agreement Representations**") and (ii) the Specified Representations (as hereinafter defined) and (b) the terms of the Credit Documentation shall be in a form such that they do not impair the availability of the loans on the Closing Date if the Funding Conditions are satisfied. For purposes hereof, "**Specified Representations**" means the representations and warranties of the Borrower relating to corporate status of the Borrower and the Guarantors, corporate power and authority to enter into the Credit Documentation, due authorization, execution, delivery and enforceability of the Credit Documentation, no conflicts with or consents under charter documents of the Borrower and the Guarantors, solvency of the Borrower and its subsidiaries on a consolidated basis after giving effect to the Transactions (solvency to be defined in a manner consistent with Annex I to Exhibit B), no conflicts with or consents under the applicable credit agreements and indentures governing indebtedness for borrowed money in a principal or committed amount greater than \$100,000,000 (as determined after giving pro forma effect to the Transactions to occur on the Closing Date and without such representation being subject to any material adverse effect or similar qualification), Federal Reserve margin regulations, the use of the proceeds of the Bridge Facility not violating laws against sanctioned persons, the Foreign Corrupt Practices Act or the Patriot Act and compliance with the Investment Company Act. This paragraph, and the provisions herein, shall be referred to as the "**Limited Conditionality Provision**".

7. Limitation of Liability, Indemnity, Settlement

(a) Limitation of Liability.

You agree that (i) in no event shall any of the Commitment Party and its affiliates and its officers, directors, employees, advisors, and agents (each, and including, without limitation, JPMorgan, an "**Arranger-Related Person**") have any Liabilities, on any theory of liability, for any special, indirect, consequential or punitive damages incurred by you, your affiliates or your respective equity holders arising out of, in connection with, or as a result of, this Commitment Letter, the Fee Letter or any other agreement or instrument contemplated hereby; and (ii) no Arranger-Related Person shall have any Liabilities arising from, or be responsible for, the use by others of Information or other materials (including, without limitation, any personal data) obtained through electronic, telecommunications or other information transmission systems, including an Electronic Platform or otherwise via the internet other than for direct, actual damages resulting from the gross negligence or willful misconduct of such Arranger-Related Person as determined by a final, non-appealable judgment of a court of competent jurisdiction; provided that, nothing in this clause (a) shall relieve you of any obligation you may have to indemnify an Indemnified Person, as provided in clause (b) below, against any special, indirect, consequential or punitive damages asserted against such Indemnified Person by a third party. You agree, to the extent permitted by applicable law, to not assert any claims against any Arranger-Related Person with respect to any of the foregoing. As used herein, the term "**Liabilities**" shall mean any losses, claims (including intraparty claims), demands, damages or liabilities of any kind.

(b) Indemnity.

You agree (A) to (i) indemnify and hold harmless each of the Commitment Party, and its affiliates and its officers, directors, employees, advisors, and agents (each, and including, without limitation, JPMorgan, an "**Indemnified Person**") from and against any and all Liabilities and related expenses to which any such Indemnified Person may become subject arising out of or in connection with this Commitment Letter, the Bridge Facility, the use of the proceeds thereof, any

related transaction or the activities performed or the Commitments or services furnished pursuant to this Commitment Letter or the role of the Commitment Party in connection therewith or in connection with any actual or prospective claim, litigation, investigation, arbitration or administrative, judicial or regulatory action or proceeding in any jurisdiction relating to any of the foregoing (including in relation to enforcing the terms of clause (a) above and the terms of this clause (b)) (each, a “**Proceeding**”), regardless of whether or not any Indemnified Person is a party thereto and whether or not such Proceeding is brought by you, your equity holders, affiliates, creditors, the Target or any other person and (ii) reimburse each Indemnified Person upon demand (upon presentation of a summary statement, in reasonable detail) for any legal or other expenses (but limited, in the case of legal fees and expenses, to the reasonable and documented or invoiced out-of-pocket fees and expenses of one counsel, representing all of the Indemnified Parties, taken as a whole, and, if necessary, of a single local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all such Indemnified Persons, taken as whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnified Person)) incurred in connection with investigating or defending any of the foregoing, regardless of whether or not in connection with any pending or threatened Proceeding to which any Indemnified Person is a party, in each case as such expenses are incurred or paid; provided that the foregoing indemnity will not, as to any Indemnified Person, apply to any Liabilities or related expenses to the extent they are found by a final, non-appealable judgment of a court of competent jurisdiction to (I) result from (x) the willful misconduct, bad faith or gross negligence of such Indemnified Person in performing its activities or in furnishing its Commitments or services under this Commitment Letter or (y) a material breach by such Indemnified Person of the Commitment Letter, the Fee Letter or any of the Credit Documentation, or (II) have not resulted from an act or omission by you or any of your affiliates and have been brought by an Indemnified Person against any other Indemnified Person (other than any claims against the Commitment Party in its capacity or in fulfilling its role as an arranger or agent or any similar role hereunder) and (B) to reimburse the Commitment Party and its affiliates on demand (upon presentation of a summary statement, in reasonable detail) for all reasonable documented or invoiced out-of-pocket expenses (including due diligence expenses, syndication expenses, travel expenses, and reasonable fees, charges and disbursements of counsel which shall be limited to the reasonable and documented or invoiced out-of-pocket fees and other charges of one counsel to the Lead Arranger and the Administrative Agent and, if necessary, of one regulatory counsel and one local counsel to the Lenders retained by the Lead Arranger in each relevant regulatory field and each relevant jurisdiction, respectively (and, in the case of an actual or perceived conflict of interest where the Commitment Party affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Commitment Party)) incurred in connection with the Bridge Facility and any related documentation (including this Commitment Letter, the Term Sheet, the Fee Letter and the Credit Documentation) or the administration, amendment, modification or waiver thereof.

(c) Settlement.

You shall not be liable for any settlement of any Proceeding if the amount of such settlement was effected without your prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed), but if settled with your written consent or if there is a final judgment in any such Proceeding, you agree to indemnify and hold harmless each Indemnified Person from and against any and all Liabilities and related expenses by reason of such settlement or judgment in accordance with the terms of clause (b) above. You shall not, without the prior written consent of the Commitment Party and its affiliates (which consent shall

not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by the Commitment Party unless such settlement (x) includes an unconditional release of such Indemnified Person in form and substance reasonably satisfactory to the Commitment Party from all liability on claims that are the subject matter of such Proceedings and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of the Commitment Party or any injunctive relief or other non-monetary remedy. You acknowledge that any failure to comply with your obligations under the preceding sentence may cause irreparable harm to the Commitment Party and the other Indemnified Persons.

8. Affiliate Activities, Sharing of Information, Absence of Fiduciary Relationships

The Commitment Party may employ the services of its affiliates in providing certain services hereunder and, in connection with the provision of such services, may exchange with such affiliates information concerning you and the other companies that may be the subject of the transactions contemplated by this Commitment Letter, and, to the extent so employed, such affiliates shall be entitled to the benefits, and be subject to the obligations, of the Commitment Party hereunder; provided that with respect to the Commitment, any assignments thereof to an affiliate or branch will not relieve the Commitment Party from any of its obligations hereunder unless and until such affiliate or branch shall have funded the portion of the Commitment so assigned on the Closing Date. The Commitment Party shall be responsible for its affiliates' failure to comply with such obligations under this Commitment Letter.

You acknowledge that the Commitment Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which you may have conflicting interests regarding the transactions described herein and otherwise. The Commitment Party will not use confidential information obtained from you by virtue of the transactions contemplated by this Commitment Letter or its other relationships with you in connection with the performance by such Commitment Party of services for other companies, and the Commitment Party will not furnish any such information to other companies. You also acknowledge that the Commitment Party has no obligation to use in connection with the transactions contemplated by this Commitment Letter, or to furnish to you, confidential information obtained from other companies.

You agree that the Commitment Party will act under this Commitment Letter as an independent contractor and that nothing in this Commitment Letter will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Commitment Party, on the one hand, and you and your respective equity holders or your and their respective affiliates on the other hand. You acknowledge and agree that (i) the transactions contemplated by this Commitment Letter are arm's-length commercial transactions between the Commitment Party and, if applicable, its affiliates, on the one hand, and you, on the other hand, (ii) in connection therewith and with the process leading to such transaction the Commitment Party and, if applicable, each of its affiliates, is acting solely as a principal and has not been, is not and will not be acting as an advisor, agent or fiduciary of you, your management, equity holders, creditors, affiliates or any other person and (iii) with respect to the transactions contemplated hereby or the process leading thereto, the Commitment Party and, if applicable, its affiliates, has not assumed (x) an advisory or fiduciary responsibility in favor of you or your affiliates (irrespective of whether the Commitment Party or any of its affiliates has advised or is currently advising you or your affiliates on other matters (which, for the avoidance of doubt, includes acting as a financial advisor to the Borrower or any of its affiliates in respect of any transaction related hereto)) or (y) any other obligation except the obligations expressly set forth in

this Commitment Letter. You further acknowledge and agree that (i) you are responsible for making your own independent judgment with respect to such transactions and the process leading thereto, (ii) you are capable of evaluating and understand and accept the terms, risks and conditions of the transactions contemplated hereby, and the Commitment Party shall have no responsibility or liability to you with respect thereto, and (iii) the Commitment Party is not advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction, and you shall consult with your own advisors concerning such matters and you shall be responsible for making your own independent investigation and appraisal of the transactions contemplated hereby. Any review by the Commitment Party or any of its affiliates of the Borrower, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Commitment Party and shall not be on behalf of the Borrower. The Borrower agrees that it will not claim that the Commitment Party has rendered any advisory services or assert any claim against the Commitment Party based on an alleged breach of fiduciary duty by the Commitment Party in connection with this Commitment Letter and the transactions contemplated hereby or assert any claim based on any actual or potential conflict of interest that might be asserted to arise or result from the engagement of the Commitment Party or any of its affiliates acting as a financial advisor to the Borrower or any of its affiliates, on the one hand, and the engagement of the Commitment Party hereunder and the transactions contemplated hereby, on the other hand.

