CURRENT REPORT

**Pursuant to Section 13 or 15(d) of the
Securities Exchange Act of 1934**

Date of Report: June 7, 2021
(Date of earliest event reported)

MARVELL TECHNOLOGY, INC.

(Exact name of registrant as specified in its charter)

Delaware
**(State or other jurisdiction of
incorporation)**

0-30877
(Commission File Number)

85-3971597
(IRS Employer Identification No.)

1000 N. West Street, Suite 1200
Wilmington, Delaware 19801
(Address of principal executive offices, including Zip Code)

(302) 295-4840
(Registrant's telephone number, including area code)

Check the appropriate box below if the Form 8-K filing is intended to simultaneously satisfy the filing obligation of the registrant under any of the following provisions:

- ☐ Written communications pursuant to Rule 425 under the Securities Act (17 CFR 230.425)
- ☐ Soliciting material pursuant to Rule 14a-12 under the Exchange Act (17 CFR 240.14a-12)
- ☐ Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14d-2(b))
- ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (§230.405 of this chapter) or Rule 12b-2 of the Securities Exchange Act of 1934 (§240.12b-2 of this chapter). Emerging growth company ☐

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act. ☐

Securities registered pursuant to Section 12(b) of the Act:

Title of each class	Trading Symbol(s)	Name of each exchange on which registered
Common Shares	MRVL	The Nasdaq Stock Market, LLC

Item 2.02 Results of Operations and Financial Condition.

The information in Item 2.02 of this Current Report, including the accompanying Exhibit 99.1, is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of Section 18. The information in Item 2.02 of this Current Report shall not be incorporated by reference into any registration statement or other document filed pursuant to the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language contained in such filing.

On June 7, 2021, Marvell Technology, Inc. (“Marvell”) issued a press release reporting its financial results for the first quarter of fiscal 2022 ended May 1, 2021. A copy of the press release is furnished herewith as Exhibit 99.1.

Marvell will conduct a conference call on Thursday, June 7, 2021 at 1:45 p.m. Pacific Time to discuss results for the first quarter of fiscal 2022. Interested parties may join the conference call by dialing 1-888-317-6003 or 1-412-317-6061, pass-code **9153389**. The call will be webcast and can be accessed at the Marvell Investor Relations website at <http://investor.marvell.com/> with a replay available following the call until Thursday, June 14, 2021.

Item 9.01 Financial Statements and Exhibits.

Jean Hu
Chief Financial Officer

**Marvell Technology, Inc. Reports First Quarter of Fiscal Year 2022
Financial Results**

- Q1 Net Revenue: \$832 million, grew by 20% year-on-year
- Q1 Gross Margin: 50.2% GAAP gross margin; 64.3% non-GAAP gross margin
- Q1 Diluted income (loss) per share: \$(0.13) GAAP diluted loss per share; \$0.29 non-GAAP diluted income per share
- Cash and cash equivalents: \$523 million

Santa Clara, Calif. (June 7, 2021) - Marvell Technology, Inc. (NASDAQ: MRVL), a leader in infrastructure semiconductor solutions, today reported financial results for the first quarter of fiscal year 2022.

Marvell completed the acquisition of Inphi Corporation (“Inphi”) on April 20, 2021 (the “acquisition date”), approximately 10 days before the end of the first quarter of fiscal 2022. Marvell’s results for the first quarter of fiscal 2022 include the results of Inphi from the acquisition date, while prior periods presented do not.

Financial highlights presented below are for the combined company and Marvell stand-alone (excluding Inphi results) for the first quarter of fiscal year 2022 (in thousands, except percentages and per share amounts). We are providing the Marvell stand-alone non-GAAP results on a one time basis this quarter in light of the fact that our previously provided financial outlook for the first quarter excluded any impact of the Inphi acquisition.

	Three Months Ended May 1, 2021		
	Combined GAAP	Combined Non-GAAP	Marvell Stand-alone Non-GAAP
Net revenue	\$ 832,279	\$ 832,279	\$ 810,496
Gross margin	50.2 %	64.3 %	64.3 %
Operating margin	(9.9)%	27.5 %	27.7 %
Net income (loss)	\$ (88,242)	\$ 201,799	\$ 200,937
Diluted net income (loss) per share	\$ (0.13)	\$ 0.29	\$ 0.29

Net revenue for the first quarter of fiscal 2022 was \$832 million. GAAP net loss for the first quarter of fiscal 2022 was \$(88) million, or \$(0.13) per diluted share. Non-GAAP net income for the first quarter of fiscal 2022 was \$202 million, or \$0.29 per diluted share.