You further acknowledge that the Commitment Party is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, the Commitment Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, you and other companies with which you may have commercial or other relationships. With respect to any securities and/or financial instruments so held by the Commitment Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

In particular, you acknowledge that JPMorgan or its affiliates may be acting as a buy-side financial advisor to you in connection with the Transactions. You agree not to assert or allege any claim based on actual or potential conflict of interest arising or resulting from, on the one hand, the engagement of JPMorgan or its affiliates in such capacity and our obligations hereunder, on the other hand.

9. Confidentiality

This Commitment Letter is delivered to you on the understanding that neither this Commitment Letter, the Term Sheet or the Fee Letter nor any of their terms or substance shall be disclosed by you, directly or indirectly, to any other person without our prior written consent (such approval not to be unreasonably withheld or delayed) except (a) to your affiliates and your and your affiliates' directors, officers, employees, agents and advisors who are directly involved in the consideration of this matter and for whom you shall be responsible for any breach by any one of them of this confidentiality undertaking, (b) as may be compelled in a judicial or administrative proceeding or as otherwise required by law or to the extent requested or required by governmental and/or regulatory authorities, in each case based on the reasonable advice of your legal counsel (in which case you agree, to the extent practicable and not prohibited by applicable law, to inform us promptly thereof), (c) following your acceptance of the provisions hereof and your return of an executed counterpart of this Commitment Letter to the Lead

Arranger as provided below, you may disclose this Commitment Letter and the contents hereof (but not the Fee Letter or the contents thereof) in any offering memoranda relating to the Bridge Facility, in any syndication or other marketing materials in connection with the Bridge Facility or in connection with any public filing relating to the Transactions, (d) following your acceptance of the provisions hereof and your return of an executed counterpart of this Commitment Letter to the Lead Arranger as provided below, you may file a copy of any portion of this Commitment Letter (but not the Fee Letter) in any public record in which it is required by law or regulation on the advice of your counsel to be filed, (e) you may disclose, on a confidential basis, the existence and contents of this Commitment Letter, including Exhibits A through C (but not the Fee Letter) to any rating agency or any prospective Lenders to the extent necessary to satisfy your obligations or the conditions hereunder, (f) you may disclose the aggregate fee amounts contained in the Fee Letter in financial statements or as part of Projections, pro forma information or a generic disclosure of aggregate sources and uses related to fee amounts related to the Transactions to the extent customary or required in offering and marketing materials for the Bridge Facility or in any public filing relating to the Transactions (which in the case of such public filing may indicate the existence of the Fee Letter) and (g) in connection with the exercise of any remedy or enforcement of any right under this Commitment Letter and the Fee Letter; provided that, the foregoing restrictions shall cease to apply (except in respect of the Fee Letter and its terms and substance) on the date that is two years after this Commitment Letter has been accepted by you; provided, further, you may disclose this Commitment Letter and the Fee Letter (redacted in a manner reasonably satisfactory to us) to the Target, their respective subsidiaries and their officers, directors, employees, affiliates, independent auditors (but only with respect to this Commitment Letter), legal counsel and other legal advisors on a confidential basis in connection with their consideration of the Transactions.

The Commitment Party will treat all information provided to it by or on behalf of you in connection with the transactions contemplated hereby (including information regarding the Acquired Business) confidentially and shall not publish, disclose or otherwise divulge, such information; provided that nothing herein shall prevent the Commitment Party and its affiliates from disclosing any such information (a) pursuant to the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by applicable law, rule or regulation, subpoena or compulsory legal process or upon the request or demand of any regulatory authority (including any self-regulatory authority) or other governmental authority purporting to have jurisdiction over the Commitment Party or any of its affiliates (in which case the Commitment Party agrees (except with respect to any audit or examination conducted by bank accountants or any self-regulatory authority or governmental or regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law or regulation, to inform you promptly thereof prior to disclosure), (b) to the extent that such information becomes publicly available other than by reason of improper disclosure by the Commitment Party or any of its affiliates in violation of any confidentiality obligations owing to you hereunder, (c) to the extent that such information is received by the Commitment Party from a third party that is not, to the Commitment Party's knowledge, subject to contractual or fiduciary confidentiality obligations owing to you with respect to such information, (d) to the extent that such information is independently developed by the Commitment Party or any of its affiliates, (e) to the Commitment Party's affiliates and their and their respective employees, directors, officers, independent auditors, rating agencies, professional advisors and other experts or agents who need to know such information in connection with the transactions contemplated hereby and who are informed of the confidential nature of such information (with the Commitment Party responsible for its affiliates' compliance with this paragraph), (f) in connection with the exercise of any remedies hereunder or under the Fee Letter or any suit, action or proceeding relating to this Commitment Letter, the Fee Letter or

the Bridge Facility, and/or (g) to prospective Lenders, hedge providers, participants or assignees (collectively, “**Prospective Parties**”); provided that for purposes of clause (g) above, the disclosure of any such information to any Prospective Party shall be made subject to such Prospective Party written agreement to treat such information confidentially on substantially the terms set forth in this paragraph. If the Bridge Facility closes, the Commitment Party’s obligations under this paragraph shall terminate and be superseded by the confidentiality provisions in the Credit Documentation. Otherwise, the provisions of this paragraph shall expire two years after the date hereof.

10. Miscellaneous

This Commitment Letter shall not be assignable by you without the prior written consent of the Commitment Party (and any purported assignment without such consent shall be null and void), is intended to be solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto. JPMorgan may assign all or a portion of its Commitment only to one or more prospective Lenders that are (i) approved by you in writing (such approval not to be unreasonably withheld or delayed) or (ii) agreed upon in writing by you and us on or prior to the date hereof (including, for the avoidance of doubt, those lenders identified in the “syndication plan” for the Bridge Facility agreed to by the Lead Arranger and you prior to the date hereof) (such Lenders described in clauses (i) and (ii), each, a “**Permitted Assignee**”), whereupon JPMorgan shall be released from its Commitment hereunder so assigned to the extent such assignment is evidenced by either an executed credit agreement or a customary joinder agreement (a “**Joinder Agreement**”) pursuant to which such Permitted Assignee agrees to become party to this Commitment Letter and agrees to extend commitments directly to the Borrower on the terms set forth herein (it being understood that such Joinder Agreement shall not add any conditions to the availability of the Bridge Facility or change the terms of the Bridge Facility or change compensation in connection therewith except as set forth in the Commitment Letter and the Fee Letter and shall otherwise be reasonably satisfactory to you and us).

This Commitment Letter may not be amended or waived except by an instrument in writing signed by you and JPMorgan. This Commitment Letter and the Fee Letter are the only agreements that have been entered into among us with respect to the Bridge Facility and set forth the entire understanding of the parties with respect thereto. Each of the parties hereto agrees that each of this Commitment Letter and the Fee Letter is a binding and enforceable agreement (subject to the effects of bankruptcy, insolvency, fraudulent transfer, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors’ rights generally) with respect to the subject matter contained herein, including the good faith negotiation of the Credit Documentation by the parties hereto in a manner consistent with this Commitment Letter; it being acknowledged and agreed that the funding of the Bridge Facility is subject only to the Funding Conditions.

This Commitment Letter may be executed in any number of counterparts, each of which shall be an original, and all of which, when taken together, shall constitute one agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Commitment Letter, the Fee Letter and/or any document to be signed in connection with this letter agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures (as defined below), deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be. “**Electronic Signatures**” means any electronic symbol or process attached to, or associated with, any contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record.

This Commitment Letter shall be governed by, and construed in accordance with, the law of the State of New York; provided, however, that (a) the interpretation of the definition of “Target Material Adverse Effect” (and whether or not a “Target Material Adverse Effect” has occurred or would reasonably be expected to occur), (b) the determination of the accuracy of any Acquisition Agreement Representations and whether as a result of any inaccuracy of any Acquisition Agreement Representation there has been a failure of a condition precedent to your (or your affiliates’) obligation to consummate the Acquisition or such failure gives you the right to terminate your (or your affiliates’) obligations under the Acquisition Agreement and (c) the determination of whether the Acquisition has been consummated in accordance with the terms of the Acquisition Agreement shall, in each case, be governed by, and construed and interpreted in accordance with, the internal laws and judicial decisions of the State of Delaware applicable to agreements executed and performed entirely within such State without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than the State of Delaware. The Borrower consents to the exclusive jurisdiction and venue of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan). Each party hereto irrevocably waives, to the fullest extent permitted by applicable law, (a) any right it may have to a trial by jury in any legal proceeding arising out of or relating to this Commitment Letter, the Term Sheet, the Fee Letter or the transactions contemplated hereby or thereby (whether based on contract, tort or any other theory) and (b) any objection that it may now or hereafter have to the laying of venue of any such legal proceeding in the federal or state courts located in the City of New York, Borough of Manhattan.

Forum: United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof.

Interest and Certain Fees

Interest Rate Options:

The Borrower may elect that the Bridge Loans comprising each borrowing bear interest at a rate *per annum* equal to:

the ABR plus the Applicable ABR Margin; or

the Adjusted LIBO Rate plus the Applicable LIBO Margin.

As used herein:

“**ABR**” means the highest of (i) the rate of interest last quoted by The Wall Street Journal in the U.S. as the prime rate in effect (the “**Prime Rate**”), (ii) the NYFRB Rate from time to time plus 0.5% and (iii) the Adjusted LIBO Rate for a one-month interest period plus 1%. If the ABR as determined pursuant to the foregoing would be less than 1.00%, such rate shall be deemed to be 1.00%.

“**Adjusted LIBO Rate**” means the LIBO Rate, as adjusted for statutory reserve requirements for eurocurrency liabilities.

“**Applicable LIBO Margin**” means a percentage determined in accordance with the pricing grid set forth immediately below:

	Pricing Level I ³ BBB+/ Baa1/BBB+	Pricing Level II BBB/ Baa2/BBB	Pricing Level III BBB-/ Baa3/BBB-	Pricing Level IV BB+/ Ba1/BB+	Pricing Level V BBB/ Ba2/BB

<u>90th day</u> <u>following the</u> <u>Closing Date</u> <u>through 179th</u> <u>day following</u> <u>the Closing</u> <u>Date</u>	1.375%	1.500%	1.625%	2.000%	2.250%
<u>180th day</u> <u>following the</u> <u>Closing Date</u> <u>through 269th</u> <u>day following</u> <u>the Closing</u> <u>Date</u>	1.625%	1.750%	1.875%	2.250%	2.500%
<u>From the 270th</u> <u>day following</u> <u>the Closing Date</u>	1.875%	2.000%	2.125%	2.500%	2.750%

The foregoing pricing shall be based on the senior, unsecured non-credit enhanced long-term indebtedness for borrowed money of (x) prior to the assignment of such ratings for Holdco, Maui and (y) thereafter, Holdco, in each case, issued by Moody's, S&P and Fitch (the "**Public Debt Rating**"). Split ratings shall be addressed in a manner consistent with the Existing Credit Agreement.

"**Applicable ABR Margin**" means a percentage equal to the greater of (i) 0% and (ii) the Applicable LIBO Margin *minus* 1.0%.

"**Federal Funds Effective Rate**" means, for any day, the rate calculated by the NYFRB based on such day's federal funds transactions by depository institutions, as determined in such manner as the NYFRB shall set forth on its public website from time to time, and published on the next succeeding Business Day by the NYFRB as the federal funds effective rate, provided that if the Federal Funds Effective Rate shall be less than zero, such rate shall be deemed to zero for the purposes of calculating such rate.

"**Interpolated Rate**" means, at any time, for any interest period, the rate *per annum* (rounded to the same number of decimal places as the LIBO Screen Rate) determined by the Administrative Agent (which determination shall be conclusive and binding absent manifest error) to be equal to the rate that results from interpolating on a linear basis between: (a) the LIBO Screen Rate for the longest period (for which the LIBO Screen Rate is available) that is shorter than the Impacted Interest Period; and (b) the LIBO Screen Rate for the shortest period (for which that LIBO Screen Rate is available) that exceeds the Impacted Interest Period, in each case, at such time.

“**LIBO Rate**” means, with respect to any Eurodollar Borrowing for any interest period, the LIBO Screen Rate at approximately 11:00 a.m., London time, two Business Days prior to the commencement of such interest period; provided that if the LIBO Screen Rate shall not be available at such time for such interest period (an “**Impacted Interest Period**”) then the LIBO Rate shall be the Interpolated Rate.

“**LIBO Screen Rate**” means, for any day and time, with respect to any Eurodollar Borrowing for any interest period, the London interbank offered rate as administered by ICE Benchmark Administration (or any other Person that takes over the administration of such rate) for U.S. Dollars for a period equal in length to such interest period as displayed on pages LIBOR01 or LIBOR02 of the Reuters screen that displays such rate (or, in the event such rate does not appear on a Reuters page or screen, on any successor or substitute page on such screen that displays such rate, or on the appropriate page of such other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion); provided that if the LIBO Screen Rate as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of calculating such rate.

“**NYFRB Rate**” means, for any day, the greater of (a) the Federal Funds Effective Rate in effect on such day and (b) the Overnight Bank Funding Rate in effect on such day; provided that if any of the aforesaid rates shall be less than zero, such rate shall be deemed to zero for the purposes of calculating such rate.

“**Overnight Bank Funding Rate**” means, for any day, the rate comprised of both overnight federal funds and overnight Eurodollar Borrowings by U.S.-managed banking offices of depository institutions, as such composite rate shall be determined by the NYFRB as set forth on its public website from time to time, and published on the next succeeding Business Day by the NYFRB as an overnight bank funding rate (from and after such date as the NYFRB shall commence to publish such composite rate).

The Credit Documentation will contain provisions to be mutually agreed with respect to a replacement of the LIBO Rate.

Interest Payment Dates: In the case of Loans bearing interest based upon the ABR (“**ABR Loans**”), quarterly in arrears.

In the case of Loans bearing interest based upon the Adjusted LIBO Rate (“**Eurodollar Loans**”), on the last day of each relevant interest period and, in the case of any interest period longer than three months, on each successive date three months after the first day of such interest period.

Default Rate: At any time when the Borrower is in default in the payment of any amount of principal due under the Bridge Facility, such amount shall bear interest at 2% above the rate otherwise applicable thereto. Overdue interest, fees and other amounts shall bear interest at 2% above the rate applicable to ABR Loans.

Duration Fee: The Borrower will pay a fee (the “**Duration Fee**”), for the ratable benefit of the Lenders, in an amount equal to (i) 0.50% of the aggregate principal amount of the loans under the Bridge Facility outstanding on the date which is 90 days after the Closing Date, due and payable in cash on such 90th day (or if such day is not a business day, the next business day); (ii) 0.75% of the aggregate principal amount of the loans under the Bridge Facility outstanding on the date which is 180 days after the Closing Date, due and payable in cash on such 180th day (or if such day is not a business day, the next business day); and (iii) 1.00% of the aggregate principal amount of the loans under the Bridge Facility outstanding on the date which is 270 days after the Closing Date, due and payable in cash on such 270th day (or if such day is not a business day, the next business day).

Undrawn Fee: The Borrower will pay a fee (the “**Undrawn Fee**”), for the ratable benefit of the Lenders, in an amount equal to a percentage determined in accordance with the pricing grid set forth immediately below (the “**Undrawn Fee Pricing Grid**”) of the undrawn portion of the commitments in respect of the Bridge Facility from and including the day that is 90 days following the execution of the Commitment Letter and to but excluding the Fee Payment Date, which fee shall be payable upon the Fee Payment Date (or earlier termination of the commitments with respect to the Bridge Facility). For the purposes hereof, “**Fee Payment Date**” means the earlier of (i) termination or expiration of the commitments under the Bridge Facility and (ii) the Closing Date.

Attention: Jean Hu, Chief Financial Officer

Ladies and Gentlemen:

Marvell Technology Group Ltd., a Bermuda exempted company ("**you**" or "**Maui**"), has advised JPMorgan Chase Bank N.A. ("**JPMorgan**", the "**Commitment Party**", "**we**" or "**us**") that it intends to acquire (the "**Acquisition**") a Delaware corporation previously identified to us and codenamed "Indigo" (the "**Target**", and together with its subsidiaries, the "**Acquired Business**") pursuant to an agreement and plan of merger and reorganization, to be dated as of the date hereof (including the exhibits and schedules thereto, collectively, the "**Acquisition Agreement**"), by and among Maui, Target, Maui Holdco, Inc., a Delaware corporation and a wholly-owned subsidiary of Maui ("**Holdco**" or the "**Borrower**"), Maui Acquisition Company Ltd, a Bermuda exempted company and a wholly-owned subsidiary of Holdco ("**Bermuda Merger Sub**"), and Indigo Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Holdco ("**Delaware Merger Sub**"), in accordance with which: (i) Bermuda Merger Sub will merge with and into you, with you surviving as a wholly-owned subsidiary of Holdco (the "**Reorganization**"); and (ii) Delaware Merger Sub will merge with and into the Target, with the Target surviving as a wholly-owned subsidiary of Holdco and with the existing equity holders of the Target being entitled to receive the aggregate cash consideration (the "**Acquisition Cash Consideration**") and newly issued shares of common stock of the Borrower (the "**Acquisition Common Stock Consideration**" and together with the Acquisition Cash Consideration, the "**Acquisition Consideration**"), in each case, as set forth in the Acquisition Agreement as in effect on the date hereof, and, in connection therewith, to repay certain existing indebtedness of the Acquired Business. The date of the consummation of the Acquisition is referred to herein as the "**Closing Date**". In connection therewith, you, the Borrower and we have entered into a commitment letter (the "**Bridge Commitment Letter**") dated as of the date hereof providing for a 364-day senior unsecured bridge term loan facility in an aggregate principal amount of \$2,500,000,000 (the "**Bridge Facility**").

In connection therewith, you have advised us that the Borrower intends to obtain (i) a new unsecured term loan credit facility in an aggregate principal amount of \$1,500,000,000 on the terms set forth in Exhibit A (the "**Term Facility**", and loans thereunder, the "**Term Loans**") and (ii) a new senior unsecured revolving credit facility in an aggregate principal amount of \$750,000,000 on the terms set forth in Exhibit C (the "**Revolving Facility**" and, together with the Term Facility, the "**Facilities**"), which Revolving Facility will be implemented either as a new

credit facility or as an amendment to, or amendment and restatement of, the Credit Agreement dated as of June 13, 2018 among Goldman Sachs Bank USA, as general administrative agent and term facility agent, Bank of America, N.A., as revolving facility agent, Maui, as borrower, and the lenders party thereto (the “**Existing Credit Agreement**”). You have further advised us that the total amount required to effect the Acquisition (excluding common stock of the Borrower to be issued as direct consideration for the Acquisition), to repay certain existing indebtedness of the Acquired Business, and to pay the fees and expenses incurred in connection therewith (the “**Transaction Costs**”) is expected to be provided by a combination of (a) the issuance by you or the Borrower of unsecured debt securities, in public or private offerings the proceeds of which are to be used to finance the Transactions (the “**Debt Securities**”), (b) the incurrence by you or the Borrower of the Term Facility and/or (c) to the extent that Debt Securities are not issued on or prior to the Closing Date in an aggregate amount of at least \$2,500,000,000, the borrowing by the Borrower of loans under the Bridge Facility. You have further advised us that in connection therewith, it is expected that either (i) the term loan facility under the Existing Credit Agreement shall be amended prior to the Closing Date to permit the Transactions (as defined below) or (ii) all outstanding term loans thereunder shall be repaid in full. The Acquisition, the entering into and funding of the Term Facility and the Bridge Facility, the entering into of the Revolving Facility, the issuance of Securities, the repayment of certain existing indebtedness of the Acquired Business and the transactions contemplated by or related to the foregoing are collectively referred to as the “**Transactions**”.