“We began fiscal 2022 on a strong note, with stand-alone Marvell revenue growing 17% year-over-year for the first quarter. The acquisition of Inphi increases and accelerates our growth opportunity in the data center, Marvell’s largest end market by revenue,” said Matt Murphy, Marvell’s President and CEO. “Marvell’s outlook for strong revenue growth in the second quarter highlights robust demand across all our key end markets. I have never felt stronger about our prospects and believe that we are at the beginning of a multi-year growth cycle.”

The financial outlook for the second quarter of fiscal 2022 includes expected results of Inphi for the full quarter.

Second Quarter of Fiscal 2022 Financial Outlook

- Net revenue is expected to be \$1.065 billion +/- 3%.
- GAAP gross margin is expected to be 34.8% to 37.5%.
- Non-GAAP gross margin is expected to be approximately 64%.
- GAAP operating expenses are expected to be \$633 million to \$643 million.
- Non-GAAP operating expenses are expected to be \$370 million to \$375 million.
- Basic weighted average shares outstanding are expected to be 822 million.
- Diluted weighted average shares outstanding are expected to be 835 million.
- GAAP diluted loss per share is expected to be \$(0.37) +/- \$0.04 per share.
- Non-GAAP diluted income per share is expected to be \$0.31 +/- \$0.03 per share.

GAAP diluted EPS is calculated using basic weighted average shares outstanding when there is a GAAP net loss, and calculated using diluted weighted average shares outstanding when there is a GAAP net income. Non-GAAP diluted EPS is calculated using diluted weighted average shares outstanding.

Conference Call

Marvell will conduct a conference call on Monday, June 7, 2021 at 1:45 p.m. Pacific Time to discuss results for the first quarter of fiscal 2022. Interested parties may join the conference call by dialing 1-888-317-6003 or 1-412-317-6061, pass-code 9153389. The call will be webcast and can be accessed at the Marvell Investor Relations website at <http://investor.marvell.com/> with a replay available following the call until Monday, June 14, 2021.

Discussion of Non-GAAP Financial Measures

Non-GAAP financial measures exclude the effect of share-based compensation expense, amortization of the inventory fair value adjustment associated with acquisition, amortization of acquired intangible assets, acquisition and divestiture-related costs, restructuring and other related charges (including, but not limited to, asset impairment charges, employee severance costs, and facilities related charges), resolution of legal matters, and certain expenses and benefits that are driven primarily by discrete events that management does not consider to be directly related to Marvell's core business.

Marvell uses a non-GAAP tax rate to compute the non-GAAP tax provision. This non-GAAP tax rate is based on Marvell's estimated annual GAAP income tax forecast, adjusted to account for items excluded from GAAP income in calculating Marvell's non-GAAP income, as well as the effects of significant non-recurring and period specific tax items which vary in size and frequency. Marvell's non-GAAP tax rate is determined on an annual basis and may be adjusted during the year to take into account events that may materially affect the non-GAAP tax rate such as tax law changes; significant changes in Marvell's geographic mix of revenue and expenses; or changes to Marvell's corporate structure. For the first quarter of fiscal 2022, a non-GAAP tax rate of 5.0% has been applied to the non-GAAP financial results.

Marvell believes that the presentation of non-GAAP financial measures provides important supplemental information to management and investors regarding financial and business trends relating to Marvell's financial condition and results of operations. While Marvell uses non-GAAP financial measures as a tool to enhance its understanding of certain aspects of its financial performance, Marvell does not consider these measures to be a substitute for, or superior to, financial measures calculated in accordance with GAAP. Consistent with this approach, Marvell believes that disclosing non-GAAP financial measures to the readers of its financial statements provides such readers with useful supplemental data that, while not a substitute for GAAP financial measures, allows for greater transparency in the review of its financial and operational performance.

Externally, management believes that investors may find Marvell's non-GAAP financial measures useful in their assessment of Marvell's operating performance and the valuation of Marvell. Internally, Marvell's non-GAAP financial measures are used in the following areas:

- Management's evaluation of Marvell's operating performance;
- Management's establishment of internal operating budgets;
- Management's performance comparisons with internal forecasts and targeted business models; and
- Management's determination of the achievement and measurement of certain performance-based equity awards (adjustments may vary from award to award).

Non-GAAP financial measures have limitations in that they do not reflect all of the costs associated with the operations of Marvell's business as determined in accordance with GAAP. As a result, you should not consider these measures in isolation or as a substitute for analysis of Marvell's results as reported under GAAP. The exclusion of the above items from our GAAP financial metrics does not necessarily mean that these costs are unusual or infrequent.