1. Commitment

The Commitment Party is pleased to advise you of its commitment to provide (i) the entire amount of the Term Facility (the “**Term Commitment**”) upon the terms set forth or referred to in this facilities commitment letter (the “**Commitment Letter**”) and in the Summary of Terms and Conditions attached hereto as Exhibit A (together with Exhibit D hereto, the “**Term Facility Term Sheet**”) and subject solely to the Term Funding Conditions (as defined below) and (ii) \$100,000,000 of the Revolving Facility (the “**Revolving Commitment**”) upon the terms and conditions set forth or referred to in this Commitment Letter and in the Summary of Terms and Conditions attached hereto as Exhibit C (together with Exhibit D hereto, the “**Revolving Facility Term Sheet**” and together with the Term Facility Term Sheet and Exhibit B hereto, the “**Term Sheets**”).

2. Titles and Roles

It is agreed that (i) with respect to the Term Facility and/or any other term loan facility or revolving credit facility entered into by you in connection with the Acquisition, the initial financing of the Acquisition and the refinancing of any interim debt for the Acquisition (the “**Other Bank Financing**”), JPMorgan will act as the sole and exclusive administrative agent (in such capacity, the “**Administrative Agent**”), and that JPMorgan will act as the sole and exclusive lead arranger and bookrunner (in such capacities, the “**Term Lead Arranger**”) and (ii) with respect to the Revolving Facility, JPMorgan will act as lead “left” arranger and bookrunner (it being understood that JPMorgan will have “left lead” placement in all documentation used in connection with the Revolving Facility, and JPMorgan shall have all roles and responsibilities customarily associated with such placement) (in such capacities, the “**Revolving Lead Arranger**” and together in its capacity as Term Lead Arranger, the “**Lead Arranger**”) and a financial institution providing a commitment in respect of the Revolving Facility of at least \$100,000,000 shall be appointed by you to act as administrative agent; provided that the Borrower agrees that JPMorgan may perform its responsibilities hereunder through its affiliate J.P. Morgan Securities LLC. You agree that with respect to the Term Facility and any Other Bank Financing, no other

agents, co-agents, bookrunners or arrangers will be appointed, no other titles will be awarded and no compensation (other than as expressly contemplated by this Commitment Letter and the Fee Letter referred to below) will be paid; provided, you may assign agent or co-agent titles as reasonably agreed by us.

It is understood and agreed that this Commitment Letter shall not constitute a commitment to provide, arrange or syndicate any portion of the Revolving Facility or any Other Bank Financing in excess of the Commitment Party's express commitments hereunder. You and the Borrower further acknowledge and agree that this Commitment Letter is not a guarantee with respect to the successful outcome of the syndication of any Facility.

3. Syndication

We intend to syndicate the Facilities to a group of financial institutions (together with JPMorgan, the "**Lenders**") identified by us in consultation with you. JPMorgan intends to commence syndication efforts promptly upon the execution of this Commitment Letter and the execution of the Acquisition Agreement (which syndication shall not reduce the commitments of the Commitment Party hereunder with respect to the Term Facility, except as provided for in the first paragraph of Section 10 hereof). Until the earlier of 60 days following the Closing Date and the later of (x) completion of a Successful Term Syndication (as defined in the Fee Letter (as defined below)) and (y) completion of a Successful Revolving Syndication (as defined below) (such earlier date, the "**Syndication Date**"), you agree actively to assist (and to use your commercially reasonable efforts to cause the Acquired Business to actively assist) JPMorgan in completing a Successful Term Syndication and a Successful Revolving Syndication. Such assistance shall include (a) your using commercially reasonable efforts to ensure that the syndication efforts benefit materially from your existing lending relationships, (b) direct contact between your senior management and advisors and the proposed Lenders (and using your commercially reasonable efforts to ensure such contact between senior management of the Target and the proposed Lenders) on reasonable prior notice and at reasonable times and places, (c) your assistance in the preparation of a confidential information memorandum with respect to the Facilities in form and substance customary for transactions of this type and otherwise reasonably satisfactory to JPMorgan (each a "**Confidential Information Memorandum**") and other customary marketing materials to be used in connection with the syndication of the Facilities (collectively with the Term Sheets and any additional summary of terms prepared for distributions to the Public-Siders (as hereafter defined), the "**Information Materials**"), (d) prior to the completion of a Successful Term Syndication, your using commercially reasonable efforts to cause the Borrower to have monitored Public Debt Ratings (as defined below) (but no specific rating) that give effect to the Transactions from Moody's Investor Services ("**Moody's**"), Standard & Poor's Financial Services LLC ("**S&P**") and Fitch Ratings, Inc. ("**Fitch**") and (e) the hosting, with JPMorgan, of one or more meetings of prospective Lenders at times and places to be mutually agreed (which meetings may be held virtually). You hereby authorize the Lead Arranger to download copies of your trademark logos from its website and post copies thereof and any Information Materials to a deal site on IntraLinks™, DebtDomain, SyndTrak, ClearPar or any other electronic platform chosen by the Lead Arranger to be its electronic transmission system (an "**Electronic Platform**") established by the Lead Arranger to syndicate the Facilities, and to use the Borrower's trademark logos on any confidential information memoranda, presentations and other marketing materials prepared in connection with the syndication of the Facilities or, with your consent, in any advertisements that we may place after the closing of the Facilities in financial and other newspapers, journals, the World Wide Web, home page or otherwise, at JPMorgan's own expense describing its services to the Borrower hereunder. Upon the request of JPMorgan, you will use commercially reasonable efforts to cause the Target to

furnish for no fee, to JPMorgan, an electronic version of the Target's trademark logos for use in marketing materials for the purpose of facilitating the syndication of the Facilities. You also understand and acknowledge that we may provide to market data collectors, such as league tables, or other service providers to the lending industry, information regarding the closing date, size, type, purpose of, and parties to, the Facilities.

In order to facilitate an orderly and successful syndication of the Facilities, you agree that until the Syndication Date, the Borrower will not (and will use commercially reasonable efforts to cause the Acquired Business to not) issue, announce, offer, place or arrange debt securities or any syndicated credit facilities of the Borrower or its subsidiaries (or the Acquired Business) (other than (i) the Debt Securities, (ii) the Bridge Facility, (iii) indebtedness permitted to be incurred by the Acquired Business pursuant to the Acquisition Agreement, (iv) other indebtedness in an aggregate principal amount not to exceed \$100,000,000, (v) capital leases, letters of credit and purchase money and equipment financings of the Borrower and its subsidiaries and of the Acquired Business, in each case, in the ordinary course of business, (vi) working capital facilities of foreign subsidiaries and (vii) any other financing agreed by the Lead Arranger), in each case if such issuance, announcement, offering, placement or arrangement could reasonably be expected to materially impair the primary syndication of the Facilities.

You will assist us in preparing Information Materials, including but not limited to a Confidential Information Memorandum or lender slides, for distribution to prospective Lenders. If requested, you also will assist us in preparing an additional version of the Information Materials (the "**Public-Side Version**") to be used by prospective Lenders' public-side employees and representatives ("**Public-Siders**") who do not wish to receive material non-public information (within the meaning of United States federal securities laws) with respect to you, the Target, the Borrower, their respective affiliates and any of their respective securities ("**MNPI**") and who may be engaged in investment and other market-related activities with respect to you, the Target, the Borrower's or their affiliates' securities or loans. Before distribution of any Information Materials, you agree to execute and deliver to us (i) a customary letter in which you authorize distribution of the Information Materials to a prospective Lender's employees willing to receive MNPI ("**Private-Siders**") and (ii) a separate customary letter in which you authorize distribution of the Public-Side Version to Public-Siders not containing any MNPI. You also acknowledge that publishing debt analysts employed by JPMorgan and its affiliates who are Public-Siders may participate in any meetings or telephone conference calls held pursuant to clause (e) of the first paragraph of Section 3 of this Commitment Letter; provided that such analysts shall not publish any information obtained from such meetings or calls (i) until the syndication of the Facilities has been completed upon the making of allocations by JPMorgan and JPMorgan freeing the Facilities to trade or (ii) in violation of any confidentiality agreement between you and JPMorgan.

The Borrower agrees that the following documents may be distributed to both Private-Siders and Public-Siders, unless the Borrower advises JPMorgan in writing (including by email) within a reasonable time prior to their intended distribution that such materials should only be distributed to Private-Siders: (a) administrative materials prepared by JPMorgan for prospective Lenders (such as a lender meeting invitation, bank allocation, if any, and funding and closing memoranda), (b) term sheets summarizing the Facilities' terms and notification of changes in the Facilities' terms and (c) other materials intended for prospective Lenders after the initial distribution of Information Materials. If you advise us that any of the foregoing should be distributed only to Private-Siders, then Public-Siders will not receive such materials without further discussions with you.

The Borrower hereby authorizes JPMorgan to distribute draft and execution versions of definitive documentation relating to the Facilities to Private-Siders and Public-Siders.

As the Lead Arranger, JPMorgan will manage all aspects of the syndication in consultation with you, including decisions as to the selection of institutions to be approached and when they will be approached, when their commitments will be accepted, which institutions will participate, the allocations of the commitments among the Lenders and the amount and distribution of fees among the Lenders; provided that the Lead Arranger will not syndicate to any person (other than those financial institutions (and their affiliates) identified by the Lead Arranger to you in writing on or prior to the date hereof (including, for the avoidance of doubt, those lenders identified in the “syndication plan” for the Facilities agreed to by the Lead Arranger and you prior to the date hereof), any Permitted Assignee and to lenders under the Existing Credit Agreement (other than a “defaulting lender” under and as defined therein, as of the date of such syndication)) without your consent (such consent not to be unreasonably withheld or delayed). In acting as the Lead Arranger, JPMorgan will have no responsibility other than to arrange the syndication as set forth herein and is acting solely in the capacity of an arm’s-length contractual counterparty to the Borrower with respect to the arrangement of the Facilities (including in connection with determining the terms of the Facilities) and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other person.