Marvell stand-alone non-GAAP results represent combined non-GAAP results after excluding Inphi results for the portion of the first quarter falling after the acquisition date. We are providing the Marvell stand-alone non-GAAP results on a one time basis for the first quarter of fiscal 2022 in light of the fact that our previously provided financial outlook for the first quarter excluded any impact of the Inphi acquisition.

Forward-Looking Statements under the Private Securities Litigation Reform Act of 1995

This press release contains forward-looking statements within the meaning of the federal securities laws that involve risks and uncertainties. Words such as "anticipates," "expects," "intends," "plans," "projects," "believes," "seeks," "estimates," "can," "may," "will," "would" and similar expressions identify such forward-looking statements. These statements are not guarantees of results and should not be considered as an indication of future activity or future performance. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Actual events or results may differ materially from those described in this press release due to a number of risks and uncertainties, including, but not limited to: failure to realize the anticipated benefits of the transaction with Inphi Corporation on a timely basis or at all, including as a result of our ability to successfully integrate the businesses of Marvell and Inphi or due to unexpected costs, liabilities, delays or other factors impacting the semiconductor industry; the risk that disruptions from the transaction with Inphi will harm our business, including current plans and operations; our ability to retain and hire key personnel; potential adverse reactions or changes to business relationships resulting from the transaction with Inphi; risks associated with third party contracts containing consent and/or other provisions that may be triggered by the transaction with Inphi; risks related to the impact of the COVID-19 pandemic which have impacted, and may continue to impact our business, workforce and operations, the transportation and manufacturing of our products, and the operations of our customers, distributors, vendors, suppliers, and partners; increased disruption and volatility in the capital markets and credit markets as a result of COVID-19, which could adversely affect our liquidity and capital resources; the impact of COVID-19, or other future pandemics, on the U.S. and global economies; disruptions caused by COVID-19 resulting in worker absenteeism, quarantines and restrictions on our employees' ability to work, innovate, collaborate, and travel; the effects that the current credit and market conditions caused by, or resulting from, COVID-19 could have on the liquidity and financial condition of our customers and suppliers, including any impact on their ability to meet their contractual obligations; supply chain disruptions or component shortages that may impact the production of our products or may impact the price of components which in turn may impact our margins on any impacted products and any constrained availability from other electronic suppliers impacting our customers' ability to ship their products, which in turn may adversely impact our sales to those customers; our reliance on our manufacturing partners for the manufacture, assembly and testing of our products; the impact of international conflict and economic volatility in either domestic or foreign markets including risks related to trade conflicts, regulations, and tariffs, including but not limited to, restrictions imposed on our Chinese customers; the risks associated with manufacturing and selling products and customers' products outside of the United States; our ability to define, design and develop products for the Cloud and 5G markets; our ability to market our 5G products to Tier 1 infrastructure customers; cancellations, rescheduling or deferrals of significant customer orders or shipments, as well as the ability of our customers to manage inventory; our ability to estimate customer demand and future sales accurately; our ability to realize the expected benefits from restructuring activities; the effects of transitioning to smaller geometry process technologies; the impact of any change in the income tax laws in jurisdictions where we operate and the loss of any beneficial tax treatment that we currently enjoy; the risk of downturns in the semiconductor industry; risks related to our debt obligations; the outcome of pending or future litigation and legal and regulatory proceedings; our dependence on a small number of customers; the impact and costs associated with changes in international financial and regulatory conditions; our ability and the ability of our customers to successfully compete in the markets in which we serve; our ability and our customers' ability to develop new and enhanced products and the adoption of those products in the market; decreases in gross margin and results of operations in the future due to a number of factors; our ability to scale our operations in response to changes in demand for existing or new products and services; risks associated with acquisition and consolidation activity in the semiconductor industry; the effects of any other potential acquisitions, divestitures or investments; our ability to protect our intellectual property; our maintenance of an effective system of internal controls; severe financial hardship or bankruptcy of one or more of our major customers; and other risks detailed in our SEC filings from time to time. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties that affect our business described in the "Risk Factors" section of our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other documents filed by us from time to time with the SEC. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and we assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.

About Marvell

To deliver the data infrastructure technology that connects the world, we're building solutions on the most powerful foundation: our partnerships with our customers. Trusted by the world's leading technology companies for 25 years, we move, store, process and secure the world's data with semiconductor solutions designed for our customers' current needs and future ambitions. Through a process of deep collaboration and transparency, we're ultimately changing the way tomorrow's enterprise, cloud, automotive, and carrier architectures transform—for the better.