Notwithstanding anything to the contrary contained in this Commitment Letter or any other agreement or undertaking concerning the Term Facility, but without limiting the conditions precedent in Section 6 hereof or Exhibit B, and without limiting your obligations to assist with syndication in this Section 3, none of the foregoing obligations under the provisions of this Section 3 nor the commencement, conduct or completion of the syndication contemplated by this Section 3 is a condition to the Term Commitment or the funding of the Term Facility on the Closing Date.

For the avoidance of doubt, without limiting your representation and covenant set forth in Section 4 below, nothing contained in this Commitment Letter shall require you to provide any information to the extent that the provision thereof would violate any attorney-client privilege, law, rule or regulation, or any obligation of confidentiality binding on you, the Acquired Business or your or its respective affiliates; provided that you shall (x) use commercially reasonable efforts to communicate, to the extent permitted, the applicable information in a way that would not violate the applicable law, rule, regulation or obligation and (y) to the extent you are unable to disclose any such information, notify us if any such information is being withheld as a result of any such obligation of confidentiality (but solely if providing such notice would not violate such confidentiality obligation).

4. Information

To assist JPMorgan in its syndication efforts, you agree promptly to prepare and provide to the Lead Arranger all customary information with respect to the Borrower and the transactions contemplated hereby, including all financial information and projections concerning the Borrower and the Acquired Business (the “**Projections**”), as we may reasonably request in connection with the arrangement and syndication of the Facilities. You hereby represent and covenant (to the best of your knowledge to the extent relating to the Acquired Business) that (a) all written information other than the Projections, forward-looking information and other information of a general economic or industry nature (the “**Information**”) that has been or will be made available to the Lead Arranger by you or any of your representatives in connection with the Transactions, when taken as a whole, is or will be, when furnished, complete and correct in all material respects and

does not or will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made when taken as a whole and giving effect to all supplements and updates thereto and (b) the Projections concerning you, the Borrower and the Acquired Business that have been or will be made available to the Lead Arranger by you or any of your representatives have been or will be prepared in good faith based upon assumptions that were believed by the Borrower to be reasonable as of the date such Projections are prepared and as of the date such Projections are made available to the Lead Arranger (it being understood that the Projections are as to future events and are not to be viewed as facts, the Projections are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurance can be given that any particular Projections will be realized and that actual results during the period or periods covered by any such Projections may differ significantly from the projected results and such differences may be material). If, at any time prior to the later of the Closing Date and the Syndication Date, you become aware that any of the representations and warranties in the preceding sentence would not be accurate and complete in any material respect (to your knowledge with respect to Information and Projections relating to the Acquired Business) if the Information or Projections were being furnished, and such representations and warranties were being made, at such time, then you agree to promptly supplement the Information and/or Projections so that the representations and warranties contained in this paragraph (to your knowledge with respect to Information and Projections relating to the Acquired Business) remain accurate and complete in all material respects under those circumstances. The accuracy of the foregoing representations and warranties shall not be a condition to the obligations of the Commitment Party hereunder unless the inaccuracy results in an express condition hereunder otherwise not being satisfied on the Closing Date. You understand that in arranging and syndicating the Facilities, we may use and rely on the Information and Projections without independent verification thereof.

5. Fees

As consideration for JPMorgan's commitments hereunder and its agreement to perform the services described herein, you agree to pay to JPMorgan the nonrefundable fees set forth in Annex I to each Term Sheet and in the Facilities Fee Letter dated the date hereof and delivered herewith (the "***Fee Letter***").

You agree that, once paid, the fees or any part thereof payable hereunder or under the Fee Letter shall not be refundable under any circumstances, regardless of whether the transactions or borrowings contemplated by this Commitment Letter are consummated, except as otherwise agreed in writing by you and JPMorgan. All fees payable hereunder and under the Fee Letter shall be paid in immediately available funds in U.S. Dollars and shall not be subject to reduction by way of withholding, setoff or counterclaim or be otherwise affected by any claim or dispute related to any other matter. In addition, all fees payable hereunder shall be paid without deduction for any taxes, levies, imposts, duties, deductions, charges or withholdings imposed by any national, state or local taxing authority, or will be grossed up by you for such amounts.

6. Conditions

The Commitment Party's commitments hereunder, and the Commitment Party's agreement to perform the services described herein, (I) with respect to the Term Facility, are subject solely to satisfaction or waiver of each of the following conditions precedent: (a) since the date of the Acquisition Agreement, there shall not have occurred any Target Material Adverse Effect (as defined below), (b) the execution and delivery by the parties thereto of definitive

documentation with respect to the Term Facility consistent with this Commitment Letter and the Fee Letter (the “**Term Credit Documentation**” and the date of effectiveness thereof, the “**Term Facility Effective Date**”); provided that subject to the Limited Conditionality Provision (as defined below), documentation substantially similar to the documentation (with adjustments to reflect that the Term Facility is a “term” facility) in connection with the Existing Credit Agreement, with such modifications as are set forth in the Term Facility Term Sheet (including, for the avoidance of doubt, the modifications referred to in Exhibit D solely to the extent such modifications are made to the Existing Credit Agreement (or any amendment, restatement, refinancing or replacement thereof or incorporated into the Revolving Credit Facility)) or are mutually agreed upon, is satisfactory for this purpose and (c) the satisfaction of conditions set forth on Exhibit B (clauses (I)(a) through (c) above, collectively, the “**Term Funding Conditions**”) and (II) with respect to the Revolving Facility, are subject to satisfaction or waiver of each of the following conditions precedent: (a) the execution and delivery by the parties thereto of definitive documentation with respect to the Revolving Facility consistent with this Commitment Letter and the Fee Letter (the “**Revolving Credit Documentation**”), (b) the receipt of commitments from other Lenders in respect of the Revolving Facility of no less than \$650,000,000 (a “**Successful Revolving Syndication**”) and (c) the satisfaction of the conditions set forth in Exhibit C (including termination in full of the “Revolving Commitments” under the Existing Credit Agreement and receipt by the Lead Arranger of customary documentary evidence thereof).

For the purposes hereof, “**Target Material Adverse Effect**” means a “Material Adverse Effect on the Company” (as defined in the Acquisition Agreement as in effect on the date hereof).

Notwithstanding anything in this Commitment Letter, the Fee Letter, the Term Credit Documentation, the Revolving Credit Documentation or any other letter agreement or other undertaking concerning the financing of the Transactions to the contrary, (a) the only representations the accuracy of which shall be a condition to the availability of the Term Facility on the Closing Date shall be (i) such of the representations made by the Target in the Acquisition Agreement (as hereinafter defined) as are material to the interests of the Lenders, but only to the extent that you have (or an affiliate of yours has) the right to terminate your (or your affiliates’) obligations under the Acquisition Agreement as a result of the breach of such representations in the Acquisition Agreement, or the accuracy of such representations in the Acquisition Agreement is a condition to your (or your affiliates’) obligations to consummate the Acquisition pursuant to the Acquisition Agreement (the “**Acquisition Agreement Representations**”) and (ii) the Specified Representations (as hereinafter defined) and (b) the terms of the Term Credit Documentation shall be in a form such that they do not impair the availability of the loans under the Term Facility on the Closing Date if the Term Funding Conditions are satisfied. For purposes hereof, “**Specified Representations**” means the representations and warranties of the Borrower relating to corporate status of the Borrower and the Guarantors, corporate power and authority to enter into the Term Credit Documentation, due authorization, execution, delivery and enforceability of the Term Credit Documentation, no conflicts with or consents under charter documents of the Borrower and the Guarantors, solvency of the Borrower and its subsidiaries on a consolidated basis after giving effect to the Transactions (solvency to be defined in a manner consistent with Annex I to Exhibit B), no conflicts with or consents under the applicable credit agreements and indentures governing indebtedness for borrowed money in a principal or committed amount greater than \$100,000,000 (as determined after giving pro forma effect to the Transactions to occur on the Closing Date and without such representation being subject to any material adverse effect or similar qualifications), Federal Reserve margin regulations, the use of the proceeds of the Term Facility not violating laws against sanctioned persons, the Foreign Corrupt Practices Act or the Patriot Act and compliance with the Investment Company Act. This paragraph, and the provisions herein, shall be referred to as the “**Limited Conditionality Provision**”.

7. Limitation of Liability, Indemnity, Settlement

(a) Limitation of Liability.

You agree that (i) in no event shall any of the Commitment Party and its affiliates and its officers, directors, employees, advisors, and agents (each, and including, without limitation, JPMorgan, an “**Arranger-Related Person**”) have any Liabilities, on any theory of liability, for any special, indirect, consequential or punitive damages incurred by you, your affiliates or your respective equity holders arising out of, in connection with, or as a result of, this Commitment Letter, the Fee Letter or any other agreement or instrument contemplated hereby; and (ii) no Arranger-Related Person shall have any Liabilities arising from, or be responsible for, the use by others of Information or other materials (including, without limitation, any personal data) obtained through electronic, telecommunications or other information transmission systems, including an Electronic Platform or otherwise via the internet other than for direct, actual damages resulting from the gross negligence or willful misconduct of such Arranger-Related Person as determined by a final, non-appealable judgment of a court of competent jurisdiction; provided that, nothing in this clause (a) shall relieve you of any obligation you may have to indemnify an Indemnified Person, as provided in clause (b) below, against any special, indirect, consequential or punitive damages asserted against such Indemnified Person by a third party. You agree, to the extent permitted by applicable law, to not assert any claims against any Arranger-Related Person with respect to any of the foregoing. As used herein, the term “**Liabilities**” shall mean any losses, claims (including intraparty claims), demands, damages or liabilities of any kind.

(b) Indemnity.

You agree (A) to (i) indemnify and hold harmless each of the Commitment Party, and its affiliates and its officers, directors, employees, advisors, and agents (each, and including, without limitation, JPMorgan, an “**Indemnified Person**”) from and against any and all Liabilities and related expenses to which any such Indemnified Person may become subject arising out of or in connection with this Commitment Letter, the Facilities, the use of the proceeds thereof, any related transaction or the activities performed or the Commitments or services furnished pursuant to this Commitment Letter or the role of the Commitment Party in connection therewith or in connection with any actual or prospective claim, litigation, investigation, arbitration or administrative, judicial or regulatory action or proceeding in any jurisdiction relating to any of the foregoing (including in relation to enforcing the terms of clause (a) above and the terms of this clause (b)) (each, a “**Proceeding**”), regardless of whether or not any Indemnified Person is a party thereto and whether or not such Proceeding is brought by you, your equity holders, affiliates, creditors, the Target or any other person and (ii) reimburse each Indemnified Person upon demand (upon presentation of a summary statement, in reasonable detail) for any legal or other expenses (but limited, in the case of legal fees and expenses, to the reasonable and documented or invoiced out-of-pocket fees and expenses of one counsel, representing all of the Indemnified Parties, taken as a whole, and, if necessary, of a single local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all such Indemnified Persons, taken as whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnified Person)) incurred in connection with investigating or defending any of the

foregoing, regardless of whether or not in connection with any pending or threatened Proceeding to which any Indemnified Person is a party, in each case as such expenses are incurred or paid; provided that the foregoing indemnity will not, as to any Indemnified Person, apply to any Liabilities or related expenses to the extent they are found by a final, non-appealable judgment of a court of competent jurisdiction to (I) result from (x) the willful misconduct, bad faith or gross negligence of such Indemnified Person in performing its activities or in furnishing its Commitments or services under this Commitment Letter or (y) a material breach by such Indemnified Person of the Commitment Letter, the Fee Letter or any of the Term Credit Documentation or the Revolving Credit Documentation, or (II) have not resulted from an act or omission by you or any of your affiliates and have been brought by an Indemnified Person against any other Indemnified Person (other than any claims against the Commitment Party in its capacity or in fulfilling its role as an arranger or agent or any similar role hereunder) and (B) to reimburse the Commitment Party and its affiliates on demand (upon presentation of a summary statement, in reasonable detail) for all reasonable documented or invoiced out-of-pocket expenses (including due diligence expenses, syndication expenses, travel expenses, and reasonable fees, charges and disbursements of counsel which shall be limited to the reasonable and documented or invoiced out-of-pocket fees and other charges of one counsel to the Lead Arranger and the Administrative Agent and, if necessary, of one regulatory counsel and one local counsel to the Lenders retained by the Lead Arranger in each relevant regulatory field and each relevant jurisdiction, respectively (and, in the case of an actual or perceived conflict of interest where the Commitment Party affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected Commitment Party)) incurred in connection with the Facilities and any related documentation (including this Commitment Letter, the Term Sheets, the Fee Letter, the Term Credit Documentation and the Revolving Credit Documentation) or the administration, amendment, modification or waiver thereof.

(c) Settlement.

You shall not be liable for any settlement of any Proceeding if the amount of such settlement was effected without your prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed), but if settled with your written consent or if there is a final judgment in any such Proceeding, you agree to indemnify and hold harmless each Indemnified Person from and against any and all Liabilities and related expenses by reason of such settlement or judgment in accordance with the terms of clause (b) above. You shall not, without the prior written consent of the Commitment Party and its affiliates (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by the Commitment Party unless such settlement (x) includes an unconditional release of such Indemnified Person in form and substance reasonably satisfactory to the Commitment Party from all liability on claims that are the subject matter of such Proceedings and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of the Commitment Party or any injunctive relief or other non-monetary remedy. You acknowledge that any failure to comply with your obligations under the preceding sentence may cause irreparable harm to the Commitment Party and the other Indemnified Persons.

8. Affiliate Activities, Sharing of Information, Absence of Fiduciary Relationships

The Commitment Party may employ the services of its affiliates in providing certain services hereunder and, in connection with the provision of such services, may exchange with such affiliates information concerning you and the other companies that may be the subject of the transactions contemplated by this Commitment Letter, and, to the extent so employed, such

affiliates shall be entitled to the benefits, and be subject to the obligations, of the Commitment Party hereunder; provided that with respect to the Commitment, any assignments thereof to an affiliate or branch will not relieve the Commitment Party from any of its obligations hereunder unless and until such affiliate or branch shall have funded the portion of the Commitment so assigned on the Closing Date. The Commitment Party shall be responsible for its affiliates' failure to comply with such obligations under this Commitment Letter.

You acknowledge that the Commitment Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which you may have conflicting interests regarding the transactions described herein and otherwise. The Commitment Party will not use confidential information obtained from you by virtue of the transactions contemplated by this Commitment Letter or its other relationships with you in connection with the performance by such Commitment Party of services for other companies, and the Commitment Party will not furnish any such information to other companies. You agree that the Commitment Party will act under this Commitment Letter as an independent contractor and that nothing in this Commitment Letter will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Commitment Party, on the one hand, and you and your respective equity holders or your and their respective affiliates on the other hand. You acknowledge and agree that (i) the transactions contemplated by this Commitment Letter are arm's-length commercial transactions between the Commitment Party and, if applicable, its affiliates, on the one hand, and you, on the other hand, (ii) in connection therewith and with the process leading to such transaction the Commitment Party and, if applicable, each of its affiliates, is acting solely as a principal and has not been, is not and will not be acting as an advisor, agent or fiduciary of you, your management, equity holders, creditors, affiliates or any other person and (iii) with respect to the transactions contemplated hereby or the process leading thereto, the Commitment Party and, if applicable, its affiliates, has not assumed (x) an advisory or fiduciary responsibility in favor of you or your affiliates (irrespective of whether the Commitment Party or any of its affiliates has advised or is currently advising you or your affiliates on other matters (which, for the avoidance of doubt, includes acting as a financial advisor to the Borrower or any of its affiliates in respect of any transaction related hereto)) or (y) any other obligation except the obligations expressly set forth in this Commitment Letter. You further acknowledge and agree that (i) you are responsible for making your own independent judgment with respect to such transactions and the process leading thereto, (ii) you are capable of evaluating and understand and accept the terms, risks and conditions of the transactions contemplated hereby, and the Commitment Party shall have no responsibility or liability to you with respect thereto, and (iii) the Commitment Party is not advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction, and you shall consult with your own advisors concerning such matters and you shall be responsible for making your own independent investigation and appraisal of the transactions contemplated hereby. Any review by the Commitment Party or any of its affiliates of the Borrower, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Commitment Party and shall not be on behalf of the Borrower. The Borrower agrees that it will not claim that the Commitment Party has rendered any advisory services or assert any claim against the Commitment Party based on an alleged breach of fiduciary duty by the Commitment Party in connection with this Commitment Letter and the transactions contemplated hereby or assert any claim based on any actual or potential conflict of interest that might be asserted to arise or result from the engagement of the Commitment Party or any of its affiliates acting as a financial advisor to the Borrower or any of its affiliates, on the one hand, and the engagement of the Commitment Party hereunder and the transactions contemplated hereby, on the other hand.

You further acknowledge that the Commitment Party is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, the Commitment Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, you and other companies with which you may have commercial or other relationships. In particular, you acknowledge that JPMorgan or its affiliates may be acting as a buy-side financial advisor to you in connection with the Transactions. You agree not to assert or allege any claim based on actual or potential conflict of interest arising or resulting from, on the one hand, the engagement of JPMorgan or its affiliates in such capacity and our obligations hereunder, on the other hand.

9. Confidentiality

This Commitment Letter is delivered to you on the understanding that neither this Commitment Letter, the Term Sheets or the Fee Letter nor any of their terms or substance shall be disclosed by you, directly or indirectly, to any other person without our prior written consent (such approval not to be unreasonably withheld or delayed) except (a) to your affiliates and your and your affiliates' directors, officers, employees, agents and advisors who are directly involved in the consideration of this matter and for whom you shall be responsible for any breach by any one of them of this confidentiality undertaking, (b) as may be compelled in a judicial or administrative proceeding or as otherwise required by law or to the extent requested or required by governmental and/or regulatory authorities, in each case based on the reasonable advice of your legal counsel (in which case you agree, to the extent practicable and not prohibited by applicable law, to inform us promptly thereof), (c) following your acceptance of the provisions hereof and your return of an executed counterpart of this Commitment Letter to the Lead Arranger as provided below, you may disclose this Commitment Letter and the contents hereof (but not the Fee Letter or the contents thereof) in any offering memoranda relating to the Facilities, in any syndication or other marketing materials in connection with the Facilities or in connection with any public filing relating to the Transactions, (d) following your acceptance of the provisions hereof and your return of an executed counterpart of this Commitment Letter to the Lead Arranger as provided below, you may file a copy of any portion of this Commitment Letter (but not the Fee Letter) in any public record in which it is required by law or regulation on the advice of your counsel to be filed, (e) you may disclose, on a confidential basis, the existence and contents of this Commitment Letter, including Exhibits A through D (but not the Fee Letter) to any rating agency or any prospective Lenders to the extent necessary to satisfy your obligations or the conditions hereunder, (f) you may disclose the aggregate fee amounts contained in the Fee Letter in financial statements or as part of Projections, pro forma information or a generic disclosure of aggregate sources and uses related to fee amounts related to the Transactions to the extent customary or required in offering and marketing materials for the Facilities or in any public filing relating to the Transactions (which in the case of such public filing may indicate the existence of the Fee Letter) and (g) in connection with the exercise of any remedy or enforcement

of any right under this Commitment Letter and the Fee Letter; provided that, the foregoing restrictions shall cease to apply (except in respect of the Fee Letter and its terms and substance) on the date that is two years after this Commitment Letter has been accepted by you; provided, further, you may disclose this Commitment Letter and the Fee Letter (redacted in a manner reasonably satisfactory to us) to the Target, their respective subsidiaries and their officers, directors, employees, affiliates, independent auditors (but only with respect to this Commitment Letter), legal counsel and other legal advisors on a confidential basis in connection with their consideration of the Transactions.

The Commitment Party will treat all information provided to it by or on behalf of you in connection with the transactions contemplated hereby (including information regarding the Acquired Business) confidentially and shall not publish, disclose or otherwise divulge, such information; provided that nothing herein shall prevent the Commitment Party and its affiliates from disclosing any such information (a) pursuant to the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by applicable law, rule or regulation, subpoena or compulsory legal process or upon the request or demand of any regulatory authority (including any self-regulatory authority) or other governmental authority purporting to have jurisdiction over the Commitment Party or any of its affiliates (in which case the Commitment Party agrees (except with respect to any audit or examination conducted by bank accountants or any self-regulatory authority or governmental or regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law or regulation, to inform you promptly thereof prior to disclosure), (b) to the extent that such information becomes publicly available other than by reason of improper disclosure by the Commitment Party or any of its affiliates in violation of any confidentiality obligations owing to you hereunder, (c) to the extent that such information is received by the Commitment Party from a third party that is not, to the Commitment Party's knowledge, subject to contractual or fiduciary confidentiality obligations owing to you with respect to such information, (d) to the extent that such information is independently developed by the Commitment Party or any of its affiliates, (e) to the Commitment Party's affiliates and their and their respective employees, directors, officers, independent auditors, rating agencies, professional advisors and other experts or agents who need to know such information in connection with the transactions contemplated hereby and who are informed of the confidential nature of such information (with the Commitment Party responsible for its affiliates' compliance with this paragraph), (f) in connection with the exercise of any remedies hereunder or under the Fee Letter or any suit, action or proceeding relating to this Commitment Letter, the Fee Letter or the Facilities, and/or (g) to prospective Lenders, hedge providers, participants or assignees (collectively, "**Prospective Parties**"); provided that for purposes of clause (g) above, the disclosure of any such information to any Prospective Party shall be made subject to such Prospective Party written agreement to treat such information confidentially on substantially the terms set forth in this paragraph. If the Facilities closes, the Commitment Party's obligations under this paragraph shall terminate and be superseded by the confidentiality provisions in the Term Credit Documentation or the Revolving Credit Documentation, as applicable. Otherwise, the provisions of this paragraph shall expire two years after the date hereof.

10. Miscellaneous

This Commitment Letter shall not be assignable by you without the prior written consent of the Commitment Party (and any purported assignment without such consent shall be null and void), is intended to be solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto. JPMorgan may assign all or a portion of its Term Commitment only to one or more prospective

Lenders that are (i) approved by you in writing (such approval not to be unreasonably withheld or delayed) or (ii) agreed upon in writing by you and us on or prior to the date hereof (including, for the avoidance of doubt, those lenders identified in the “syndication plan” for the Term Facility agreed to by the Lead Arranger and you prior to the date hereof) (such Lenders described in clauses (i) and (ii), each, a “**Permitted Assignee**”), whereupon JPMorgan shall be released from its Commitment hereunder so assigned to the extent such assignment is evidenced by either an executed credit agreement or a customary joinder agreement (a “**Joinder Agreement**”) pursuant to which such Permitted Assignee agrees to become party to this Commitment Letter and agrees to extend commitments directly to the Borrower on the terms set forth herein (it being understood that such Joinder Agreement shall not add any conditions to the availability of the Term Facility or change the terms of the Term Facility or change compensation in connection therewith except as set forth in the Commitment Letter and the Fee Letter and shall otherwise be reasonably satisfactory to you and us).

This Commitment Letter may not be amended or waived except by an instrument in writing signed by you and JPMorgan. This Commitment Letter and the Fee Letter are the only agreements that have been entered into among us with respect to the Facilities and set forth the entire understanding of the parties with respect thereto. Each of the parties hereto agrees that each of this Commitment Letter and the Fee Letter is a binding and enforceable agreement (subject to the effects of bankruptcy, insolvency, fraudulent transfer, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors’ rights generally) with respect to the subject matter contained herein, including the good faith negotiation of the Term Credit Documentation and the Revolving Credit Documentation by the parties hereto in a manner consistent with this Commitment Letter; it being acknowledged and agreed that the funding of the Term Facility is subject only to the Term Funding Conditions.

(whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than the State of Delaware. The Borrower consents to the exclusive jurisdiction and venue of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan). Each party hereto irrevocably waives, to the fullest extent permitted by applicable law, (a) any right it may have to a trial by jury in any legal proceeding arising out of or relating to this Commitment Letter, the Term Sheet, the Fee Letter or the transactions contemplated hereby or thereby (whether based on contract, tort or any other theory) and (b) any objection that it may now or hereafter have to the laying of venue of any such legal proceeding in the federal or state courts located in the City of New York, Borough of Manhattan.

You confirm that you have validly appointed Holdco, or if otherwise, its principal place of business in The City of New York from time to time, as your agent for service of process, and agree that service of any process, summons, notice or document by hand delivery or registered mail upon such agent shall be effective service of process for any suit, action or proceeding brought in any such court.

The Commitment Party hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, Title III of Pub. L. 107-56 (signed into law October 26, 2001) (the “**Patriot Act**”) and 31 C.F.R. § 1010.230 (the “**Beneficial Ownership Regulation**”), it and its affiliates are required to obtain, verify and record information that identifies the Borrower, which information includes the name, address, tax identification number and other information regarding the Borrower that will allow the Commitment Party to identify the Borrower in accordance with the Patriot Act and the Beneficial Ownership Regulation. This notice is given in accordance with the requirements of the Patriot Act and Beneficial Ownership Regulation and is effective for the Commitment Party and each of its affiliates. You may ratably terminate each Lender’s commitments hereunder at any time subject to the provisions of the preceding sentence.

Section headings used herein are for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Commitment Letter.

If the foregoing correctly sets forth our agreement, please indicate your acceptance of the terms of this Commitment Letter, the Term Sheets and the Fee Letter by returning to us executed counterparts of this Commitment Letter and of the Fee Letter not later than 5:00 p.m., New York City time, on October 29, 2020 (the “**Expiration Time**”). Interest and Certain Fees

Interest Rate Options:

The Borrower may elect that the Term Loans comprising each borrowing bear interest at a rate *per annum* equal to:

the ABR plus the Applicable ABR Margin; or

the Adjusted LIBO Rate plus the Applicable LIBO Margin.

As used herein:

“**ABR**” means the highest of (i) the rate of interest last quoted by The Wall Street Journal in the U.S. as the prime rate in effect (the “**Prime Rate**”), (ii) the NYFRB Rate from time to time plus 0.5% and (iii) the Adjusted LIBO Rate for a one-month interest period plus 1%. If the ABR as determined pursuant to the foregoing would be less than 1.00%, such rate shall be deemed to be 1.00%.

“**Adjusted LIBO Rate**” means the LIBO Rate, as adjusted for statutory reserve requirements for eurocurrency liabilities.

“**Applicable LIBO Margin**” means, with respect to each Tranche of Term Loans, a percentage determined in accordance with the pricing grid set forth immediately below:

	Pricing Level I	Pricing Level II	Pricing Level III	Pricing Level IV	Pricing Level V
	³ BBB+/ Baa1/BBB+	BBB/ Baa2/BBB	BBB-/ Baa3/BBB-	BB+/ Ba1/BB+	BBB/ Ba2/BB
3-Year Tranche	1.000%	1.125%	1.250%	1.750%	2.000%
5-Year Tranche	1.125%	1.250%	1.375%	2.000%	2.250%

The foregoing pricing shall be based on the senior, unsecured non-credit enhanced long-term indebtedness for borrowed money of (x) prior to the assignment of such ratings for Holdco, Maui and (y) thereafter, Holdco, in each case, issued by Moody’s, S&P and Fitch (the “**Public Debt Ratings**”). Split ratings shall be addressed in a manner consistent with the Existing Credit Agreement.

“**Applicable ABR Margin**” means a percentage equal to the greater of (i) 0% and (ii) the Applicable LIBO Margin *minus* 1.0%.

“Federal Funds Effective Rate” means, for any day, the rate calculated by the NYFRB based on such day’s federal funds transactions by depository institutions, as determined in such manner as the NYFRB shall set forth on its public website from time to time, and published on the next succeeding Business Day by the NYFRB as the federal funds effective rate, provided that if the Federal Funds Effective Rate shall be less than zero, such rate shall be deemed to zero for the purposes of calculating such rate.

“Interpolated Rate” means, at any time, for any interest period, the rate *per annum* (rounded to the same number of decimal places as the LIBO Screen Rate) determined by the Term Administrative Agent (which determination shall be conclusive and binding absent manifest error) to be equal to the rate that results from interpolating on a linear basis between: (a) the LIBO Screen Rate for the longest period (for which the LIBO Screen Rate is available) that is shorter than the Impacted Interest Period; and (b) the LIBO Screen Rate for the shortest period (for which that LIBO Screen Rate is available) that exceeds the Impacted Interest Period, in each case, at such time.

“LIBO Rate” means, with respect to any Eurodollar Borrowing for any interest period, the LIBO Screen Rate at approximately 11:00 a.m., London time, two Business Days prior to the commencement of such interest period; provided that if the LIBO Screen Rate shall not be available at such time for such interest period (an ***“Impacted Interest Period”***) then the LIBO Rate shall be the Interpolated Rate.

“LIBO Screen Rate” means, for any day and time, with respect to any Eurodollar Borrowing for any interest period, the London interbank offered rate as administered by ICE Benchmark Administration (or any other Person that takes over the administration of such rate) for U.S. Dollars for a period equal in length to such interest period as displayed on pages LIBOR01 or LIBOR02 of the Reuters screen that displays such rate (or, in the event such rate does not appear on a Reuters page or screen, on any successor or substitute page on such screen that displays such rate, or on the appropriate page of such other information service that publishes such rate from time to time as selected by the Term Administrative Agent in its reasonable discretion); provided that if the LIBO Screen Rate as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of calculating such rate.

“NYFRB Rate” means, for any day, the greater of (a) the Federal Funds Effective Rate in effect on such day and (b) the Overnight Bank Funding Rate in effect on such day; provided that if any of the aforesaid rates shall be less than zero, such rate shall be deemed to zero for the purposes of calculating such rate.

“Overnight Bank Funding Rate” means, for any day, the rate comprised of both overnight federal funds and overnight Eurodollar Borrowings by U.S.-managed banking offices of depository institutions, as such composite rate shall be determined by the NYFRB as set forth on its public website from time to time, and published on the next succeeding Business Day by the NYFRB as an overnight bank funding rate (from and after such date as the NYFRB shall commence to publish such composite rate).

The Term Credit Documentation will contain provisions to be mutually agreed with respect to a replacement of the LIBO Rate.

Interest Payment Dates: In the case of Loans bearing interest based upon the ABR (“**ABR Loans**”), quarterly in arrears.

In the case of Loans bearing interest based upon the Adjusted LIBO Rate (“**Eurodollar Loans**”), on the last day of each relevant interest period and, in the case of any interest period longer than three months, on each successive date three months after the first day of such interest period.

Default Rate: At any time when the Borrower is in default in the payment of any amount of principal due under the Term Facility, such amount shall bear interest at 2% above the rate otherwise applicable thereto. Overdue interest, fees and other amounts shall bear interest at 2% above the rate applicable to ABR Loans.

Undrawn Fee: The Borrower will pay a fee (the “**Undrawn Fee**”), for the ratable benefit of the Term Lenders, in an amount equal to a percentage determined in accordance with the pricing grid set forth immediately below (the “**Undrawn Fee Pricing Grid**”) of the undrawn portion of the commitments in respect of each Tranche the Term Facility from and including the day that is 90 days following the execution of the Commitment Letter and to but excluding the Fee Payment Date, which fee shall be payable upon the Fee Payment Date (or earlier termination of the commitments with respect to the Term Facility). For the purposes hereof, “**Fee Payment Date**” means the earlier of (i) termination or expiration of the commitments under the Term Facility and (ii) the Closing Date.

	Pricing Level I	Pricing Level II	Pricing Level III	Pricing Level IV	Pricing Level V
	³ BBB+/Baa1/BBB+	BBB/Baa2/BBB	BBB-/Baa3/BBB-	BB+/Ba1/BB+	BBB-/Ba2/BB
3-Year Tranche	0.125%	0.150%	0.200%	0.250%	0.350%
5-Year Tranche	0.150%	0.200%	0.250%	0.300%	0.400%

The foregoing pricing shall be based on the Public Debt Ratings. Split ratings shall be addressed in a manner consistent with the Existing Credit Agreement.

Rate and Fee Basis: All *per annum* rates shall be calculated on the basis of a year of 360 days (or 365/366 days, in the case of ABR Loans the interest rate payable on which is then based on the Prime Rate) for actual days elapsed.

Exhibit C-8

Interest and Certain Fees

Interest Rate Options: The Borrower may elect that the Revolving Loans comprising each borrowing bear interest at a rate *per annum* equal to:

the ABR plus the Applicable ABR Margin; or

the Adjusted LIBO Rate plus the Applicable LIBO Margin.

As used herein:

“**ABR**” means the highest of (i) the rate of interest last quoted by The Wall Street Journal in the U.S. as the prime rate in effect (the “**Prime Rate**”), (ii) the NYFRB Rate from time to time plus 0.5% and (iii) the Adjusted LIBO Rate for a one month interest period plus 1%. If the ABR as determined pursuant to the foregoing would be less than 1.00%, such rate shall be deemed to be 1.00%.

“**Adjusted LIBO Rate**” means the LIBO Rate, as adjusted for statutory reserve requirements for eurocurrency liabilities.

“**Applicable LIBO Margin**” means a percentage determined in accordance with the pricing grid set forth immediately below:

<u>Pricing Level I</u>	<u>Pricing Level II</u>	<u>Pricing Level III</u>	<u>Pricing Level IV</u>	<u>Pricing Level V</u>
<u>³BBB+/ Baa1/BBB+</u>	<u>BBB/ Baa2/BBB</u>	<u>BBB-/ Baa3/BBB-</u>	<u>BB+/ Ba1/BB+</u>	<u>BBB/ Ba2/BB</u>
1.125%	1.250%	1.500%	2.000%	2.250%

The foregoing pricing shall be based on the Public Debt Ratings. Split ratings shall be addressed in a manner consistent with the Existing Credit Agreement.

“**Applicable ABR Margin**” means a percentage equal to the greater of (i) 0% and (ii) the Applicable LIBO Margin *minus* 1.0%.

“**Federal Funds Effective Rate**” means, for any day, the rate calculated by the NYFRB based on such day’s federal funds transactions by depository institutions, as determined in such manner as the NYFRB shall set forth on its public website from time to time, and published on the next succeeding Business Day by the NYFRB as the federal funds effective rate, provided that if the Federal Funds Effective Rate shall be less than zero, such rate shall be deemed to zero for the purposes of calculating such rate.

“Interpolated Rate” means, at any time, for any interest period, the rate *per annum* (rounded to the same number of decimal places as the LIBO Screen Rate) determined by the Revolving Administrative Agent (which determination shall be conclusive and binding absent manifest error) to be equal to the rate that results from interpolating on a linear basis between: (a) the LIBO Screen Rate for the longest period (for which the LIBO Screen Rate is available) that is shorter than the Impacted Interest Period; and (b) the LIBO Screen Rate for the shortest period (for which that LIBO Screen Rate is available) that exceeds the Impacted Interest Period, in each case, at such time.

“LIBO Rate” means, with respect to any Eurodollar Borrowing for any interest period, the LIBO Screen Rate at approximately 11:00 a.m., London time, two Business Days prior to the commencement of such interest period; provided that if the LIBO Screen Rate shall not be available at such time for such interest period (an **“Impacted Interest Period”**) then the LIBO Rate shall be the Interpolated Rate.

“LIBO Screen Rate” means, for any day and time, with respect to any Eurodollar Borrowing for any interest period, the London interbank offered rate as administered by ICE Benchmark Administration (or any other Person that takes over the administration of such rate for U.S. Dollars) for a period equal in length to such interest period as displayed on pages LIBOR01 or LIBOR02 of the Reuters screen that displays such rate (or, in the event such rate does not appear on a Reuters page or screen, on any successor or substitute page on such screen that displays such rate, or on the appropriate page of such other information service that publishes such rate from time to time as selected by the Revolving Administrative Agent in its reasonable discretion); provided that if the LIBO Screen Rate as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of calculating such rate.

“NYFRB Rate” means, for any day, the greater of (a) the Federal Funds Effective Rate in effect on such day and (b) the Overnight Bank Funding Rate in effect on such day; provided that if any of the aforesaid rates shall be less than zero, such rate shall be deemed to zero for the purposes of calculating such rate.

“Overnight Bank Funding Rate” means, for any day, the rate comprised of both overnight federal funds and overnight Eurodollar Borrowings by U.S.-managed banking offices of depository institutions, as such composite rate shall be determined by the NYFRB as set forth on its public website from time to time, and published on the next succeeding Business Day by the NYFRB as an overnight bank funding rate (from and after such date as the NYFRB shall commence to publish such composite rate).

The Revolving Credit Documentation will contain provisions to be mutually agreed with respect to a replacement of the LIBO Rate.

Interest Payment Dates: In the case of Loans bearing interest based upon the ABR (“**ABR Loans**”), quarterly in arrears.

In the case of Loans bearing interest based upon the Adjusted LIBO Rate (“**Eurodollar Loans**”), on the last day of each relevant interest period and, in the case of any interest period longer than three months, on each successive date three months after the first day of such interest period.

Default Rate: At any time when the Borrower is in default in the payment of any amount of principal due under the Revolving Facility, such amount shall bear interest at 2% above the rate otherwise applicable thereto. Overdue interest, fees and other amounts shall bear interest at 2% above the rate applicable to ABR Loans.

Commitment Fee: Commencing on the RCF Effective Date, the Borrower will pay a fee (the “**Commitment Fee**”) to the Revolving Administrative Agent for the benefit of the Revolving Lenders in an amount equal a rate per annum set forth in the pricing grid immediately below *times* the actual daily undrawn portion of the aggregate principal (*i.e.*, face) amount of the commitments in respect of the Revolving Facility (subject to any reduction of commitments under the Revolving Facility), payable quarterly.

<u>Pricing Level I</u>	<u>Pricing Level II</u>	<u>Pricing Level III</u>	<u>Pricing Level IV</u>	<u>Pricing Level V</u>
<u>³BBB+/</u>	<u>BBB/</u>	<u>BBB-/</u>	<u>BB+/</u>	<u>BBB/</u>
<u>Baa1/BBB+</u>	<u>Baa2/BBB</u>	<u>Baa3/BBB-</u>	<u>Ba1/BB+</u>	<u>Ba2/BB</u>
0.125%	0.150%	1.750%	0.300%	0.350%

The foregoing pricing shall be based on the Public Debt Ratings. Split ratings shall be addressed in a manner consistent with the Existing Credit Agreement.

Rate and Fee Basis: All *per annum* rates shall be calculated on the basis of a year of 360 days (or 365/366 days, in the case of ABR Loans the interest rate payable on which is then based on the Prime Rate) for actual days elapsed.
